To the President and Managers of
The Philadelphia Saving Fund Society

We have examined the appended statement of condition of The Philadelphia Saving Fund Society at the close of business December 31, 1945, and the appended statement listing in detail the bond investments of the Society at that date.

Our examination included a verification by count or confirmation of the cash on hand and in banks and of all investments of the Society in bonds, mortgages, ground rents and deeds to real estate.

The bonds are valued at less than market; the mortgages, office building and real estate for Society's use at conservative figures with adequate reserves; the other real estate, except for one property valued at one dollar, is under contract of sale and is valued at its net sales price.

We have reviewed the system of internal control and

accounting procedure and have examined or tested accounting records and other supporting evidence to the extent and by methods which we deemed appropriate.

In our opinion the statements correctly reflect the assets and liabilities and the bond investments of the Society as of December 31, 1945.

REPORT OF THE CERTIFIED PUBLIC ACCOUNTANTS

Walker E. Linvill, C.P.A.
John C. Parry, Jr., C.P.A.

To the President and Managers of
The Philadelphia Saving Fund Society

We have examined the appended statement of condition of The Philadelphia Saving Fund Society at the close of business December 31, 1946, and the appended statement listing in detail the bond investments of the Society at that date.

Our examination included a verification by count or confirmation of the cash on hand and in banks and of all investments of the Society in bonds, mortgages and deeds to real estate.

The bonds are valued at less than market; the mortgages, office building and real estate for Society's use at conservative figures with adequate reserves.

We have reviewed the system of internal control and accounting procedure and have examined or tested accounting records and other supporting evidence to the extent and by methods which we deemed appropriate.

In our opinion the statements correctly reflect the assets and liabilities and the bond investments of the Society as of December 31, 1946.

ANNUAL REPORT OF THE DELAWARE RIVER JOINT COMMISSION OF PENNSYLVANIA AND NEW JERSEY

To the Honorable: The Legislatures of the Commonwealth of Pennsylvania and the State of New Jersey:

Delaware River Bridge traffic in 1945, with the passage of 12,639,611 vehicles, showed an increase of 11.25 per cent over 1944. Net income of $1,774,312.90 was the greatest in the 19½ years of bridge operation, surpassing the banner traffic year of 1941, due principally to the reduction in interest charge upon outstanding bonds of The Delaware River Joint Commission. Interest paid during 1945 was $999,000 against $1,552,917 in 1941.

During the first five months of 1945 traffic was about even with that of the corresponding period of 1944. From June 1 on, business improved very rapidly. The end of the war with Japan and the immediate lifting of restric-

tions on the use of gasoline were dramatically reflected in the swift growth of business. Automobiles which had been stored for the duration appeared again on the highways and the custom of riding for pleasure was resumed. The increase in traffic for the year amounted to 1,279,061 vehicles. In 1941, 15,638,687 cars passed through the toll lanes.

Gross operating income for 1945 was $3,266,299.61 against $3,653,611.09 in 1941 and $3,001,169.32 in 1944. Results of operation during 1945 and 1944 were as follows:

The rail transit line carried 8,538,517 passengers during the year compared with 8,227,423 in 1944. The return to the Commission was $213,462.96 against $205,685.62. The daily average in 1945 was 23,393 against 22,479 the preceding year, an increase of 4.06 per cent. Under the agreement with the Philadelphia Transportation Company, lessee of the line, the Commission receives 2½ cents per passenger. No funds have been withheld by the Company since 1942 under the clause which guarantees it against an operating loss.

At no time during the year was the capacity of the bridge tested. The busiest single day was Labor Day, September 3, when 55,578 vehicles crossed. Four years ago on Sunday, July 27, the count was 83,014. When new automobiles become available, this record undoubtedly will be eclipsed. The present six lanes of the bridge highway, theoretically, could suffice for one hundred thousand cars in twenty-four hours, but this would cause needless crowding which can be avoided by increasing the roadway width to eight lanes. Conversion of the space set aside on the bridge originally for trolleys which has never been used into the two additional lanes can be accomplished at an expense well within the means of the Commission. This is a matter to be considered by the Commission in the not too distant future.

The widening of the bridge will fit neatly into the plans now being discussed on both sides of the river for improvement of the approaches to the bridge. The Commonwealth of Pennsylvania has acquired nearly all the property on the south side of Vine Street from Franklin to Eighteenth in Philadelphia and has agreed to widen the street on the surface for the adequate accommodation of traffic. During the year a proposal was advanced for the construction of a depressed highway in Vine Street but the plan for the connection of this project with the bridge could not be approved by the Commission because of the dangerous confusion that would have been caused at the Philadelphia Plaza. At the October meeting the Commission formally requested the Secretary of the Department of Highways of the Commonwealth of Pennsylvania, the Mayor and Council of the City of Philadelphia and the Philadelphia City Planning Commission for an opportunity to examine all plans for revision of the lines and grades of the Philadelphia Plaza before they are finally approved. This request was assented to by all parties involved.

Plans for betterment of the approaches in Camden were being studied by the New Jersey Department of Highways at the end of the year. These plans, presented by the Mayor of Camden, call for construction of an underpass from the Plaza to Eleventh Street thereby avoiding the dangerous and inconvenient crossing at grade of the Pennsylvania Railroad tracks which has been the cause of innumerable delays to bridge traffic. The building of a new highway to supplement the present Admiral Wilson Boulevard is also included in the plans.

At the end of 1945 the Commission had $10,710,000 United States Government bonds in its Operating and Sinking Funds, the market value of which was $10,887,-384. At their face value, these bonds and cash brought the assets of the Commission to $11,453,079.72 compared with $9,661,367.91 at the end of the preceding year. The outstanding $37,000,000 Commission bonds bearing interest at the rate of 2.7 per cent are callable August 1, 1946, at 105. The Commission has been assured that a considerably lower coupon rate can now be obtained by refunding.

The impact of war and the accompanying necessity of restrictions on the use of automobiles is illustrated in the following comparison of selected days:

Two developments of importance to present and prospective holders of Commission bonds occurred during 1945. On January 2 the Supreme Court of the United States refused to review the decision of the New York Circuit Court holding that the interest on bonds issued by The Port of New York and Triborough Bridge Authorities

was exempt from federal taxation. This ruling applies to bonds of this Commission. The long, drawn-out controversy over the imposition of a documentary stamp tax upon Commission bonds ended with the return by the Treasury Department of the United States of the amount paid under protest October 23, 1943. On December 29, 1945, the Treasury Department paid to the Commission $11,786.15 representing the $7,411.60 stamp taxes; penalties of $370.58; accrued interest of $2,706.98 and lien fees of $8.00 totaling $10,497.16 with interest thereon at six per cent from date of payment. In return the Commission directed its counsel to discontinue the suit against the Treasury Department for the refund of this amount.

The roadway of the suspended spans of the bridge was repaved with asphalt in May, 1945 at a cost of $43,589.92. Beneath the Camden Approach, a concrete block wall was erected around the area bounded by Second, Third, Pearl and Birch Streets occupied by the cinder hoppers and piles. Because men and material are not available, repainting of the entire bridge could not be done in 1945 but spot-painting was carried on steadily by our own forces. If the critical shortages are relieved, it would be well to paint the bridge in 1946. On the approach roadways, 602 square yards of granite paving were relaid by our Maintenance Bureau. Other necessary minor repairs were made to keep the structure in excellent condition.

The Commission maintained the policy of promptly putting back to work all employees discharged from the armed forces. Forty-two men had left the Commission and, by the end of the year, fourteen returned. In addition a number have notified the Commission that they expect discharges early in 1946. Returning employees were credited with time spent in service as though they had remained on the bridge without interruption.

Multi-risk insurance on the suspended spans from anchorage to anchorage in the amount of $10,000,000 and use and occupancy insurance covering a year's total receipts were maintained.

During the year a number of changes occurred in Commission membership. Mr. Ted A. Rosenberg served from January until April by virtue of his office as Auditor-General of Pennsylvania. In May, Mr. G. Harold Wagner who, as State Treasurer, was a member of the Commission, became Auditor-General of Pennsylvania and Mr. Ramsey S. Black succeeded him as State Treasurer. On November 12, Mr. William H. Folwell of Philadelphia who was appointed to the Commission in 1927 died. The vacancy thus caused had not been filled at the end of the year. Mr. Allen S. Hatcher of Burlington County, New Jersey succeeded Mr. Harold T. Parker on April 10. Mr. Parker resigned to become Prosecuting Attorney of Burlington County.

Fourteen accidents occurred on the bridge during the year; sixty-four arrests were made; forty-one fires extinguished and 1,406 disabled cars towed off the structure by our Police Bureau.

A cordial invitation is extended to members of the Legislature of the Commonwealth of Pennsylvania and the State of New Jersey to inspect the Delaware River Bridge at any time.

Respectfully submitted,

ANNUAL REPORT OF THE DELAWARE RIVER JOINT COMMISSION OF PENNSYLVANIA AND NEW JERSEY

To the Honorable: The Legislatures of the Commonwealth of Pennsylvania and the State of New Jersey.

Vehicular traffic and rail transit line patronage on the Delaware River Bridge in 1946 broke all previous records in the 20-year history of the span. While receipts were mounting to an all-time high, the Commission refunded its bonded indebtedness, extinguished $7,000,000 of its obligations and reduced the interest rate upon the balance of $30,000,000 bonds from 2.7 per cent to 1.035 per cent, the lowest rate ever set for a bridge revenue bond. On the basis of 1946 earnings and eliminating any factor of increased traffic due to the accelerated rate of automobile production, the Commission believes the entire debt can be paid off by 1956.

During 1946, 16,886,413 vehicles crossed the bridge, a gain of 33.60 per cent over the preceding year and 7.98 per cent over 1941 when the former record of 15,638,687 vehicles was set. Gross operating income was $4,235,142.23 against $3,266,299.61 in 1945 and $3,653,611.09 in 1941. Income after payment of all expenses and interest was $2,764,725.69 compared with $1,774,312.90 in 1945 and $1,576,075.50 in 1941 when the Commission bonds were bearing a 4¼ per cent coupon. This interest rate had been cut to 2.7 per cent by the refunding accomplished in 1943, a satisfactory performance in the middle of a war when heavy restrictions were laid upon the use of automobiles. The Commission, however, believed that this was not the ultimate to be attained and directed that the bonds then sold should be callable in 1946. The value of this provision was shown by the latest refinancing.

Early in the year the Commission directed the Finance Committee to study and report upon the possibility of refunding the outstanding $37,000,000 bond issue. The Committee on April 24 offered the following program which was unanimously approved by the Commission:

"The Committee recommended that $30,000,000 new bonds be sold and the outstanding issue called for redemption. The Committee submits the following recommendations covering refinancing:

1. The refunding issue shall consist of $14,000,000 serial bonds to mature semi-annually over a period of eight years and $16,000,000 terms bonds due in 1966.

2. Competitive bids shall be advertised for, such bids to be opened at the regular monthly Commission meeting of May 22, 1946 and an award made by the Commission on the afternoon of the same day.

3. Bids must be on all-or-none basis and the Commission reserves the right to reject any and all bids.

4. No bid of less than par and accrued interest will be considered. The bidder will name the interest rates he proposes to pay for the serial bonds and for the term bonds in multiples of one-tenth, one-eighth or one-quarter of one per cent. The bonds will be awarded to the bidder whose bid provides for the lowest yield on the price offered for the bonds.

5. The outstanding $37,000,000 Commission bonds bearing interest at 2.7 per cent shall be called for redemption August 1 by advertisement in the newspapers July 1. Funds for this redemption at 105 shall be supplied by the sale of the new bonds and by the allocation of sufficient money from the reserves held by the Commission. This reserve will amount to aproximately $12,000,000 by the end of June, of which $8,850,000 will supplement the price received for the refunding bonds. All expenses of refunding, including legal, advertising, printing and engraving new bonds estimated at $50,000, will likewise be paid from this reserve. The Commission will retain approximately $3,000,000 for the purpose of widening the bridge from six to eight lanes when increasing traffic warrants this improvement.

6. The new bonds, both serial and term, shall be callable at 102 five years from date of issue.

7. The Land Title Bank and Trust Company, Philadelphia, the present Fiscal Agent of the Commission, should be re-engaged.

8. Temporary bonds shall be delivered upon receipt of the purchase price, June 26. The temporary bonds will be replaced by definitive bonds as soon as the latter can be prepared. All bonds shall be signed by the Vice-Chairman and the Secretary. Provision shall be made for the naming of substitutes if either is unable to sign.

9. The General Manager shall be authorized and directed to prepare a pamphlet describing the new bond issue and containing a summary of the financial status of this Commission. The official form upon which bids are to be presented shall be included in this pamphlet.

The Committee believes that the new bonds can be sold at an interest rate of 1¼ per cent or approximately $375,000 annually. Our present annual interest charge on the outstanding 2.7 per cent bonds is $999,000."

Following advertising for bids, two banking syndicates submitted proposals to the Commission on May 22. For the $30,000,000 bonds, one syndicate offered $30,000,900 with an interest rate of 1.06995 per cent which was materially bettered by the offer of the second of $30,009,900 with interest of 1.0335 per cent. The latter proposal which was accepted by the Commission was as follows:

The first block of serial bonds amounting to $850,000 matured December 1, 1946. At the end of the year the outstanding indebtedness consequently was $29,150,000. The interest item for the month of December, 1946 was $29,958.33 whereas, for the same month of 1945, the charge was $83,250. A further reduction in interest paid will be effected by the maturing of $1,700,000—3 per cent bonds in 1947. The Commission had $3,635,000 United States Government bonds with a market value of $3,739,506 and bank deposits of $506,350.86 at the close of the year.

Receipts to the Commission from the operation of the bridge rail transit line amounted to $238,971.14 in 1946, the highest since this facility was opened in 1936. Passengers numbered 9,558,844 against 8,538,517 in 1945 when the revenue was $213,462.96. Service on the line was suspended February 11 and 12 as a result of the street car strike in Philadelphia. No funds were withheld in 1946 by the Philadelphia Transportation Company, operator of the line under lease from the Commission. Buses totaled 1,034,780 against 996,016 in the preceding year.

Every month in 1946 registered an appreciable increase over the same month in 1945. The gains ranged from a high of 51 per cent in January to a low of 21 per cent in November. The busiest month was August when the Atlantic City race track was in operation from the 1st to the 17th and the Garden State track, outside Camden, from the 19th to the 31st.

The total of 16,886,413 vehicles in 1946 was almost double the traffic of 1927, the first complete year of Delaware River Bridge operation. Since the bridge was opened on July 1, 1926, traffic, receipts and expenses have been as follows:

	Traffic	Gross Receipts	Expenses	Net Receipts

No improvement was made in 1946 to the obviously

inadequate streets in Philadelphia and Camden leading to the bridge. As it would be useless to widen the span from the present six lanes to eight lanes until traffic can reach and leave the bridge more expeditiously, the Commission continued to hold in reserve the $3,000,000 set aside for this improvement.

On November 20 the Commission awarded a contract for the improvement of the river-front beneath the bridge in Philadelphia. This covered the removal of the 780 pilings of old Pier No. 11½, dredging the site to a depth of 20 feet below mean low water and construction of a bulkhead along Delaware Avenue. The low bidder was the Merritt-Chapman and Scott Corporation who offered to complete the work at a cost of $111,702 in the seven months stipulated.

The Commission regrets to record the loss of its fellow-member, Mr. Solon D. Bausher who died on January 9. To fill the vacancy thus created and that caused by the death of Mr. William H. Folwell in the preceding year, Governor Martin appointed Messrs. Samuel S. Lewis on March 12 and Frank J. Fell, Jr., May 1.

At the March meeting a speed limit of 35 miles per hour was established by the Commission for travel over any part of the bridge.

Twenty-nine accidents occurred during the year and 173 arrests were made. Indicative of the condition of many vehicles on the highways today, bridge police were required to remove 1,943 disabled vehicles and extinguish 51 automobile fires. Two suicides by jumping from the bridge were reported.

Members of the Legislatures of the Commonwealth of Pennsylvania and the State of New Jersey are cordially invited to inspect the Delaware River Bridge at any time.

Respectfully submitted,

COMMONWEALTH OF PENNSYLVANIA
GOVERNOR'S OFFICE, HARRISBURG

January 7, 1947

To the Honorable, the House of Representatives of the Commonwealth of Pennsylvania:

I have the honor to present herewith the reasons for pardons and commutations of sentence granted by Governor Martin from January 2, 1945, to date.

JAMES H. DUFF.

BOARD OF PARDONS

In re application of Charles Agnew, D-3512, No. 6087, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles Agnew, convicted of felonious entry in the Court of Oyer and Terminer of Philadelphia County on October 20, 1938 be commuted from 10 years to 8 years, 4 months, expiring on January 21, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 47 years of age. This is not his first conviction. This, however, is his first imprisonment of this length of time in Pennsylvania. He was arrested on five charges of entering with intent to commit a felony. He was given a minimum sentence of ten years. He has now served nearly eight and one-half years.

That applicant is rehabilitated is shown by his record in the Eastern State Penitentiary where he has learned the trade of linotype operator. Upon his release he should have no trouble securing a position which will be remunerative and therefore make reversion to crime less likely.

The Trial Judge has stated he has no objection, that commutation is up to the Board of Pardons. The District Attorney likewise makes similar comment.

The Board of Pardons feels he has been rehabilitated and sufficiently punished and therefore recommends commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Luther Aungst, B-7840, No. 6732, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Luther Aungst, convicted of robbery, being armed with an offensive weapon in the County of Oyer and Terminer of Clinton County on September 13, 1941, to be computed from September 10, 1941, be commuted from 20 years to 5 years, 3 months, and 20 days, expiring on December 30, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Russell Joseph Bainbridge, B-9033, No. 8045, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Russell Joseph Bainbridge, convicted of larceny in the Court of Quarter Session of Allegheny County on June 15, 1944 be commuted from 5 years to 2 years, 8 months, 10 days, expiring on January 16, 1946.

Our reasons for making this recommendation are as follows:

Applicant is 27 years of age. This was his first conviction. He has now served nearly three years of a minimum of five years on a charge of larceny.

The Board of Trustees of the Western State Penitentiary have written the Board of Pardons and stated that if the applicant was eligible to apply for parole, they would recommend him because of his excellent institutional record.

The Trial Judge, Honorable Alexander Cooper in writing the Board of Pardons states he recommends clemency. No opposition is made by the District Attorney.

The Board of Pardons believes he will be a good risk on parole and therefore we recommend commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of John James Belko, D-6101, No. 7380, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John James Belko, convicted of burglary, receiving stolen goods, in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on November 12, 1941, be commuted from 5 years to 2 years, 8 months, 10 days, expiring on January 15, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 39 years of age and this is not the first time that he has been convicted. In fact at the present time he was required to serve two years and six months of a prior sentence before he began serving the present sentence for burglary and receiving stolen goods:

This man's present sentence was to run concurrently with his new sentence but by reason of the Wheeler and Lerner decisions it was necessary to recompute the new sentence so that it would be consecutive. He has an excellent institutional record in the Eastern State Penitentiary and the Trial Judge has written that he recommends that commutation be granted.

The Board of Pardons in order to give effect to the sentence of the Trial Judge recommends that the sentence be commuted because at this time he has served more than the minimum sentence imposed by the County Court.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of James Brooks, C-8987, No. 6498, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons, recommend that the sentence of imprisonment imposed on James Brooks, convicted of robbery, larceny and carrying concealed deadly weapons, etc., in the Court of Quarter Sessions of Philadelphia County, on June 7, 1933, be commuted on Bill No. 46, June Sessions 1933, from a minimum term of 10 years to a minimum term of 3 years, 7 months, 10 days, expiring on January 17, 1947; on Bill No. 47 June Sessions 1933, from a minimum term of 5 years to a minimum term of 1 day, expiring on January 18, 1947 and on Bill No. 229 February Sessions 1935, from a minimum term of 1 year to a minimum term of 1 day, expiring on January 19, 1947.

Our reasons for making this recommendation are as follows:

The applicant, 31, was but a step from the juvenile class when these offenses were committed. The offenses were armed robbery of milk wagon drivers and he and his accomplices, since deceased, were known as the milk wagon bandits.

He has matured in prison and had adjusted well for a decade. He has an excellent work record at the institution and should be a credit to it if permitted to become an alumnus.

Such, also, is the feeling of the enforcement authorities, the Trial Judge and District Attorney.

There is no doubt that the applicant has served a substantial portion of his sentence and furthermore since he has an excellent prison record we are recommending commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Benjamin Burgess, D-1854, No. 6000, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Benjamin Burgess, convicted of assault, being armed with an offensive weapon with intent to rob in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County, on January 5, 1937, be commuted from 20 years to 10 years, expiring on January 5, 1947.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Jones Clark, B-7109, No. 7862, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Jones Clark, convicted of robbery, being armed with an offensive weapon, receiving stolen goods in the Court of Oyer and Terminer of Allegheny County on February 23 and March 15, 1940, be commuted from 7½ years to 7 years, expiring on January 26, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 27 years of age. This is his first conviction for any offense whatsoever. He has now served nearly seven years of a minimum sentence of seven and one-half years.

The report from the Board of Trustees of the Western State Penitentiary state that the applicant has an excellent institutional record and if he was eligible for parole they would recommend parole. The District Attorney of Allegheny County leaves the matter of commutation up to the Board of Pardons.

The Board of Pardons in view of the good institutional record and the long time he has served recommends commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of John C. Davis, also known as John Charles Davis, No. 8697, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John C. Davis, also known as John Charles Davis, convicted of receiving stolen goods in the Court of Quarter Session of Bucks and Montgomery Counties, on February 12, 1940 and on February 23, 1940, be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is 30 years of age. He has no prior criminal record. He participated in the receipts of the burglary of two gas stations. In both counties he was placed on probation for a period of three years.

He served with the Air Corps for four and one-half years, one year and a half of which he was stationed in New Guinea. He rose to the rank of corporal. He now desires to join the Fire Department of Philadelphia.

There is no opposition to a pardon from the authorities in Bucks County and Judge Corson of Montgomery County has written stating he is not opposed.

Under all of the circumstances the Board feels a pardon is indicated in this case and so recommend.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Alex Delpercio, 50662, No. 7827, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Alex Pelpercio, convicted of robbery, receiving stolen goods in the Court of Oyer and Terminer of Allegheny County on September 22, 1939, be commuted from 9 years to 7 years, 4 months, expiring on January 22, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 27 years of age. This is his first conviction. He has now served 7 years, 4 months of his minimum sentence of 9 years.

He has had an excellent institutional record. The Trial Judge makes no recommendation but the District Attorney of Allegheny County has no objection to the granting of commutation.

The recommendation of the Board of Pardons is in favor of clemency at this time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of John Del Sordo, B-9549, No. 8437, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John Del Sordo, convicted of assault, robbery, entering, being armed with offensive weapon in the Court of Oyer and Terminer of Philadelphia County, on April 28, 1932, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 33 years of age. He has no prior criminal record. Applicant was sentenced to a minimum of twelve and one-half years and a maximum of twenty-five years. However, he was released on parole after having served three and one-half years.

Applicant committed these crimes during a period of economic depression and when he was only approximately eighteen years old. Upon his release he secured a position as bootblack and has since successively held jobs in Cramps Shipyard, Brills, and Pennsylvania Railroad. He is now employed by the Board of Public Education in Philadelphia.

He has continued to make good on parole for over eleven years. He is now married, father of one son aged six and one-half, and supports his aged father. He cites his good record as reason for a pardon.

The majority of the Board of Pardons recommends a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr. (Dissents)
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Michael Derin, D-1455, No. 4512, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Michael Derin, convicted of robbery in the Court of Oyer and Terminer and Quarter Sessions of Bradford County on July 6, 1936, be commuted from 20 years to 10 years, 5 months, 20 days, expiring on December 26, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of John Digiovanni, D-5852, No. 6194, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Digiovanni, convicted of robbery, being armed with an offensive weapon, etc., in the Court of Quarter Sessions of Delaware County on June 19, 1941, be commuted from 2 years to 11 months, expiring on January 12, 1947.

Our reasons for making this recommendation are as follows:

Applicant who is now 23 years of age has served nearly six years for a series of larcenies in both Philadelphia and Delaware Counties. He was just over the age of eighteen and although a first offender was given what seems to be a rather salty sentence. He has now served his sentence of five years in Philadelphia and has served one-half on a minimum in Delaware County.

During his stay in the Eastern State Penitentiary they have said he has an excellent record and is satisfactorily adjusted.

Since this boy is a first offender and he has served all but one year of his combined minimum sentences, we feel he has been sufficiently punished.

Respectfully submitted,
JOHN C. BELL, Jr., (Dissents)
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Roger J. Ervin, No. 8694, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undesigned members of the Board of Pardons recommend that Roger J. Ervin, convicted of larceny of automobile in the Court of Quarter Sessions of Philadelphia County, on April 26, 1932, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 51 years of age. Approximately fourteen years ago he took an automobile for a joy-ride while in an intoxicated condition. Since that time he has been in no further troubles.

That this applicant has reformed is evidenced by the fact that he has given up drink in all of its forms and has married, has a daughter and has settled down to purchasing his own home.

Since he has reformed and this is his only slip from grace the Board of Pardons recomends that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of John J. Fay, D-7391, No. 8095, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John J. Fay, convicted of involuntary manslaughter, larceny and receiving stolen goods, in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on September 17, 1943, be commuted from 4 years to 3 years, 4 months, expiring on January 15, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 21 years of age. He has no prior criminal record. At the present time he has served about three and one-half years of a four year minimum sentence.

Even though he was a mere youth of seventeen when he entered the Eastern State Penitentiary he has an excellent institutional record and is proficient in his work.

Honorable George G. Parry, has written the Board of Pardons that he is not opposed to the granting of clemency and in fact joins in the prayer of the applicant's petition.

Because applicant is a first offender, because he has an

excellent institutional record, the Board of Pardons recommends commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Wade Joseph Gault, 55760, No. 48-B, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Wade Joseph Gault, convicted of larceny of auto in the Court of Quarter Sessions of Venango County on May 5, 1942, be commuted from 5 years to 4 years, 9 months, expiring on January 3, 1947.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Charles Jacob Gilden, No. 8683, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Charles Jacob Gilden, convicted of entering to commit a felony, having burglary tools, carrying concealed deadly weapons, burglary, in the Court of Quarter Session of Philadelphia County, on March 15, 1938, be pardoned.

Our reasons for making this recommendation are as follows:

Applicant, 25, has no prior criminal record. He was just seventeen years of age when he participated in the breaking and entry of a home.

Following applicant's release on parole he was inducted into the armed forces and served overseas in the 13th Armored Division. He attained the rank of private first class. Since his discharge from the Army, applicant is attending Utah State Agricultural School. He will shortly graduate as a civil engineer.

In order for applicant to enter his chosen profession without any black mark against his character, and in view of his army service the Board of Pardons recommends that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr., (Not Voting)
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Aaron Gilliams, B-1431, No. 6420, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Aaron Gilliams, convicted of murder, first degree, in the Court of Oyer and Terminer of Allegheny County on April 26, 1929, be commuted from life imprisonment to 17 years, 9 months, expiring on January 26, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 56 years of age. He is a first offender and he is now serving a life sentence for murder.

It is reported to the Board of Pardons that the applicant has maintained an excellent record in the penitentiary for nearly eighteen years and if he was eligible for parole they would recommend him for parole.

The Assistant District Attorney of Allegheny County has stated that he leaves the matter of commutation up to the Board of Pardons. No recommendation was made by the trial judge.

The Board of Pardons recommends clemency because of the length of time that the applicant has served and further for the reason that the applicant was intoxicated when he fired the fatal shot.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of Marko George Glad, D-1755, No. 3541, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Marko George Glad, convicted of assault and battery, burglary, in the Court of Oyer and Terminer and Quarter Sessions of Dauphin County in November 30, 1936, be commuted from 12 years to 10 years, 2 months, expiring on January 30, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 32 years of age. This is his first conviction. He served two years of his minimum sentence and was granted commutation of sentence.

Following commutation of his sentence the applicant was inducted in the armed forces of the United States. Applicant was a clerk-typist in Army Ground Forces Replacement Depot at Fort Ord, California, he served there for one year and a quarter. He was granted an honorable discharge on December 10, 1945.

The Board of Parole reports he has a satisfactory parole record.

In view of applicant's military record and honorable discharge the Board of Pardons recommends a commutation of applicant's maximum sentence.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Robert Ray Greenberg, No. 8682, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Robert Ray Greenberg, convicted of operating motor vehicle under influence of intoxicating liquor, in the Court of Quarter Sessions of Montgomery County, on July 12, 1946, be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is 20 years of age. He has no criminal record. He was sentenced to pay a fine of $100, on a charge of operating a motor vehicle while under the influence of intoxicating liquor. The evidence which counsel for the applicant produced does not indicate that he was intoxicated or under the influence but rather indicates he had an unfortunate accident.

He served in the Armed Forces for over two years, is presently a student in Lafayette College. He comes from an excellent family in Elkins Park. The Board has received a leter from the Trial Judge stating he did not oppose a pardon.

The Board of Pardons feels that it would not be amiss to recommend a pardon in this case.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of James J. Harris, C-9561, No. 2410, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of James J. Harris, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on March 2, 1934, be commuted from 20 years to 12 years, 9 months, 20 days, expiring on December 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. BOARD OF PARDONS

In re application of Richard L. Hudson, D-8960, No. 8703, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Richard L. Hudson, convicted of robbery, in the Court of Quarter Sessions of Philadelphia County on June 14, 1946, be commuted from 1 year to 7 months, 10 days, expiring on January 17, 1947.

Our reasons for making this recommendation are as follows:

Applicant, 20, had no prior criminal record. He has now served seven months of a year's sentence for the crime of assault with intent to rob.

The Board of Pardons learns that this applicant has an excellent institutional record. That the applicant comes from a good family which bears an excellent reputation in the community. It is believed that careful parental attention will bring a complete reformation. This attention is being assured.

Because of the foregoing the Board of Pardons believes the applicant has learned his lesson and therefore recommends commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Charles Kasselman, D-7354, No. 7520, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles Kasselman, convicted of robbery, being armed with an offensive weapon, etc., in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on March 13, 1939, be commuted from 11½ years to 3 years, 5 months, expiring on January 11, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 40 years of age. This is not his first conviction but his third and fourth conviction. He is now serving sentences from both Philadelphia and Delaware Counties for a robbery in each county.

The report from the institution in this case is one of the reasons why the Board of Pardons felt that even though he was a parole violator he should receive favorable recommendation, a small portion of which reads as follows, "we who have observed and studied this prisoner, both when he was serving his original sentence and since his return . . ., can appreciate the difference and the sincere rehabilitative effort which he has put forth . . . If there is a critical point, we feel that the point," i. e., release on parole, "has been reached in this case."

Honorable Harry S. McDevitt, writing to the Board of Pardons in this case states he hardly seems like the same prisoner who was confined under other sentences. The District Attorney leaves the matter of commutation to the Board.

At this season of the year the Board of Pardons feels this type of record deserves recognition and therefore recommends commutation.

In re application of John Kobylinski, D-3704, No. 6337, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of John Kobylinski, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on January 25, 1939, be commuted from 20 years to 7 years, 11 months, 10 days, expiring on December 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. In re application of George Kenneth Kopp, 3975-W-45, No. 8522, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of George Kenneth Kopp, convicted of burglary and larceny in the Court of Oyer and Terminer of Bucks County on September 10, 1945, be commuted from 2 years to 1 year, 6 months, 10 days expiring on January 19, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 24 years of age. He has no prior criminal record. He has now served one and one-half year of a minimum term of two years on a charge of larceny and burglary.

Applicant was represented before the Board of Pardons by the warden of the Bucks County Prison. He told the Board that he has excellent institutional record and further exhibited to the Board letter from the Trial Judge and the District Attorney that they recommend favorable action.

Under the circumstances the Board of Pardons recommends that the commutation be granted because of the statements made by the Bucks County authorities.

Respectfully submitted,
JOHN C. BELL, Jr.,

In re application of Frank Korbelic, 37953, No. 51-B, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Frank Korbelic, convicted of entering a building and statutory rape in the Court of Oyer and Terminer of Allegheny County on January 20, 1938, be commuted from 9 years to 8 years, 11 months, expiring on December 20, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by communtation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. In re application of Donald Layton Marsh, No. 8704, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Donald Layton Marsh, convicted of killing a human by mistake for a deer in the Court of Quarter Sessions of Monroe County on February 11, 1946 be commuted from 2 years to 11 months expiring on January 11, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 21 years of age. He has no prior record. He pleaded guilty to killing a human being in mistake for game. He was sentenced to a term of two years. At the present time he has served nearly one-half of that time.

The warden of Monroe County Jail has advised the Board of Pardons that the applicant has an excellent record in the institution and willingly performs any task he is asked to perform. The sentencing authorities have said that they have no objection to the granting of clemency.

In view of his excellent institutional record and that this is his first conviction and further since there is no objection by the sentencing authorities we are recommending commutation of sentence.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. In re application of William L. Milburn, No. 8692, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned mem-

bers of the Board of Pardons recommend that William L. Milburn convicted of fraudulent conversion in the Court of Quarter Sessions of Allegheny County, on March 26, 1931 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant who is 46 years of age was an attorney. He committed the sin of spending clients funds. For this he was sentenced to probation and was disbarred. He has made restitution of this money to his former clients.

He has since been readmitted to the practice of law and has regained the respect of persons in the community. It is not thought that he will again offend.

The Board of Pardons recommends that a pardon be granted.

In re application of Joseph Miller, No. 5080, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Joseph Miller, convicted of receiving stolen goods in the Court of Quarter Session of Philadelphia County, on March 4, 1938 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant who is 43 years of age had never before been convicted of any other offense. Offense which applicant was a party to was the receiving of goods which the other party stated he was attempting to hide from a constable, and they turned out to have been stolen.

He has a good reputation in his neighborhood and has been in the ice and coal business for a period of twenty years. He bears a good reputation for honesty. He wishes to clear his name because of his family.

The Board feels that this applicant has had a good reputation for more than twenty years and it is now over nine years since the conviction on this charge. We feel that he did not intentionally commit this act and therefore recommend that a pardon be granted.

In re application of Kelly Minnick, D-4424, No. 6082, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Kelly Minnick, convicted of voluntary manslaughter in the Court of Oyer & Terminer of Chester County on November 13, 1939 be commuted from 12 years to 7 years 5 months expiring on January 19, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 45 years of age. He has had no prior criminal record. After having served four years the Board of Pardons commuted his sentence.

The report of the Board of Parole to the Board of Pardons shows that the applicant has made a very satisfactory adjustment although he has had some difficulty in maintaining his home.

Under the circumstances of the favorable report of the Board of Parole we recommend a commutation of his maximum sentence at this time.

BOARD OF PARDONS

In re application of Thomas Joseph O'Gara, C-3863, No. 1310, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Thomas Joseph O'Gara, convicted of entering to steal, larceny, etc., in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County on March 17, 1927, be commuted on Bill No. 354 March 1927 Sessions, from a minimum sentence of 3½ years to 8 months, expiring on January 22, 1947, and on Bill No. 348, from a minimum sentence of 1½ years to 1 day, expiring on January 23, 1947.

Our reasons for making this recommendation are as follows:

The applicant who is 49 years of age has had a varied career. However he had only one prior conviction which was burglary of a clothing store. After having served over seven years of a fifteen year sentence he was paroled. After being on parole nearly three years he was active in the perpetration of a highway robbery. He has now been in the penitentiary for over nine years since his return.

He has an excellent record in the institution and since the discontinuance of the tent peg shop he has been engaged in the tubercular ward of the prison hospital.

Applicant's trouble is drink, and he would not have had any trouble but for it. He has now served a total of almost seventeen years for these two crimes. The Board believes he has been terribly punished and therefore we recommend that commutation be granted.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. BOARD OF PARDONS

In re application of Charles J. Quinn, No. 8680, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Charles J. Quinn, convicted of assault and battery, indecent assaut in the Court of Quarter Sessions of Philadelphia County, on November 22, 1939 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant, 28, had no prior criminal record. He was placed on probation for a period of one year on a charge of assault and battery.

He has been in no further trouble for seven years. He served in the armed forces for nearly three and one-half years, and overseas for one year and one-half. He served through the Normandy-Northern France, Central European and Ardennes campaigns as an artillery gun crewman.

Neither the District Attorney nor Trial Judge are opposed to the granting of executive clemency.

The Board of Pardons unanimously recommends the granting of a pardon.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

EDWARD MARTIN,

BOARD OF PARDONS

In re application of Abraham Raifer, C-1396, No. 53-B, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Abraham Raifer, convicted of robbery in the Court of Quarter Sessions of Philadelphia County on August 23, 1933, be commuted from 20 years to 13 years, 6 months, 10 days, expiring on December 30, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence

has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of Willard A. Ritter, D-7354, No. 3101, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommended that the Life sentence of Willard A. Ritter, convicted of Murder, first degree in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on March 27, 1930 be commuted from life imprisonment to 16 years 9 months 15 days expiring on January 12, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 54 years of age. This is his first major conviction. He is serving a life sentence for murder, to which he plead guilty.

The report of the Board of Trustees of the Eastern State Penitentiary is such that the applicant has an exceptional institutional record and is a craftsman without equal. His ability is woodcarving and cabinet making, both trades he learned in the institution.

The District Attorney of Philadelphia County has no objection leaving the matter of commutation up to the Board of Pardons.

The Board of Pardons feels that applicant has been rehabiliated and that he is sufficiently punished and therefore we recommend that his sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of Sherwood Roach, No. 8695, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Sherwood Roach, convicted of assault with offensive weapon, robbery, burglary, receiving stolen goods, entering with intent to commit a felony in the Court of Oyer and Terminer and General Jail Delivery and Quarter Sessions of Philadelphia County, on July 6, 1932 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant, 34, has no other criminal record for which he asks pardon. He has been in no trouble for fifteen years.

The applicant served in the armed forces for over two years and was granted an honorable discharge on March 8, 1946. He has a wife and daughter and is well rehabilitated.

Because of his army record and lack of prior criminal record and further since he has not been in trouble for over fifteen years the Board of Pardons is recommending the granting of a pardon.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Marvin B. Rose, No. 8707, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Marvin B. Rose, convicted of larceny of motor vehicle in the Court of Quarter Sessions of Northampton County on September 4, 1945 be commuted from 2 years to 1 year 5 months expiring on January 18, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 25 years of age. He has no other criminal record. At the present time he has served approximately one year and five months of a minimum sentence of two years.

Counsel for the applicant showed the Board of Pardons a letter from the Trial Judge in which he stated he was not opposed to commutation because he believes he will be able to get mental treatment that is needed. The District Attorney from Northampton County says he is not opposed.

The Board of Pardons recommends commutation on the basis that the applicant be returned to Chicago and on no other condition.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Alfred F. Rumford, convicted of robbery, being armed with an offensive weapon in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County, on November 1, 1935; and of robbery in the Oyer and Terminer and Quarter Sessions Court of Bucks County, on December 4, 1940, be commuted on Bill No. 222 September Sessions, 1935, from a maximum term of 20 years to a 12 years expired on January 11, 1947; on Bill No. 223 from a maximum term of 10 years to a maximum term of 1 day, expired on January 12, 1947; and on Bill No. 39 December Sessions, 1931 (Bucks County) from a maximum term of 16 years to a maximum term of 6 years, 1 month and 4 days, expired on January 13, 1947 (this sentence to run concurrently with Bills Nos. 222 and 223 and to be computed from December 4, 1940.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. In re application of Thomas E. Sheehy, No. 8216, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Thomas E. Sheehy, convicted of burglary in the Court of Quarter Sessions of Philadelphia County, on January 10, 1945 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant, 24, has no other criminal record but was apprehended taking eight tires. He was placed on probation for two years this probationary period will expire next month.

He was a member of the United States Marine Corps. He desires appointment to the Fire Department of Philadelphia but cannot get an appointment because of this conviction.

The Board of Pardons is inclined to give this applicant just one more chance. We, therefore, recommend a pardon.

In re application of Leroy Morgan Snyder, No. 7732, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Leroy Morgan Snyder, convicted of arson in the Court of Oyer & Terminer of Schuylkill County on October 3, 1940 be commuted from 10 years to 6 years. 3 mos. 20 days expiring on January 23, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 34 years of age. He is serving a ten year minimum term for arson. At the present time he has been in the institution over six years. This is his first major imprisonment.

He has an excellent prison record according to the guards and authorities in Schuylkill County. The trial judge and district attorney in Schuylkill County favor commutation of applicant's sentence.

Because of his excellent prison record and the fact that the trial judge and district attorney recommend commutation, the Board of Pardons recommends commutation.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

In re application of William Spiller, No. 8205, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that William Spiller, convicted of assault to rob, attempted robbery in the Court of Quarter Sessions of Philadelphia County, on October 9, 1933 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant, 37, is a first offender who plead guilty to assault with intent to rob and attempted robbery. He served his maximum sentence and has been in no further trouble.

Since his release he has gone into business for himself and is the sole owner of the Inter-City Chemical Company of New York City. He is married, owns his own home and is the father of three children who reside at the home in Flushing, N. Y.

This is a case of rehabilitation largely by the applicant himself. He owns his own business, he has a young family and desires to clear his record because of his wife and family. Since this all happened over thirteen years ago the Board of Pardons is willing to recommend a pardon be granted.

In re application of John Terroni, No. 8686, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John Terroni, convicted of larceny, receiving stolen goods in the Court of Quarter Sessions of Philadelphia County, on January 29, 1945 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant, 31, was a police officer. He together with his brother officer were called up to apprehend a criminal. After, he, the criminal, had been apprehended applicant saw a large roll of bills which he placed in his pocket. Later he returned this money to the station house and he was apprehended.

He has had an excellent record as a member of the police department of the City of Philadelphia. Honorable George Gowen Parry joins in the prayer of the petition for a pardon and the District Attorney is not opposed.

Under all of the circumstances the Board of Pardons recommends that a pardon be granted.

BOARD OF PARDONS

In re application of James F. Tobin, A-1058, No. 1978, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that James F. Tobin, convicted of felonious entry, larceny in the Court of Oyer & Terminer of Philadelphia County, on February 29, 1932 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 33 years of age. This was his first major conviction and he served his maximum sentence and has been discharged from parole by the Board of Parole.

The crimes for which applicant seeks pardon were committed when he was just over eighteen years of age. He feels a pardon should be granted because he has been in no further trouble for approximately twelve years, that he is thoroughly rehabilitated and that he has been working steadily at the same job, the Reading Railroad Company for seven years. Applicant was in the Army and rose to rank of Staff Sergeant. He served twenty-six months overseas and was in four major engagements.

It is the belief of the Board of Pardons that the applicant is thoroughly rehabilitated and is entitled to consideration because of his army service. We, therefore, recommend a pardon be granted.

In re application of George Tomczyk, D-5712, No. 8235, December Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommended that the minimum sentence of George Tomczyk, convicted of murder, second degree in the Court of Oyer and Terminer of Luzerne County on April 14, 1941 be commuted from 8 years to 6 years 4 months expiring on January 17, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 31 years of age. He pleaded guilty to murder in the second degree. He has now served over six years of his minimum sentence.

It is reported that the applicant has an excellent institutional record. In discussing the case before the Board of Pardons, the District Attorney admitted that he felt the applicant shouldn't have been convicted of any crime but robbery.

Since the applicant has an excellent record and since he should not have been convicted of murder, but instead robbery we therefore recommend that the sentence be commuted

In re application of Clyde E. Addlesperger, B-6688, No. 5046, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Clyde E. In re application of Leo Almaro, No. 60505, No. 8657, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Leo Almaro, convicted of burglary in the Court of Oyer and Terminer of Allegheny County on December 13, 1945 to be computed from December 3, 1945 be commuted from 2 years to 1 year and 20 days, expiring on December 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age. This is his first major conviction. He was sentenced to a term of not less than two nor more than four years in the Allegheny County Workhouse for stealing a typewriter.

The trial Judge, Honorable G. Malcolm McDonald, has written the Board of Pardons stating that he feels the application should be granted if he has a good prison record. We have received no adverse comment on the applicant's conduct from the Superintendent of the Allegheny County Workhouse.

It is the opinion of the Board of Pardons that two years was a long sentence for stealing a typewriter and since he has served one and one-half of that sentence we feel he should receive commutation, and therefore, recommend that it be granted.

In re application of Philip Bruno, D-1814, No. 6394, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Philip Bruno, convicted of murder in the first degree, in the Oyer and Terminer Court of Schuylkill County, on July 13, 1936, be commuted on Bill No. 126 January Sessions, 1935, for a maximum term of 12 years to a maximum term of 9 years and 6 months, expiring on January 13, 1947; on Bill No. 127 from a maximum term of 12 years to a maximum term of 1 day, expiring on January 14, 1947; on Bill No. 128 from a maximum term of 12 years to a maximum term of 1 day, expiring on January 15, 1947; on Bill No. 130 from a maximum term of 12 years to a maximum term of 1 day, expiring on January 16, 1947; and on Bill No. 129 from Life to a minimum term of 9 years, 6 months, and 4 days, expiring on January 17, 1947.

Our reasons for making this recommendation are as follows:

The applicant is fifty-nine years of age. He has never before been arrested for any offense whatsoever. At the present time he has been in prison for a period of over twelve years.

This is the case which was written up in the nation's press as the "Kelayres Massacre." Nothing could be further from the truth, except to say that five persons were killed. If, however, they were killed as a part of a mob which was attacking the home of applicant's brother the majority of the Board feels that this applicant has been terribly punished. On the other hand it is felt by a majority of the Board that it is doubted that the sentences would have been so severe if nation wide publicity had not attended the trial and if it had not been played up as a fight between Republicans and Democrats.

The Board is forced to agree with the Supreme Court that this was a question of fact for the jury and if the jury found the applicant guilty of murder in the first degree with a recommendation of leniency that there were not sufficient facts to cause the verdict to be reversed.

The majority of the Board of Pardons in recommending commutation do so for the following reasons: (1) the applicant has served over twelve years and has an excellent institutional record (2) the applicant was persecuted because he was the Republican leader in Kline Township, Schuylkill County (3) and finally it is doubtful if he or any of them would have been convicted of murder of the first degree if the shooting had not ocurred on election eve in 1934.

Respectfully submitted,

BOARD OF PARDONS

In re application of Thomas J. Caulfield, C-5370, No. 4788 November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Thomas J. Caulfield, convicted of murder, in the first degree in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County on May 8, 1929 be commuted from Life imprisonment to 17 years, 7 months, and 12 days, expiring on December 20, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-six years of age and this is his first major conviction for any crime whatsoever. He has spent over seventeen and one-half years in the Eastern State Penitentiary on a charge of murder in the first degree.

Since this applicant has been in prison he has become a clerk in the medical department and has on many occasions given blood both to the Red Cross and to inmates in the institution who were in need of it. He has also on two occasions donated skin grafts. He has given over ninety-six square inches of skin of his body in order that persons suffering from accidental burns may be healed. As a result of his thoughtfulness in this manner he has saved the lives of two small children and although he was a party to a killing of a policeman he still has attempted to atone for this sin by the afore mentioned charity. It was also brought to the attention of the Board that at the time of the shooting the applicant was suffering from acute alcoholism.

The Board of Trustees of the Eastern State Penitentiary recommend this applicant without question and state that he has an outstanding record in the penitentiary. Under these circumstances the Board of Pardons feels that this applicant has shown that he has been sufficiently rehabilitated to permit him to be released at this time, and

therefore, the Board of Pardons recommend that his sentence be commuted as prayed for.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

In re application of Charles Clarke, D-4399, No. 42-B, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Charles Clarke, convicted of robbery, etc., in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on November 2, 1939, be commuted from 10 years to 7 years, 2 months, expiring on December 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

In re application of Rocco DiNubile, No. 2689, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Rocco DiNubile, convicted of setting up and maintaining an illegal lottery in the Court of Quarter Sessions of Philadelphia County, on July 30, 1934 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is 47 years of age and was sentenced in 1934 to a term of 7 years on the charges of setting up and maintaining an illegal lottery. He was released after a short period of time and then went into business for himself as a butcher. He maintained this business for approximately 8 years when he was drafted into the Army, after 6 months he was discharged therefrom honorably.

The applicant feels this criminal record has hindered him from opening, operating and maintaining his own butcher shop and securing the necessary credit therefor.

In order to give this applicant an even break in connection with his military record we are recommending that a pardon be granted as prayed for.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age. This is the only time he was convicted of any offense whatsoever. He has now served nine months of an eighteen month sentence.

He has been an exemplary prisoner and has performed valuable service of brick-laying and plastering at the

Philadelphia County Prison. The applicant was fired more by a spirit of braggadocio than by an intent to commit bodily harm, when he fired two shots at a chandelier.

Since he has served over one-half of his minimum sentence we believe that he has been sufficiently punished, and therefore, recommend commutation.

In re application of Lee Roy Harrell, B-6515, No. 5958, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Lee Roy Harrell, convicted of murder, in the second degree in the Court of Oyer and Terminer of Armstrong County on January 7, 1939 to be computed from October 11, 1938 commuted from 10 years to 8 years, 2 months, and 20 days, expiring on December 31, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty years of age. This is his first conviction. At the present time he is serving a sentence of not less than ten nor more than twenty years for murder in the second degree. He has served over eight years of his minimum sentence.

It is reported from the Western State Penitentiary that the applicant has an excellent record and if he was eligible to apply for parole they would recommend commutation. The trial judge does not oppose commutation but leaves the matter of commutation up to the Board of Pardons.

The Board of Pardons was advised that the applicant was offered a parole plan to the State of Kentucky. Under these circumstances the Board of Pardons is willing to recommend that commutation be granted on the condition that the parole plan to the State of Kentucky be accepted. We, therefore, recommend commutation on condition that the applicant's parole plan to Kentucky be accepted.

In re application of Jerry Harris, D-1887, No. 6481, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Jerry Harris, convicted of robbery, being armed with an offensive weapon in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County, on January 8, 1937, be commuted on Bill No. 777 December Sessions, 1936, from a minimum term of 10 years to a minimum term of 9 years, 11 months, and 20 days, expiring on December 28, 1946; and on Bill No. 774 from a minimum term of 10 years to a minimum term of 1 day, expiring on December 29, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty years of age. This is not the first time that he has been in trouble, but at the present time he has served ten years of a minimum sentence of twenty years.

He has an excellent record in the Eastern State Penitentiary and although he has given trouble once before by violating his parole, the applicant has now served over one-half of his present minimum sentence.

Since the applicant has an excellent prison record the district attorney has no objection to the granting of commutation at this time.

The Board of Pardons feels that the applicant should be given another chance after having served ten years. We are willing to give him a chance at this time and if he violate this opportunity he will be returned for such a great length of time that he will certainly remember the sentence.

Under all of the circumstances we are willing to recommend that his sentence be commuted at this time.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age. He has not been in any other trouble. Following his conviction he served five years and nine months of a ten year minimum sentence at the Western State Penitentiary at which time his sentence was commuted.

Since then he has adjusted well and served in the Army Air Force as a corporal. Upon his discharge he went into business for himself as a proprietor of a grocery and delicatessen store. He is married and is the father of two sons.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Carl Jones, convicted of assault with intent to rob in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on October 6, 1942 be commuted from 5 years to 4 years, 3 months and 10 days expiring on December 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is 34 years of age. This is his first major conviction. He was sentenced to a term of 5 years and has presently served all but 9 months of his minimum sentence.

He has an excellent record in the Eastern State Penitentiary and the Trial Judge has said he believes that commutation now would be helpful to the applicant. The District Attorney has left the question of commutation up to the Board of Pardons.

Since the sentencing authorities have no objection to commutation and the applicant has an excellent institutional record, the Board of Pardons is recommending commutation.

BOARD OF PARDONS

In re application of Floyd Knapp, D-6945, No. 8666, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Floyd Knapp, convicted of statutory rape in the Court of Oyer and Terminer and Quarter Sessions of Bradford County on January 22, 1943 be commuted from 5 years to 3 years and 11 months, expiring on December 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age. This is the first offense for which he was ever convicted. He was sentenced to a term of not less than five nor more than fifteen years on a charge of statutory rape. He has now served nearly four years of the minimum sentence.

He has an excellent record in the Eastern State Penitentiary according to the report from the institution. The trial judge has written us that he is not opposed to commutation. Perhaps one of the things that changed the mind of the trial judge is the report of the Board of Parole. They have informed the Board of Pardons that their investigation shows that the victim is a person of loose morals and is a constant source of trouble to the local authorities.

From the foregoing the Board of Pardons feels the applicant should not have been convicted of statutory rape due to the bad character of the victim, and therefore, we recommend that the sentence be commuted.

BOARD OF PARDONS

In re application of Raymond Kroah, B-9532, No. 1676, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Raymond Kroah, convicted of attempt to commit aggravated assault and battery in the Court of Quarter Sessions of Elk County on October 13, 1944 to be computed from February 24, 1946, be commuted from 1½ years to 10 months and 11 days, expiring on January 5, 1947.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age. He was previously convicted and while on parole he committed the crime of aggravated assault and battery. He was required to serve one year and three months back time before starting to serve the present sentence of one and one-half years.

No opposition to his release is expressed by the judge or district attorney in Elk County. In fact both the trial judge and district attorney recommend commutation.

The Board of Pardons, finding that the applicant has served over two years, feels that he has been sufficiently punished, and therefore recommends commutation.

In re application of Joseph M. Kovack, C-7195, No. 4635, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed upon Joseph M. Kovack in the Court of Oyer and Terminer and Quarter Sessions of Schuylkill County, on June 17, 1931, be commuted on Bill No. 469 May Session 1931, from a maximum term of 20 years to a maximum term of 15 years and 6 months, expiring on December 17, 1946; on Bill No. 547 from a maximum term of 20 years to a maximum term of 1 day, expiring on December 18, 1946; on Bill No. 548 from a maximum term of 20 years to a maximum term of 1 day, expiring on December 19, 1946; on Bill No. 549 from a maximum term of 20 years to a maximum term of 1 day, expiring on December 20, 1946; on Bill No. 552 from a maximum term of 20 years to a maximum term of 1 day, expiring on December 21, 1946; and on Bill No. 472 from a maximum term of 3 years to a maximum term of 1 day, expiring on December 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

In re application of Frederick William Lassby, C-6462, No. 8632, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Frederick William Lassby, convicted of larceny of automobile in the Court of Oyer and Terminer and Quarter Sessions of Monroe County on September 22, 1930 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is 35 years of age and this is the only time he ever committed any offense whatsoever. He was sentenced in 1930 to a term of not less than 2½ nor more than 5 years on the charge of larceny of automobile. He served his minimum sentence and since then has had no other trouble whatsoever. The applicant was inducted into the Armed Forces of the United States on January 5, 1944 and served until January 18, 1945. He desires to apply for a position with the city of Philadelphia as a fireman and requires a pardon in order that he may be free to take this position.

Because of applicant's excellent military record and the fact that he has been in no further trouble for a period of approximately 9 years, we recommend that a pardon be granted.

In re application of Samuel J. Little, No. 8620, November Session. 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Samuel J. Little, convicted of violation of election laws in the Court of Quarter Sessions of Allegheny County on June 1, 1928 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is 45 years of age and this is the only violation of the law he ever committed. Approximately 17 years ago the applicant was a member of an election board, who rather than count the ballots, estimated what the number would be after counting a small portion thereof. For a period of 5 years and more not once did he violate his probationary period. He is an excellent father and husband and has maintained himself in an outstanding position in his community.

We feel he has suffered greatly from this offense; realizes the seriousness thereof and will not offend again against society and for these reasons we recommend that a pardon be granted.

In re application of Anthony James Lucchese, No. 8674, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Anthony James Lucchese, convicted of transporting female for purpose of prostitution and accepting bawd money in the Court of Oyer and Terminer and Quarter Sessions of Berks County on February 10, 1944 to be computed from September 22, 1943 be commuted from 5 years to 3 years and 3 months, expiring on December 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age. This is his first major conviction and at this time he has served three years and three months of a five year minimum sentence.

At the time of the hearing the attorney for the applicant produced a letter from the Warden of the Berks County Prison to show that the applicant has an excellent institutional record. Also he produced a letter to show that the district attorney of Berks County had no objection to commutation. Since the date of the hearing the trial judge, Honorable P. N. Schaeffer, has written the Board of Pardons that there is no objection to release from him.

The Board of Pardons feels this applicant received a very severe sentence for being virtually a first offender and since there is no objection now to his release on parole the Board of Pardons recommends that commutation be granted.

In re application of John A. McBride, D-2596, No. 43-B, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of John A. McBride, convicted of robbery, beating, striking, ill-using, in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on November 12, 1937, be commuted from 10 years to 9 years 1 month, expiring on December 3, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnest-

In re application of Earl E. Miller, D-3278, No. 5012, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Eearl E. Miller, convicted of attempted robbery, under aggravated circumstances in the Court of Oyer and Terminer and Quarter Sessions of Lancaster County on January 16, 1939, be commuted from 10 years to 7 years, 11 months, expiring on December 16, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. In re application of Kenneth Miller, B-8674, No. 7439, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Kenneth Miller, convicted of felonious assault, intent to commit armed robbery in the Court of Oyer and Terminer of Armstrong County on May 7, 1943 to be computed from January 12, 1943 be commuted from 7½ years to 3 years, 11 months and 10 days, expiring on December 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age. This is his first conviction. He has now served nearly four years of a minimum sentence of seven and one-half years on a charge of felonious assault with intent to commit armed robbery.

It is stated by the Western State Penitentiary that the applicant has an excellent record and they would recommend. They also state that the applicant is a very cooperative inmate.

Both the trial judge and the district attorney leave the matter of commutation up to the Board of Pardons.

Since this is applicant's first conviction and he is a cooperative inmate the Board of Pardons feels he is entitled to commutation at this time. We, therefore, recommend that commutation be granted.

In re application of William C. Morris, No. 8619, November Session. 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that William C. Morris, convicted of larceny of automobile in the Court of Quarter Sessions of Philadelphia County, on March 19, 1935 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 29 years of age. He has no prior criminal record. He was found guilty on a technical charge of larcency of an automobile. The facts surrounding his conviction are such as to show that the applicant did no more than innocently participate in a joy ride in a car which had been stolen but which one of the boys claimed belonged to his uncle but was nevertheless stolen.

The District Attorney does not object to the granting of a pardon. The Trial Judge did not write us his opinion.

Since this applicant was kept in ignorance of the true state of affairs concerning this automobile, it follows he had no intent to violate any law. It has been shown that applicant has had an excellent record both prior and subsequent to the happening of this event. He is also a discharged veteran.

We feel that a pardon should be granted in this case and so recommend.

In re application of Frank J. Nerone, No. 8649, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Frank J. Nerone, convicted of carrying concealed deadly weapons, larceny of automobile, operating automobile without consent of owner in the Court of Quarter Sessions of Allegheny County, on September 17, 1926; and of robbery in the Oyer and Terminer Court of Allegheny County, on July 19, 1928, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and has no other criminal record except the ones here in question. The applicant together with a group of boys were riding around and while so doing were arrested. Applicant did not know the car was stolen and in the car a revolver was found, which did not belong to the applicant nor did he know the revolver was there. As a result of this, the applicant was placed on probation for a period of three years. Later this probation was revoked and applicant was committed to the Huntingdon Reformatory. While on parole the applicant was again arrested for a robbery charge and returned to the Huntingdon Reformatory as a parole violator. Since his release from that institution on September 15, 1930, he has not been in any further trouble. He has worked faithfully as a real estate salesman for the Home Owners Realty Company in Pittsburgh. He has been doing extensive reading to improve his education and is contemplating entering the University of Pittsburgh Evening School. He has a wife and four sons and is the owner of a new home in one of the finer sections in Pittsburgh.

The trial judge and district attorney have expressed themselves as being in favor of granting a pardon in this case. In view of the marvelous rehabilitation shown by this applicant; by his devotion to his family, his fidelity to his work and country we believe that he has earned the faith of this board and his request for a pardon should be granted. Therefore, we recommend that a full and complete pardon be granted to this applicant in order that the stigma of these crimes can be removed.

In re application of Frank Parks, Jr., D-4319, No. 7508, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Frank Parks, Jr., convicted of murder, in the second degree in the Court of Oyer and Terminer and Quarter Sessions of Columbia County on October 7, 1939 to be computed from August 9, 1939 be commuted from 10 years to 7 years, 4 months, and 20 days, expiring on December 29, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-seven years of age. He has no prior criminal record. At this time he has served nearly seven and one-half years of a minimum sentence of ten years.

Every communication which the Board of Pardons has received during this current case speaks of the inmate in glowing terms. The Board of Trustees of the Eastern State Penitentiary say he is a model prisoner. The present judge states he feels the applicant will be an asset to society. The district attorney states that the application has merit and should receive favorable consideration. And finally the chief of police of Bloomsburg has sent a most favorable letter.

These foregoing facts therefore impel us to the conclusion that the applicant is entitled to consideration and recommend that commutation be granted.

In re application of Herbert Charles Patton, C-9529, No. 8672, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Herbert Charles Patton, convicted of robbery, being armed with an offensive weapon, in the Oyer and Terminer and Quarter Sessions Court of Montgomery County, on February 9, 1934 to be computed from October 28, 1933, be commuted from a maximum term of 16 years on Bill No. 14 November Sessions, 1933 (Bills Nos. 4 and 4-1 to run concurrently are also commuted) to a maximum term of 13 years and 2 months, expiring on December 28, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age. In 1934 he was sentenced to a term of eight to sixteen years on a charge of robbery, being armed with an offensive weapon. He served his minimum sentence and has now been on parole for more than five years. He now seeks commutation of his maximum sentence.

Since applicant's release he has moved to Cleveland, Ohio, where he has adjusted well. He feels that he should be granted commutation of his maximum sentence because he has overcome the criminal tendencies of his youth and further that he has an excellent opportunity in a position which will require him to travel but which he is restricted in doing by the terms of his parole. The Ohio parole authorities recommend that the prayer of applicant's petition be granted.

The Board of Pardons believe that this applicant's record on parole shows that he is rehabilitated and that he can safely be released from parole supervision. We, therefore, recommend the granting of a commutation of maximum sentence.

In re application of Daniel Piccarelli, C-8480, No. 4530, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the Life sentence of Daniel Piccarelli, convicted of murder, in the first degree in the Court of Oyer and Terminer of Phialedlphia County on December 10, 1932 be commuted from Life imprisonment to 14 years and 10 days, expiring on December 20, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age. This is the first time he has been imprisoned on any offense whatsoever. He is under imprisonment for Life sentence on a charge of murder. At the present time he has served nearly fifteen years of Life.

The Board of Trustees of the Eastern State Penitentary state the applicant has an excellent institutional record. The trial judge, Honorable Harry S. McDevitt, has followed the applicant's career in the penitentary and has said he would give the applicant another chance. The assistant distirct attorney, James W. Tracey, Jr., Esquire, says he is not opposed to commutation and leaves the matter up to the Board of Pardons.

Under all of these circumstances the Board of Pardons feels that this is a case where we should follow the recommendation of the sentencing authorities and grant the commutation as prayed for.

In re application of James M. C. Simmons, No. 8658, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that James M. C. Simmons, convicted of larceny in the Court of Oyer and Terminer of Philadelphia County, on March 3, 1937 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is 29 years of age and this is the only criminal offense which he ever committed. He was sentenced to imprisonment for 3 months in 1937 for larceny of 200 pounds of brass. Following his service in the Philadelphia County prison he was released and secured employment. He has not been in any other trouble since that time or a period of over 9 years. He was inducted into the Armed Forces July 19, 1943, and was honorably discharged January 25, 1946 or a period of 2½ years. During this time he served overseas for 2 years in the South Pacific and Asiatic Theatres. He rose to the rank of Staff Sergeant in the Transportation Corps.

Applicant now desires to have this one breach cleared from his record in order that he may take a Civil Service appointment with the Fire Department of Philadelphia. This is his only breach of the peace. The Trial Judge and the District Attorney have no objection to the granting of a pardon as prayed for. In view of his excellent military record and the fact he has not been in any other trouble for over 9 years indicates to us he has been completely rehabilitated and intends to continue as a law abiding citizen. We, therefore, recommend that a pardon be granted.

In re application of John Clarence Smith, Jr., D-7292, No. 7456, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Clarence Smith, Jr., convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on July 15, 1943 to be computed from July 7, 1943 be commuted from 10 years to 3 years, 5 months and 20 days, expiring on December 27, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-one years of age. He has no prior criminal record. At the present time he has served over three and one-half years of his minimum sentence of ten years.

It is reported by the Board of Trustees of the Eastern State Penitentiary that the applicant has an excellent record. However, more important to the Board of Pardons is a report that this applicant is suffering from atrophied changes of the optic nerve head, the apparent result of which is a loss of visual acuity. If it continues to decrease the applicant will become blind.

Since this condition became evident it goes without saying that the applicant is being visited with a greater burden of punishment than was ever intended by Judge McDevitt. In fact Judge McDevitt because of this optic condition recommends leniency.

Under these circumstances, that is, because of the eye condition, together with the fact that he has served nearly three and one-half years of his sentence and further because Judge McDevitt feels relief should be granted, the Board of Pardons recommends commutation.

In re application of Elwood Story, No. 7101, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the flat sentence of Elwood Story, convicted of embezzlement and fraudulent conversion in the Court of Quarter Sessions of Philadelphia County on March 28, 1942 to be computed from March 25, 1942 be commuted from 10 years to 4 years and 10 months, expiring on January 25, 1947.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age. He has no prior criminal record. At the present time he has served nearly five years of a sentence of ten years, on several charges of embezzlement.

The Board of Pardons is of the opinion that the applicant received a very substantial sentence and state that by comparison with the sentence meted out in the Federal Courts, it is about ten times as severe as those sentences.

The district attorney of Philadelphia County stated to the Board that he leaves the matter of commutation to the Board of Pardons, but also points out that the Board of Parole will have jurisdiction and authority to release him after one-half of his flat sentence is served.

We are aware of the jurisdiction of the Board of Parole but also believe that this applicant has been severely punished. Because of his good record and the fact that he has served such a lengthy period of time we recommend that commutation be granted.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. BOARD OF PARDONS

In re application of Harry F. Tracy, D-8900, No. 8546, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Harry F. Tracy, convicted of entering with intent to commit felony in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on October 11, 1937 to be computed from May 1, 1946 be commuted from 10 years to 8 months and 10 days, expiring January 11, 1947.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age. He has one prior conviction to his credit and was on parole when these crimes took place. As a result he had to serve nearly nine years for the parole violation before he began to serve his present sentence of ten years.

He has an excellent record in the Eastern State Penitentiary and he has shown a co-operative attitude and maintained a perfect diciplinary record.

It is the opinion of the Board that the almost ten years he has served should atone for the crime as well as the parole violation. Since the applicant has an excellent prison record, in addition, the Board recommends that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Ruggerio F. Valerio, D-19, No. 4287, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Ruggerio F. Valerio, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia

County on October 9, 1934, be commuted from 20 years to 12 years, 2 months, expiring on December 9, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Vincenty Wielgoszynski, D-4985, No. 244, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Vincenty Wielgoszynski, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on November 2, 1934 to be computed from June 16, 1940 be commuted from 9 years to 6 years, 6 months, and 10 days, expiring on December 26, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age. He has now served over twelve years but only six and one-half years apply because of a parole violation which he was first required to serve.

It is reported that the applicant has an excellent institutional and work record.

There is no pressing opposition from the Philadelphia County authorities at this time.

Since the applicant has served such a long period of time and further since he has a good parole plan the Board of Pardons is willing to recommend commutation at this time.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Thomas Wildermuth, B-7291, No. 6372, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Thomas Wildermuth, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer of Allegheny County on July 5, 1940 to be computed from June 8, 1940 be commuted from 10 years to 6 years, 6 months and 20 days, expiring on December 28, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age. This is the first offense for which the applicant was sentenced. His sentence was from ten to twenty years. Of this he has served six and one-half years.

A report from the Board of Trustees of the Western State Penitentiary states that the applicant has an excellent institutional record, and if he was eligible to apply for parole they would recommend him. The trial judge states that he believes clemency is indicated, however, the final decision is up to the Board of Pardons. The district attorney of Allegheny County also leaves the matter up to the Board of Pardons.

Since the applicant has a good institutional record, and this is the first conviction, and the authorities in Allegheny County have no objection, the Board of Pardons feels that clemency is indicated. Therefore, we recommend that commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

In re application of Willie Williams, D-2848, No. 8618, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Willie Williams, convicted of assault with intent to rob, robbery, carrying concealed deadly weapon, in the Court of Oyer and Terminer of Philadelphia County on February 15, 1946 be commuted from 1 year to 11 months expiring on January 13, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 21 years of age. He has no prior criminal record and at the present time has served 11 months of a minimum sentence of 1 year.

He has a good prison record at the Philadelphia County Prison and there is no opposition from the District Attorney, he leaving the decision up to the Board of Pardons.

We, therefore, recommend that the applicant's sentence in Philadelphia County Prison be commuted.

In re application of Joseph Wirth, B-6112, No. 4918, November Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Joseph Wirth, convicted of robbery in the Court of Oyer and Terminer of Allegheny County on May 20, 1938, be commuted from 10 years to 8 years, 6 months and 19 days, expiring on November 30, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

In re application of Fred Aguglia, No. 8563, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Fred Aguglia, convicted of extortion and conspiracy in the Court of Quarter Sessions of Delaware County, on June 27, 1939 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is 40 years of age and this is the first time he was ever convicted. He was convicted of extortion and conspiracy in that as a police officer he held victim on drunken driving charge and promised to have the charge dropped upon payment of the sum of $50. As the result of this applicant was sentenced to pay a fine of $300, and be imprisoned in the Delaware County Prison for not less than 3 months nor more than 1 year. Applicant served his sentence and since that time has not been involved in any offense whatsoever. He has paid his fine and has attempted to rehabilitate himself by securing employment with the Worth Steel Company. At the present time he is purchasing a home and has done everything that is possible to rehabilitate himself.

There is no opposition to the granting of executive clemency as prayed for by the Delaware County authorities and they further state they are not opposed to the granting of a pardon.

Since we feel this to be the applicant's only breach of trust we recommend to his Excellency the Governor that a full and complete pardon be granted in this case.

In re application of Harry A. Beidman, C-9562, No. 2192, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Harry A. Beidman, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on March 2, 1934, be commuted from 20 years to 12 years 8 months, expiring on November 2, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. BOARD OF PARDONS

In re application of Daniel Joseph Castagnozzi, D-1100, No. 8754, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Daniel Joseph Castagnozzi, convicted of felonious entry, larceny, receiving stolen goods in the Court of Quarter Sessions of Montgomery County, on January 17, 1936; and of receiving stolen goods in a Municipal Court of Phiadelphia County, on January 29, 1937, be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is thirty-five years of age and these are his first major convictions. He was sentenced to a term of not less than three nor more than six years in the Eastern State Penitentiary on the charge of felonious entry, larceny and receiving stolen goods, and likewise, received a concurrent sentence of not less than one nor more than two years in Philadelphia County on a charge of receiving stolen goods. This sentence to run concurrent with original sentence imposed in Montgomery County. He served his minimum sentence in the Eastern State Penitentiary and has since been on probation until the expiration of his maximum sentence which was in 1942. He lost one employment with the Midvale Steel Company as a result of this criminal record. However, since October 27, 1945, he has been employed by the E. G. Budd Company and has purchased his own home where he and his wife and young son aged four years now live.

Applicant bases his pardon on the theory that he has paid his debt to society and met his responsibilities to his fellow men. Under these circumstances we feel applicant has paid his debt to society and for the sake of his wife and young son we recommend to your Excellency that a pardon be granted.

In re application of Samuel Cohen, No. 8595, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Samuel Cohen, convicted of setting up and maintaining illegal lottery in the Court of Quarter Sessions of Philadelphia County, on May 2, 1941, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 42 years of age. He has never before been convicted of any offense whatsoever. He was charged with setting up and maintaining a lottery. He was sentenced to a year in jail but was released by the Court after having served 2 months in the County Jail.

He has never been on parole. At the present time he has interest in two places in Margate but he is unable to own either place outright because New Jersey will not grant a license to a person with a record of convictions. Applicant is married and has four children, two sons and two daughters. His children range in age from one year to seven years old. He desires to spare the children the embarrassment of this record and for that reason respectfully prays for a pardon.

Since the Board is satisfied of his rehabilitation and since this conviction is retarding his business expansion in purchasing and setting up restaurants where liquor is sold, we feel a new and harsher penalty is being imposed unless clemency is granted. We, therefore recommend to your excellency that a pardon be granted at this time.

In re application of Daniel Di Tommaso, No. 8578, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Daniel Di Tommaso, convicted of aggravated assault and battery in the Court of Quarter Sessions of Montgomery County, on February 27, 1932 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is 35 years of age and this is the only offense he has ever committed against society, which offense amounted to assault and battery with victim's jaw being fractured. This happened approximately 15 years ago and since that time applicant has been in no further trouble. Since this affair applicant has married and has a daughter 3 years old. He is a patrolman in the city of Philadelphia and feels this conviction hinders him with regards to further advancement.

The authorities of Montgomery County have no objection to the granting of executive clemency as prayed for by the applicant.

Under these circumstances we feel we should remove the stigma of this one crime as applicant has shown he will never again offend against society and therefore, the Board of Pardons recommend that clemency be granted.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of Joseph Dowgurl, convicted of robbery, being armed with an offensive weapon, larceny, and receiving stolen goods in the Court of Oyer and Terminer and Quarter Sessions of Bucks County, on December 6, 1932, be commuted on Bill No. 9 December Sessions, 1932, from a maximum term of 16 years to a maximum term of 13 years and 11 months, expiring on November 6, 1946; and on Bill No. 12 from a maximum term of 8 years to a maximum term of 1 day, expiring on November 7, 1946.

In re application of Octavio Ercoli, D-81-43, B-9257, No. 8187, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Octavio Ercoli, convicted of rape in the Court of Quarter Sessions of Lackawanna County, on February 9, 1945 be commuted from 3½ years to 2 years, expiring on February 9, 1947.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age. He has no prior record and has an excellent institutional record. He has now served two years of a minimum sentence of three and one-half years.

There is a very good parole plan offered, and the applicant has a wife and daughter that he is responsible for and promises to support. He has a valid offer of employment.

The Board of Pardons feels that the applicant has been severely punished and will not again offend if given an opportunity at this time. We, therefore, recommend that the sentence of the applicant be commuted.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on William S. Fertig, convicted of rape, sodomy, taking a female child for the purpose of immoral purposes, in the Oyer and Terminer Court of Philadelphia County, on November 1, 1929 to be computed from December 6, 1934, be commuted on Bill No. 1558 October Sessions, 1929, from a minimum term of 2½ years to a minimum term of 2 years and 1 month, expiring on January 6, 1947; and on Bill No. 1559 from a minimum term of 2½ years to a minimum term of 1 day, expiring on January 7, 1947. (Applicant has been granted parole on Bills Numbers 1557 and 1556).

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age. He has served over seventeen years but because he was required to serve a parole violation he has only served twelve years of his minimum sentence of fifteen years.

He has an excellent institutional record and is now the head nurse in the institution. Also he is more stable mentally and emotionally than he was the last time he applied.

Because of the long time that he has served, with an excellent institutional record we recommend that commutation be granted.

In re application of Joseph Freeman, C-9379, No. 4464, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommended that the sentence of Joseph Freeman, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on December 15, 1933, be commuted from a maximum term on Bill No. 345 December Sessions, 1933, from 20 years to a maximum term of 12 years and 11 months, expiring on November 15, 1946; on Bill No. 346 from a maximum term of 20 years to a maximum term of 1 day, expiring on November 16, 1946; and on Bill No. 347 from a maximum term of 10 years to a maximum term of 1 day, expiring on November 17, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of James F. Giombetti, D-8135, B-9258, No. 8188, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of James F. Giombetti, convicted of rape in the Court of Quarter Sessions of Lackawanna County on February 9, 1945 be commuted from 3½ years to 2 years, expiring on February 9, 1947.

Our reasons for making this recommendation are as follows:

The applicant is twenty-three years of age. He has no prior criminal record. At the present time he has served two years of a minimum sentence of three and one-half years.

He has an excellent institutional record and has made good use of his time while in the penitentiary. No opposition to his release is made by the district attorney of Lackawanna County.

Since the applicant is a first offender the Board of Pardons feels he has been severely punished and will not again offend if given an opportunity at this time. We, therefore, recommend that the sentence of the applicant be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

In re application of Joseph Graziano, D-3010, No. 4712, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Joseph Graziano, convicted of rape in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County on April 1, 1938, be commuted from 10 years to 8 years and 7 months, expiring on November 1, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his

BOARD OF PARDONS

In re application of Salvatore (Sam) Guerrera, D-5631, No. 5389, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Salvatore (Sam) Guerrera, convicted of voluntary manslaughter in the Court of Oyer & Terminer of Chester County on March 10, 1941 be commuted from 10 years to 6 years, 2 months, 20 days expiring on December 26, 1946.

Our reasons for making this recommendation are as follows:

The applicant is 46 years of age. He has had no prior criminal record. He was sentenced to a term of from 4 to 10 years for voluntary manslaughter. He was granted commutation of his minimum sentence in July of 1944. Since that time he has been on parole.

The Board of Parole has written the Board of Pardons that the applicant has adjusted well on parole and that he keeps the terms of it faithfully. He has done everything that is asked of him but parole is confining to a degree which limits his handling of his wholesale and retail fruit and produce business.

The authorities in Chester County are in favor of commutation of maximum sentence for the applicant. Also there are in the file, letters from the most prominent citizens in Coatesville asking that we grant commutation.

Since the applicant has adjusted well on parole and shown that he is rehabilitated it is not necessary to continue parole and we therefore recommend commutation of applicant's maximum sentence.

In re application of John H. Hanrahan, C4580, No. 38-B, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment of John H. Hanrahan, convicted of burglary, entering with intent to steal, larceny in the Court of Oyer and Terminer and Quarter Sessions Court of Philadelphia County on May 10, 1928 be commuted on Bill No. 114 May Sessions, 1928, from a maximum term of 10 years to a maximum term of 8 years and 6 months, expiring on November 10, 1946; and on Bill No. 115 from a maximum term of 10 years to a maximum term of 1 day, expiring on November 11, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. BOARD OF PARDONS

In re application of Albert Hart, D-8637, No. 8568, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Albert Hart, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Montgomery County on January 4, 1946 be commuted from 5 years to 1 year, 20 days expiring on January 13, 1947.

Our reasons for making this recommendation are as follows:

This applicant is 54 years of age. He has not had a very savory record but after committing this crime in 1941 he behaved himself until he was apprehended in 1945. During this time he gave every evidence of rehabilitation.

He has an excellent institutional record and the authorities in Montgomery County have stated to the Board that they are not opposed to commutation. Especially the Trial Judge, Honorable Harold G. Knight says he believes this to be a real life "Jimmy Valentine" case and that he should receive consideration.

His wife has been faithful to him and he will go to live with her in Illinois on his release from the Penitentiary.

Because the Board of Pardons believes that the applicant has been rehabilitated largely through the efforts of his wife, and because we believe that he will do all that is possible to remain a peaceful law-abiding citizen we recommend that commutation be granted.

In re application of Joseph W. Henderson, No. 8502, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Joseph W. Henderson, convicted of lottery in the Court of Quarter Sessions of Philadelphia County, on March 26, 1942 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is 35 years of age and this is the first time he was ever convicted. He was charged with having set up and maintained an illegal lottery. Applicant has lived a life of respectability and decency, has been employed continuously at the United States Navy Yards, Philadelphia. He recently was about to take a position of trust which would have necessitated being bonded but by reason of this conviction was unable to do so. He has now taken and successfully passed a civil service examination for a fireman but is unable to take this position unless he secures a pardon. Applicant has two sons and a daughter in addition to his wife and he feels this conviction will bring about a certain stigma upon his family which otherwise should not attach to this sentence.

Under these circumstances the Board feels that he has been sufficiently punished and should not be continuously punished for this mistake. Therefore we recommend that a pardon be granted that he may further himself in life for the benefit of his wife and three children.

In re application of Leo Robert Higley, B-8955, No. 8046, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Leo Robert Higley, convicted of burglary and larceny in the Court of Oyer & Terminer of Crawford County on February 28, 1944 be commuted from 5 years to 2 years 10 months expiring on December 28, 1946.

Our reasons for making this recommendation are as follows:

The applicant is 27 years of age. He is now serving a minimum sentence of 5 years on a charge of having stolen $890.00 from his father-in-law and spending all but $10.00 of it on a good time with his wife. He has now served nearly 3 years of his sentence.

He has an excellent record in the institution and they would recommend clemency. The Trial Judge feels that this may be a proper case to extend clemency. The District Attorney is not opposed to clemency and the victim says he is not opposed if restitution is made and he should be granted clemency in order to be able to pay it back.

Since the parties who are most vitally interested in this case all seem to agree that clemency should be granted, the Board of Pardons doesn't want to be out of step and they recommend commutation also.

In re application of Jacquard A. Jascourt, C-4281, No. 3712, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Jacquard A. Jascourt, convicted of accessory before the fact to robbery in the Court of Quarter Sessions of Philadelphia County, on February 28, 1936 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 36 years of age. He is a first offender having been arrested as accessory before the fact of robbery for having pointed out a paymaster so that others thereafter could rob said paymaster.

Applicant served his maximum sentence and has an excellent record working with the Sun Shipbuilding & Dry Dock Company during the war. He also worked at Lintons and now is employed at Peak's Cafe. He is enthusiastically recommended by all of these places for a complete pardon.

Since this was his one misstep and he has had no other since, we are inclined to recommend a pardon.

In re application of Charles Jaskier, C-6201, No. 4147, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members

of the Board of Pardons recommend that the maximum sentence of Charles Jaskier, convicted of attempted robbery, being armed with an offensive weapon in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County on June 2, 1930 be commuted from 20 years to 16 years 6 months 20 days expiring on December 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is 40 years of age. This is not his first offense but his seventh offense. He was sentenced to serve not less than 10 years which sentence he complied with by serving 10 years and 2 months. He has been on parole for over 6 years.

It is reported by the Board of Parole that he has an excellent record and has served in the Merchant Marines for the past 5 years, he was torpedoed, bombed and shipwrecked. He served on 8 different ships.

There is no opposition at the present time from the sentencing authorities in Philadelphia County.

The Board of Pardons feel the applicant is entitled to consideration for his valorous service in the Merchant Marines and we therefore recommend that commutation of maximum sentence be granted.

In re application of Robert Johnson, No. 8569, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the death sentence of Robert Johnson, convicted of murder, in the first degree in the Court of Oyer & Terminer and General Jail Delivery of Philadelphia County on February 6, 1946 be commuted from the death sentence to life imprisonment.

Our reasons for making this recommendation are as follows:

The applicant is twenty years of age. He was arrested on a charge of murder and he pleaded guilty to murder generally. The Court set the penalty at death but in writing several opinions the Court showed an inclination to grant leniency.

The Board of Pardons had a psychiatric report made of the applicant's behavior and it was found he was normal mentally. However, in view of the evident attitude of the trial court and their definite recommendation of mercy the Board of Pardons is reluctant to refuse the applicant's petition for clemency.

The trial court orally recommended clemency. We, therefore, recommend that the sentence of death be commuted to life imprisonment.

In re application of Charles Konop, B-8480, No. 7972, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles Konop, convicted of assault with intent to commit robbery in the Court of Oyer and Terminer of Allegheny County on March 9, 1943 be commuted from 5 years to 3 years, 10 months, 4 days expiring on December 20, 1946.

Our reasons for making this recommendation are as follows:

The applicant is 33 years of age. This is his first major imprisonment and he has now served nearly 4 years of a minimum sentence of 5 years.

The recommendation of the Trustees of the Western State Penitentiary is favorable to release on parole. They recognize commendable progress in self-improvement.

No objection is made to commutation by the authorities in Allegheny County.

The Board of Pardons feel that the applicant's progress in self-improvement is sufficient to merit favorable recommendation for commutation. They, therefore, recommend commutation.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Frank Magaro, convicted of burglary in the Court of Quarter Sessions of Berks County on March 8, 1946 be commuted from 1 year 6 months to 11 months 10 days expiring on January 6, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 38 years of age. This is not the first time that the applicant has been in trouble, but this is his first major conviction. This would be said to be an economic crime because all of the things that were stolen were for use in applicant's home for the benefit of his wife and children.

He has an excellent record in the Eastern State Penitentiary and there is no opposition to granting of commutation by the authorities in Berks County.

It is also reported that applicant's wife and six children are suffering greatly as a result of his incarceration. Because of this fact alone we feel that commutation should be granted and for this reason we recommend that commutation be granted.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Frank Nelson, convicted of receiving stolen goods in the Court of Quarter Sessions of Philadelphia County on April 26, 1945, be commuted from 2 years to 1 year 8 months, expiring on January 9, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 43 years of age. This was his first major conviction and at the present time he has served over one year and a half of a minimum sentence of two years.

He has a good prison record and there was no objection, except from the District Attorney, to the granting of clemency.

Since he has served all but four months of his sentence we are recommending that his sentence be commuted, feeling that the applicant has learned his lesson and will not offend again if granted commutation.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

sentence of Charles Ephraim Waters Nutter, convicted of murder, second degree in the Court of Oyer and Terminer of Philadelphia County on December 22, 1941, be commuted from 8 years to 5 years, 6 months, expiring on December 26, 1946.

Our reasons for making this recommendation are as follows:

The applicant is 36 years of age. This is his first conviction and at the present time he has served nearly 5½ years of an 8 year minimum sentence for murder in the second degree.

It is reported by the Board of Trustees of the Eastern State Penitentiary that the applicant has an excellent prison record. The District Attorney of Philadelphia County told the Board of Pardons that he was not opposed to the granting of commutation. Applicant is offered sponsorship and employment by his former employer.

The Board of Pardons feels that he has been sufficiently punished under all of the circumstances and that in view of his excellent prison record, commutation should be granted.

Our reasons for making this recommendation are as follows:

The applicant is fifty-six years of age. He is the only Chinese inmate in the Western State Penitentiary. At the present time it has been his address for approximately fifteen and one-half years.

This killing was most brutal and under any other circumstances than our recommendation we would not recommend commutation.

The Trustees of the Western State Penitentiary state that the applicant has an excellent record and they would recommend commutation for the purpose of deportation. The United States Department of Labor has filed a detainer against the application for deportation to China.

It is the recommendation of the Board of Pardons that this applicant's sentence be commuted only on the condition that he be deported to China.

Our reasons for making this recommendation are as follows:

The applicant is fifty-six years of age. He has no prior criminal record. At the present time he has served nineteen years of a life sentence for murder in the first degree.

The Trustees of the Western State Penitentiary state they would favorably recommend the applicant for parole because he has an excellent institutional record and this was his first conviction.

No opposition to favorable recommendation is offered by the sentencing authorities in Allegheny County.

Taking into account the fact that the applicant served six months in jail before he was sentenced he has been in the penitentiary just short of twenty years. Under these circumstances the Board of Pardons recommends that commutation be granted.

By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

BOARD OF PARDONS

In re application of Edward M. Savoy, 27, No. 8428, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Edward M. Savoy, convicted of robbery in the Court of Quarter Sessions of Luzerne County on July 9, 1945 be commuted from 2 years to 1 year, 6 months expiring on January 9, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 31 years of age. This is his first imprisonment. He has now served 1 year and 6 months of a 2 year minimum sentence.

He has no opposition to release from the Trial Judge or the District Attorney. We have received no report from the Warden of Luzerne County Prison, however, we have been informed by counsel for the applicant that he has a good prison record.

We believe that the applicant has learned his lesson and if released will not again offend. With this thought in mind the Board of Pardons recommends that the sentence of the applicant be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Richard S. Scannell, D-2611, No. 8585, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Richard S. Scannell, convicted of forgery, uttering and publishing forged instruments in the Court of Quarter Sessions of Philadelphia County on December 3, 1945 be commuted from 1½ years to 11 months and 20 days, expiring on November 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-nine years of age and has never before been arrested for any offense whatsoever.

The applicant wishing to spare the shame and disgrace of his violation of the law from his family pleaded guilty to the passing of eleven bad checks, the total amount involved being $525.00. He was sentenced to imprisonment in the Philadelphia County Prison for a term of not less than one and one-half nor more than three years. Since his incarceration he has developed tuberculosis and at the present time his health is in a very precarious state. In view of his former good record and the additional fact that he has made restitution in the sum above mentioned, the district attorney of Philadelphia County has no objection to the granting of clemency in this case.

The Board of Pardons feels that because of his physical condition and that the district attorney has no opposition to the granting of clemency he has prayed for, we therefore, recommend that the minimum sentence of this applicant be commuted from one and one-half years to eleven months and twenty days, expiring on November 23, 1946.

In re application of Stanley Sitarski, No. 8614, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Stanley Sitarski, convicted of burglary in the Court of Quarter Sessions of Philadelphia County, on December 13, 1940 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is 26 years of age and this was his first major conviction. He was sentenced to a term of not less than 1½ years nor more than 3 years and served his minimum sentence for the commission of three burglaries. Upon his release he entered the Armed Forces of the United States and on December 31, 1945, he received an Honorable Discharge. He served overseas in Europe, participating in 5 campaigns and held the rank of sergeant upon his discharge. Following his discharge, he enrolled for a course in air-conditioning and refrigeration under the G. I. Bill of Rights, and according to the Board of Parole he has effected a satisfactory adjustment.

Applicant was recently refused a "position of trust" with the Yellow Cab Company because of his former prison record, including this one. He desires a pardon at this time in order that he may not forever bear the stigma of this breach against society. At the present time he is operating his own Steak and Sandwich Shop in Philadelphia.

Under these circumstances the Board feels, first because of his marvelous Army record and his evident rehabilitation, that he be granted a pardon and therefore recommends that a pardon be granted.

In re application of D. T. Thomas, B-5879, No. 4992, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of D. T. Thomas, convicted of murder, voluntary manslaughter in the Court of Over and Terminer of Mercer County on January 3, 1938 to be commuted from 12 years computed from December 16, 1937 to 9 years and 1 month, expiring on January 16, 1947.

Our reasons for making this recommendation are as follows:

The applicant is seventy-three years of age. He has never before been in any trouble whatsoever. He has now served over nine years of a twelve year minimum sentence on two charges of voluntary manslaughter.

The charges against the applicant grew out of the fact that his wife one of the victims introduced her paramour to applicant's household and carried on their relationship practically in front of applicant.

The Board of Trustees of the Western State Penitentiary have written that the applicant has an excellent record and they would recommend that commutation be granted.

The trial judge and district attorney do not object to commutation because applicant has served three-fourths of his sentence and at the present time is suffering from incurable cancer of the colon.

Because of applicant's excellent institutional record and the fact that he is suffering from cancer, and has served three-fourths of his sentence we recommend that commutation be granted.

In re application of John Joseph Weldon, D-4007, No. 7970, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

In re application of Charles Winstead, D-2445, No. 8593, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles Winstead, convicted of entering with intent to steal, larceny in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on September 20, 1937 be commuted from 10 years to 9 years, 3 months, 10 days expiring on December 20, 1946.

Our reasons for making this recommendation are as follows:

The applicant is 38 years of age. This is his first imprisonment for any offense whatsoever. He has now served 9 years, 1 month of 10 years. He was sentenced for breaking into 5 homes and committing larcenies therein.

He has an excellent record in the Eastern State Penitentiary and they would recommend favorable consideration on the basis of the record at their institution.

There is no opposition from the sentencing authorities in Philadelphia County to the granting of commutation.

The Board of Pardons feels that the applicant has such an excellent record that under all of the circumstances the application should be granted.

In re application of John D. Yanis, B-9393, No. 7540, October Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John D. Yanis, convicted of highway robbery, being armed with an offensive weapon in the Court of Oyer and Terminer of Schuylkill County on September 28, 1939 be commuted from 10 years to 7 years, 5 months, 20 days expiring on December 21, 1946.

Our reasons for making this recommendation are as follows:

The applicant is 29 years of age. He was given a 10 to 20 years sentence on a charge of highway robbery and larceny. He has now served more than 7 years for this crime.

If he was eligible to apply for parole the Trustees of the Eastern State Penitentiary would probably recommend as he has an excellent institutional record.

The Trial Judge and District Attorney are both in favor of commutation of sentence and the Trial Judge recommends favorable action.

The Board of Pardons under the above set of facts recommends that commutation be granted.

In re application of Joseph J. Adamchick, D-1554, No. 4496, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment of Joseph J. Adamchick, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Luzerne County on August 21, 1936, be commuted on Bill No. 595 June Sessions, 1936, from a maximum term of 20 years to a maximum term of 10 years and 1 month, expiring on September 21, 1946; on Bill No. 596 from a maximum term of 20 years to a maximum term of 1 day, expiring on September 22, 1946; on Bill No. 596½ from a maximum term of 20 years to a maximum term of 1 day, expiring on September 23, 1946; on Bill No. 597 from a maximum term of 20 years to a maximum term of 1 day, expiring on September 24, 1946; and on Bill No. 598 from a maximum term of 20 years to a maximum term of 1 day, expiring on September 25, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Amedio E. J. Andreini, B-2278, No. 6443, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Amedio E. J. Andreini, convicted of entering a building, escape, robbery, felonious assault and battery, pointing firearms, and burglary in the Oyer and Terminer and Quarter Sessions Court of Allegheny County September 15, 1930, to begin at the expiration of 5 years backtime for parole violation, be commuted on Bill No. 2 September Sessions, 1930 from a maximum term of 10 years to a maximum term of 4 years, 11 months, and 5 days, expiring on November 20, 1946; on Bill No. 8 from a maximum term of 4 years to a maximum term of 1 day, expiring on November 21, 1946; on Bill No. 4 from a maximum term of 10 years to a maximum term of 1 day, expiring on November 22, 1946; on Bill No. 3 from a minimum term of 10 years to a minimum term of 1 day, expiring on November 23, 1946; and on Bill No. 2 from a minimum term of 6 months to a minimum term of 1 day, expiring on November 24, 1946. (Applicant has been granted parole on Bills Nos. 1100 and 10.)

Our reasons for making this recommendation are as follows:

The applicant is forty-eight years of age and has now served a total of sixteen years of a sentence of twenty-eight and one-half years on a charge of breaking and entering and escape.

Following the escape from the court room where he was tried he and his accomplices held up a bank messenger and received a loot in the amount of $2450.00. All of the loot was recovered.

The Board of Trustees of the Western State Penitentiary have stated that the applicant has an excellent instituional record and has maintained it for the entire term of his imprisonment. His accomplice in this case received a minimum sentence of seven and one-half years which he served and was released. The Board of Pardons feels that this applicant has served a great length of time, in fact has served as much as some inmates have served for murder. This is only the second time applicant has applied to the Board of Pardons for commutation.

The Board of Pardons feels that under all these circumstances applicant should be given the opportunity and his sentence be commuted. The trial judge and the district attorney from Allegheny County likewise feel this applicant deserves consideration at this time, and we therefore, recommend to your Excellency that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Joseph Andrews, C-8220, No. 4207, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Joseph Andrews, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on September 7, 1932, be commuted from 20 years to 14 years and 1 month, expiring on October 7, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnest-

BOARD OF PARDONS

In re application of Joseph Bird, D-593, No. 6643, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Joseph Bird, convicted of larceny, receiving stolen goods in the Municipal Court of Philadelphia County on August 21, 1942, be commuted from 5 years to 4 years, 4 months, expiring on December 21, 1946.

Our reasons for making this recommendation are as follows:

The applicant is 35 years of age. This is the first time he has suffered a major imprisonment. He has now served 4 years and 2 months of a minimum sentence of 5 years on a charge of larceny.

The crime for which the applicant was sentenced was for the larceny of six sheets and one dozen pairs of ladies underwear. There is no opposition to the granting of the clemency prayed for, in fact the assistant district attorney, James W. Tracey, Jr., Esquire, stated he felt the sentence was too severe.

In view of the long service the applicant has spent in the Philadelphia County Prison, without any black marks against his record, the Board is of the opinion that the applicant is entitled to consideration and that commutation should be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Paul E. Boggs, convicted of robbery, receiving stolen goods in the Court of Oyer and Terminer of Cambria County on March 23, 1931, be commuted from 20 years to 15 years and 6 months, expiring on September 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. BOARD OF PARDONS

In re application of Charles J. Bolesky, D-2517, No. 5807, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Charles J. Bolesky, convicted of breaking and entering, burglary, larceny, violation of the firearms Act in the Court of Oyer and Terminer of Schuylkill County, on March 3, 1930; and of breaking and entering in the Court of Oyer and Terminer and Quarter Sessions of Schuylkill County, on January 11, 1932, be commuted on Bill No. 265 March Session, 1930, from a maximum term of 2 years to a maximum term of 11 months, expiring on November 13, 1946; on Bill No. 265-A from a maximum term of 6 months to a maximum term of 1 day, expiring on November 14, 1946, on bill No. 266, from a maximum term of 2 years to a maximum term of 1 day, expiring on November 15, 1946; on Bill No. 267 from a maximum term of 2 years to a maximum term of 1 day, expiring on November 16, 1946; on Bill No. 268 from a maximum term of 2 years to a maximum term of 1 day, expiring on November 17, 1946; on Bill No. 269 from a maximum term of 2 years to a maximum term of 1 day, expiring on November 18, 1946; and on Bill No. 231 January Session 1932, from a minimum term of 5 years to a minimum term of 1 day, expiring on November 19, 1946 and a maximum term of 10 years to a maximum term of 1 year and 1 day, expiring on November 20, 1947. (Applicant has been granted parole on Bills Nos. 263 and 264).

Our reasons for making this recommendation are as follows:

The applicant is thirty-six years of age and he has spent most of his life in prison since his seventeenth birthday. This is not entirely because of his offenses against society so much as erroneously computing the sentences which he had imposed upon him in Schuylkill County. As a result of this he has been in the penitentiary almost continuously since 1930. He was finally released in 1937 and

having applied for relief he got into altercations with the relief officer and he was returned for violation of his parole and to serve out the maximum of his sentences, and therefore, he has now been in prison a total of almost nine years and would still have to serve a total of ten more years if release is not granted.

There is no opposition from the authorities of Schuylkill County, in fact the trial judge and district attorney state they favor commutation of sentence.

Under these circumstances we feel the sentence should be commuted, and therefore, recommend to your Excellency that applicant be released on parole.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

Secretary of the Commonwealth.
JAMES H. DUFF,

In re application of Mike Borsos, B-7905, No. 6546, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members the Board of Pardons recommend that the maximum sentence of Mike Borsos, convicted of larceny of an automobile in the Court of Oyer and Terminer of Fayette County on September 26, 1941, to be computed from May 29, 1941, be commuted from 5 years to 3 years and 4 months, expiring on September 29, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. In re application of Carlo Brandimarte, C-8729, No. 2530, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Carlo Brandimarte, convicted of robbery, assault, entering with intent to commit a felony in the Court of Oyer and Terminer of Philadelphia County, on March 2, 1933, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 34 years of age. In 1933 he was arrested on a charge of robbery, assault and entering with intent to commit a felony. He served his minimum sentence and was discharged on parole at the expiration of his minimum.

Following applicant's release on parole he was inducted into the Army in March of 1943 and served over seas in Okinawa. He was discharged on January 27, 1946, honorably, having attained the rank of Corporal. Applicant has been on parole eight and one-half years and feels that this criminal record is restraining him from securing employment.

Because of his good parole record and his army service, we feel that the applicant has proved that he is a good parole risk and is rehabilitated. For these reasons the Board of Pardons believes that they need expect no further trouble from applicant and therefore recommend that a pardon be granted.

BOARD OF PARDONS

In re application of Aaron Braxton, B-7608, No. 7527, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Aaron Braxton, convicted of burglary, in the Oyer and Terminer Court of Allegheny County on March 21, 1941 to begin February 13, 1941 and to run concurrently with back time of 4 years, 11 months and 18 days of parole violation, be commuted on Bill No. 3 March Sessions, 1941, from a minimum term of 3½ years to a minimum term of 2 years and 8 months, expiring on October 29, 1946. (Applicant was reparoled on back time effective February 29, 1944.)

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age and was sentenced to a term of from three and one-half to seven years to run concurrently with back parole time which he was required to serve for violation of parole. While in prison this type of sentence was outlawed by the Wheeler case and the sentence had to run consecutive to parole violation.

There is very little if anything to show that this applicant was identified with this crime and he has consistently denied his guilt. The Board of Pardons is of the opinion that in view of the flimsy evidence of identification and since he has an excellent record, they should work to revamp his sentence more in accord with the opinion of the trial judge who sentenced him and which sentence was outlawed by the courts. The trial judge had meant he should serve not less than three and one-half nor more than seven years. At the present time he has served five

years and seven months. The district attorney does not oppose his release at the present time.

The Board of Pardons is of the opinion he has earned the right to commutation, and we therefore, recommend that commutation be granted.

The Board of Trustees of the Eastern State Penitentiary state the applicant has maintained an excellent record during his incarceration. There is no opposition to clemency from the sentencing authorities.

In re application of Jacob Buzzendore, D-3987, No. 6098, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Jacob Buzzendore, convicted of felonious entry, larceny in the Court of Oyer and Terminer of Lancaster County on May 5, 1939, to be computed from April 12, 1939, be commuted from 10 years to 7 years and 6 months, expiring on October 12, 1946.

In re application of Raymond Caparelli, C-6202, No. 8368, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Raymond Caparelli, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer of Philadelphia County on June 2, 1930, be commuted from 20 years to 10 years, 10 months and 9 days, expiring on November 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and he has served the minimum sentence which was imposed in Philadelphia County on the charge of robbery, being armed with an offensive weapon and he now seeks to have his maximum sentence of twenty years commuted by reason of his good reputation for three years, the time since he left the penitentiary.

The Board of Parole reports applicant takes an interest in himself and was very pleasant and cooperative during the interview, and has conducted himself in an exemplary manner since his release on parole.

Under these circumstances the Board of Pardons is of the opinion there is nothing to prevent us from commuting the maximum sentence from twenty years to ten years and ten months or the time that he has already served. Therefore, we recommend to your Excellency that his maximum sentence be commuted and he be released from parole.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and he was sentenced to a term of not less than five nor more than ten years in the Eastern State Penitentiary for the burglary of three places. After having served his minimum sentence he was released on parole and entered the armed forces where he served overseas two years and had an

excellent record. He was in the Engineering Corps of the Army and while uncovering German mines was made a prisoner of war and was a prisoner for sixty-four days. He was also wounded and received the Purple Heart. He has an excellent adjustment in civilian life is a linotype operator by trade. In re application of Ernest Cianchetti, D-516, No. 4827, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Ernest Cianchetti, convicted of murder, in the second degree, in the Oyer and Terminer and Quarter Session Court of Lackawanna County, on April 9, 1935, be computed from a minimum term of 10 years on Bill No. 3 April Sessions, 1935 to a minimum term of 1 year and 7 months, expiring on November 9, 1946. (Applicant has been granted parole on Bill No. 2).

Our reasons for making this recommendation are as follows:

Applicant is sixty-eight years of age and he was convicted of the crime of murder in the second degree. He was sentenced to a term of not less than twenty nor more than forty years in the Eastern State Penientiary. At the present time he has served nearly eleven and one-half years of the minimum sentence. In this case the notes of testimony were submitted by the applicant's attorney and the Board of Pardons turned them over to the Honorable William S. Livengood, Jr., Secretary of Internal Affairs, for his study and report to the Board. In the report to the Board of Pardons, Mr. Livengood stated that from the testimony produced at the trial he was of the opinion that the applicant was not guilty of any offense whatsoever and that in both instances he acted in self-defense.

This applicant is now sixty-eight years of age and the Board of Pardons feels that he has served quite a lengthy sentence and if the facts are as Mr. Livengood found them to be, namely he acted in self-defense, he should not have spent eleven and one-half years in the penitentiary.

Under these circumstances we feel he has served a long time with an excellent record and commutation should at this time be granted. Therefore, we recommend to your Excellency that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Michael Connolly, convicted of burglary in the Court of Oyer and Terminer of Philadelphia County on June 21, 1940 to be computed from May 8, 1940, be commuted from 20 years to 6 years and 5 months, expiring on October 8, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

BOARD OF PARDONS

In re application of Edward J. Devine, D-837, No. 8503, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Edward J. Devine, convicted of burglary, larceny in the Court of Oyer and Terminer of Bradford County, on September 6, 1935, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age and this is the first time he was ever convicted of any offense whatsoever. This was hardly a crime with intent to commit any violation of the law but more or less a boyhood prank which came as a result of high animal spirits in defeating a worthy high school opponent in football. It seems the high school football team had defeated their greatest rival and on the way home entered an A&P store and stole some candy. Later he was accused of taking $50,00, he denied this, however was convicted and served one year in the Eastern State Penitentiary. Later he served in the armed forces of the United States and since that time has resided in he vicinity of Sayre, Pennsylvania until he went to Owego, New York where he is now managing his own food business consisting of two stores.

Because of this conviction in Pennsylvania the New York Alcoholic Beverage Control Board has refused to grant him a license for the sale of beer and whiskey in his grocery store for off premises consumption.

In view of his excellent institutional record, also his excellent record with the armed forces and the fact that neither the trial judge nor the district attorney nor anyone else believe he should suffer indefinitely for this slight infraction of the law, the Board of Pardons considers this a meritorious application and recommends that a pardon be granted as prayed for.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

In re application of Ernest Di Donato, No. 8549, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Ernest Di Donato, convicted of setting up illegal lottery in the Court of Oyer and Terminer and of Philadelphia County, Quarter Sessions and General Jail Delivery on November 28, 1945, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 28 years of age. This is the first time he has been convicted of any offense whatsoever. He was sentenced to pay a fine of $50.00 for bookmaking.

This is the only time the applicant has ever been in trouble for which he was sentenced.

The authorities in Philadelphia County do not appose the granting of a pardon. He is a good father and bears a good reputation in his community.

The Board of Pardons feels this applicant has shown he will not again offend against society and therefore recommend that clemency be granted in the form of a pardon.

In re application of Johan Duykers, No. 8265, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Johan Duykers, convicted of robbery, being armed with an offensive weapon in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County, on February 18, 1929, be commuted on Bill No. 716 February Sessions, 1929, from a max. term of 20 years to a maximum term of 17 years, and 9 months, expiring on November 18, 1946; on Bill No. 718 from a minimum term of 10 years to a minimum term of 1 day, expiring on November 19, 1946; on Bill No. 721 from a minimum term of 10 years to a minimum term of 1 day, expiring on November 20, 1946; and on Bill No. 723 from a minimum term of 10 years to a minimum term of 1 day, expiring on November 21, 1946. (Applicant to be deported to Holland and on no other condition shall the sentence be commuted).

Our reasons for making this recommendation are as follows:

The applicant is forty years of age and has no prior criminal record. He is a native of Holland and approximately seventeen years ago when his ship reached New York the applicant engaged in a wave of crime which stretched from New York through Pennsylvania and into Maryland where he perpetrated the final act of murder.

On his way to Maryland he committed armed robbery in Philadelphia and the records seem to indicate there were at least nine armed robberies and two larcencies of automobiles. The applicant now desires to be deported to Holland. He has never served any time for the Pennsylvania offenses. He was released to the Maryland authorities on the express condition he was to be returned to Pennsylvania to serve his sentence unless Maryland agreed to execute him. Maryland however, sentenced applicant to life and refused to return him to Pennsylvania, so that although serving nearly seventeen years in the Maryland Penitentiary he still has not served a day of his forty to eighty years sentence in Pennsylvania. The applicant now desires commutation in order that he may be deported to his native land of Holland.

The Lieutenant Governor, Honorable John C. Bell, has written to the Honorable Herbert Conor, and stated that Pennsylvania was of the opinion Maryland acted in bad faith in refusing to return applicant to Pennsylvania to serve his sentence before serving the Maryland sentence of life. However, if Maryland will commute the life sentence only on condition that the applicant be deported to Holland and the Immigration Authorities will deport the applicant to Holland then the Board of Pardons of the Commonwealth of Pennsylvania recommends that the sentence of forty to eighty years imposed in Pennsylvania be commuted on the condition that the applicant be deported to Holland and on no other condition shall the sentence be commuted.

By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

BOARD OF PARDONS

In re application of John Melvin Hahn, No. 41721, No. 8505, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John Melvin Hahn, convicted of assault and battery with intent to commit robbery in the Court of Oyer and Terminer of Allegheny County, on October 30, 1941 to be computed from October 21, 1941, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty years of age and this is the first time he was ever convicted of any offense whatsoever. He served his minimum sentence and after serving it was released on parole and entered the armed forces of the United States, where he had an excellent military record for thirty-eight months and rose to the rank of corporal in the Air Corps. He served overseas in the European Theatre and was discharged from the armed forces on December 20, 1945. He is presently employed by Jones and Laughlin Steel Company, and desires a

pardon in order that his record may be cleared and that he may face life without the stigma of this one crime.

In view of his excellent army record and since the Board has been informed that neither the trial judge nor the district attorney from Allegheny County are opposed, the Board of Pardons recommends that the prayer of the petitioner be granted and that a full and complete gubernatorial pardon be extended the applicant.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Leroy E. Hammaker, D-5643, No. 7236, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Leroy E. Hammaker, convicted of burglary, in the Oyer and Terminer Court of Dauphin County, on March 17, 1941 to be computed from February 11, 1941; and of burglary in the Oyer and Terminer and Quarter Sessions Court of Lebanon County, on March 19, 1941, be commuted from a minimum term of 7 years (Dauphin County) to a minimum term of 5 years, 9 months, and 11 days, expiring on November 22, 1946; and from a minimum term of 6 years (Lebanon County and to run concurrently with Dauphin County sentence) to a minimum term of 5 years, 8 months, and 3 days, expiring on November 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age and this is the first time he was ever arrested for any offense whatsoever. He has now served five and one-half years of a minimum sentence of seven years. He has an excellent record in the Eastern State Penitentiary and recently suffered a very severe injury while performing certain work in connection with the prison labor division, the result of which for a time it was thought applicant would lose both legs. However, he is now able to be up and around again. Because of the fact that he has no prior record, served such a long portion of time and has faithfully and diligently served the state as a laborer for which even though injured received no compensation, the Board of Pardons feels he has more than paid his debt to society and recommends that his sentence be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,

BOARD OF PARDONS

In re application of Robert Haupt, B-5992, No. 5732, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Robert Haupt, convicted of entering a building with intent to commit a felony, robbery, being armed with an offensive weapon, etc., in the Court of Quarter Sessions of Venango County on March 15, 1938 to be computed from March 4, 1938 be commuted frfom 14½ years to 8 years and 8 months, expiring on November 4, 1946.

Our reasons for making this recommendation are as follows:

Applicant is thirty-one years of age and this is the first time he was ever sentenced for any offense. He has served a total of eight and one-half years of his minimum sentence of fourteen and one-half years for a $20.00 robbery.

Applicant has an excellent institutional record and the Board of Trustees of the Western State Penitentiary state he has made every effort toward self-improvement. There is no opposition from either the trial judge or the district attorney in this case and for that reason the Board of Pardons feels that having served eight and one-half years of a fourteen and one-half years minimum sentence he should have the same treatment as his accomplice had who served only three years of a minimum sentence of eight and one-half years.

Under the above circumstances the Board of Pardons is of the opinion that applicant's prayer should be granted and so recommend to your Excellency that his sentence be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Leo Martin Herzig, D-5393, No. 6197, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Leo Martin Herzig, convicted of forgery, uttering and publishing forged instrument in the Court of Oyer and Terminer of Philadelphia County on November 26, 1940 to be computed from November 15, 1940, be commuted from 6 years to 5 years and 11 months, expiring on October 15, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recomended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. In re application of Allan D. Hurt, D-2423, No. 4329, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Allan D. Hurt, convicted of assault and battery, aggravated assault and battery, etc., assault and battery with intent to ravish in the Court of Oyer and Terminer of Philadelphia County on September 21, 1945 be commuted from 1½ years to 1 year, 1 month, 17 days, expiring on November 7, 1946.

Our reasons for making this recommendation are as follows:

Applicant is 25 years of age and was sentenced to a term of not less than 1½ years nor more than 4 years for assault and battery with intent to ravish.

From the facts presented before the Board of Pardons they are of the opinion this applicant was not guilty of the crime as charged. He has served at the present time one year of his minimum sentence and the Board of Pardons feel that since he was not guilty of the crime and since all the investigations show he was not guilty this applicant has served time for a crime he did not commit and we, therefore, recommend that commutation be granted.

In re application of Charles Lindsey McCrary, B-7206, No. 6073, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles Lindsey McCrary, convicted of burglary in the Court of Oyer and Terminer of Allegheny County on May 8, 1940 to be computed from March 26, 1940 from 8 years to 6 years, 7 months, and 10 days, expiring on November 6, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age and this is the first major imprisonment that he has had and at the present time he has served six years of a minimum sentence of eight years in the Western State Penitentiary on the charge of burglary of two places and stealing the safes therein.

The Board of Trustees of the Western State Penitentiary have stated that the applicant has an excellent institutional record and that if he were eligible for parole they would recommend him by reason of his excellent institutional adjustment.

Under these circumstances the Board of Pardons is of the opinion that applicant would make an honest adjustment on the outside and we therefore recommend to your Excellency that commutation be granted.

BOARD OF PARDONS

In re application of Frank J. McKinney, C-5257, No. 8545, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Frank J. McKinney, convicted of felonious entry, larceny, receiving stolen goods in the Oyer and Terminer and Quarter Sessions Court of Montgomery County, on March 1, 1929, be commuted on Bill No. 225-10 February Sessions, 1929, from a maximum term of 10 years (to be computed from March 1, 1944) to a maximum term of 2 years and 8 months, expiring on November 1, 1946; and on Bill No. 225-16 from a minimum term of 5 years to a minimum term of 1 day, expiring on November 2, 1946. (Applicant has been granted parole on Bill No. 225-5).

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age and this is the first time he has been imprisoned for any offense whatsoever. At present the applicant has served seventeen and one-half years on a sentence of from twenty to forty years in the Eastern State Penitentiary for felonious entry, larceny, and receiving stolen goods. We feel applicant received a very severe sentence and even though he did receive a very lengthy sentence and has served a great portion of it this is the first time he has ever applied for commutation.

The Board of Pardons feels that under all the circumstances this was an excessive sentence.

There is no objection made by the authorities of Montgomery County to commutation of this sentence, and therefore, the Board of Pardons recommends to your Excellency that commutation of the remaining portion of his sentence be granted.

In re application of Harry McLaughlin, D-5150, No. 8530, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommended that the sentences of imprisonment imposed on Harry McLaughlin, convicted of burglary, larceny, breaking and escaping prison, in the Oyer and Terminer and Quarter Sessions Court of Delaware County, on August 23, 1940, sentence to be computed from April 16, 1940, be commuted on Bill No. 131 June Sessions, 1940, from a maximum term of 10 years to a maximum term of 6 years and 7 months, expiring on November 16, 1946; and on Bill No. 154 September Sessions, 1940, from a minimum term of 5 years to a minimum term of 1 day, expiring on November 17, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age and this is the first major imprisonment to which he was ever sentenced. He was sentenced to a term of not less than five nor more than ten years in the Eastern State Penitentiary. But, while a prisoner in the Delaware County Prison and before transfer to the Eastern State Penitentiary he attempted to escape and as a result was sentenced to a like term of from five to ten years for prison breach.

The applicant has now served six and one-half years of a ten year sentence and during his incarceration he was given at least nine quarts of blood to the Red Cross Blood Bank. The Board of Pardons feels that since he has an excellent record he has shown that he is trying to rehabilitate himself, and we therefore, recommend that his sentence be commuted in order that he may demonstrate to all the world that he has been rehabilitated.

The applicant is 21 years of age. He has now served 2 years 2 months of a 3 year's sentence on a charge of assault and battery with intent to ravish and rape. The applicant has not been in any other trouble whatsoever. The plea of guilty grew out of relationship with the prosecutrix who was only 16 years of age at the time of the alledged offense.

Our reasons for making this recommendation are as follows:

The applicant is 34 years of age. In 1932 he was sentenced to a term of 10 to 20 years for robbery. After he had served 5½ years the Board of Pardons granted a communtation of his minimum sentence.

The Board of Parole states that the applicant has an excellent record as the proprietor of a rooming house as well as conducting a dry cleaning business. He has married and is the father of a five year old daughter. The Board feels applicant has rehabilitated himself.

The trial judge, Honorable Forrest R. Shanaman writes that he believes this to be a meritorious case, quoting the Old Testament, "Though thy sins were scarlet I shall make them white as wool."

The Board of Pardons feels the applicant has demonstrated one of the purposes of punishment that the prisoner be rehabilitated to a useful, law abiding society. Having demonstrated this for the past 8 3/4 years while on parole, the Board recommends commutation of the maximum sentence of the applicant.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Renshaw, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Monroe County on February 13, 1942, to be commuted from February 11, 1942, be commuted from 10 years to 4 years 9 months expiring on November 11, 1946.

Our reasons for making this recommendation are as follows:

Applicant is 30 years of age and this is the first time he was ever imprisoned for any offense whatsoever. He was sentenced to a term of from 10 to 20 years for a $17.00 robbery of a gasoline station.

The Board of Trustees have advised the Board of Pardons that the applicant has an excellent institutional record. There is no opposition to the granting of commutation from the Monroe County authorities. A minimum sentence of 10 years for the amount involved seems to the Board of Pardons, a very severe sentence and since applicant has served 5 years of his minimum we recommend to your Excellency that he be given a commutation of his sentence at this time.

BOARD OF PARDONS

In re application of Francis Rodgers, B-7330, No. 5666, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Francis Rodgers, convicted of robbery, receiving stolen goods in the Court of Oyer and Terminer of Allegheny County on August 15, 1940 to be computed from June 26, 1940, be commuted from 10 years to 6 years and 3 months, expiring on September 26, 1946.

Our reasons for making this recommendation are as follows:

BOARD OF PARDONS

In re application of Henry Rosen, No. 8327, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Henry Rosen, convicted of larceny, fraudulent conversion, embezzlement by consignee in the Court of Quarter Sessions of Philadelphia County, on November 4, 1938, be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is forty-seven years of age and this is the only time he was ever convicted of any offense whatsoever. He was placed on probation for a period of three years as a result of larceny, fraudulent conversion, and embezzlement by consignee in connection with receipt of certain jewelry.

The trial judge feels that this was a rather difficult case and is a business transaction in the jewelry trade such as would not normally constitute a violation of the criminal law.

Under these circumstances the Board of Pardons feels that perhaps this man should never have been convicted at all and we are recommending that since he has a good prior record and such a good record since this conviction that this conviction be wiped out and applicant be given a pardon. He is presently employed by the Lion Auto Parts and Manufacturing Company, Incorporated and for over five years has been a salesman with them covering the States of Pennsylvania, part of Virginia, West Virginia as well as New Jersey. This is quite a territory and the company states applicant is now in charge of sales for the eastern territory, which shows applicant has redeemed himself in society and we again, under these circumstances recommend to your Excellency, that applicant's petition for a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Henry Samovitz, convicted of receiving stolen goods in the Court of Quarter Sessions of Allegheny County, on February 20, 1935, be pardoned.

He conducts a business with his partner known as the Keystone Tire and Battery Company. He lives with his wife and three daughters and leads a very exemplary life since the offense of 1935.

There is no objection from any of the sentencing authorities in Allegheny County to the granting the prayer of this applicant, and in view of the fact that he has made an excellent readjustment and bears an excellent reputation in his community, the Board of Pardons is of the opinion he has merited a pardon and therefore recommends that this application be granted.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment of George R. Schellinger, convicted of robbery in the Court of Oyer and Terminer of Allegheny County on May 29, 1931, be commuted on Bill No. 73, April Sessions, 1930, from a maximum term of 4 years to a maximum term of 3 years, 3 months, and 23 days, expiring on September 22, 1946; and on Bill No. 74 from a maximum term of 4 years to a maximum term of 1 day, expiring on September 23, 1946.

BOARD OF PARDONS

In re application of Herman J. Sensinger, No. 8511 September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Herman J. Sensinger, convicted of abortion in the Court of Oyer and Terminer and Quarter Sessions of Lehigh County on September 27, 1945 be commuted from 2 years to 1 year, 2 months, and 4 days, expiring on December 1, 1946.

Our reasons for making this recommendation are as follows:

Applicant is 33 years of age and has no prior record. He has now served one year of a minimum sentence of two years for abortion. The part that this applicant played in this crime was he made the arrangement for the victim to see a person who in turn arranged for an abortion to be performed.

The circumstances now are that the wife states she is to blame for this crime and the applicant states he is true to his wife and that he alone was to blame. It seems this applicant has been caught on the horns of a dilemma and the Board of Pardons cannot consider this crime as seriously as some would have you believe. Since applicant is needed at home to support his wife and three children the Board of Pardons is of the opinion he would be better in society than being removed from society at the present time and we therefore recommend that the minimum sentence be commuted and applicant be released on parole.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Frank Serratore, convicted of murder, second degree in the Court of Oyer and Terminer and Quarter Sessions of Montgomery County on February 3, 1937 be commuted fom 10 years to 9 years, 9 months, expiring on November 3, 1946.

Our reasons for making this recommendation are as follows:

Applicant is 50 years of age and this is the first time he was ever arrested or convicted of any offense whatsoever. He was sentenced to a term of from 10 to 20 years for murder in the second degree. It was shown that murder was committed following a drinking party on New Year's Day and the applicant was under the influence of intoxicating liquor. Applicant has served all but 5 months of his minimum sentence and during the period of time he has been in the Eastern State Penitentiary it is reported that he has an excellent record.

Under the circumstances we feel applicant has served all but a very small portion of his minimum sentence and having such an excellent prison record we recommend to your Excellency that the balance of his sentence be commuted.

BOARD OF PARDONS

In re application of Edward John Slisz, B-8000, No. 7344, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Edward John Slisz, convicted of burglary in the Court of Oyer and Terminer of Cambria County on January 26, 1942 to be computed from January 7, 1942 be commuted from 5 years to 4 years and 10 months, expiring on November 7, 1946.

Our reasons for making this recommendation are as follows:

Applicant is twenty-four years of age and although a parole violator he has served four and one-half years of his minimum sentence of five years. He has an excellent institutional record and has repeatedly stated that he desires to join the armed forces of the United States.

Since applicant has an excellent institutional record and he has served such a great portion of his minimum sentence the Board of Pardons is of the opinion they would recommend to your Excellency, the Governor, that his sentence be commuted on the condition he join the armed forces of the United States.

Under these circumstances that is our recommendation at the present time.

In re application of Daniel Snyder, B-2284, No. 2431, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Daniel Snyder, convicted of murder, in the first degree in the Court of Oyer and Terminer of Cambia County on October 27, 1930 be commuted from life imprisonment to 16 years and 10 days, expiring on November 6, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-three years of age and has now served practically sixteen years for murder in the first degee, the victim being his wife.

The victim had left applicant and was living with another man and this had prayed on applicant's mind causing him to drink to excess and as a result, in a drunken stupor, committed this crime.

Applicant has an excellent institutional record in the Western State Penitentiary and at the time of the hearing before the Board of Pardons the daughter of the applicant appeared and strongly recommended that commutation be granted. The mother of the victim also appeared and stated to the Board that if the victim had been a good mother to her children and a good wife to her husband, this crime would not have occurred.

Under these circumstances the Board of Pardons recommends that commutation be granted.

BOARD OF PARDONS

In re application of Christos N. Spanos, No. 58509, No. 7585, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Christos N. Spanos, convicted of abortion in the Court of Quarter Sessions of Allegheny County on October 8, 1943 to be computed from February 7, 1944 be commuted for 5 years to 2 years and 9 months, expiring on November 7, 1946.

Our reasons for making this recommendation are as follows:

Applicant is fifty-eight years of age and was sentenced to a term of from two to five years in the Allegheny County Workhouse on the charge of abortion. After serving his minimum sentence he was released from the Allegheny County Workhouse and secured a position as an attendant at the Mayview Hospital. He has been a doctor

all his life and is performing non-medical service at the Mayview Hospital where his services are greatly needed. He desires, by this commutation of maximum sentence, to have his medical license restored to him and when that is done the Board has been informed by the Department of Welfare that he will be given a place on the staff of that institution as a resident physician.

The Board of Pardons has also received a letter from the Department of Public Instruction, Bureau of Professional Licensing, that they would consider his application for reinstatement of a medical license after his sentence has been served or a pardon granted.

In this case the applicant seeks commutation of maximum sentence in order that he may advise the Department of Public Instruction that his sentence has been served. This case was presented to the Board of Pardons by the applicant's son who explained certain circumstances surrounding this case which had heretofore not been revealed and by reason of this revelation the Board is of the opinion that the prayer of the applicant should be granted and the Board recommends that his maximum sentence be commuted.

BOARD OF PARDONS

In re application of Andrew S. Stiver, Jr., No. 39939, No. 8504, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Andrew C. Stiver, Jr., convicted of robbery in the Court of Oyer and Terminer of Allegheny County on April 19, 1940 to be computed from March 26, 1940 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is twenty-nine years of age and has no prior criminal record with the exception of a series or armed robberies committed at the time he was sentenced. After having served one and one-half years of his minimum sentence he was released from the Allegheny County Workhouse and was inducted into the armed forces on July 21, 1943. He became a paratrooper and rose to the rank of corporal in the armed forces of the United States. February 19, 1946, he was discharged and has now returned to his home in Wilkinsburg.

There is no opposition from the trial judge or the district attorney to the granting of the pardon which is asked for in this case.

Applicant is now employed by the Union Railroad Company and is conducting himself in an exemplary manner. He is married and it is evident that he has shown he is rehabilitated, which is the goal of all punishment, and we believe that under the circumstances he is entitled to the pardon which he asks for.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Barney Treece, convicted of burglary, robbery, being armed with an offensive weapon in the Court of Oyer and Terminer of Fayette County on February 6, 1940 to be computed from January 1, 1940, be commuted from 10 years to 6 years and 9 months, expiring on October 1, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnest-

ness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole superivsion.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Benjamin Vaughn, convicted of larceny of a motor vehicle in the Court of Oyer and Terminer of Beaver County on July 18, 1842, be commuted from 5 years to 4 years and 2 months, expiring on September 18, 1946.

In re application of Nunzio V. Verdecchio, C-8727, No. 3036, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Nunzio V. Verdecchio, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County on March 2, 1933, be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is thirty-one years of age and he now seeks a pardon for the crime of robbery, being armed with an offensive weapon which he committed in 1933.

Applicant served his minimum sentence of five years and is now on twenty year parole. After being released applicant entered the armed forces of the United States and served two years, seven months. He was overseas in the European Theatre and has four battle stars. He was a corporal in Headquarters Platoon of a Medical Clearing Company and his commanding officer commends him for conducting his duties in a most commendable manner.

Applicant is married and has two children, he has made every effort to rehabilitate himself and is presently employed by the Bud Manufacturing Company.

The Board of Pardons is of the opinion this applicant has shown an innate desire to rehabilitate himself and this is not the type of thing which will again occur in the applicant's life. We feel he has found a place in society and has certainly shown his country that he has by serving with honor and fidelity, and therefore, we recommend that applicant be granted the pardon which he seeks and so recommend same to your Excellency, the Governor.

In re application of Milton S. Wanner, C-7698, No. 1714, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of Milton S. Wanner, convicted of felonious entry, larceny in the Court of Oyer and Terminer and Quarter Sessions of Lancaster County on January 23, 1932, be commuted on Bill No. 15 January Sessions, 1932, from a maximum term of 9½ years to a maximum term of 5 years and 2 months, expiring on September 23, 1946; and on Bill No. 16 from a maximum term of 9½ years to a maximum term of 1 day, expiring on September 24, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

In re application of Stephen Wasilsky, D-5847, No. 5841, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Stephen Wasilsky, convicted of robbery, being armed with offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County, on June 18, 1941, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 26 years of age. This was his first major conviction. He served his minimum sentence and following his release he joined the Armed Forces of the United States.

Applicant had been on parole just four months when he was inducted and he served overseas in Korea and Japan, being a staff sergeant with the Quartermaster Corp.

The Board of Pardons feels that applicant's service for his country has atoned for his one serious mistake and we therefore, recommend that the prayer of the applicant be granted.

BOARD OF PARDONS

In re application of Charles Watt, B-5603, No. 6653, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles Watt, convicted of murder, second degree in the Court of Oyer and Terminer of Allegheny County on June 24, 1937, to be computed from December 30, 1936 be commuted from 10 years to 9 years, 10 months expiring on October 30, 1946.

Our reasons for making this recommendation are as follows:

Applicant is 40 years of age and was sentenced to a term of from 10 to 20 years on the charge of murder in the second degree. Applicant's wife had been untrue to him and she was maintaining relations with other men and refused to change her conduct or give up her drinking. She told applicant to put their children in an orphanage. This was more than the applicant could stand and as a result he shot his wife.

Applicant has an excellent institutional record in the Western State Penitentiary and if released will make a home for his son. At the present time he has served 9 years 9 months of his minimum sentence.

Under the above circumstances the Board of Pardons recommends to your excellency that applicant's prayer be granted and his sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

In re application of Maxwell Norman Windham, No. 8541, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Maxwell Norman Windham, convicted of robbery in the Court of Quarter Sessions of Philadelphia County, on September 30, 1931 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 32 years of age. He has no prior

criminal record. In 1931 applicant held up a store by using a toy pistol. He was apprehended and placed on probation for a period of three years.

There is no objection to the granting of clemency by any of the authorities.

Since being placed on probation he has obtained a job with the Philadelphia Traction Company and holds a responsible position with the union. He has been informed he cannot advance any further in his employment because of this conviction. He is married and the father of two sons. He desires a pardon in order that no stigma may be attached to his children.

The Board of Pardons is of the opinion that the applicant has demonstrated to the Board his rehabilitation. Therefore, for the sake of his family a pardon is recommended at this time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

In re application of Andrew Cornelius Woodall, D-8018, No. 8519, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Andrew Cornelius Woodall, convicted of murder, second degree in the Court of Oyer and Terminer and General Jail Delivery of Philadelphia County on November 29, 1944 be commuted from 2½ years to 2 years, 2 months expiring on December 25, 1946.

Our reasons for making this recommendation are as follows:

Applicant is 21 years of age. He has no prior record. He was sentenced to a term of from 2½ to 5 years on a charge of murder in the second degree. He has now served 2 years, 2 months of his sentence.

Applicant has an excellent record in the Eastern State Penitentiary so state the Board of Trustees. The District Attorney of Philadelphia County leaves it up to the Board of Pardons as to whether or not a commutation should be granted.

The testimony shown to the Board of Pardons indicates that the victim was the aggressor and that the applicant did nothing but stand by while his brother who was attacked killed victim.

Since this applicant had nothing to do with the killing it then follows he should not be imprisoned for the killing, therefore, the Board of Pardons recommends that clemency be granted.

JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Bernard Zack, B-5524, No. 7392, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons, recommend that the sentence of imprisonment imposed on Bernard Zack, convicted of robbery in the Oyer and Terminer, Court of Allegheny County on May 25, 1937, to begin at the expiration of unexpired parole violation of 2 years, and 11 months, be communted on Bill No. 18 April Sessions, 1937, from a mininmum term of 2 years to a minimum term of 1 year and 7 months, expiring on November 25, 1946; and on Bill No. 17 from a minimum term of 2 years to a minimum term of 1 day, expiring on November 26, 1946. (Applicant has been granted parole on Bill No. 69 March Sessions, 1937).

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age and has now served approximately nine and one-half years of his minimum sentence of nine years, plus approximately three years back parole time or twelve years of his maximum sentence of eighteen years. His accomplice has been commuted. Although this applicant has served his minimum sentence of nine years he still has a period of approximately three years to serve due to the violation of his parole.

Applicant plead not guilty to the commission of this offense and had a strong alibi, however, the jury did not believe the alibi and of course convicted him.

The Board of Trustees of the Western State Penitentiary informs the Board of Pardons that applicant has an excellent institutional record and there is no opposition from the trial judge or the district attorney of Allegheny County to the granting of commutation in this case.

The Board of Pardons is of the opinion this applicant has served a long period of time for the offense which was committed, and we therefore, recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

In re application of John Zamos, B-2834, No. 20-B, September Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment of John Zamos, convicted of robbery, larceny in the Quarter Sessions Court of Lawrence County on September 12, 1931, be commuted from a maximum term of 20 years on Bill No. 92 September Sessions, 1931 (Bills Nos. 93 and 94 concurrent) to a maximum term of 15 years and 1 month, expiring on October 12 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

In re application of David Almeida, D-1866, No. 4344, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of David Almeida, convicted of assault with intent to rob, robbery in the Court of Quarter Session of Philadelphia County on January 6, 1937 be commuted from 10 years to 9 years and 9 months, expiring on October 6, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and he is serving a term of from ten to twenty years on a charge of assault with intent to rob and robbery.

Applicant violated his parole on this case, but he has now served approximately nine and one-half years of his ten year sentence and his minimum sentence will be up on January 6, 1947.

The Board of Trustees of the Eastern State Penitentiary have written the Board of Pardons that the applicant has a good institutional record for the past five years and under these circumstances the district attorney of Philadelphia County has said he would leave the matter of commutation of sentence up to them.

The Board of Pardons is of the opinion that since he has served such a great portion of his sentence he is entitled to commutation at this time, and therefore, recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Louis Balogh, No. 8029, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Louis Balogh, convicted of larceny in the Court of Quarter Sessions of Allegheny County, on February 13, 1931, be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is thirty-six years of age and this is the first time he was ever convicted in Pennsylvania. He was sentenced to a term of not less than two and one-half nor more than ten years in the Allegheny County Workhouse, which time he served and at the present time has served the maximum of his sentence without further trouble. The crime for which he was convicted was larceny of an automobile.

This applicant has been threatened with deportation proceedings as a result of this conviction and unless he is given the opportunity to have a pardon granted it will be necessary for him to be returned to Hungary which would result in a break-up of his family, he being married and has one son, aged nine years.

Applicant is now in business for himself and this could be termed a youthful indiscretion. Since he has reached his present age and for the past ten years or more he has been in no further trouble.

Under these circumstances we feel he has earned his right to remain in this country with his family and in order to prevent his deportation recommend that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

WILLIAM S. LIVENGOOD, Jr.,

In re application of John J. Blazak, D-3611, No. 5-B, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of John J. Blazak, convicted of robbery, in the Court of Oyer and Terminer and Quarter Sessions of Adams County, on December 12, 1938, be commuted from 10 years to 7 years and 7 months, expiring on July 9, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. BOARD OF PARDONS

In re application of Leo Buckus, D-1702, No. 6467, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Leo Buckus, convicted of burglary, breaking and entering with intent to commit a felony, in the Oyer and Terminer and Quarter Sessions Court of Lackawanna County, on October 17, 1936, be commuted on Bill No. 31 October Sessions, 1936, from a maximum term of 10 years to a maximum term of 9 years, 11 months, and 1 day, expiring on September 23, 1946; and on Bill No. 28 from a minimum term of 5 years to a minimum term of 4 years, 11 months, and 2 days, expiring on September 24, 1946. (Applicant granted parole by the Pennsylvania Board of Parole on Bills Nos. 25-A, 25-B, and 25-C October Term, 1936, effective September 22, 1946).

Our reasons for making this recommendation are as follows:

Applicant is thirty-two years of age and he is now serving a sentence for breaking and entering three stores. At the present time he has srved approximately one and one-half years of his one year, seven months sentence. He has a good record in the Eastern State Penitentiary and he is not to be treated as a convicted parole violator but as a teachnical parole violator as he was originally sentenced on crimes committed prior to his original commitment.

The Board of Pardons feels that having served nearly seven years before being paroled he should be granted a commutation at the present time if he can offer a suitable parole plan satisfactory to the Pennsylvania Board of Parole.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Harry Castor, B-6028, No. 8454, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Harry Castor, convicted of robbery in the Quarter Sessions Court of Washington County, on April 2, 1938; and of breaking and escaping penitentiary, in the Quarter Sessions Court of Centre County, on March 15, 1946, be commuted on Bill No. 186 February Sessions, 1938, from a minimum term of 7 years (Washington County—plus 5 years, 8 months and 15 days escape time at large) to a minimum term of 3 years, expiring on September 23, 1946; and on Bill No. 91 September Sessions, 1940—(Centre County) from a minimum term of 7 years to a minimum term of 1 day, expiring on September 24, 1946.

Our reasons for making this recommendation are as follows:

Applicant is thirty-two years of age and was sentenced on a charge of robbery to a term of not less than seven nor more than fifteen years in the Western State Penitentiary. While in the pententiary he escaped from the Rockview Prison Farm and under an assumed name served with the army in Europe for a period of 4 years and 7 months, and received an honorable discharge. Upon his release from the army he was returned to the penitentiary and sentenced to a term of not less than seven nor more than fifteen years for escape.

While in the army he married and he now has a wife and one child to support and expects soon to be the father of the second child. He has a good army record and a good prison record and because of the fact he served four years honorably with the armed forces of the United States the Board of Pardons feels he should be given his freedom at the present time, and we therefore, recommend that his sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Harry Chapasco, D-374, No. 4789, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Harry Chapasco, convicted of arson, entering a building, carrying concealed deadly weapons, larceny of auto, assault and battery with intent to kill, in the Court of Oyer and Terminer of Schuylkill County, on February 18, 1935, be commuted on Bill No. 179-2 March Sessions, 1935, from a maximum term of 3 years to a maximum term of 2 years, 5 months expiring on July 18, 1946; on Bill No. 180-1 from a maximum term of 5 years to a maximum term of 1 day, expiring on July 19, 1946; on Bill No. 180-2 from a maximum term of 3 years to a maximum term of 1 day, expiring on July 20, 1946; on Bill No. 240 from a maximum term of 1 year to a maximum term of 1 day, expiring on July 21, 1946; on Bill No. 241 from a maximum term of 3 years to a maximum term of 1 day, expiring on July 22, 1946; and on Bill No. 242 from a maximum term of 6 years to a maximum term of 1 day, expiring on July 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant

conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Edward J. Connelly, A-10446, No. 8485, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Edward J. Connelly, convicted of breaking and entering. larceny, in the Oyer and Terminer Court of Beaver County, on May 1, 1919, be commuted on Bill No. 15 March Sessions, 1919, from a minimum term of 5 years to a minimum term of 3 years and 2 months, expiring on September 23, 1946.

Our reasons for making this recommendation are as follows:

Applicant is forty-nine years of age and was returned to Pennsylvania on the charge of violation of parole, sentence of March Sessions 1919 in Beaver County. Following his release he was incarcerated in New Jersey on a detainer which had been lodged with the Western State Penitentiary and remained in prison there for ten months when he was released and returned to his parents' home. He was in good standing for a period of six months when he was arrested on the charge of breaking and entering and was returned to prison where he remained for approximately seven years or until July 23, 1943, when he was returned to Pennsylvania as a parole violator.

The Board of Pardons has received from the sentencing judge in New Jersey a letter in which it is stated that the conviction in New Jersey was entirely on circumstantial evidence and his confinement for a period of approximately eight years was due to the fact that he had been previously sentenced both in New Jersey and Pennsylvania.

The Board of Pardons feels that having served nearly three years following his return as a parole violator and having served ten years before but not receiving credit for it because of the sentences being improperly and illegally lumped, this man has more than paid his debt to society and we recommend that his sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Frank P. Dalton, No. 8478, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Frank P. Dalton, convicted of violation of the Pennsylvania Securities Act in the Court of Quarter Sessions of Bradford County, on May 7, 1942, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is fifty-six years of age and this is the only time he was every arrested for any offense whatsoever. There are no prior or subsequent criminal charges against him. He was arrested and charged with the violation of the Pennsylvania Securities Act but the company for whom he was employed made immediate restitution.

Since 1942 the applicant has been engaged as a salesman for Park and Tilford Import Corporation and when his record became known the New Jersey Alcoholic Beverage Control Board, because of a requirement in New Jersey Law, was required to lift his salesman's license. This therefore, left the applicant without means of a livelihood.

The Board of Pardons is of the opinion that this was a type of unusual punishment which the court did not intend at the time of his sentence largely because of the type of sentence as well as the fact that no jail sentence was imposed. It certainly was not contemplated at that time that the applicant should be deprived of a means of livelihood by reason of this sentence.

Therefore, the Board of Pardons taking all facts into consideration respectfully requests that your Excellency grant the full and complete pardon as prayed for by the applicant.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Leopold Dende, B-5308, No. 4874, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Leopold Dende, convicted of robbery in the Court of Oyer and Terminer of Allegheny County on November 27, 1936 be commuted from 18 years to 9 years and 10 months, expiring on September 27, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age and this is the first time he was ever convicted of any crime whatsoever. He was sentenced to a term of from nine to eighteen years in the Western State Pnitentiary for robbery, he being the driver of the car which held up and robbed two clergymen. At the time this crime was committed applicant was under a great strain caused by the fact he was involved in a manslaughter charge and was trying to obtain funds to pay the attorney's fee.

Applicant has been on parole for a period of one and one-half years during which time he has been in the

printing and publishing business and has made excellent progress, establishing himself in his community as a reputable citizen. Applicant is married and has two children. The victims of this applicant have stated that they have no objection to the granting of a commutation of his maximum sentence.

The Board of Pardons after carefully reviewing the facts of this case feel that this applicant has been fully rehabilitated and should be given his freedom from parole. Therefore, we recommend to your Excellency that commutation of his maximum sentence be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of James B. DeSantis, No. 8116, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that James DeSantis, convicted of robbery, and carrying concealed weapons in the Court of Oyer and Terminer and Quarter Sessions of Allegheny County, on April 15, 1931, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age and this is the first time he was arrested for any offense whatsoever. The crime committed was that of robbery and he has served the minimum of his sentence as well as the maximum. He has not been in any further trouble. Applicant was in the armed forces of the United States for a period of almost two years and during that time was wounded in the Italian Campaign. From the result of the wounds sustained in this engagement he was discharged from the army and attempted to seek employment. This record has militated against him and therefore he requests a pardon in order that he may secure suitable employment. Undoubtedly this applicant suffered severely from the wounds sustained in action and can not accept all types of employment.

For the above reason the Board of Pardons is of the opinion he should be granted a full and complete gubernatorial pardon so that his service to his country will be properly appreciated.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Evan H. Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of James Dunn, convicted of armed with intent to rob, in the Court of Oyer and Terminer of Philadelphia County, on June 28, 1940, to be computed from May 6, 1940, be commuted from 10 years to 6 years and 2 months, expiring on July 6, 1946.

Our reasons for making this recommendation are as follows:

BOARD OF PARDONS

In re application of Vincent Dominick Girolami, D-5167, No. 8031, June Sestion, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Vincent Dominick Girolami, convicted of robbery, entering with intent to commit a felony, etc. in the Court of Oyer and Terminer of Philadelphia County on September 4, 1940 to be computed from May 11, 1940 be commuted from 15 years to 6 years, 4 months and 10 days, expiring on September 21, 1946.

Our reasons for making this recommendation are as follows:

Applicant is thirty-two years of age and this is the first time he was ever convicted of any crime whatsoever. He was sentenced to a term of not less than fifteen nor more than thirty years in the Eastern State Penitentiary on the charge of robbery, entering with intent to commit a felony. He has served over six years of his minimum sentence.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that he has an excellent institutional record. The trial judge, Honorable Harry S. McDevitt, states he is not opposed to the granting of commutation of sentence but leaves the matter entirely up to the Board of Pardons. The district attorney's office state that they are opposed, but only reluctantly, and feel that applicant has an opportunity to rehabilitate himself if released at this time.

Having served over six years and one month and this being the first time he was ever sent to prison we feel the applicant has learned his lesson and will not again offend against society, and therefore, the Board of Pardons recommend that his commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Frank Hartman, D-6614, No. 7298, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Frank Hartman, convicted of entering with intent to steal, larceny in the Court of Oyer and Terminer of Philadelphia County on May 27, 1939 to be computed from July 27, 1942 be commuted from 5 years to 4 years and 2 months, expiring on September 27, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and while on parole from an offense of larceny he broke into five different places and stole postage stamps amounting to approximately $20.00 in all. He has an excellent record in the Eastern State Penitentiary where he is now confined at the present time and has served upwards of seven years. But because of the time required to serve for parole violation he has, at the present time served only four years of his minimum sentence of five years.

The president judge, Honorable Harry S. McDevitt, has written the Board of Pardons and stated that he believes applicant would be a good risk for commutation as he is industrious and cooperative and also shows a disposition to help himself, but whether he can successfully prove his change of character, is a matter for the Board of Pardons to decide.

The Board of Pardons is of the opinion that seven years service in the Eastern State Penitentiary with a good record indicates that he has reached maturity and has changed in character, and therefore, under all of the circumstances recommend that commutation be granted to this applicant.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Daniel E. Hooks, Jr., D-7014, No. 7909, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Daniel E. Hooks, Jr., convicted of murder, in the first degree in the Court of Oyer and Terminer of Philadelphia County on June 1, 1939 to be computed from January 15, 1943, be commuted from life imprisonment to 3 years and 9 months, expiring on October 15, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age and was sentenced to life imprisonment on a conviction of murder, in the first degree. At the present time applicant has served seven years of his life sentence. When this case was argued before the Board of Pardons it was shown by applicant's representative that this applicant had no malice at the time he was alleged to have struck the victim. Therefore, under all the circumstances the Board of Pardons was of the opinion that this applicant should not have been convicted of any offense greater than voluntary manslaughter.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that the applicant has an excellent institutional record and has made twenty-five donations of blood to the American Red Cross Blood Bank.

After considering the above circumstances the Board of Pardons feels this applicant has served a sentence longer than the minimum sentence for voluntary manslaughter and therefore should be paroled at the present time and we recommend that commutation be granted.

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

In re application of Walter Charles Hummel, No. 4-B, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Walter Charles Hummel, convicted of burning a building not a dwelling, in the Court of Oyer and Terminer and Quarter Sessions of Cambria County, on April 17, 1939, be commuted from 10 years to 7 years and 3 months, erpiring in July 17, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. In re application of John Kacilowicz, D-1376, No. 7296, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on John Kacilowicz convicted of robbery, being armed with an offensive weapon, larceny, assault and battery, attempt to break jail in the Oyer and Terminer and Quarter Sessions Court of Schuylkill County, on June 1, 1936, be commuted on Bill No. 564 June Sessions, 1936, from a minimum term of 7 years to a minimum term of 4months expiring on October 1, 1946; on Bill No. 564-C from a minimum of 1 year to a minimum of 1 day, expiring on October 2, 1946; on Bill No. 564-D from a minimum of 3 years to a minimum of 1 day, expiring on October 3, 1946; on Bill No. 566 from a minimum of 3 years to a minimum of 1 day, expiring on October 4, 1946; on Bill No. 567 from a minimum of 3 years to a minimum of 1 day, expiring on October 5, 1946; and on Bill No. 686-A from a minimum of 1 year to a minimum of 1 day, expiring on October 6, 1946. (Applicant has been granted parole on Bills Nos. 563 and 563-B).

Our reasons for making this recommendation are as follows:

Applicant is thirty-five years of age and at the present time has served ten years for a series of armed robberies, larceny of an automobile, assault and battery, and attempt to break jail. He has an excellent prison record as attested to by the Board of Trustees of the Eastern State Penitentiary and both the judge and district attorney of Schuylkill County recommend that having served such a long period of time his sentence be commuted.

The Board of Pardons feels that twenty-eight years as a minimum sentence for armed robbery is more than you can ask of one man to serve, and we therefore, recommend since he has an excellent prison record that the sentence be commuted.

JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Earl Keith, D-6149, No. 8473, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Earl Keith, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County on December 9, 1941 to be computed from November 28, 1941 be commuted from 10 years to 4 years and 8 months, expiring on September 28, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-six years of age and this is the first time he was ever convicted of any crime whatsoever. He was charged with being an accomplice to robbery, being armed with an offensive weapon.

The applicant has an excellent institutional record and the district attorney of Philadelphia County advises the Board of Pardons that he is not opposed to the granting of commutation at this time.

The applicant has served nearly five years of his minimum sentence of ten years. Under these circumstances the Board of Pardons is of the opinion that the applicant has learned his lesson by the service of five years and will not again offend if given the opportunity to be placed on parole. Therefore, the Board of Pardons recommends that commutation be granted.

In re application of Gordon Lehman, No. 5175, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Gordon Lehman, convicted of violation of the Liquor Laws and conspiracy in the Court of Quarter Sessions of Delaware County, on January 15, 1932 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is fifty-eight years of age and this was the only time he was ever arrested. Frankly, what this case amounts to is that the applicant was arrested on an old bootlegging charge at the extreme end of prohibition and a small quantity of beer and whiskey was located on his premises.

The applicant served his sentence and paid his fine and has now been refused employment in the State of New Jersey as a liquor salesman because of the fact he was once convicted of a crime in Pennsylvania.

Under these circumstances we feel that new and unusual hardships are being imposed as a result of a conviction of almost fourteen years ago the effect of which was not contemplated by the sentencing judge.

There is no opposition to the granting of clemency by the Board from the Delaware County authorities, and therefore, it is the recommendation of the Board of Pardons that a full and complete gubernatorial pardon be granted.

In re application of Walter Maloney, C-5914, No. 1623, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Walter Maloney, convicted of murder, in the first degree in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on January 30, 1930 be commuted from life imprisonment to 16 years and 8 months, expiring on September 30, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and this is the first time he was ever convicted of any crime. He was sentenced to prison for driving the "get-away" car in a holdup of a bank cashier which resulted in his murder. At the present time applicant has served over sixteen and one-half years of a life sentence with a very good institutional record.

The Board of Trustees of the Eastern State Penitentiary state he is manager of the prison bread room and that he has made frequent contributions to the American Red Cross Blood Bank.

The Board of Pardons feels that if this applicant is given an opportunity he will become a worthwhile law-abiding citizen and will not become involved in any other offense whatsoever.

Because he has a good sponsor and he will be given a position with his sponsor the Board of Pardons is of the opinion he has an opportunity to rehabilitate himself and due to these facts we feel he should be given the opportunity at this time to show to the Board of Pardons that he will continue to be a law-abiding citizen. We therefore, recommend that commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Albert Stanley Marsh, B-7074, No. 3711, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Albert Stanley Marsh, convicted of burglary, larceny, receiving stolen goods in the Court of Quarter Sessions of Venango County on January 29, 1940 and to be computed from January 10, 1940 be commuted from 6 years to 4 years and 9 months, expiring on October 10, 1946.

Our reasons for making this recommendation are as follows:

Applicant is thirty-six years of age and he was sentenced to a term of imprisonment in the Western State Penitentiary of not less than six nor more than twelve years, but applicant was required to serve two years as a parole violator, so at the present time although he has served six and one-half years, two years of this time is considered as being applied to his parole violation. However, applicant does have an excellent institutional record and the Board of Trustees of the Western State Penitentiary recommend he be granted commutation The trial judge and district attorney do not oppose commutation at this time.

Applicant having served six and one-half years the

Board of Pardons is inclined to recommend commutation at this time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Edward B. McEneaney, No. 8451, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Edward B. McEneaney, convicted of larceny of an automobile, receiving stolen goods, operating a motor vehicle without consent of owner in the Court of Quarter Sessions of Philadelphia County, on November 9, 1936, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty years of age and he was sentenced to a term of ten years on probation as a result of accepting a ride in a car from a friend, which car was subsequently wrecked. Upon its being wrecked applicant learned that the car had been stolen.

Applicant has been in no further trouble for a period of almost ten years and in fact he recently served with the armed forces of the United States, receiving the Purple Heart and two oak leaf clusters. He rose to the rank of a Staff Sergeant.

There is no opposition from the sentencing judge or the Philadelphia County authorities to the granting of this application for a pardon. The applicant is of the opinion that this record will militate against his receiving proper credit for his military service should he apply for a position. Having been recently discharged from the armed forces he finds it necessary to secure employment at the earliest possible moment.

In view of his splendid military record the Board of Pardons is of the opinion that his plea for a complete pardon should be granted, and therefore, recommends that his Excellency grant this applicant a full and complete gubernatorial pardon.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Jack McDevitt, B-1955, No. 2031, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Jack McDevitt, convicted of murder, in the first degree, in the Court of Oyer and Terminer of Lawrence County, on April 4, 1930, be commuted from life to 16 years and 3 months, expiring on July 4, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by communtation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

In re application of Benny Merlo, D-6414, No. 8027, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Benny Merlo, convicted of burglary, receiving stolen goods in the Court of Quarter Sessions of Philadelphia County on April 2, 1942 to be computed from February 14, 1942 be commuted from 5 years to 4 years and 8 months, expiring on October 14, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age and this is the first time he was convicted. Applicant and three accomplices stole tires, radios and certain other electrical appliances to the total value of approximately $400.00.

The applicant has an excellent institutional record in the Eastern State Penitentiary and at the present time has served over four and one-half years of a minimum sentence of five years. All of his accomplices have been released and since he has a good institutional record we recommend that commutation be granted this applicant.

Respectfully submitted,
JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Dewey Murphy, No. 8495, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Dewey Murphy, convicted of statutory rape in the Court of Oyer and Terminer of Lebanon County on June 4, 1945 to be computed from May 18, 1945, be commuted from 1½ years to 1 year, 4 months and 10 days, expiring on September 28, 1946.

Our reasons for making this recommendation are as follows:

Applicant is forty-six years of age and he was sentenced to a term of not less than one and one-half to three years on a charge of statutory rape in the Lebanon County Jail. This is the first time applicant was ever arrested and from the case as it was explained by counsel for the applicant, we feel that the victim was more or less a party to this offense and not an innocent victim.

The Warden of the Lebanon County Jail has written the Board of Pardons that applicant is a model prisoner. The trial judge and district attorney recommend that commutation be granted and for these reasons we recommend that applicant's sentence be commuted and he be released.

In re application of Phillip O'Keefe, D-2654, No. 1-B, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Phillip O'Keefe, convicted of robbery, being armed with an offensive weapon, in the Court of Oyer and Terminer, of Philadelphia County, on December 7, 1937, to be computed from December 1, 1937, be commuted from 10 years to 8 years and 7 months, expiring on July 1, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by communtation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Bernard Pascal, No. 8488, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Bernard Pascal, convicted of aggravated assault and battery, burglary, assault with intent to kill, carrying concealed deadly weapons in the Court of Quarter Sessions of Philadelphia County on February 28, 1941 be commuted from 14 years probation to 5 years and 7 months, expiring on September 28, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age and was sentenced to a term of fourteen years on probation for the crime of aggravated assault and battery, burglary, assault with intent to kill, carrying concealed deadly weapons.

This is a case where management and labor conflicted which resulted in a great animosity between applicant and the head of the Amalgamated Clothing Union. However, applicant for the past six years has not come in contact with the parties with whom he became involved, thus causing this sentence.

The trial judge, Honorable Byron A. Milner, feels that it is not necessary for this man to remain on parole any longer as he has proven he is capable of being a law-abiding citizen.

Applicant is married and has two children. His employment is excellent.

The Board of Pardons is of the opinion and in full agreement with the sentencing judge, and therefore, recommends to your Excellency that communtation of maximum sentence be granted this applicant so he may no longer be on parole.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of James Pugliese, A-13709, No. 1844, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of James Pugliese, convicted of murder, in the first degree in the Court of Oyer and Terminer of Jefferson County on October 26, 1923 to be computed from October 11, 1924 be commuted from life imprisonment to

21 years, 11 months and 10 days expiring on September 21, 1946.

Our reasons for making this recommendation are as follows:

Applicant is fifty-six years of age and he has been imprisoned in the Western State Penitentiary for nearly twenty-two years on a life sentence for murder. He was originally sentenced by the Oyer and Terminer Court of Jefferson County to death on October 26, 1923. Approximately one year later his sentence was commuted by the Board of Pardons to life imprisonment.

The Board of Pardons feels this applicant has served a long time and he himself desires to be commuted for the purpose of being deported to Girgenti, Grotte Province, Italy. The Board of Pardons feels that this is not an unreasonable request and since there is no objection to commutation for that purpose the Board of Pardons recommend that commutation be granted on the condition that applicant, James Pugliese be deported to Italy.

In re application of Frank Richiy, C-7386, No. 3607, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Frank Richiy, convicted of murder, in the first degree in the Court of Oyer and Terminer and Quarter Sessions of Luzerne County on September 30, 1931 be commuted from life imprisonment to 15 years expiring on September 30, 1946.

Our reasons for making this recommendation are as follows:

Applicant was sentenced to life imprisonment in the Eastern State Penitentiary for the murder of his wife. He has now served approximately fifteen years in the Eastern State Penitentiary for the crime and he asks that he be deported if sentense is commuted.

There is no objection from the district attorney or trial judge if commutation is for the purpose of deportation.

Since this applicant has stated that the purpose is for deportation and his counsel has stated that he does not wish to have his sentence commuted for any other purpose than to be deported to his homeland, the Board of Pardons is of the opinion that since he has served fifteen years of a life sentence he should now have his sentence commuted on the condition that he be deported.

Respectfully submitted.

In re application of John Henry Sautter, C-9157, No. 3577, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of John Henry Sautter, convicted of murder, in the second degree,, in the Court of Oyer and Terminer, of Northumberland County, on September 5, 1933, be commuted from 20 years to 12 years and 10 months, expiring on July 7, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by communtation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. BOARD OF PARDONS

In re application of Joseph J. Selmek, B-8729, No. 7271, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Joseph J. Selmek, convicted of burglary, in the Oyer and Terminer Court of Allegheny County, on June 24, 1938 to be computed from June 15, 1938; and of breaking and escaping penitentiary, in the Quarter Sessions Court of Centre County, on Juee 30, 1942 to be computed from July 13, 1943, be computed on Bill No. 88 June Sessions, 1938, from a maximum term of 10 years to a maximum term of 8 years and 3 months, expiring on September 16, 1946; and on Bill No. 29 September Sessions, 1942, from a maximum term of 10 years to a maximum term of 3 years, 2 months, and 4 days, expiring on September 17, 1946.

Our reasons for making this recommendation are as follows:

Applicant is thirty-three years of age and was sentenced to a term of from five to ten years on the charge of burglary where he stole clothing worth $65.00 from a home. While imprisoned in the Rockview Farm Prison he escaped and was apprehended twenty-seven days later. His sentence was commuted on July 12, 1944 by the present Board of Pardons and he was released on parole.

Following his release on parole applicant entered the armed forces on August 21, 1944 and served for a period of one year and eleven days when he was discharged. During that time he was engaged on the Los Alamos

project for the United States Government for the Atomic Bomb test. He was discharged because of a stomach disorder and feels that the fact that he is on parole has a deterrent effect on his securing a position.

The Board of Pardons hearing no opposition from any of the authorities in Allegheny County are willing to recommend to your Excellency, the Governor, that the maximum sentence be commuted so he may be released from further parole supervision and we so recommend.

In re application of Joseph John Skubic, C-9138, No. 4386, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Our reasons for making this recommendation are as follows:

BOARD OF PARDONS

In re application of William Smith, D-4051, B-9626, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of William Smith, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County on May 26, 1939 to be computed from May 6, 1939 be commuted from 10 years to 7 years, 4 months and 20 days, expiring on September 26, 1946.

Our reasons for making this recommendation are as follows:

Applicant is twenty-seven years of age and this is the first time he ever committed any offense. He was charged with robbery, being armed with an offensive weapon and sentenced to a term of not less than ten nor more than twenty years. Applicant and his five accomplices were all committed to the Eastern State Penitentiary. Two of the accomplices have served their minimum terms. At the present time the applicant has served over seven years of his minimum sentence of ten years.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that he has an excellent institutional record. The trial judge, Honorable Harry S. McDevitt, has written to the Board stating he has no objection to the granting of commutation.

Under the circumstances and since this applicant had never before been arrested we feel he has certainly learned his lesson and will not offend again against society. For this reason we recommend that commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Charles F. Spada, No. 8446, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Charles F. Spada, convicted of receiving stolen goods in the Court of Quarter Sessions of Allegheny County on February 1, 1934, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age and has no prior record. He is alleged to have broken into a drug store and as a result he was sentenced to pay the cost of prosecution and make restitution. Since that time the applicant entered the armed forces and served as a Sergeant.

The Board of Pardons has in their possession a letter from the Colonel who was in charge of applicant which states that his military ability and his efficiency are of an excellent character.

Because of his service with the armed forces of the United States and the fact that he has been in no further trouble for a period of twelve years we believe he should be granted a pardon at this time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Joseph Uhl, D-1170, No. 5631, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Joseph Uhl, convicted of robbery, carrying concealed deadly weapons, larceny, etc., in the Quarter Sessions Court of Philadelphia County, on March 9, 1936, be commuted on Bill No. 35 March Sessions, 1936, from a minimum term of 10 years to a minimum term of 2 years and 7 months, expiring on October 9, 1946; and on Bill No. 40 from a minimum term of 1½ years to a minimum term of 1 day, expiring on October 10, 1946. (Applicant has been granted parole on Bills Nos. 39, 38, and 36).

Our reasons for making this recommendation are as follows:

Applicant is thirty-six years of age and has now served ten and one-half years of a minimum sentence of nineteen and one-half years for robbery, carrying concealed deadly weapons, larceny, and etc. It is reported to the Board of Pardons that he has an excellent prison record.

The trial judge and district attorney have written stating they are not opposed to the granting of commutation. It is also on the record that applicant has donated nine blood transfusions to the American Red Cross Blood Bank.

Under these circumstances we feel applicant has made an honest effort to rehabilitate himself and has paid for his depredation against society and should be given an opportunity to prove he can be safely released.

Therefore, the Board of Pardons recommends that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

In re application of Walter Urbanowicz, B-6019, No. 5760, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Walter Urbanowicz, convicted of robbery in the Court of Oyer and Terminer of Westmoreland County on March 2, 1938 be commuted from 10 years to 8 years and 7 months, expiring on October 2, 1946.

Our reasons for making this recommendation are as follows:

Applicant is thirty-three years of age and he was sentenced to a term of not less than ten nor more than twenty years in the Western State Penitentiary for robbery. At the present time he has served eight and one-half years and he has an excellent institutional record in the Western State Penitentiary.

The Board of Trustees of the Western State Penitentiary recommend that commutation be granted.

The trial judge is willing to leave the matter of commutation up to the Board of Pardons.

Applicant having served eight and one-half years of his minimum sentence of ten years with a good record in prison, the Board of Pardons feels he should be given an opportunity now to show he can become a rehabilitated citizen, and we therefore, recommend that his application for commutation be granted.

BOARD OF PARDONS

In re application of Dwight Varner, B-6302, No. 4785, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Dwight Varner, convicted of rape, in the Court of Quarter Sessions of Jefferson County, on August 30, 1938, be commuted from 10 years to 7 years and 10 months, expiring on June 30, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

BOARD OF PARDONS

In re application of Charles H. Whitaker, D-6338, No. 7955, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles H. Whitaker, convicted of robbery in the Court of Quarter Sessions of Philadelphia County on November 23, 1938 to be computed from March 5, 1942 be commuted from 5 years to 4 years, 6 months, and 15 days, expiring on September 20, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-eight years of age and has now served four and one-half years of a minimum sentence of five years. The only method of identification in this case was through a steel plate attached to applicant's heel which made a clicking noise and which victim is alleged to have identified as applicant. The Board of Pardons feel that this is a very weak identification.

The district attorney of Philadelphia County is not opposed. The Board of Trustees of the Eastern State Penitentiary have informed the Board of Pardons that applicant's disciplinary record is excellent and prison adjustment satisfactory in all respects.

In view of the above facts the Board of Pardons recommends to your Excellency that commutation of sentence be granted this applicant.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Robert Wolfinger, No. 6-B, June Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Robert Wolfinger, convicted of larceny and robbery, in the Court of Oyer and Terminer of Blair County, on January 6, 1942, be commuted from 5 years to 4 years and 6 months, expiring on July 6, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many parolees whose release from parole by commutation of the maximum sentence has been recommended to the Board of Pardons by the Board of Parole.

The Board of Parole has recommended this applicant, as well as the others, because of his excellent record in the armed forces of the United States. By reason of his fealty to country, steadfastness in courage, and military earnestness, he helped overpower the enemies of our country in World War II.

As a token of appreciation, and feeling that his gallant conduct has atoned for the error of his past ways, it is our recommendation to your Excellency that the term of the maximum sentence of the applicant be commuted and that he be freed from further parole supervision.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Lemuel Burrell, D-1883, No. 6426, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Lemuel Burrell, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on January 8, 1937, be commuted from 10 years to 9 years and 7 months, expiring on August 8, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-seven years of age and on January 8, 1937, he was sentenced to a term of not less than ten nor more than twenty years in the Eastern State Penitentiary on the charge of robbery being armed with an offensive weapon. At the present time he has served approximately nine and one-half years of his minimum sentence.

The Board of Trustees of the Eastern State Penitentiary state that he has an excellent institutional record. There is no opposition from the trial judge or the district attorney to the granting of commutation.

Since he applicant has served all but approximately six months of his minimum sentence the Board of Pardons feels he should be given some credit for a long sentence well served, and therefore, recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Fred Eissey, D-4881, No. 6935, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Fred Eissey, convicted of statutory rape, taking a female child under the age of 16 for immoral purpose, in the Court of Oyer and Terminer of Philadelphia County on April 26, 1940 to be computed from April 10, 1940, be commuted from 8 years to 6 years and 4 months, expiring on August 10, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age and this is the first time he was ever convicted of any offense whatsoever. He has now served over six years of his minimum sentence

of eight years on the charge of statutory rape and taking a female child under the age of 16 for immoral purpose.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that the applicant has an excellent institutional record and this is his first imprisonment.

The district attorney of Philadelphia County has stated to the Board that since this is the applicant's first conviction of any offense whasoever that he should be given an opportunity to prove that he can become a decent law-abiding citizen.

Because of his youth at the time this crime was committed, being approximately twenty years of age and his good home and job to go to, also the long period of time which he has served, the Board of Pardons feels he should be entitled to some consideration and therefore recommends that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Deward Belmont Flynn, D-5657, No. 6953, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Deward Belmont Flynn, convicted of breaking and entering, larceny of auto in the Court of Oyer and Terminer and Quarter Sessions of Delaware County on March 25, 1941 to be computed from January 4, 1941 be commuted from 10 years to 5 years and 7 months, expiring on August 4, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age and he has now served over five and one-half years of a minimum sentence of ten years.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that the applicant has an outstanding institutional record and has been an inmate teacher and holds a position of trust and responsibility in the Deputy Warden's office. He has also donated blood on several occasions to the American Red Cross.

The district attorney of Delaware County has advised the Board of Pardons that he has no objection to the commutation of sentence by reason of his excellent institutional record.

Under these circumstances the Board of Pardons is of the opinion that this applicant should be given credit for his excellent institutional record and therefore recommends that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of William Donald Guscott, B-8328, No. 7057, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of William Donald Guscott, convicted of robbery in the Court of Oyer and Terminer of Allegheny County on September 23, 1942 to be computed from August 22, 1942 be commuted from 5 years to 3 years, 11 months, and 8 days, expiring on July 30, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age and this is the first time he was ever arrested for any offense whatsoever. At the present time he has served nearly four years of his minimum sentence of five years on the charge of robbery in which he received the sum of $160.00.

The Board of Trustees of the Western State Penitentiary state that the applicant has an excellent institutional record and since this is his first conviction would recommend him. At the present time the applicant is a patient in the Tubercular Ward of the Western State Penitentiary where he is suffering from tuberculosis.

The Board of Pardons feels that further incarceration can not help this young man recover his health and because he is a first offender and has such an excellent record in the institution he will realize the trust and confidence the Board is placing in him by recommending commutation and will thus become a law-abiding citizen. The Board is also of the opinion that commutation should be granted in order that his health may not be permantly impaired, and therefore so recommend to your Excellency.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of James Kolb, D-5169, No. 7684, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of James Kolb, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on September 5, 1940 to be computed from August 28, 1940 be commuted from 10 years to 5 years and 11 months, expiring on July 28, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age and he has now served approximately six years of his minimum sentence of ten years. The applicant together with two others held up two taxicab drivers and secured approximately $6.00 in loot from their two criminal escapades.

The Board of Trustees of the Eastern State Penitentiary advises the Board of Pardons the applicant has an excellent institutional record and that he had donated blood on sixteen different occasions to the American Red Cross.

The Board of Pardons is of the opinion that this donation of blood indicates a change in his attitude towards

society and that if given another opportunity he will not become involved again with the law.

Under these circumstances we are willing to give this applicant another chance and therefore recommend that his sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Chester Kolowrocki, C-4659, No. 993, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Chester Kolowrocki, convicted of felonious entry, larceny, receiving stolen goods, in the Quarter Sessions Court of Berks County, on June 16, 1928; and in the Oyer and Terminer and Quarter Sessions Court of Berks County, on December 16, 1937, for felonious entry and larceny (to run concurrent with Bill No. 168 June Sessions, 1928 and to be computed from November 10, 1942), be commuted on Bill No. 168 June Sessions, 1928, from a minimum term of 5 years to a minimum term of 3 years, and 9 months, expiring on August 10, 1946; and on Bill No. 59 September Sessions, 1934, from a maximum term of 10 years to a maximum term of 1 day, expiring on August 11, 1946. (Applicant has served his full time on Bill No. 167).

Our reasons for making this recommendation are as follows:

The applicant is forty years of age and has a very unsatisfactory criminal record which includes nineteen arrests, three convictions, and one parole violation. However, in 1937 the applicant was sentenced by Honorable H. Robert Mays to an additional term of five to ten years to run concurrently with his unexpired parole violation. As the result of the decision of the Pennsylvania Supreme Court in the Wheeler case this type of sentence was ruled invalid and the applicant was required to serve an additional period of five years, he having served nearly eight and one-half years of the ten year sentence which was required by the Court's opinion.

The trial judge and the district attorney of Berks County would like to give effect to Judge Mays' sentence, however, the only way that can be done is through commutation of the present sentence of five years.

We therefore, recommend that this sentence which was imposed by Judge Mays to run concurrently but later changed by the Supreme Court to run consecutively with the parole violation be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Adam S. Moore, No. 8417, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Adam S. Moore, convicted of robbery, burglary from auto in the Court of Quarter Sessions of Philadelphia County, on November 6, 1940 to be computed from October 31, 1940 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age and this is the first time he was ever convicted of any crime whatsoever. He plead guilty to the charge of taking three blankets and one towel from an auto. He also stole a watch, key and chain from another. He served his sentence of ten days in the Philadelphia County Prison and after having been on parole for a period of two years was released from parole supervision at the expiration of his maximum sentence by the Board of Parole.

Following his release he was inducted in the armed forces where he served honorably for a period of two years seven months, all but five months of which were on active duty overseas. He rose to the rank of First Sergeant with the Transportation Corps and served in the European Theatre of operation with the 517 Port Battalion Company, where his unit received the Meritorious Service Unite Award. He received a letter of commendation from the Commanding officer of his company.

Both the trial judge and the district attorney are of the opinion that the pardon as prayed for should be granted.

The applicant desires a pardon in order that he may secure a position with the Civil Service of the United States Government and he feels that he will be hindered in this endeavor by a criminal record.

The Board of Pardons believes that this application should be granted and recommends same to your Excellency because of applicant's excellent service with the armed forces and the fact that he has maintained a high level in his civilian life.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Russell Pickwell, C-5206, No. 4471, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Russell Pickwell, convicted of murder in the first degree in the Court of Oyer and Terminer and Quarter Sessions of Luzerne County on February 21, 1929 be commuted from life imprisonment to 17 years and 6 months, expiring on August 21, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and this is the first time he was ever convicted. He has served nearly eighteen years of a life sentence on the charge of murder in the first degree.

The applicant has served an extremely long time and

it is the opinion of the Psychiatrist at the Eastern State Penitentiary that continued detention will prove detrimental and that release is desirable in this applicant's case.

Applicant has had an excellent institutional record and there is no objection at the present time to his release. In fact the district attorney strongly recommends that commutation be granted.

Under the circumstances the applicant is entitled to consideration at this time, and therefore, the Board of Pardons recommends that his sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of John Selitski, A-12396, No. 8422, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on John Selitski, convicted of assault with intent to rob, robbery, in the Oyer and Terminer and Quarter Sessions Court of Fayette County, on June 27, 1922, be commuted on Bill No. 136 June Sessions, 1922, from a minimum term of 2 years to a minimum term of 1 year and 2 months, expiring on August 25, 1946. (Applicant has been granted parole on Bill No. 15).

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and has served over his minimum sentence following which he became involved in the State of Ohio and was required to serve six years there because of this sentence in Pennsylvania.

The sentence in Ohio was on a charge of assault with intent to rob. The applicant's brother was definately identified as the person who committed the crime but the applicant said he was the one who committed it in an effort to save his brother from prison. By so doing the applicant was required to serve this lengthy sentence in Ohio and further, returned to Pennsylvania as a parole violator. He has now served two years in addition to six years in Ohio and before that he had served ten years in Pennsylvania. In all a total of eighteen years.

The applicant has now served two years and one month since his return to the Western State Penitentiary as a parole violator. In all he has served twelve years and has been on parole six years for this one breach of the peace. Six of the years being served for a crime which it is probable that his brother committed.

Under the circumstances the Board of Pardons is of the opinion that the prayer of the applicant for commutation should be granted, and therefore, recommend to your Excellency.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Charles Leslie Shrodes, D-8566, No. 8355, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Charles Leslie Shrodes, convicted of assault with intent to ravish in the Court of Oyer and Terminer and Quarter Sessions of Lebanon County on June 4, 1945 to be computed from October 29, 1945, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is fifty-six years of age and this is the first time he has ever been convicted of any offense whatsoever. He was sentenced by the Honorable A. Harry Ehrgood, to a term of imprisonment in the Eastern State Penitentiary for not less than one nor more than two years on the charge of assault with intent to ravish.

An appeal was taken to the Superior Court which sustained the conviction in the Lebanon County Court, and thereafter, an appeal was taken to the Pennsylvania Supreme Court who reversed the conviction and sustaining the appeal in the Superior Court, stating there was not sufficient evidence to convict the applicant of the crime of assault with intent to ravish. They further stated that this applicant in their opinion should never have served any time in prison. However, the applicant is in the Eastern State Penitentiary where he has served approximately seven months of his minimum sentence of one year.

Because of the opinion in the Pennsylvania Supreme Court this applicant should never have been convicted of any offense whatsoever and never have served any time in prison. Therefore, because of this fact the Board of Pardons is of the opinion that the applicant was improperly convicted and having spent time in prison we recommend to your Excellency that a full and complete pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Leo F. Waibel, B-3016, No. 3062, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Leo F. Waibel, convicted of robbery, in the Oyer and Terminer Court of Allegheny County on December 18, 1931, be commuted on Bill No. 103 December Sessions, 1931, from a maximum term of 15 years to a maximum term of 9 years and 10 months, expiring on August 19, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-one years of age and this is the first offense he ever committed. He served nearly five

years of his minimum sentence of ten years when the Board of Pardons commuted his minimum sentence and since that time he has been on parole.

The applicant is married and is now the father of one child. He has had an excellent parole record and he and his wife are getting along very nicely. He is employed and has made an honest effort to rehabilitate himself. He and his wife, through an inheritance, secured a modest estate and they have used it wisely. This applicant has indicated he intends to continue to be a decent law-abiding citizen and under the circumstances should be given a release from parole.

For these reasons the Board of Pardons recommends that commutation of the maximum sentence be granted to release him from further parole supervision.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of James Edward Waldron, No. 8411, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that James Edward Waldron, convicted of assault and battery in the Court of Quarter Sessions of Allegheny County, on October 25, 1929; and of larceny of automobile, in the Quarter Sessions Court of Allegheny County, on January 10, 1930, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-six years of age and this is the only time he was arrested for any crime whatsoever. The applicant was charged with creating a disturbance in a plant where a strike was going on and he was charged with assault and battery. Later he was apprehended while riding in a car which had been stolen, although he did not know that same was stolen. For this reason his probation was revoked and he was remanded to the Pennsylvania Industrial School at Huntingdon.

This applicant enlisted in the armed forces of the United States and served two turns of duty overseas, one in Italy and the other in the Central European Campaign. Since his release he has purchased a small grocery store and is supporting his daughter, aged fourteen years. The applicant feels that if he is not granted a pardon it may have a bad effect on his business.

There is no objection from the Allegheny County authorities to the granting of a pardon.

The Board of Pardons, therefore recommends to your Excellency, that by reason of his services with the armed forces and his obvious attempt at rehabilitation that his pardon be granted.

JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Stanley Wolcoveick, No. 8390, May Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Stanley Wolcoveick, convicted of larceny, receiving stolen goods in the Court of Oyer and Terminer of Montgomery County on October 20, 1933, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and he was convicted and charged with larceny and receiving stolen goods. After he was convicted, the court sentenced him to pay the costs of prosecution and be on parole for a period of one year. He has not been in any further trouble since this time which is nearly thirteen years. This arrest and conviction actually grew out of an argument between the applicant's employer who was the prosecutor in this case and accused the applicant of taking his tools. In the background, however there was a political issue, in which the employer and applicant were on opposite sides of the fence. When the case came up for trial the district attorney went so far as to state that he did not believe the applicant was guilty of any crime nor that he should have been convicted. The court is of the opinion that the conviction resulted because of the attitude of the district attorney who frankly told the jury that they should acquit the defendant and that they, the jury, resented being told what to do and thought there was something unusual behind the district attorney's request.

The present district attorney is of the opinion that the applicant did not then and has not ever been guilty of any criminal offense and has frankly advised the Board that he feels the application for pardon should be granted. The trial judge, likewise recommends that a pardon be granted.

Since this applicant was released he has been employed as a "War Duration Appointee" for the Pennsylvania Liquor Control Board and desires to take an examination for a permanent appointment but feels this criminal record would militate against his acceptance.

Under these circumstances and bearing in mind the recommendation of the Montgomery County authorities, the Board of Pardons feels the application should be granted.

In re application of Sidney L. Ammerman, No. 8350, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Sidney L. Ammerman, convicted of indecent exposure and open lewdness in the Court of Quarter Sessions of Philadelphia County, on July 21, 1942, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is twenty-six years of age. He has never before been accused or convicted of any offense other than the present case. He stood trial on this case and the jury disagreed following this the applicant was called for service in the armed forces and in order to enter the service free of the case he waived jury trial and the Court convicted him and immediately sentenced him to a term of four months in the Philadelphia County Prison.

Following applicant's release he reported for active duty. After two years of continental duty the applicant served overseas for one and one-quarter years during which time he was a T/4 and received the Bronze Star with one oak leaf cluster, he was wounded in Germany and received the Purple Heart.

If this applicant was ever guilty of the crime for which he was convicted he certainly has paid his debt to his country and to society as well by his conduct in the armed forces. The Board of Pardons doubts greatly the identification by which he was convicted, and because of his service we recommend a pardon be granted.

BOARD OF PARDONS

In re application of Mathias John Bach, B-7156, No. 6324, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Mathias John Bach, convicted of robbery in the Court of Oyer and Terminer of Allegheny County on March 21, 1940 to be computed from March 14, 1940 be commuted from 7½ years to 6 years, 2 months and 10 days, expiring on May 24, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age. He was sentenced to a minimum term of seven and one-half years for his participation in three armed robberies. This is applicant's first major imprisonment. At the present time he has served over six years and two months of his minimum sentence.

The Board of Trustees of the Western State Penitentiary have reported that the applicant has an excellent institutional record and if he was eligible to apply for parole they would recommend him.

Honorable John E Egan, the trial judge, has written and states that he has no objection to commutation at the present time. It might also be stated that the accomplice who received the same sentence as the applicant had a worse criminal record than the petitioner. His sentence was commuted two years ago.

The Board of Pardons is of the opinion that this applicant, on the basis of his prior record, and his excellent record while in the Western State Penitentiary, is entitled to commutation at this time and we so recommend.

In re application of William Steward Berkebile, No. 8361, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that William Steward Berkebile, convicted of killing a human being in mistake for game in the Court of Quarter Sessions of Somerset County, on December 16, 1939, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age. He was convicted of killing a human being in mistake for game. As part of the sentence he was forbidden to hunt in Pennsylvania for ten years. He has not hunted for the past six and one-half years.

The applicant was a member of the armed forces and served with distinction in the South Pacific being a machine gunner of the 38th Division. He was active in the New Guinea and Southern Philippine Campaign.

No opposition to a pardon is made by the authorities of Somerset County.

Under these circumstances and the fact that he has fully complied with his sentence to date we recommend he be granted a pardon and his right to hunt restored.

In re application of Joseph William Bradley, No. 7838, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Joseph William Bradley, convicted of burglary and larceny, in the Quarter Sessions Court of Delaware County, on March 15, 1943; and of burglary, in the Oyer and Terminer and Quarter Sessions Court of Montgomery County, on June 12, 1943, be commuted on Bill No. 220 March Sessions, 943 (Delaware County), from a minimum term of 3½ years to a minimum term of 3 year, 2 months, and 10 days, expiring on May 25, 1946; and on Bill No. 1 February Sessions, 1943 (Montgomery County), from a minimum term of 1 month to a minimum term of 1 day, expiring on May 26, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-one years of age. This is his first conviction. He was sentenced for a series of nine burglaries in Delaware and Montgomery Counties to a

term of three years and seven months. He has now served three years and two months.

The Warden of the Delaware County Prison has stated that the applicant has an excellent record and the probation officer states that the applicant has such a good record that they do not make any opposition.

The Board of Pardons has sufficient evidence to indicate that the applicant has served a great majority of his sentence, and therefore, we recommend that a commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.

Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of ogan M. Brent, Jr., D-8261, No. 8349, April Sessions, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Logan M. Brent, Jr., conicted of statutory rape in the Court of Quarter Sessions of Adams County on April 28, 1945, be commuted from 2 years to 1 year and 1 month, expiring on May 28, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age. He has served over one-half of his minimum sentence of two years on a charge of statutory rape. No objection was made by the victim but the facts came out during an investigation regarding the whereabout of the applicant on the night an assault and battery was committed. He was discharged when it was learned that the applicant was the victim.

From the Board of Trustees of the Eastern State Penitentiary we learn that the applicant has an excellent institutional record and that he is courteous, tactful, industrious, trustworthy, and interested in bettering himself.

No objection is made to the granting of relief sought by the trial judge or district attorney. However, it should be stated that they don't recommend the commutation.

This applicant used no force and had it not been for the investigation on this other case the applicant would not have been apprehended for the victim didn't offer any objection. The Board of Pardons feels that the applicant has learned his lesson and that he will not offend again if given this chance to make good. Under all of the circumstances the Board recommends that a commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Natalino P. Checoney, No. 8367, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Natalino P. Checoney, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer of Luzerne County July 10, 1945, to be computed from March 5, 1945, be commuted from 2 years to 1 year and 3 months, expiring on June 5, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age. This is his first conviction and he had never before been convicted of any offense whatsoever. He has now served fourteen months of a twenty-four months minimum sentence.

No report was offered of applicant's conduct in the Luzerne County Jail, but the representative of the applicant assured us it was above reproach.

No opposition to favorable action is made by the Luzerne County authorities. In fact the representative of the district attorney's office stated that this was a case for the Board to properly exercise clemency because of the help applicant gave in the solution of the crime.

The Board of Pardons adopts the suggestion of the Assistant District Attorney and recommends that clemency be granted.

Respectfully submitted,

BOARD OF PARDONS

In re application of Oscar Davis, D-4173, No. 6873, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommends that the minimum sentence of Oscar Davis, convicted of robbery in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County August 4, 1939 to be computed from March 24, 1939 be commuted from 8 years to 7 years and 2 months, expiring on May 24, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age. This is the first time he was convicted. He was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than eight nor more than twenty years. At the present time he has served seven years and one month of his minimum sentence.

No opposition is made to the granting of commutation by the authorities of Philadelphia County.

The Board of Trustees of the Eastern State Penitentiary report that he has an excellent institutional record and that he occupies a position of trust at Graterford where he is employed in the guard quarters outside the walls.

Since the applicant is virtually a first offender and has served all but ten months of his minimum sentence and has served it with a good record we feel that he has earned a commutation of his sentence and recommend that it be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Francis Hagan, B-3773, No. 5614, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Francis Hagan, convicted of robbery, receiving stolen goods in the Court of Oyer and Terminer of Allegheny County on June 21, 1933 to begin at the expiration of parole violation be commuted from 10 years to 6 years and 3 months, expiring May 21, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-one years of age. He is a parole violator. On June 21, 1933, he was sentenced on a charge of robbery and receiving stolen goods to a term of not less than ten nor more than twenty years in the Western State Penitentiary, to begin and be computed from the expiration of his back parole time. As a result of this sentence he was required to serve six years and eight months before he began to serve the aforementioned sentence. At the present time he has served nearly thirteen years.

There is a favorable recommendation in our records from the Board of Trustees of the Western State Penitentiary and they would recommend him for parole if he was eligible to apply. No objection to commutation is made by the authorities of Allegheny County.

The Board of Pardons is of the opinion that the applicant has paid his debt to society by his nearly thirteen years of imprisonment. Further incarceration can have no further punitive effect. Under these circumstances the Board of Pardons recommends that commutation be granted.

BOARD OF PARDONS

In re application of Floyd Milton Hoffman, B-9002, No. 7884, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Floyd Milton Hoffman, convicted of burglary, larceny in the Court of Oyer and Terminer of Juniata County on April 14, 1944 be commuted from 5 years to 2 years, 1 month and 10 days, expiring on May 24, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age. This is his first major conviction and imprisonment. He received a sentence of not less than five nor more than ten years in the Western State Penitentiary for stealing approximately 250 chickens. At the present time he has served two years of his minimum sentence.

The Board of Trustees of the Western State Penitentiary have written us that he has an excellent record but in view of the term of sentence imposed they feel it to be premature.

We then had communications from the trial judge and district attorney of Juniata County. At first they were inclined to oppose it and then wrote to the Board of Pardons recommending it because of the suffering of his family.

Because the Juniata County authorities are best able to judge what should be done with the applicant, we therefore, recommend clemency and that commutation be granted on condition that restitution of one-third of loss be made by applicant to victim.

BOARD OF PARDONS

In re application of Martin W. Hoke, No. 8385, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Martin W. Hoke, convicted of operating a motor vehicle while under the influence of intoxicating liquor in the Court of Quarter Sessions of Franklin County, on November 17, 1945, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age. He has no prior record and this is the only offense for which he was ever arrested.

He was arrested on a charge of operating a motor vehicle while under the influence of intoxicating liquor. He is in the bakery business and is the owner and operator of three retail stores in Hanover, Gettysburg, and Chambersburg. The loss of his license by reason of his conviction results in unusual punishment and hardship to this applicant not contemplated by the jail sentence.

No opposition is made by the authorities of Franklin County to the granting of a pardon.

The board is of the opinion that the applicant will be unduly punished by the imposition of the loss of license and consequent loss of his business is such as should cause the Board to act and therefore we recommend a pardon.

In re application of Arthur Walter Keddies, B-6872, No. 7346, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Arthur Walter Keddies, convicted of robbery in the Court of Oyer and Terminer of Allegheny County on August 24, 1939 to be computed from August 17, 1939 be commuted from 12 years to 6 years, 9 months and 10 days expiring on May 27, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-six years of age. He has served nearly seven years of his minimum sentence on a charge of robbery. He still has over five years to serve of his sentence.

The records of the Board of Pardons discloses that the Board of Trustees of the Western State Penitentiary are in favor of his release on parole because of his excellent institutional record and his long service.

Honorable John P. Egan, has advised the investigators of the Board of Pardons, and the Board of Pardons itself, that he is in favor of commutation and urges such action.

The Board of Pardons, mindful of the recommendations to it, recommends that the commutation be granted.

BOARD OF PARDONS

In re application of Benjamin C. Largey, B-8620, No. 8381, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Banjamin C. Largey, convicted of burglary, larceny in the Court of Quarter Sessions of Elk County on April 16, 1943 to be computed from March 19, 1943 be commuted from 5 years to 3 years and 2 months, expiring on May 19, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age. His record is such that normally it would not be considered a case for favorable action by the Board of Pardons. It is four prior arrests, one conviction, and one parole violation by reason of his present commitment. To date he has served over three years of this minimum sentence.

The reason the Board of Pardons is inclined to favorable action is the report of the Board of Trustees of the Western State Penitentiary which indicates the applicant is suffering from the disease of tuberculosis and he cannot be given the proper care and treatment in the institution. For that reason they recommend he be transferred to a hospital for the reception and care of the sick of that type of disease.

Not wishing to inflict a sentence of death on this applicant when there is a possibility that proper treatment may arrest the disease, the Board of Pardons recommends that the applicant's sentence be commuted, on the condition that he be transferred from the Western State Penitentiary to a State Sanitarium for the treatment and care of persons inflicted with tuberculosis.

In re application of Chester Latshaw, B-7828, No. 6509, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Chester Latshaw, convicted of burglary, assault and battery with intent to ravish in the Court of Oyer and Terminer of Venango County, on September 2, 1941, to be computed from June 2, 1941, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age. This is his first conviction and major imprisonment.

We have in the file of the Board of Pardons an affidavit which discloses that the applicant was not guilty of this crime but rather that the prosecutrix and he had been living together for some time. Under these circumstances he could not have been guilty of the crimes as charged.

The Board of Pardons learning that there is no opposition from the Venango County authorities and that the applicant is innocent of the charge for which he was convicted is of the opinion that a pardon should be granted on this case and we so recommend.

In re application of Roscoe Mackey, C-3990, No. 8335, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Roscoe Mackey, convicted of murder, second degree in the Court of Quarter Sessions of Philadelphia County, on June 15, 1927, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 48 years of age. This conviction of murder in the second degree was his first conviction. He has served his maximum sentence.

It is reported by the Board of Parole that the applicant served his maximum sentence without violation of the rules of the Board.

Since his release from the Eastern State Penitentiary the applicant has married and is the father of three daughters. Applicant has an arrested case of tuberculosis. He has been employed in the Office of the Recorder of Deeds of Philadelphia County for the past ten years. He desires a pardon so that no stigma should attach to his children in the event of his untimely death.

The Board of Pardons feels the applicant has shown he is rehabilitated having been in no further trouble for nineteen years. We, therefore, recommend that a pardon be granted.

In re application of Lawrence Malarae, C-6408, No. 720A, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Lawrence Malarae, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County on September 15, 1930, be commuted from 20 years to 10 years, 8 months and 10 days, expiring on May 25, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age. He was sentenced to a term of imprisonment in the Eastern State Penitentiary of not less than five nor more than twenty years for the robbery of five taxi cab drivers. He served his minimum sentence.

Following his release on parole, he was inducted into the armed forces on March 24, 1942, and while a member of the armed forces he rose to the rank of corporal and served honorably for three yeas and seven months.

The Board of Pardons does not feel that the applicant's record is so outstanding to deserve a pardon, however, the report of the Board of Parole is such that they would look favorably on a commutation of maximum sentence and the Board of Pardons so recommends.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Leonard Marotta, convicted of voluntary manslaughter in the Court of Quarter Sessions of Lehigh County on December 10, 1940 to be computed from November 8, 1940, be commuted from 6 years to 5 years and 7 months, expiring on June 8, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age. This is his first conviction for any offense whatsoever. At the present time he has served all but five months of his minimum sentence.

The report of the Board of Trustees of the Eastern State Penitentiary states that the applicant has a good institutional record.

No objection granting of commutation is made by the authorities of Lehigh County.

The Board of Pardons recommends that a commutation be granted because applicant is a first offender and he has served all but five months of his minimum sentence of six years.

In re-application of James Francis McCann, B-6113, No. 4446, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that James Francis McCann, convicted of robbery in the Court of Oyer and Terminer of Allegheny County, on May 20, 1938 to be computed from May 11, 1938, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age. This is not the first offense of which he was convicted but it is the first major conviction and for this he asks a pardon. He drove a car while two accomplices held up a car barn. He was sentenced to a term of not less than five nor more than ten years in the Western State Penitentiary. He served his minimum and following his release he was inducted into the armed forces.

After his induction he became attached to the 24th Armored Battalion in which he served overseas as a demolition specialist. He was wounded in action and received the Purple Heart. Following his release from the armed forces he has returned to his employment and advanced from truck driver to route drive for his employer.

No objection is offered by the Allegheny County authorities to a pardon.

The Board of Pardons is of the opinion that this ex-service man should be granted a pardon and we therefore recommend that one be granted.

In re application of Charles McIntyre, D-7253, No. 7193, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles McIntyre, convicted of arson in the Court of Quarter Sessions of Delaware County on June 16, 1943 to be computed from April 1, 1943, be commuted from 7 years to 3 years and 6 months, expiring on October 1, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age. He was sentenced to a term of not less than seven nor more than fourteen years in the Eastern State Penitentiary on a charge of arson. He has now served over three years of this sentence. All of his accomplices were sentenced to the Pennsylvania Industrial School where they served a sentence of eighteen months.

The report from the Board of Trustees of the Eastern State Penitentiary has informed the Board of Pardons that the applicant has an excellent record. The Delaware County authorities have advised the Board that they feel the applicant should serve at least one-half of his minimum sentence as they feel he was the leader of the group.

The Board of Pardons is inclined to agree with the authorities of Delaware County that the applicant should serve at least one-half of his minimum sentence, and we therefore, recommend that his sentence be commuted after he has served three and one-half years.

In re application of Eugene Nefferdorf, D-3705, No. 7881, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Eugene Nefferdorf, convicted of robbery, being armed with an offensive weapon, in the Quarter Sessions Court of Philadelphia County, on January 25, 1939 to be computed from January 13, 1939; and of robbery, in the Oyer and Terminer and Quarter Sessions Court of Delaware County, on March 29, 1939, to run concurrent with original sentence, be commuted on Bill No. 718 January Sessions, 1939, (Philadelphia County) from a minimum term of 10 years to a minimum term of 7 years, 4 months, and 15 days, expiring on May 28, 1946 and Bill No. 138 March Sessions, 1939 (Delaware County to run concurrent) is also commuted.

Our reasons for making this recommendation are as follows:

The applicant is twenty-seven years of age. This is his first conviction and imprisonment. He has served over seven years of a ten year minimum on a charge of robbery. There were four armed robberies in which the applicant participated.

The Board of Trustees of the Eastern State Penitentiary have written the Board of Pardons that the applicant has an excellent institutional record. He has conformed well at the institution.

Although the district attorney of Philadelphia County expressed opposition, no opposition was put forward by the district attorney of Delaware County No opinion was given us by the trial judge.

The Board of Pardons is of the opinion that the applicant has served a very substantial portion of his sentence and is entitled to some consideration at this time for his long term. We therefore recommend that commutation be granted.

In re application of James A. Reitz, B-9019, No. 7861, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of James A. Reitz, convicted of forgery in the Court of Quarter Sessions of Indiana County on May 29, 1944 to be computed from May 27, 1944, be commuted from 3 years to 2 years, expiring on May 27, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age. He received a very severe sentence of not less than three nor more than seven and one-half years in the Western State Penitentiary for the forgery of seven checks. The total amount involved was less than $150.00. At the present time he has served almost two years of this sentence.

It is reported that the applicant has an excellent institutional record and the Board of Trustees of the Western State Penitentiary state that they would recommend him for parole.

There is no opposition to release by the Board of Pardons from the Indiana County authorities.

The Board of Pardons is of the opinion that the applicant received a very stiff sentence for a first offender. Further because of his good record in the Western State Penitentiary we recommend that his minimum sentence be commuted.

In re application of Martin P. Farrell, B-4325, No. 4100, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Martin P. Farrell, convicted of entering a building with intent to commit a felony, in the Quarter Sessions Court of Allegheny County, on September 28, 1934, be commuted on Bill No. 763 June Sessions, 1934, from a maximum term of 10 years to a maximum term of 7 years, 7 months, and 29 days, expiring on May 27, 1946; and on Bill No. 743 from a minimum term of 5 years to a minimum term of 1 day, expiring on May 28, 1946. (Applicant was granted parole on Bill No. 449 March Sessions, 1930 and Bills Nos. 450, 451, 452, 453, 454, and 456 concurrent.)

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age. He was sentenced to a term of imprisonment in the Western State Penitentiary of not less than fourteen nor more than twenty-eight years on the charge of entering a building with intent to commit a felony therein. At the present time the applicant has served nearly twelve years of this sentence.

We have learned that this applicant possesses an excellent institutional record at the Western State Penitentiary and that he has maintained this record during his entire stay. The Board of Trustees of the Western State Penitentiary state they would recommend him for parole.

The district attorney of Allegheny County stated to the Board that he is satisfied with any action of the Board of Pardons in the instant case.

The Board of Pardons recommends that the sentence of the applicant be commuted because of his excellent record and the length of service he has had in the institution.

In re application of George Michael Teslar, No. 8384, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that George Michael Teslar, convicted of larceny, larceny by bailee, receiving stolen goods in the Court of Quarter Sessions of Dauphin County, on November 3, 1936, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-seven years of age. Nearly ten years ago the applicant when he was just seventeen years of age he was asked by two persons to haul some junk for them. The things proved to have been stolen and he was arrested. He was given a suspended sentence.

He was a member of the National Guard when it was activated in federal service and served throughout the war. He rose from private to staff sergeant when he was discharged from service to accept a commission as Second Lieutenant. When he was finally discharged he had risen to the rank of Captain and was company commander in the 70th Tank Battalion and performed several special assignments the nature of which is still a "top secret."

If ever an applicant deserves consideration from the Board fo Pardons, the Board feels that this applicant is deserving. He not only proved his worth with the armed forces but he has proved his worth to our country and deserves the best it can give, therefore, we sincerely can give our recommendation to your Excellency and recommend a pardon.

BOARD OF PARDONS

In re application of Joseph Milton Weisel, A-14933, No. 3730, April Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Joseph Milton Weisel, convicted of murder, in the first degree in the Court of Oyer and Terminer of Fayette County on January 17, 1927 be commuted from life imprisonment to 19 years, 4 months and 10 days, expiring on May 27, 1946.

Our reasons for making this recommendation are as follows:

The applicant is sixty-five years of age. He has served neraly nineteen years and six months of a life term for the murder of his wife. He had never before been arrested for any offense whatsoever.

We are told that the applicant has applied himself well and that he has an excellent institutional record according to the Board of Trustees of the Western State Penitentiary.

The Board of Pardons is of the opinion that an excellent record for nearly nineteen and one-half years is sufficient for a person to vindicate himself in the eyes of society. Therefore, for the twofold reason, his length of service and his excellent record, we recommend commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Dale Angle, D-6070, No. 8339, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Dale Angle, convicted of statutory rape, etc., in the Court of Oyer and Terminer of Cumberland County on September 20, 1941 to be commuted from September 15, 1941, be commuted from 7½ years to 4 years, 8 months and 10 days, expiring on May 25, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age. He has never been convicted of any prior crime. He was sentenced to a term of imprisonment in the Eastern State Penitentiary of not less than seven and one-half nor more than fifteen years on a charge of statutory rape. He has served four years and seven months of a seven and one-half year minimum.

He has a good record at the Eastern State Penitentiary as has been reported to us by the Board of Trustees.

The district attorney and trial judge have no objection to granting of the commutation if the Board of Pardons feel that the sentence is too severe. The Board does feel that the sentence is too severe in view of the sentences meted out to his accomplices, who were equally guilty, and who did not receive sentences of more than a year and a half and some who didn't receive any sentence whatsoever. The board of Parole report indicates that the reputation of the girls were not too good.

The Board of Pardons feels that the applicant did receive too severe a sentence in relation to the sentences given his accomplices. Further because of his good record and the time that he has served we are of the opinion that commutation should be granted and so recommend.

BOARD OF PARDONS

In re application of Frank Check, B-5294, No. 4683, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Frank Check, convicted of murder, in the second degree in the Court of Oyer and Terminer of Allegheny County on November 5, 1936 be commuted from 10 years to 9 years, 7 months and 7 days, expiring June 12, 1946.

Our reasons for making this recommendation are as follows:

The applicant is fifty-one years of age and this is the first time he has ever been convicted. He was sentenced to a term of imprisonment in the Western State Penitentiary of not less than ten nor more than twenty years. He is asking commutation of his sentence to give him credit for the time in jail awaiting trial.

He has an excellent prison record and the authorities in Allegheny County are not opposed to granting this clemency.

The Board of Pardons recommends that the applicant be given credit for the time he spent in jail, and therefore, he should be released on parole on June 12, 1946.

BOARD OF PARDONS

In re application of Albert DiGaetani, D-74, No. 2329, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Albert DiGaetani, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County on October 24, 1934 be commuted from 20 years to 11 years and 7 months, expiring on May 24, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age. He was sentenced on a charge of robbery, being armed with an offensive weapon to a term of imprisonment in the Eastern State Penitentiary for from ten to twenty years. After having served nearly eight and one-half years, he had his sentence commuted by the Board of Pardons.

This was the first conviction for the applicant and immediately following his release he was inducted in the armed forces where he served in the infantry. He was with the 71st Division and served in France for over eleven months before being redeployed.

No opposition to his release by commutation of maximum sentence is opposed by the authorities of Philadelphia.

The Board of Pardons feels that the applicant should receive a commutation of maximum sentence and we therefore recommend it.

BOARD OF PARDONS

In re application of Louis Eskra, B-2280, No. 6294, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Louis Eskra, convicted of

robbery, receiving stolen goods, and attempted robbery, in the court of Oyer and Terminer of Allegheny County, on October 24, 1930, be commuted on Bill No. 10 October Sessions, 1930, from a maximum term of 20 years to a maximum term of 5 years, 6 months, and 28 days, expiring on May 22, 1946; on Bill No. 11 from a maximum term of 20 years to a maximum term of 1 day, expiring on May 23, 1946, and on Bill No. 12 from a maximum term of 10 years to a minimum term of 1 day, expiring on May 24, 1946. (Applicant has been granted parole on Bill No. 9).

Our reasons for making this recommendation are as follows:

The applicant is forty years of age. He is serving a sentence of not less than forty nor more than eighty years in the Western State Penitentiary on the charge of robbery, receiving stolen goods, and attempted robbery.

The Western State Penitentiary has advised the Board of Pardons that the applicant has an excellent prison record and during the entire fifteen and one-half years that he has been incarcerated he has not had one black mark against him. The sentencing authorities in Allegheny County are not opposed to clemency. This attitude is largely influenced by the fact that the identification on which the conviction was based was not too good. Further the applicant has always denied his guilt.

Because of the foregoing we recommend that a commutation be granted.

In re application of Harry B. Faison, A-4672, No. 8253, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Harry B. Faison, convicted of wantonly pointing firearms and robbery in the Court of Quarter Session of Delaware County, on August 4, 1938 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is 26 years of age. He served fourteen months on a charge of robbery. Since his discharge from the Pennsylvania Industrial School at Huntingdon, he joined the Armed Forces of the United States and served for over three years. He rose to the rank of corporal.

Applicant has been in no further trouble since his incarceration and has tried to rehabilitate himself since his discharge. He feels that he will have more security and be able to obtain a better position if he is granted a pardon.

We therefore, recommend that the pardon be granted as prayed for by the applicant.

In re application of Philip Finkelstein, B-2701, No. 2355, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Philip Finkelstein, convicted of robbery in the Court of Oyer and Terminer and Quarter Sessions of Allegheny County on May 29, 1931, be commuted from 20 years to 15 years, expiring on May 29, 1946.

Our reasons for making this recommendation are as follows:

Applicant is forty-seven years of age. He was convicted of this one offense and served four and one-half years of the minimum sentence of ten years in the Western State Penitentiary, following which he was granted commutation of his sentence.

At the present time the applicant has been on parole for ten and one-third years. During this time the Board of Parole has informed the Board of Pardons that he has adjusted well, has married and is the father of a young son and daughter. His employer gives him an excellent record and states he is regarded as one of their best employees.

The authorities in Allegheny County offer no objection if the purpose of the application is the granting of a commutation of the applicant's maximum sentence.

Under all of the circumstances in this case the Board of Pardons is of the opinion that they would favor commutation of maximum sentence rather than a pardon, and therefore, recommend that such be done.

In re application of Marion Foster, B-9149, No. 8343, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Marion Foster, convicted of forgery in the Court of Quarter Sessions of Clearfield County on November 13, 1944 to be computed from October 13, 1944 to be commuted from 3 years to 1 year, 7 months and 10 days, expiring on May 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-eight years of age. He has never been convicted of any offense whatsoever. He has now served over one-half of his minimum sentence of three years for forgery.

He has an excellent record in the Western State Penitentiary and if eligible for parole he would be recommended for parole.

The authorities in Clearfield County have no objection

to the granting of commutation if the Board of Pardons feels that the applicant has been punished sufficiently.

The Board of Pardons feels that the applicant received a very substantial sentence for five forgeries. He has an excellent institutional record and being a first offender we feel he should receive some recognition for a good record and be granted a commutation of his minimum sentence which is recommended.

In re application of Victor Agustine Gelormo, D-2446, B-9098, No. 7098, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Victor Agustine Gelormo, convicted of robbery in the Court of Oyer and Terminer and Quarter Session of Berks County on September 16, 1937 be commuted from 10 years to 8 years, 8 months and 10 days, expiring on May 26, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age. He was convicted of a series of armed robberies in Berks County and sentenced to a term of imprisonment in the Eastern State Penitentiary of not less than ten nor more than twenty years. At the time of his arrest and plea of guilty he was not quite eighteen years of age.

Since his incarceration he has served in the Eastern State Penitentiary and Rockview Farm Prison. The report from the Board of Trustees of the Eastern State Penitentiary show that the applicant has followed a course in prison designed to rehabilitate him and fit him for release to general society.

The authorities in Berks County has expressed no opposition to his release.

The Board of Pardons is of the opinion that having served eight and one-half years further incarceration can have no punitive value and that he has either learned his lesson now or never, so therefore, we recommend his release on parole.

In re application of James L. Griffin, No. 7943, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that James L. Griffin, convicted of embezzlement in the Court of Quarter Sessions of Allegheny County on January 27, 1943, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is sixty-three years of age. He has no prior record. The applicant plead guilty to embezzlement of State Funds from the Auditor General's Department. The amount involved was $9250.70 of mercantile tax funds.

The applicant has made restoration to the extent of his ability and the bonding company made restitution of the balance. He had a good record both prior to and since this occurrence. From investigation it is disclosed that at the time of the defalcations the applicant's mother had become blind, his wife ill and that both had need of medical attention beyond his ability to pay. He sought escape in drink and while in this condition committed his speculations. He was sentenced to the Allegheny County Workhouse for 364 days.

The trial judge, Honorable P. Egan, states that he would offer a favorable recommendation. The district attorney of Allegheny County leaves the matter of pardon up to the Board.

The Board of Pardons recognizes the difficulty whereby a man of the applicant's age would have in securing employment with this record. Also his attempts at rehabilitation. Being mindful of the recommendation of the authorities in Allegheny County, the majority of the Board recommends that a pardon issue to aid further in his rehabilitation.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Gerald E. Klos, convicted of felonious entry in the Court of Oyer and Terminer and Quarter Sessions of Lancaster County, on March 4, 1938, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-five years of age. This is his only offense against the state. He served his minimum sentence of five years in the Eastern State Penitentiary and after parole he was inducted into the army.

Applicant was inducted into the army on June 8, 1943, just three months after his release from the penitentiary He served honorably for two years and five months. During that time he was in the Pacific Theater of Operations and served in three campaigns. He was, besides being awarded the Asiatic-Pacific Campaign Ribbon with three battle stars, awarded the Good Conduct Medal. He married while in the service, he is now the father of a young son and to cap the climax of his rehabilitation has bought his own home and has regained his prior good reputation.

After what has been said before in favor of this

applicant little more need be said than that the Board of Pardons recommend his pardon to your Excellency.

In re application of Dora Kostan, No. 8204, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Dora Kostan, convicted of voluntary manslaughter in the Court of Oyer and Terminer of Allegheny County on January 10, 1944, sentence to be effective June 12, 1944, be commuted from 3 years to 1 year, 11 months, and 10 days, expiring on May 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is fifty-three years of age. This is the first time she has been convicted of any offense whatsoever. She was sentenced to a term of imprisonment in the Allegheny County Workhouse of not less than three nor more than six years on a charge of voluntary manslaughter. She has now served two years and 3 months of her minimum sentence.

The Warden of the Allegheny County Workhouse where the applicant is confined states that she has a good record there but that her physical condition is very poor and that she is suffering from symptoms of menopause, high blood pressure with heart involvement, gall bladder trouble and psychoneurosis. It is further reported that she is unable to eat solid foods.

The trial judge, Honorable John P. Egan, states that in view of her physical condition he leaves the matter of commutation up to the Board of Pardons.

Because of the report submitted to the Board of Pardons by the physician in charge at the Allegheny County Workhouse and the report of her own physician, which was submitted by the applicant, the Board of Pardons believes the applicant to be a very sick person. Because of her condition and the fact that she has served almost two-thirds of her sentence the Board of Pardons recommends commutation.

In re application of Frank Paola, B-6689, No. 4982, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Frank Paola, convicted of robbery, in the Quarter Session Court of Allegheny County, on April 21, 1939 to be computed from March 30, 1939, be commuted on Bill No. 8 March Sessions, 1939, from a minimum term of 2 years and 8 months to a minimum term of 2 years and 2 months, expiring on May 30, 1946. (Applicant has been granted parole on Bill No. 2).

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age. He is a parole violator and this is not the first time he has been convicted with his back time the sentence of this applicant amounted to seven years and eight months. At the present time he has served seven years and two months of his sentence.

It is reported by the Trustees of the Western State Penitentiary that the applicant has an excellent institutional record.

No opposition is made by the Allegheny County authorities to the granting of commutation.

The Board of Pardons is recommending that this applicant be given credit for this six month period for the reason that there was very doubtful identification and at the present time he has served nearly all of his minimum sentence.

In re application of William Roberts, D-1810, No. 7761, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on William Roberts, convicted of entering with intent to steal, in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County, on December 18, 1936, be commuted on Bill No. 473 December Sessions, 1936, from a minimum term of 5 years to a minimum term of 1 year, 11 months, and 10 days, expiring on May 28, 1946. (Applicant has been granted parole on Bills Nos. 471 and 472).

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age. He has now served nine years and four months of a minimum sentence of ten years. This is not his first conviction but all of his accomplices have had their sentences commuted except two, one of whom died in prison and another who is still confined.

The Board of Trustes of the Eastern State Penitentiary have reported that the applicant has maintained an excellent record for the past five years.

The trial judge, Honorable Harry S. McDevitt, has written that he recommends the applicant be released as he is a skilled wood carver and from the money he has earned has contributed to the support of his parents.

Since this applicant has to serve a sentence in Montgomery County Jail for attempted escape and in the Pennsylvania Industrial School for parole violation, the

Board of Pardons is granting commutation in order to let the applicant begin service on these sentences.

BOARD OF PARDONS

In re application of John Peter Rush, A-13109, No. 8271, March Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of John Peter Rush, convicted of murder, in the first degree in the Court of Oyer and Terminer and General Jail Delivery of Allegheny County on November 18, 1922 to be computed from October 23, 1923, be commuted from life imprisonment to 22 years and 7 months, expiring on May 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is fifty-seven years of age. This is the only offense for which he was ever arrested. The applicant was charged with murder and originally sentenced to be electrocuted, but a former Board of Pardons reduced this sentence to life imprisonment. He has now served twenty-two and one-half years of this sentnece.

The Board of Trustees of the Western State Penitentiary state that the applicant has an excellent institutional record and that since this is his first and only conviction they recommend his release on parole.

The applicant has applied himself in the institution and has written articles of prose and poetry which show merit.

The Board of Pardons is of the opinion that the applicant by his prison conduct, the efforts while there that he has made to rehabilitate himself and the fact that he has served nearly one-quarter of a century without a single misconduct entitle him to consideration from this Board. We therefore recommend commutation.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been read upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Joseph Zuck, convicted of involuntary manslaughter in the Court of Oyer and Terminer of Fayette County, on April 4, 1903, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is sixty-five years of age. This is the only conviction that this applicant has ever had. He has not been in any further trouble for the past forty years.

This applicant came from Austria-Hungary at the beginning of the century. He became involved in this affair shortly after he arrived and from the facts it seems this applicant may have been the victim if he had not acted as he did. Since he served his sentence he married and has been the father of six children, two of his sons have served honorably in the army of the United States.

The reason for this application is that the applicant desires to make application for citizenship which he cannot do with this conviction hanging over him. Applican't roots are in the soil of this country, he offered two of his sons in its defense, he should in our opinion be granted a pardon in order that he may become a citizen and we so recommend.

In re application of Edwin C. Arnold, B-4328, No. 7967, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Edwin C. Arnold, convicted of entering a building with intent to commit a felony, possession of burglar tools, in the Quarter Sessions Court of Allegheny County, on September 28, 1934, be commuted on Bill No. 742 June Sessions, 1934 from a minimum term of 5 years to a minimum term of 1 year, 5 months, and 29 days, expiring on March 27, 1946; and on Bill No. 741 from a minimum term of 1½ years to a minimum term of 1 day, expiring on March 28, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many prisoners whose release on parole has been effected by the opinion of the Supreme Court in the case of Commonwealth of Pennsylvania ex rel. Thomas Lynch v. Stanley P. Ashe, Warden of the Western State Penitentiary, 320 Pa. 341. In this opinion it was held that unless a prisoner, who was serving sentences imposed to run consecutively, was recommended and approved for parole at the expiration of the first minimum sentence, he would be serving the maximum of that sentence, and if no recommendation for parole was made at the expiration of the second and subsequent minimum of sentences imposed to run consecutively, the prisoner would be serving the maximum of the second and subsequent sentences. In other words, a prisoner serving an indeterminate sentence is not automatically paroled at the expiration of the minimum term but is merely eligible for parole at that time, and if not favorably considered by the Prison Board at any time threeafter, the prisoner is required to serve the full sentence.

It was the custom for a long period of time for the

officials of both the Eastern and Western State Penitentiaries to lump consecutive sentences and the Board of Trustees would only make recommnedations for release on parole at the expiration of the period of time equal to the total of the minimum sentences.

Since the Supreme Court held this procedure improper, the applicant and others, whose cases were not considered for parole at the expiration of their minimum sentences, through no fault of their own, will have to serve a much longer period of time than contemplated by the sentencing judge and the prison officials.

The failure of the Board of Trustees to make the necessary recommendations for parole at the expiration of the minimum sentences was an honest mistake, as most if not all, sentencing judges shared the same view as the prison officials in deeming it to be unnecessary to make recommendations for parole at the expiration of the minimum of every consecutive sentence. Sentencing judges throughout the state have uniformly believed and taken into consideration in passing sentences the Prison Board practice that consecutive sentences would be lumped making a total minimum and a total maximum.

We believe that a great injustice would be done and that it would be most unfair to keep the applicant incarcerated for a longer period of time than recommended by the Board of Trustees of the institution in which the applicant is confined.

BOARD OF PARDONS

In re application of Eugene Victor Batdorf, B-2575, No. 1855, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the Life sentence of Eugene Victor Batdorf, convicted of murder, in the first degree in the Court of Oyer and Terminer of Allegheny County on March 21, 1931 be commuted from life imprisonment to 15 years and 2 months, expiring on May 21, 1946.

Our reasons for making this recommendation are as follows:

At the age of nineteen this applicant, in company with two accomplices, committed a murder in the perpetration of a robbery. It was his first offense against society. Today he has served over fifteen years of a life sentence.

The Board of Trustees of the Western State Penitentiary report that the applicant has an excellent institutional record and that if he was eligible for parole they would recommend him.

No opposition to commutation is offered by the authorities of Allegheny County.

Among the reports wihch we have received there is the report of the psychologist who states that he has outgrown an earlier tendency to emotional instability. It is stated that he is not of the criminal type.

In view of the reports we have received the Board of Pardons is of the opinion that the applicant has paid his debt to society and has earned his right to again go forth a free man and take his place in the places of free men. We recommend commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Fritz Van Boeschoten, D-3301, No. 6576, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Fritz Van Boeschoten, convicted of arson in the Court of Oyer and Terminer and Quarter Sessions of Susquehanna County on August 25, 1938 to be computed from August 14, 1938 be commuted from 10 years to 7 years, 10 months, and 10 days, expiring on May 24, 1946.

Our reasons for making this recommendation are as follows:

The applicant is fifty-seven years of age. He had never before been convicted of any offense whatsoever. He was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years for the burning of his employer's barn. At the present time he has served nearly seven years and nine months of a ten year minimum.

The Board of Trustees of the Eastern State Penitentiary has stated that the applicant has an excellent record in the institution. Mr. Frank P. Tucker, Senior Parole Officer of the penitentiary, states that the applicant is rehabilitated and strongly recommends commutation.

No objection is offered by the authorities of Susquehanna County.

The Board of Pardons is of the opinion that the applicant has served a major portion of his sentence with an excellent record and deserves consideration in the form of a commutation. Therefore, commutation is recommended.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of William Coleroff, D-2797, No. 6524, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences imposed on William Coleroff, convicted of robbery, being armed with an offensive weapon, on January 20, 1938 to be computed from January 13, 1938; and of prsion breach, attempt to escape penitentiary, on March 11, 1940;

and of robbery, on July 23, 1940, be commuted on Bills Nos. 786 to 795 January Sessions, 1938 (inclusive) from a minimum term of 15 years to a minimum term of 8 years, 4 months, and 10 days, expiring on May 23, 1946; on Bill No. 331 March Sessions, 1940 from a minimum term of 1 year to a minimum term of 1 day, expiring on May 24, 1946; and on Bill No. 456 August Sessions, 1938, from a minimum term of 1 year to a minimum term of 1 day, expiring on May 25, 1946.

Our reasons for making this recommendation are as follows:

The applicant is serving his first imprisonment. He has never before been convicted of any offense whatsoever. His total sentence amounted to a minimum term of seventeen years in the Eastern State Penitentiary. To date he has served eight years. He is imprisoned for having committed ten armed robberies within a period of a few weeks.

It is reported by the Board of Trustees of the Eastern State Penitentiary that the applicant's institutional record has been excellent.

No opposition to commutation was expressed by the district attorney or by the trial judge.

Since the applicant is a first offender it is hoped that if this man receives a commutation of sentence he may be shown the goal to be achieved by social rather than anti-social conduct. Feeling that nothing further can be gained in a rehabilitative nature by continued incarceration we recommend that a commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of John Cuono, No. 6191, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Cuono, convicted of murder, in the second degree in the Court of Oyer and Terminer df Northampton County on June 5, 1938 to be computed from November 13, 1938, be commuted from 8 years to 7 years, 6 months, and 10 days, expiring on May 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-nine years of age. This is his first arrest and conviction. He killed his wife's paramour after they had openly flaunted their meretricious relationship before the applicant and the persons in the vicinity.

Warden H. J. Menikheim, states that he is personally acquainted with the applicant and that for the past seven years and more he has proved himself to be courteous, industrious, conscientious and trustworthy. He further states that he unhesitatingly recommends the applicant for clemency.

Both the trial judge and district attorney of Northampton County advise the Board of Pardons that they are not opposed to commutation.

The Board of Pardons is of the opinion that this applicant should not have been convicted of any greater degree than voluntary manslaughter. It is felt that there was ample provocation to reduce the degree. This Board is the only avenue to correct the verdict of the jury at this time. We feel the applicant has been sufficiently punished and recommend commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Paul D'Alfonso, D-783, No. 3808, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Paul D'Alfonso, convicted of robbery, being armed with an offensive weapon, in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County, on August 12, 1935, be commuted on Bill No. 255 August Sessions, 1935, from a maximum term of 20 years to a maximum term of 10 years and 10 months, expiring on June 12, 1946; on Bill No. 256 from a maximum term of 20 years to a maximum term of 1 day, expiring on June 13, 1946; on Bill No. 257 from a maximum term of 20 years to a maximum term of 1 day, expiring on June 14, 1946; and on Bill No. 258 from a maximum term of 15 years to a maximum term of 1 day, expiring on June 15, 1946.

Our reasons for making this recommendation are as follows:

The applicant who is thirty-five years of age was released on parole after having served six years of a minimum sentence of twenty-five years on a charge of robbery, being armed with an offensive weapon. He has been on parole for almost five years since his release.

Since his release the applicant has proven he has rehabilitated himself. He, for a while, undertook to handle two jobs, one in the day time and the other at night. He has reacted well to parole supervision. He was given permission to marry and has established a home for his wife and two children and is deeply interested in them. The Board of Parole state he has an excellent record.

The trial judge, Honorable Harry S. McDevitt, states he knows of no reason why the application should not be granted. The district attorney has stated he is willing to abide by the report of the Board of Parole and the action of the Board of Pardons.

It is the opinion of the Board of Pardons that where an applicant has made an honest effort to be a good citizen it is the duty of the Board to encourage every effort. Recognizing this to be that type of case we recommend that the balance of the maximum sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of John Oscar DeLarge, C-6577, No. 6769, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of John Oscar DeLarge, convicted of murder, in the first degree in the Court of Quarter Sessions of Philadelphia County on November 20, 1930, be commuted from life imprisonment to 15 years and 6 months, expiring on May 20, 1946.

Our reasons for making this recommendation are as follows:

When this crime was committed the applicant was but fourteen years of age. It was a murder committed in the perpetration of a robbery. It was the first offense for which this person was ever convicted.

Since the incarceration of this individual he has tried to realize the enormity of his offense and by his conduct has endeavored to show an honest effort at rehabilitation. The Board of Trustees of the Eastern State Penitentiary report his record there to be without mar.

Honorable Harry S. McDevitt, who has kept a supervisory eye on the applicant during his stay at the Cherry Hill Institution states he would be inclined to favorable consideration in the matter of commutation. James W. Tracey, Jr., Assistant District Attorney of Philadelphia County, states that since the applicant was only fourteen at the time of the perpetration of this offense he is willing to leave the matter up to the Board of Pardons.

The Board of Pardons is of the opinion that because of the youth of the applicant and his good record in prison we should recommend commutation.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Stephen DiPietro, No. 8306, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Stephen DiPietro, convicted of breaking and entering, larceny, receiving stolen goods, carrying concealed deadly weapons, robbery, in the Court of Quarter Sessions of Delaware County on June 27, 1932 to be computed from April 23, 1932, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-four years of age. When he was approximately twenty years of age he was arrested and plead guilty to the charge of breaking and entering, larceny, receiving stolen goods, carrying concealed deadly weapons, and robbery. He was sentenced to a term of not less than two nor more than five years in the Delaware County Prison. He was released on parole after having served one year. He has no other criminal record.

In 1943, approximately ten years after, the applicant made application for citizenship and because of this conviction and sentence citizenship was refused. He had rehabilitated himself, had married and established a home and was contributing to the war effort. This refusal of citizenship caused him such great concern that he suffered a nervous breakdown. Unless his application is granted the applicant may be subject to deportation to Italy, a country from which he was brought when he was two years old and which is foreign to him in language and customs. This would be a terrific hardship and an unusual punishment not contemplated by the sentencing judge.

The Board of Pardons is of the opinion that the burden of this unusual punishment should be lifted and a pardon granted in order that the applicant may become a citizen.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Joseph Fortunato, No. 8318, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open sesison, the undersigned members of the Board of Pardons recommend that Joseph Fortunato, convicted of robbery, assault, entering with intent to commit a felony, in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County, on April 18, 1938, to be computed from April 13, 1938, be pardoned.

Our reasons for making this recommendation are as follows.

The applicant was only nineteen years of age when he was charged with the crime of robbery, assault, and entering with intent to commit a felony. He served his minimum sentence of six months in the Philadelphia County Prison. Briefly the facts may be stated that applicant owned an auto and the four accomplices suggested that he drive them to a certain place which he did. The accomplices went into the bar and held it up. The applicant did not accompany them into the bar and did not know a felony had been committed. He did not share in the proceeds of the robbery.

This applicant served in the United States Navy for two years and one month. He was in the submarine service and served on eight different submarines. He rose to the grade of Motor Machinist, 3rd class, and was honorably discharged.

He has since married and is the father of a young son. He now desires to enter the gasoline business in partnership with his brother.

Because of his service in the Navy and his evident rehabilitation he has earned the right to have his record cleared, and therefore, we recommend that a pardon be granted.

Respectfully submitted,

JOHN C. BELL, Jr..
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,

BOARD OF PARDONS

In re application of Anthony J. Giuliano, C-8722, No. 8320, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Anthony J. Giuliano, convicted of robbery, being armed with an offensive weapon, in the Court of Quarter Sessions of Philadelphia County, on March 2, 1933, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and had no prior record. He served his minimum sentence of five years in the Eastern State Penitentiary. He has been on parole for a period of eight years, except for the period of one year during which time he was a soldier in the army of the United States.

Since his release from the army the applicant took a job as insurance collector and salesman but lost it two months later because he was unable to get a bond because of the conviction. He is now employed as a checker and receiver of goods. He is married and has two sons. He wishes to clear his name in order that he can advance in his work and that it won't hinder him as happened to his insurance position.

There is no objection from the authorities of Philadelphia County and the Board of Parole states he no longer needs supervision.

The above record speaks for itself and the majority of the Board of Pardons therefore recommend that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr., (Dissenting)
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Leon R. Hyde, D-3113, No. 8290, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Leon R. Hyde, convicted of robbery in the Court of Quarter Sessions of Sullivan County, on May 28, 1938 to be computed from May 19, 1938, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-four years of age and this is the first time he has been arrested for any offense whatsoever. He was sentenced to a term of not less than three nor more than ten years in the Eastern State Penitentiary for the robbery of a home where goods of the value of less than $100.00 were taken. He served his minimum sentence and has been on parole for a period of nearly five years.

Since applicant's release he has shown a conscientious and industrious attitude and has progressively established himself as a community asset. In a word he has been rehabilitated and established himself and his family in Owego, New York. The Division of Parole of New York State are of the opinion that further supervision should be terminated. Since the end of the war applicant is working in a restaurant holding a license from the Alcoholic Beverage Control Commission of the State of New York and cannot fully assist in this business unless pardoned.

Because of the record which has been received from New York we are recommending that pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

In re application of Peter Jemme, B-4708, No. 3719, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Peter Jemme, convicted of voluntary manslaughter in the Court of Oyer & Terminer of Mercer County, on September 20, 1935, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is forty-six years of age. This is the only time the applicant has ever been convicted of any offense whatsoever. He has been on parole since July 16, 1941.

A report received from the Board of Parole indicates that his conduct has been satisfactory and that he has adjusted well.

Following applicant's conviction one of the principal witnesses for the Commonwealth came to the Western State Penitentiary and in an affidavit made there, repudiated her former testimony. If such was the case it is doubtful if applicant could have been convicted.

Under all of the circumstances, including the matter of the repudiation of the testimony of the Commonwealth's witness and the rehabilitation he has made, we are recommending that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

The above recommendation is approved:

In re application of Harry Kimmel, Jr., No. 8321, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Harry Kimmel, Jr., convicted of robbery, being armed with an offensive weapon in the Court of Oyer & Terminer and Quarter Session of Philadelphia County, on March 13, 1939 to be computed from February 23, 1939, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-seven years of age. He had served ten months of his minimum sentence of two years. He has been on parole for about six years. He still has approximately fifteen years of parole still remaining.

He served two years and ten months in the United States Army and rose to the rank of technician fifth grade. He received an honorable discharge on June 27, 1945. The applicant served almost two years and eight months overseas seeing action in North Africa, Sicily, Italy and Southern France.

The trial judge, Honorable Harry S. McDevitt, states he is not opposed to the granting of a pardon. The district attorney states he leaves the matter of granting up to the Board.

In view of the applicant's service with the armed forces and the attitude of the authorities it is the recommendation of the Board of Pardons that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Charles E. Mobley, D-3134, No. 5371, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Charles E. Mobley, convicted of involuntary manslaughter in the Court of Oyer & Terminer of Cumberland County on May 28, 1938 to be computed from December 25, 1937, be commuted from 12 years to 8 years and 5 months, expiring on May 25, 1946.

Our reasons for making this recommendation are as follows:

On November 24, 1943, this applicant was released on parole following the commutation of a sentence of six years in the Eastern State Penitentiary on a charge of involuntary manslaughter. Following his release on parole he was inducted into the army of the United States where he served for almost two years, during that time he served one year overseas seeing service in England, France, Belgium, Holland and Germany. He has been honorably discharged and is now employed as a brakeman with the Pennsylvania Railroad.

The Board of Parole states that he has a satisfactory record while on parole.

The authorities in Cumberland County have no objection to the granting of clemency.

In view of the army service of the applicant, his good conduct on parole, the Board of Pardons is recommending to your Excellency that the maximum sentence of the applicant be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Biagio Piazza, C-5430, No. 2370, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Biagio Piazza, convicted of murder, in the first degree in the Court of Quarter Sessions of Philadelphia County on June 11, 1929 be commuted from life imprisonment to 16 years 11 months and 10 days expiring on May 21, 1946. (To be deported to Italy.)

Our reasons for making this recommendation are as follows:

Petitioner is forty-five years of age. He was convicted of murder in the first degree of his father-in-law who had opposed the marriage of his daughter to the applicant. An argument ensued and applicant pulled his gun and killed victim. To date he has been incarcerated for over seventeen and one-half years.

The Board of Trustees of the Eastern State Penitentiary state that he has a good record in the penitentiary.

Honorable Eugene V. Alessandroni advises the Board of Pardons that he is not opposed to commutation if he is deported. The Bureau of Immigration of the United States Department of State has filed a deportation warrant against the applicant.

The Board of Pardons agrees with the trial judge that the applicant should be returned to Italy, therefore, it is our recommendation that the sentence of the applicant be commuted on condition that he be deported to Italy.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

In re application of Andy Rudy, B-3102, No. 8297, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Andy Rudy, convicted of breaking and entering, larceny in the Court of Quarter Sessions of Westmoreland County, on February 6, 1932, be pardoned.

Our reasons for making this recommendation are as follows:

This is an application for a pardon to permit the petitioner to complete his citizenship. He has been in this country twenty-six years having been brought here by his father from Czechoslovakia. He had no knowledge that his entry was illegal or that he was subject to deportation until he was released on parole.

The applicant is now thirty-nine years of age. His father died nine years ago and his mother has since remarried. He knows no one in the old country. He has maintained an excellent record on parole and now desires to marry but is afraid to if he should face depor-

tation. It is felt that this series of crimes were economic and as a result of the nationwide depression.

We are recommending a pardon to clear his record so he can become a citizen.

BOARD OF PARDONS

In re application of James Sowkowki, D-6685, No. 6901, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of James Sowkowki, convicted of burglary with intent to commit a felony in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County on March 13, 1940 to be computed from September 13, 1942, be commuted from 5 years to 3 years 8 months and 10 days, expiring on May 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age. He is now serving a sentence of not less than five years for the crimes of burglary, entry with intent to commit a felony, robbery, and robbery, being armed with an offensive weapon. At the time he committed the current offense he was on parole and therefore was considered a parole violator. His sentence originally was to run concurrently with his parole violation but this sentence was changed by the Supreme Court in the decision in the Wheeler case.

The Board of Trustees of the Eastern State Penitentiary state in their report that the applicant has an excellent institutional record.

The Honorable Harry S. McDevitt, the trial judge, leaves the matter of commutation up to the Board of Pardons. The prisoner, applicant herein has served a combined sentence of over six years with his back time.

Because of the length of time applicant has served in the Eastern State Penitentiary and further because of his good record there, the Board of Pardons recommends that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Cecil Alexander Thomas, No. 8298, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Cecil Alexander Thomas, convicted of larceny in the Court of Common Pleas of Philadelphia County on June 22, 1945 to be computed from June 15, 1945, be commuted from 1½ years to 11 months and 10 days, expiring on May 25, 1946.

Our reasons for making this recommendation are as follows:

This applicant was never before convicted of any offense whatsoever. His present conviction results from the larceny of less than five dollars from the mail of his employer. He is twenty-five years of age, and has served ten months of a minimum sentence of eighteen months in the Philadelphia County Prison.

The peculations of this applicant were due in a large degree to the fact that the applicant's wife was about to have a baby and he had no money. Foolishly he yielded to temptation.

The Board of Pardons feels that this applicant has learned his lesson by this imprisonment and that the only persons who will suffer by continued incarceration is his family. It is therefore recommended that the sentence of the applicant be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Felicola Vallelonga, No. 1406, No. 8250, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Felicola Vallelonga, convicted of murder, in the first degree in the Court of Oyer and Terminer of Fayette County on October 4, 1939, be commuted from life imprisonment to 6 years, 7 months and 20 days, expiring on May 24, 1946.

Our reasons for making this recommendation are as follows:

From all of the facts in this case as presented before the Board of Pardons the majority of the Board is at a loss to understand how the sentencing judge in this case ever arrived at murder in the first degree, in the light of the provocation which was shown. The applicant is sixty-three years of age and at the present time she has served over six and one-half years of a life sentence.

The Superintendent of the Woman's Industrial Reformatory states the applicant has an excellent record. It is reported by the trial judge, Honorable W. Russell Carr, that he is disposed to clemency.

The majority of the Board of Pardons feels that there was sufficient evidence here which should have reduced this to voluntary manslaughter at the most. To date the applicant has served more than the minimum of a voluntary manslaughter sentence, and in addition to her good record we feel that she should have her sentence commuted and we so recommend.

BOARD OF PARDONS

In re application of August Valente, No. 5680, February Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that August Valente, convicted of obstructing public justice in the Court of Quarter Sessions of Allegheny County, on December 30, 1943, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age. He had his counsel withdraw motions for a new trial and in arrest of judgment in order that he could be inducted into the United States Army. He was sentenced on a charge of obstructing public justice, growing out of the withdrawal of a charge of fornication and bastardy.

He has served overseas in the European Theatre of Operation and was twice wounded in action. He was a medical corpsman. Applicant is married and has a daughter nineteen years of age. Since his return he has been employed as night sergeant with the Sharpsburg Police Department. He is well thought of by his employers both present and past. He is highly recommended by them.

Because of the applicant's army record and his honest effort to atone for his wrong he has won the sympathy of this Board and we recommend a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.

BOARD OF PARDONS

In re application of Howard Brown, B-2480, No. 181A, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Howard Brown, convicted of burglary, in the Oyer and Terminer Court of Allegheny County, on February 13, 1931, be commuted on Bill No. 33 February Session, 1931, from a maximum term of 5 years to a maximum term of 4 years, 11 months and 23 days, expiring on February 10, 1946; on Bill No. 34 from a maximum of 5 years to a maximum of 1 day, expiring on February 11, 1946; on Bill No. 35 from a maximum of 5 years to a maximum of 1 day, expiring on February 12, 1946; on Bill No. 36 from a maximum of 5 years to a maximum of 1 day, expiring on February 13, 1946; on Bill No. 37 from a maximum of 5 years to a maximum of 1 day, expiring on February 14, 1946; on Bill No. 38 from a maximum of 5 years to a maximum of 1 day, expiring on February 15, 1946; on Bill No. 39 from a maximum of 5 years to a maximum of 1 day, expiring on February 16, 1946; and on Bill No. 40 from a minimum of 1½ years to a minimum of 1 day, expiring on February 17, 1946.

Our reasons for making this recommendation are as follows:

The applicant is one of many prisoners whose release on parole has been affected by the opinion of the Supreme Court in the case of Commonwealth of Pennsylvania ex rel. Thomas Lynch v. Stanley P. Ashe, Warden of the Western State Penitentiary, 320 Pa. 341. In this opinion it was held that unless a prisoner, who was serving sentences imposed to run consecutively, was recommended and approved for parole at the expiration of the first minimum sentence, he would be serving the maximum of that sentence, and if no recommendation for parole was made at the expiration of the second and subsequent minimum of sentences imposed to run consecutively, the prisoner would be serving the maximum of the second and subsequent sentences. In other words, a prisoner serving an indeterminate sentence is not automatically paroled at thet expiration of the minimum term but is merely eligible for parole at that time, and if not favorably considered by the Prison Board at any time thereafter, the prisoner is required to serve the full sentence.

It was the custom for a long period of time for the officials of both the Eastern and Western State Penitentiaries to lump consecutive sentences and the Boards of Trustees would only make recommendations for release on parole at the expiration of the period of time equal to the total of the minimum sentences.

Since the Supreme Court held this procedure improper, the applicant and others, whose cases were not considered for parole at the expiration of their minimum sentences, through no fault of their own, will have to serve a much longer period of time than contemplated by the sentencing judge and the prison officials.

The failure of the Board of Trustees to make the necessary recommendations for parole at the expiration of the minimum sentences was an honest mistake, as most, if not all, sentencing judges shared the same view as the prison officials in deeming it to be unnecessary to make recommendations for parole at the expiration of the minimum of every consecutive sentence. Sentencing judges throughout the state have uniformly believed and taken into consideration in passing sentences the Prison Board practice that consecutive sentences would be lumped making a total minimum and a total maximum.

We believe that a great injustice would be done and that it would be most unfair to keep the applicant incarcerated for a longer period of time than recommended by the Board of Trustees of the institution in which the applicant is confined.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Stephen A. Devereux, D-7005, No. 7297, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Stephen A. Devereux, convicted of voluntary manslaughter in the Court of Oyer and Terminer and Quarter Sessions of Chester County on March 5, 1943 to be

computed from October 31, 1942 be commuted from 9 years to 3 years, 3 months and 14 days, expiring on February 15, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-three years of age and in 1943 was sentenced to a term of imprisonment in the Eastern State Penitentiary of not less than three and one-half nor more than nine years on the charge of voluntary manslaughter in conection with the fatal shooting of a hunter on his land who was trespassing and refused to give his name or number.

The applicant is a member of the Chester County Bar and was sentenced to imprisonment, thereafter his sentence was commuted and the Chester County Bar Association having brought the matter before the Board of Censors refused to have him disbarred. However, the applicant finds that it is a difficult procedure to practice law while on parole. The seeking of permission hampers his efforts.

The Board of Parole states he enjoys a good reputation and except for temporary emotional unbalance which caused this crime the applicant has been a worthwhile citizen in the community.

The Board of Pardons feels it is unable to grant a pardon in this case at this time but knowing how his rehabilitation in the practice of law must be hampered by this conviction recommends to his Excellency, the Governor, that the maximum sentence be commuted in order that he may free and unhampered by parole, practice his profession.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of James Francis Fritz, No. 8263, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that James Francis Fritz, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County, on November 15, 1937 to be computed from October 27, 1937, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age and is applying for pardon from a conviction of not less than two nor more than twenty years in the Philadelphia County Prison on the charge of robbery, being armed with an offensive weapon. Applicant served his minimum sentence and after being granted parole was inducted into the army of the United States where he served in three campaigns to-wit: Central European, Northen France, and the Rhineland. He has been honorably discharged from the army, is married and desires to settle in Maine, the home state of his wife. He is the father of two children and was only eighteen years of age when these crimes were committed. The Board of Pardons feels that he was an impetuous youth and that this was probably the cause of his becoming involved in these affairs.

We therefore recommend, that in view of his meritorious military service, the lack of any criminal trend and the fact that he is now married and establishing a family, he should be given an opportunity to go forth in the world without this stigma of crime, and that his application for a pardon be granted.

BOARD OF PARDONS

In re application of George J. Fulmer, No. 8276, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on George J. Fulmer, convicted of larceny of motor vehicle, in the Municipal Court of Philadelphia County, on May 13, 1941; and in the Oyer and Terminer Court of Philadelphia County, on December 10, 1941 to be computed from November 26, 1941, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age and these are the first charges he was ever sentenced on. He was sentenced to six months probation for larceny of motor vehicle and also to an indeterminate sentence in the State Industrial School at White Hill on the second charge of larceny of motor vehicle. He served fourteen months in the Industrial School and was released on parole on February 24, 1943. After his release he was inducted in the armed forces of the United States and served two and one-half years as an Infantry Medical Corpsman in the European Theatre with Headquarters Company of the 5th Infantry Division. He was awarded the Purple Heart, Bronze Star and European Theatre Ribbon with five battle stars. It is reported that he is suffering from combat fatigue and shows signs of extreme nervousness. He has attempted to regain his former position and wishes to make a clean start in life.

In view of his meritorious record and the fact that these two offenses are the only ones which he was ever sentenced on we recommend that a pardon be granted.

Respectfully submitted.
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Charles Haney, C-7428, No. 277, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence

of Charles Haney, convicted of murder in the first degree in the Court of Oyer and Terminer and Quarter Sessions of Bucks County on September 23, 1931, be commuted from life imprisonment to 14 years and 5 months, expiring on February 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and is serving a life sentence for murder in the first degree for killing his wife. At the time of killing his wife he turned the gun upon himself, wounding himself severely by blowing away most of his chin.

For the past fourteen years he has been employed in the Prison Hospital of the Eastern State Penitentiary where he has qualified as an X-ray technician. Since September of last year he has been devoting his spare time to carding of bobbie pins which is spare time employment provided by the institution in order to earn additional money.

It is stated by the Board of Trustees that this petition is worth careful review by the Board of Pardons. The trial judge, Honorable Hiram H. Keller, believes the time has arrived when this man should be given his freedom. The district attorney stated they would certainly not oppose the granting of commutation for this applicant.

The Board of Pardons recommends commutation on the basis of his excellent prison record, the long time he has served, and lack of opposition from the authorities of Bucks County.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Frank Harry King, D-3099, No. 8254, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Frank Harry King, convicted of statutory rape in the Court of Oyer and Terminer and Quarter Sessions of Lackawanna County on April 16, 1938, be commuted from 10 years to 7 years and 10 months, expiring on February 16, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary of not less than five nor more than ten years on the charge of statutory rape. The applicant has served his minimum sentence and has been on parole for a period of three years. Since then he has moved to New Jersey and has rehabilitated himself and now wishes to establish a business of his own. He feels that if he is required to report on parole it will be a deterrent to his successful engagement in business.

The Parole Board reports applicant made a good adjustment and there is no serious complaint against his conduct, or his good work record since his release.

For these reasons we are recommending to your Excellency that his maximum sentence be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Robert Land, D-3738, No. 7640, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Robert Land, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Montgomery County on February 10, 1939 to be computed from April 19, 1941, be commuted from 6 years to 4 years and 10 months, expiring on February 19, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary of not less than six nor more than twelve years on the charge of robbery, being armed with an offensive weapon. At the time this sentence was imposed the applicant was on parole and because of the decision in the Wheeler case he was required to first serve his parole violation before beginning to serve his new minimum sentence. Although the original sentence of the judge was that the sentence should be run concurrently.

The Board of Trustees of the Eastern State Penitentiary state that the applicant has an excellent institutional record and the trial judge, Honorable George C. Corson, wrote the Board of Pardons stating he intended by this sentence that the applicant should not serve more than six years. At the present time the applicant has served approximately seven years but only five of these seven count for the minimum of six.

Since there is no objection from the trial judge or the district attorney of Montgomery County and since the applicant has such an excellent institutional record, also since the trial judge told the board he feels the applicant should be given consideration, the Board of Pardons recommends that commutation of the remaining portion of his sentence be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Edward Lee, No. 8287, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Edward Lee, convicted of larceny, receiving stolen goods, conspiracy to

steal in the Court of Quarter Sessions of Philadelphia County, on March 1, 1940, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age and has no prior criminal record. He was sentenced on March 1, 1940, to a term of imprisonment in the Philadelphia County of not less than one month nor more than three years for entering into conspiracy to steal shirts from his employer who was engaged in manufacturing shirts.

The applicant upon his arrest cooperated fully with the authorities and pleaded guilty to the offense. From August 1942 to October 1945 the applicant served in the armed forces of the United States and rose to the rank of Technical Sergeant and has since been honorably discharged. He states he has learned his lesson in life and we believe he has.

There is no opposition to the granting of a pardon by any of the authorities of Philadelphia County, therefore the Board of Pardons recommends that a pardon be granted because of his excellent military record and because this was the sole time he was ever in any trouble.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

In re application of Fred C. Luvara, No. 5556, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Fred C. Luvara, convicted of statutory rape, violation of the liquor law in the Court of Oyer and Terminer of Allegheny County, on November 14, 1935, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age and seeks a pardon for the crime of statutory rape and violation of the liquor law. Applicant was sentenced to a term of imprisonment in the Allegheny County Workhouse of not less than two nor more than six years, the maximum of which has now expired. He has been in no other trouble than the crimes for which he seeks a pardon.

The trial judge, Honorable Thomas M. Marshall, has written the Board of Pardons and states that in view of the fact that he has been a good citizen, respectfully recommends the application be given serious consideration and that a pardon be granted.

The district attorney of Allegheny County states he leaves the matter of a pardon up to the Board of Pardons.

This seems to be a case of a headstrong youth who gave no heed or thought to the effect of his lawless acts and for that reason we feel that he should not forever be penalized. We, therefore, recommend that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Nicholas T. Mangles, No. 8279, January Sessions, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Nicholas T. Mangles, convicted of larceny of automobile, receiving stolen goods, etc., in the Court of Quarter Sessions of Philadelphia County, on February 27, 1939, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age and this is the only time he was ever arrested for any offense whatsoever. The offense for which he was arrested was the larceny of two automobiles. He was placed on probation for a period of five years and never once violated his parole. He served approximately two years in the United States Army and has an honorable discharge therefrom. He served overseas for approximately one year with the 95th Division and has received the Purple Heart and the European Theatre Ribbon with two bronze stars.

It is reported that the applicant has made an excellent adjustment and the Board of Parole report states that during his period of probation he has made such a good record that they had practically closed their files because he has such an excellent adjustment and the credit he had become to society. He is married and has a child and it is the evaluation of the Parole Board that this was a youthful adventure rather than any pattern of crime.

The Board of Pardons is of the opinion that the applicant has, through his subsequent good conduct, merited the confidence which was placed in him at the time of sentence and therefore has earned the right of a pardon at this time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

In re application of John J. McCann, No. 8280, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John J. McCann, convicted of involuntary manslaughter in the Court of Quarter Sessions of Philadelphia County, on June 13, 1940, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-three years of age and has never before or since become involved in any offense whatsoever other than the crime for which he is now seeking pardon. He was charged with the crime of involuntary manslaughter in an accident at an intersection when he struck two women who subsequently died as a result of this accident. Even though two people were

killed the sentencing judge, Honorable Harry S. McDevitt, suspended sentence on the applicant.

Following the suspension of sentence the applicant was inducted in the army September 12, 1942, serving till November 23, 1945, where he achieved the rank of Staff Sergeant. He has received the Distinguished Unit Badge, the Asiatic Pacific Campaign Ribbon with three bronze stars and served overseas a period of two and one-half years.

The applicant since his discharge from the armed forces is considering entering the automobile repair business but hesitates to do so because of this past criminal record.

The trial judge, Honorable Harry S. McDevitt, recommends favorable action and the district attorney stated he is not opposed to the granting of a pardon.

It is, therefore, respectfully recommended to your Excellency that a pardon be granted.

JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of John Edward McMeekin, B-5583, No. 4681, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on John Edward McMeekin, convicted of robbery, in the Oyer & Terminer Court of Allegheny County, on June 17, 1937, be commuted on Bill No. 43 February Sessions, 1937 (Bill No. 44 February Sessions, 1937 concurrent) be commuted from a minimum term of 10 years to a minimum term of 8 years and 8 months, expiring on February 17, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age and is now serving a sentence of imprisonment in the Western State Penitentiary of not less than ten nor more than twenty years on the charge of robbery. He has now served eight and one-half years of his minimum sentence.

The Board of Trustees of the Western State Penitentiary has written the Board of Pardons and advised that the applicant has an excellent institutional record and they consider him a very cooperative inmate. At the present time he is employed as head nurse in the Prison Hospital

The district attorney of Allegheny County has stated he is not opposed to commutation at this time and the trial judge, Honorable C. A. Fetterhoof, makes no recommendation but leaves the matter up to the Board of Pardons.

The Board of Pardons is of the opinion that this was a very heavy sentence for the robbery which the applicant committed and feels he has served such a great portion of his sentence with such an excellent institutional record that at this time recommend his sentence be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Emanuel Montalbano, D-3507, No. 4646, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Emanuel Montalbano, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County October 20, 1938 to be computed from October 15, 1938 be commuted from 10 years to 7 years and 4 months, expiring on February 15, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-seven years of age and on October 20, 1938 he was sentenced to a term of imprisonment in the Eastern State Penitentiary of not less than three nor more than ten years on the charge of robbery, being armed with an offensive weapon. A gun was used and the loot amounted to $31.00. This is the first time the applicant was ever convicted of any offense whatsoever. He has served his entire minimum sentence and subsequently on February 21, 1942 was inducted into the armed forces of the United States where he served in the Southwest Pacific Theatre until his separation from the armed forces on the 9th day of October, 1945. He had reached the rank of Corporal Technician, 5th class, with the Headquarters Battery, 24th Division Artillery. He has received the Good Conduct Medal, Philippine Liberation Ribbon with one bronze star and Pacific Service Medal with two bronze stars. Applicant is married and had made a good adjustment in civilian life and as a soldier. During the period of his army service he contracted malaria from which he periodically suffers.

The trial judge, Honorable Raymond MacNeille, recommends that the applicant's maximum sentence be commuted and feels that this will encourage him to become a fine member of society. The district attorney is not opposed and the Board of Parole recommends. Under these circumstances the Board of Pardons recommends that the applicant's maximum sentence be commuted.

JOHN C. BELL, Jr.,

In re application of John W. Myers, No. 8278, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John W. Myers, convicted of or pleaded guilty to the following offenses: (1) burglary in the Court of Quarter Sessions of Philadelphia County, on October 9, 1930; (2) assault and battery

in the Court of Quarter Sessions on September 5, 1931; (3) burglary, larceny in the Court of Quarter Sessions on December 23, 1931; (4) operating automobile without consent of owner in the Court of Quarter Sessions on March 9, 1939; and (5) operating automobile without consent of owner in the Court of Quarter Sessions on September 16, 1941, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age and is seeking a pardon on five offenses, burglary, assault and battery, burglary, larceny and operating an automobile without consent of owner. Applicant has served three years in the armed forces, twenty months of which were in England with the 8th Air Force. He was discharged November 16, 1945 and immediately reenlisted for a term of three years and desires to make the army his career in life and feels he can not rise above the rank of Private First Class unless he gets a full and complete pardon.

In order not to hinder this applicant in his chosen profession and since most of these crimes occurred in his youth we are recommending that the applicant be granted a pardon.

BOARD OF PARDONS

In re application of Lloyd Partridge, D-763, No. 3736, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Lloyd Partridge, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County, on August 5, 1935 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-four years of age and this is the first time he was ever convicted of any offense. The applicant was sentenced August 5, 1935 to a term of imprisonment in the Eastern State Penitentiary of not less than four nor more than twenty years for the robbery of a taxicab driver. A toy pistol was used. Applicant was inducted into the armed forces April 14, 1942 and served until November 8, 1945, during which time he served fourteen months overseas with the 129th General Hospital where he attained the rank of Staff Sergeant.

The Board of Parole reports he has adjusted satisfactorily and has assumed responsibility both as a citizen and soldier and now seeks a pardon in order that he may obtain a Public Utility Commission permit to enter the trucking business.

The applicant is married and has a child two years of age and because he has such an excellent adjustment and this is his first conviction and further because of his meritorious record with the armed forces the Board of Pardons is recommending favorable consideration.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

The above recommendation is approved:

BOARD OF PARDONS

In re application of James Orobono, D-3497, No. 6668, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of James Orobono, convicted of voluntary manslaughter, assault with intent to rape in the Court of Oyer & Terminer of Delaware County on October 12, 1938 to be computed from March 14, 1938 be commuted from 2½ years to 1 year 11 months, expiring on February 14, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-one years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary of not less than eight and one-half nor more than seventeen years for the crime of voluntary manslaughter and assault with intent to rape. At the present time he has served approximately eight years of his minimum sentence and he has an excellent institutional record and has also given seven donations of blood to the American Red Cross serum bank. He has a good work record and prison adjustment is recorded as very good. This is the first offense for which he has ever been convicted.

The district attorney of Delaware County is not opposed to the granting of commutation and since this is the applicant's first offense and since he has served such a large portion of his minimum sentence the Board of Pardons is of the opinion that he should be given some incentive for continuing this excellent record in civil life, and we therefore, recommend that the sentence be commuted in order that he may be released from prison at this time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Benjamin Rabinowitz, C-4764, No. 8258, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Benjamin Rabinowitz, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County on August 23, 1928 be commuted from 20 years to 17 years and 6 months, expiring on February 23, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age and was sentenced to a term of imprisonment in the Eastern State

Penitentiary of not less than ten nor more than twenty years for he charge of robbery, being armed with an offensive weapon. Applicant served his full minimum sentence before being released. He has now been on parole nearly seven and one-half years without any further violation of parole.

During the past five years he has been in the Merchant Marine and served in a faithful and diligent manner. There are in the record letters from the Masters of four ships on which he served, indicating his faithful services.

The Board of Parole after making an investigation of the applicant through the New York Division of Parole, states that the applicant has been saving his money, working steadily and has made a satisfactory adjustment. He has served his country to the best of his ability during the war years in the very necessary service of the Merchant Marine,.

The Board of Parole state that they are inclined to grant favorable consideration, the Board of Pardons, likewise, recommends favorable consideration of the petition for commutation of applicant's maximum sentence.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of James F. Rosella, No. 7385, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that James F. Rosella, convicted of involuntary manslaughter in the Court of Oyer & Terminer of Allegheny County, on February 25, 1944, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is forty-five years of age and seeks pardon of a sentence of one year in the Allegheny County Workhouse on the charge of involuntary manslaughter which arose in the applicant's operation of a street car which was involved in an accident with a bus, causing the death of three persons.

There is no opposition to the granting of a pardon by the Allegheny County authorities.

At the time of the hearing a member of the board raised the question of gross negligence on the part of the applicant and it was indicated that there was very serious doubt if the applicant was guilty of gross negligence as a matter of law. However, at the time of his trial the court left that question to the jury and the jury convicted the applicant.

The employers of the applicant have stated that they feel this applicant was not responsible for the happening of this accident and other people state he is honest, careful and reliable.

Since this was the first major conviction against the applicant it is felt that he has suffered severely through the conviction and his imprisonment and since there is also a question of the gross negligence on the part of the applicant we feel that doubt should be resolved in his favor and a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of Edward Sapp, D-7971, No. 8281, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Edward Sapp, convicted of assault and battery, aggravated assault and battery with intent to kill in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County on October 27, 1944 be commuted from 2 years to 1 year and 4 months, expiring on February 27, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age and this is the first time he has ever been arrested for any crime whatsoever. The applicant has now served approximately one year and three months of a sentence of not less than two nor more than four years. Applicant was convicted on the charge of assault and battery with intent to kill.

The district attorney in presenting the case before the Board of Pardons stated in his opinion the applicant should not have been convicted of any higher offense than aggravated assault and battery, which carries with it a sentence of not less than one and one-half nor more than three years. If this is true the applicant would have practically served the entire minimum sentence at the present time.

The district attorney states he has no opposition. The Board of Trustees of the Eastern State Penitentiary states he has a very good institutional record and has a cooperative attitude.

Under the above circumstances the Board of Pardons feels that since he should not have been convicted of any greater offense than aggravated assault and battery his sentence should be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Vasile Toconita, No. 6827, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Vasile Toconita, convicted of uttering, publishing false checks, false pretense in the Court of Quarter Sessions of Philadelphia County, on December 30, 1937, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is forty-five years of age and on December 30, 1937, he was sentenced to a term of imprisonment in the Philadelphia County Prison of not less than one nor more than twelve years on the charge of fraudulent conversion and false pretense. The applicant has been in the Real Estate Business prior to this time and committed these crimes after his business failed during the depression. The crime consisted of writing four worthless checks in the total amount of $38.00. Since his year in jail he has rehabilitated himself, taken care of his family and is now employed as a waiter.

The district attorney of Philadelphia County in a statement before the Board of Pardons states that he feels the applicant should be given a chance.

The Board of Pardons, therefore recommends to your Excellency that the pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Fred Turse, D-2294, No. 5525, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Fred Turse, convicted of murder in the second degree in the Court of Quarter Sessions of Philadelphia County on June 28, 1937, be commuted from 10 years to 8 years and 8 months, expiring on February 28, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age and this is the first time he was convicted. He was sentenced June 28, 1937, to a term of imprisonment in the Eastern State Penitentiary for from ten to twenty years on the charge of murder in the second degree. At the present time he has served over eight and one-half years of his minimum sentence.

The Board of Trustees of the Eastern State Penitentiary state the applicant has a good institutional record and has shown definite interest in self-improvement. He is now employed in a position of trust as a farm laborer. There are four donations of blood to the American Red Cross serum bank.

The district attorney of Philadelphia County stated to the Board of Pardons the matter of commutation is entirely up to the Board.

Since no weapons were used the Board of Pardons feels the sentence excessive and therefore recommends that the prayer of the applicant should be given consideration and commutation granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Michael Valentino, D-2923, No. 8126, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Michael Valentino, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on February 24, 1938 to be computed from February 16, 1938, be commuted from 25 years to 8 years, expiring on February 16, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and is now serving a sentence of not less than twenty-five nor more then fifty years in the Eastern State Penitentiary on the charge of robbery, being armed with an offensive weapon. The applicant and his accomplices committed seven robberies in a period of two weeks. In this period of time the applicant on two occasions used guns.

The Board of Trustees states since the applicant's incarceration he has had an excellent record, in fact he has remained in the same cell block ever since his assignment to the Philadelphia institution seven and three-fourths years ago.

The president judge, Honorable Harry S. McDevitt, has written the Board of Pardons and stated he feels the sentence imposed by the late Judge Heiligman was excessive. The district attorney has stated that the matter of commutation is up to the Board of Pardons but that he is of the private opinion that the applicant has served enough time.

Under the above circumstances we feel that since the other accomplices received light sentences of not less than two years, that this applicant being the last one in prison should have his sentence commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of Robert A. Wilson, B-3454, No. 3109, January Session, 1946.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Robert A. Wilson, convicted of compelling, etc., to divulge combination to bank vault, burglary, breaking and entering in the Court of Oyer and Terminer of Forest County, on November 26, 1932, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and this is the first conviction he has ever had. He served a period of ten years in the Western State Penitentiary on the

minimum sentence of fifteen years. It is true this applicant, together with two accomplices, had conspired to rob a bank, however, the applicant and one accomplice had withdrawn from the conspiracy while one of the accomplices went through with the robbery and obtained $7500.00.

Following the applicant's commutation of sentence he was inducted into the armed forces of the United States on April 12, 1943, where he served until October 31, 1945, during which time he served seventeen months in the China-Burma-India Theatre as a meterologist. He is now employed by the Marienville Glass Company and is making an excellent adjustment in civilian life but feels that in view of his army service and his readjustment that he is entitled to a pardon at this time.

Since this was his only arrest and conviction and since he served a decade for a crime which he had withdrawn from, we feel the applicant merits the consideration of this board and therefore recommend that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Elmer Noah Adair, B-9198, D-7197, No. 7605, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Elmer Noah Adair, convicted of murder in the second degree in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on June 4, 1943 to be computed from March 16, 1943, be commuted from 5 years to 2 years and 11 months, expiring on February 16, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age and he has never before been convicted of any offense whatsoever prior to this occasion. The applicant for several years had been coming home to find his wife had failed to keep the house clean and take care of their small children. She would leave the home and not return until she became intoxicated. On this evening the applicant came home from work to find the small children unattended and while performing household tasks the victim returned in a drunken condition and immediately began to argue with the applicant who had been washing the dishes. He happened to have a knife in his hand. The argument resulted in a tussle and the victim was stabbed.

He has always maintained an excellent record in the institution and can return to his previous employment which is the American Railway Express Company. He is needed by his children and it is the recommendation of the trial judge that commutation be granted. The district attorney has no objection to the granting of this petition.

The Board of Pardons feels that it would be to the best interest to all concerned that this commutation be granted, and the Board of Pardons so recommend.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Charles Albert, No. 6943, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of imprisonment imposed on Charles Albert, convicted of robbery, being armed with an offensive weapon, larceny, in the Oyer and Terminer and Quarter Sessions Court of Allegheny County, on January 27, 1933, be commuted on Bill No. 63 January Sessions, 1933 from a maximum term of 10 years to a maximum term of 3 years and 1 month, expiring on February 27, 1946; and on Bill No. 64 from a maximum term of 5 years to a maximum term of 1 day, expiring on February 28, 1946.

Our reasons for making this recommendation are as follows:

This applicant is thirty-four years of age and this is the first time he has been convicted of any offense whatsoever. The applicant was sentenced to a term of imprisonment in the Allegheny County Workhouse for not less than five nor more than twenty-five years on the charge of robbery, being armed with an offensive weapon, larceny. After having served twenty-three months in prison he was granted a parole by the sentencing judge. Thereafter he remained on parole and has a good record. In August 1944 he was inducted into the armed forces of the United States and he is at present in the armed forces of the United States serving at Fort Lewis, Washington.

The Board of Parole have reported to the Board of Pardons that while this applicant was on parole he was cooperative and had been working in a defense plant prior to his induction into the armed forces. It is also reported to us that his reputation is good and that he has made excellent adjustment while on parole. The trial judge, Honorable Frank P. Patterson, has advised the Board of Pardons that this applicant merits consideration and the district attorney has made no objection to the granting of commutaion of maximum sentence.

The Board of Pardons feels they can not entirely clear his record but can give a recommendation to your Excellency that his maximum sentence be commuted so when he is discharged from the armed forces of the United States he will be able to return to society without further parole supervision. We, therefore, recommend that commutation of maximum sentence be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Myer Bauer, No. 8231, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Meyer Bauer, convicted of conspiracy, receiving stolen goods in the Court of Quarter Sessions of Philadelphia County on February 13, 1942 to be computed from January 15, 1942, be commuted from 10 years to 4 years and 1 month, expiring on February 15, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and this is the first time he has been convicted of any offense whatsoever. The applicant was sentenced to pay a fine of $2500.00 and to imprisonment in the Philadelphia County Prison for not less than four weeks nor more than ten years. After he served his minimum sentence he was released on parole. He has been on parole a period of four years. The sentence above referred to was imposed when the applicant purchased furs and fur coats to the value of $20,000.00 which had been stolen by another accomplice who was an employee of the victim.

The Board of Parole has reported to the Board of Pardons that the applicant has a good record and is now in the fur business with his father in New York. He is married and has a fifteen year old son. In this business he is required to travel extensively and this has handicapped him because he is not permitted to travel outside the State of New York without authority from the parole agent.

Since he has made good adjustment the Board of Pardons feels he should be given greater freedom of action, and we therefore recommend to your Excellency that commutation of his maximum sentence be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of James Burgit, No. 8151, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of James Burgit, convicted of burglary in the Court of Oyer and Terminer and Quarter Sessions of Luzerne County on April 6, 1945 be commuted from 2 years to 10 months, expiring on February 6, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age and this is the first time he has ever been convicted of any offense whatsoever. He was sentenced to a term of imprisonment in the Luzerne County Jail for not less than two nor more than four years for the burglary of a store taking a slot machine and whiskey. It appears that the applicant and his accomplice had been playing the machines and lost. After becoming intoxicated and the place had closed they went back and committed the crime.

The Warden of the Luzerne County Jail has written the Board of Pardons and stated that the applicant is a fine prisoner and he feels he could be released without further fear of a criminal career. Neither the trial judge or district attorney have any objection to the granting of this application.

Since the accomplice received a sentence of eleven months, and has since been paroled, and he was equally as guilty as the applicant the Board of Pardons is recommending that the sentence of the applicant be commuted, he having served approximately eleven months of his minimum sentence.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Walter Burke, D-2744, No. 4472, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Walter Burke, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County on December 31, 1937 to be computed from December 22, 1937 be commuted from 10 years to 8 years and 2 months, expiring on February 22, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age and he has now served over eight years of his minimum sentence of ten years for his participation in a series of armed robberies. He was a member of a gang and the applicant admits he participated in three of the holdups but denies his participation in the others.

It is reported to us that the applicant has an excellent institutional record and he has given twelve blood donations to the American Red Cross serum bank. The sentencing judge and the district attorney of Philadelphia County have advised the Board of Pardons they have no objection to the granting of commutation. It might also be stated that the accomplices with whom the applicant committed these three crimes, which he has admitted, have either served their minimum sentence or had their sentence commuted.

It is felt by the Board of Pardons that this applicant is entitled to the same consideration as shown his accomplices, and therefore, we recommend that commutation of sentence be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Samuel Cariola, No. 8237, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Samuel Cariola, convicted of violation of the Firearms Act in the Court of Quarter Sessions of Philadelphia County, on March 10, 1932, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and has no prior record. He was arrested while carrying a gun for his own personal protection and when it was learned that he had a gun in his possession without a permit he was sentenced to a term of imprisonment in the Philadelphia County Prison for thirty days for violation of the Firearms Act. This was fourteen years ago and since that time he has been in no further trouble.

At the present time he is employed as President and Business Manager of Hotel and Restaurant Employees Union, Local 301, A. F. of L., and feels that this black mark against his record will continue to haunt him, whereas he has attempted during these years to become a reputable and honest citizen. Further he feels that the stigma of this crime will attach to his wife and ten year old daughter.

Since he has made every effort to be cooperative with the authorities and has never before or since been in any trouble it is the feeling of the Board of Pardons that he should have this one mark removed from the record, and it is therefore recommended to your Excellency that a full and complete pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Patsy Carso, No. 54092, No. 6531, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Patsy Carso, convicted of burglary, in the Oyer and Terminer Court of Allegheny County, on April 15, 1941; and of burglary in the Oyer and Terminer Court of Butler County, on September 2, 1944, sentence to be computed from June 21, 1944 and to run concurrently with sentence imposed in Allegheny County, be commuted on Bill No. 7 March Session, 1941 (Allegheny County) from a minimum term of 5 years to a minimum term of 4 years and 10 months, expiring on February 15, 1946 and on Bill No. 8 March Sessions, 1942 (Butler County to run concurrent and to be computed from June 21, 1944) from a minimum term of 2 years to a minimum term of 1 year, 7 months, and 19 days, expiring on February 15, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty years of age and has never before been convicted of any offense whatsoever. He and two accomplices committed four burglaries and he was sentenced from Allegheny County to a term of not less than five nor more than fifteen years in the Allegheny County Workhouse and a concurrent sentence in Butler County for not less than two nor more than eight years. He has now served four years and nine months of his minimum sentence.

It is reported to the Board of Pardons that the applicant has a good prison record and has maintained an effort to rehabilitate himself. The trial judge, Honorable W. Heber Dithrich, has written the Board of Pardons that the application should be granted. The district attorney of Allegheny County leaves the matter of commutation up to the Board of Pardons.

Since this applicant has a good prison record and this is his first conviction, the Board feels he has been sufficiently punished and will make an honest effort to rehabilitate himself, and it is therefore recommended that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Emmett Cline, B-5936, No. 5785, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Emmett Cline, convicted of murder in the second degree in the Court of Oyer and Terminer of Westmoreland County January 21, 1938 to be computed from July 15, 1937, be commuted from 9 years to 8 years and 7 months, expiring on February 15, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-one years of age and was sentenced to a term of imprisonment in the Western State Penitentiary for not less than nine nor more than eighteen years for the fatal shooting of his sweetheart in what was apparently a suicide pact. At the time the shooting occurred the applicant and victim were intoxicated. It is believed however that the applicant lost his courage after taking the victim's life which resulted in his failing to go through with the other half of the pact. However, for the past eight and one-half years the applicant has an excellent institutional record in the Western State Penitentiary and there is no objection from the authorities in Westmoreland County to a commutation of sentence.

The Board of Pardon is of the opinion that the applicant has served a long period of time with an excellent record. and we therefore, recommend that the prayer of the petitioner be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

In re application of Albert Dunmore, D-4013, No. 6577, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Albert Dunmore, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on May 11, 1939 to be computed from April 21 1939 be commuted from 20 years to 6 years and 10 months. expiring on February 21, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age and this is the first time he has been convicted of any offense whatsoever. He and four accomplices were accused and convicted of a holdup of a store. The applicant was driver of the car used for the get away purpose. One of the accomplices had a gun. This applicant was involved in three holdups. He has now served six and one-half years of a minimum of twenty years.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that the applicant has a good prison record. The authorities from Philadelphia County have no objection to commutation of sentence at this time.

The Board of Pardons feels he is a first offender and has served a long period of time and will be able to rehabilitate himself if the prayer of the petition is granted. It is therefore recommended that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Clarence Frye, D-2098, No. 8228, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Clarence Frye, convicted of robbery, in the Oyer and Terminer and Quarter Sessions Court of Delaware County, on March 19, 1937 to be computed from February 25, 1937, be commuted on Bill No. 372 March Sessions, 1937, from a minimum term of 5 years to a minimum term of 4 years, expiring on February 25, 1946; on Bill No. 374 from a minimum term of 5 years to a minimum term of 1 day, expiring on February 26, 1946; on Bill No. 376 from a minimum term of 5 years to a minimum term of 1 day, expiring on February 27, 1946; on Bill No. 398 from a minimum term of 5 years to a minimum term of 1 day, expiring on February 28, 1946; and on Bill No. 403 from a minimum term of 5 years to a minimum term of 1 day, expiring on March 1, 1946. (Applicant has been granted parole on Bill No. 366).

Our reasons for making this recommendation are as follows:

The applicant is thirty-six years of age and was sentenced to a term of not less than thirty nor more than one hundred and twenty years in the Eastern State Penitentiary for a series of gas station robberies. The total loot in these robberies was approximately $200.00 and the applicant was engaged in six of them. At the present time the applicant has served nine years of this minimum sentence of thirty years.

The authorities in the Eastern State Penitentiary have advised us that he has an excellent reputation and he is considered to be a model prisoner.

The Board of Pardons feels this applicant has served a long period of time and that he should be given some credit at this time for his excellent institutional record, and we therefore, recommend that the minimum sentence of thirty years be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Anthony Gentile, No. 7168, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the flat sentence of Anthony Gentile, convicted of carrying concealed deadly weapons, unlawfully carrying firearms without a license in the Court of Quarter Session of Philadelphia County on January 15, 1942 to be computed from July 13, 1945, be commuted from 3 years to 7 months, expiring on February 13, 1946.

Our reasons for making this recommendation are as follows:

This applicant is twenty-six years of age and is serving a term of imprisonment in the Philadelphia County Prison for a period of three years for carrying concealed deadly weapons and unlawfully carrying firearms without a license. At the present time he has served over six months of this sentence.

There was presented to the Board of Pardons an affidavit of the victim in this case who stated therein that it is his sincere desire to see his friend, Anthony Gentile, given an opportunity to rehabilitate himself, and I will assist him in any way that I can. The trial judge and district attorney of Philadelphia County have stated to the Board of Pardons they have no objection to commutation and left the matter up to the Board.

Under these circumstances, we feel that the applicant should be given an opportunity to rehabilitate himself and that he be granted commutation of sentence at this time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Harry Gibbs, No. 8239, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Harry Gibbs, convicted of false pretense, forgery, uttering and publishing forged instrument in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County, on October 19, 1919, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is forty-seven years of age and he is asking for a pardon for a one year probationary sentence for the drawing of three checks for which he had no funds in the bank. The story given to the Board of Pardons is that he drew these checks to pay for onions which he expected to sell and make a profit. However, the bottom dropped out of the onion market and he could not sell these goods, and therefore, he was arrested. This occurred in 1919 and he has been in no further trouble since then and that is over twenty-six years ago. It is quite evident that since then he has learned to know his onions better.

We feel that twenty-six years without a recurrence shows his intention to become a law-abiding citizen, and it is therefore recommended to your Excellency that a full and complete pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Harry B. Guista, B-8743, No. 7631, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Harry B. Guista, convicted of voluntary manslaughter in the Court of Oyer and Terminer of Clarion County on August 25, 1943 to be computed from March 13, 1943, be commuted from 4 years to 2 years and 11 months, expiring on February 13, 1946.

Our reasons for making this recommendation are as follows:

The applicant is sixty-seven years of age and was sentenced to a term of imprisonment in the Western State Penitentiary for not less than four nor more than eight years on the charge of voluntary manslaughter. He has now served two years and ten months of his minimum sentence. The killing occurred when the victim accused the applicant of drinking his whiskey. When this was denied by the applicant the victim started to beat the applicant over the head with an iron bar. The applicant ran away from victim and went to his own home, victim followed and when he entered applicant got a gun and victim grabbed gun by the muzzle, applicant pushed victim away and the gun went off killing the victim.

The Board of Trustees of the Western State Penitentiary have stated to the Board of Pardons that the applicant has an excellent institutional record. This is the first time that he has ever been convicted of any offense whatsoever and there is no objection from the sentencing authorities from Clarion County to commutation.

In view of the fact that he has served nearly three fourths of his sentence the Board of Pardons is of the opinion that commutation should be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Augusta Harper, No. 8257, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Augusta Harper, convicted of murder in the second degree in the Court of Oyer and Terminer and General Jail Delivery of Allegheny County on April 20, 1945 to be computed from October 17, 1944, be commuted from 5 years to 1 year and 4 months, expiring on February 17, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-five years of age and she was sentenced on April 20, 1945, to a term of imprisonment in the Allegheny County Workhouse for not less than five nor more than ten years on the charge of murder in the second degree. Since her incarceration it has been shown this applicant is suffering from cancer of the breast and it was necessary to remove her to the Southside Hospital, in Pittsburgh, where she is presently confined.

She has only served a little over one year and three months of her five year minimum sentence, but the report from the physician, attendants, and the records at the hospital as produced at the hearing indicates that she has only a short time to live. The trial judge, Honorable Frank P. Patterson, has written the Board of Pardons and stated that he recommended clemency. The district attorney has not opposed the granting of this application.

Because of the peculiar way in which this applicant received the blow which is believed to have caused this cancer and the circumstances surrounding the crime which was committed, we believe she is being punished for her error by a higher judge, and we therefore, recommend that the clemency we can offer would be to grant commutation at this time. We, therefore, recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of James Jones, A-14216, No. 6437, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due

public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of James Jones, convicted of murder in the first degree in the Court of Oyer and Terminer of Allegheny County on June 18, 1925 be commuted from life imprisonment to 20 years and 8 months, expiring on February 18, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-three years of age and was sentenced to a term of life imprisonment in the Western State Penitentiary for murder. The applicant had on prior occasions had trouble with the victim and the victim on this prior occasion assaulted him with a butcher knife. The day of the fatal shooting the applicant was on his way home when the victim approached the applicant and the applicant fearing he would be again attacked drew a gun and shot the victim. He has now served nearly twenty-one years of a life sentence during which time he has had an excellent institutional record.

The trial judge and the district attorney of Allegheny County both feel that he is entitled to consideration at this time.

The Board of Pardons is of the opinion of having served over twenty-one years of a life sentence with an excellent institutional record he has rehabilitated himself to the point he can be given his freedom at the present time, and we therefore, recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Charlie Jordan, B-6721, No. 5669, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Charlie Jordan, convicted of statutory rape in the Court of Oyer and Terminer of Beaver County on May 6, 1939 to be computed from May 1, 1939 be commuted from 15 years to 6 years, 9 months and 9 days, expiring on February 10, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age and this is the first time he was convicted of any offense whatsoever. The applicant was sentenced to a term of imprisonment in the Western State Penitentiary for not less than five nor more than fifteen years on the charge of statutory rape. He was going with the victim in this case and wanted to marry her but the family objected because she was only fifteen years of age. There is no question there was no force used in the commission of the crime and as stated in the Board of Parole report it was indicated that he was amoral rather than anti-social.

The applicant has served his minimum sentence of five years and it has been since reported to us that he has a good parole record. He is now employed by the Pennsylvania Railroad Company and his position as firemen on the Buffalo Division requires that he goes out of the state periodically in the performance of his duties. This has resulted in a great deal of time and embarrassment in regards to securing the requisite authority from his parole agent. Further he is to be given a transfer to Jersey City, New Jersey, and he asks that commutation of his maximum sentence be granted in order that he may receive a final discharge from parole because it would be impossible for him to secure a new sponsor in New Jersey.

Since this applicant has maintained a good record while on parole and in order not to hinder his advancement with his employer the Board of Pardons feels that commutation of his maximum sentence be granted, and we therefore recommend same to your Excellency.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

JAMES H. DUFF,

BOARD OF PARDONS

In re application of Elizabeth Mangol, C-7206, No. 1270, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Elizabeth Mangol, convicted of murder of the second degree in the Court of Quarter Sessions of Philadelphia County on June 25, 1931 to be computed from May 20, 1931 be commuted from 20 years to 14 years and 9 months, expiring on February 20, 1946.

Our reasons for making this recommendation are as follows:

The applicant is fifty-four years of age and this is the only time she committed any offense whatsoever. This offense was caused by depressive psychosis which caused her to turn on the gas in her home. The family were in bed and as a result of this the fumes were detected by a neighbor and the police were called and found the family in a semi-conscious condition with the exception of her husband who was dead and her daughter who died the following day. She was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years and after having served approximately five years she was released on parole. She has now served an additional ten years on parole both under the supervision of the Philadelphia parole office and the New Jersey parole.

She has a very satisfactory adjustment and it is felt that this was a result of her very unusual conduct. The Board of Pardons feels this woman paid her debt to society by her incarceration in the Philadelphia County Prison and will never again commit any crime whatsoever, since she not only has suffered imprisonment but each and every day during her natural life has suffered through the thought of killing her husband and daughter. We feel that since there is no objection to the granting of this application by any of the sentencing authorities that we should recommend to your Excellency that the balance of her sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Curtis Melvin, D-1326, No. 8124, December Sessions, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Curtis Melvin, convicted of assault and battery with intent to kill in the Court of Quarter Sessions of Philadelphia County on September 21, 1943 to be computed from September 2, 1943, be commuted from 2½ years to 2 year, 5 months, and 8 days, expiring on February 10, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age and this is the first time he has ever been convicted of any offense whatsoever. He has now served two years and three months of a minimum sentence of two and one-half years. The cause of his confinement arose from an argument between himself and the victim while drinking and each cut the other with a razor.

The district attorney of Philadelphia County at the time of the hearing stated to the Board of Pardons that he did not feel the crime was assault with intent to kill and they think the applicant should be charged with aggravated assault and battery thereby reducing the sentence to one and one-half to three years. The Board of Trustees of the Eastern State Penitentiary have informed the Board of Pardons the applicant has a good record and for this reason the Board of Pardons feels the applicant should be granted commutation which he asks. We, therefore, recommend that commutation be granted.

Respectfully submitted,

BOARD OF PARDONS

In re application of Stanley Mscisz, D-7077, No. 5678, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Stanley Mscisz, convicted of entering with intent to steal, larceny, receiving stolen goods in the Court of Over and Terminer of Philadelphia County on July 16, 1936 to be computed from January 15, 1943, be commuted from 5 years to 3 years and 1 month, expiring on February 15, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-one years of age and he has served nearly three years of a minimum of five years. The applicant, however, has been continuously imprisoned for a period of nearly nine and one-half years due to a parole violation. The applicant stayed in the taxi while the accomplice would enter the store and steal fur coats and return to the taxi and drive off.

The Board of Trustees of the Eastern State Penitentiary have stated to the Board of Pardons the applicant has an excellent record and has made twenty-one blood donations to the American Red Cross serum bank. It is also stated that he has made an excellent prison adjustment.

It is felt that the applicant has certainly learned his lesson for the service of nearly a decade in prison for these crimes and this violation of parole. The Board of Pardons feels that if he is not rehabilitated at the present time he never will be and feels he should be given an opportunity now to show to this board and to himself that he is entitled to consideration. Under these circumstances, we are recommending to your Excellency that commutation be granted and that the applicant be placed on parole.

BOARD OF PARDONS

In re application of Charles Edward Porter, B-6848, No. 6802, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Charles Edward Porter, convicted of robbery in the Quarter Sessions Court of Washington County, on May 5, 1939 to be computed from May 1, 1939; and of breaking and escaping penitentiary, in the Quarter Sessions Court of Centre County on August 7, 1939, to be computed from May 4, 1943, be comumted on Bill No. 119 September Sessions, 1939 (Centre County) from a minimum term of 4 years to a minimum term of 2 years, 9 months, and 2 days, expiring on February 6, 1946. (Applicant has been granted parole on Bill No. 3 August Term, 1939—Washington County).

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and this is the first offense for which he has been convicted. The applicant was sentenced to a term of imprisonment in the Western State Penitentiary for not less than four nor more than ten years for robbery of a store using a toy pistol. He served the minimum of this sentence. However, while serving this sentence and while confined at Rockview Farm Prison he escaped and three days later he was recaptured and returned to the Western State Penitentiary. For this escape he was sentenced to a like term of four to ten years. At this time he has served nearly three years of the minimum sentence of four years for the escape. He has been continually confined, with the exception of the three days while on escape, for a term of six and one-half years and we feel that he has learned his lesson.

The Board of Trustees of the Western State Penitentiary have stated that he has maintained an excellent record in the institution even though he did escape. The Board of Pardons is of the opinion that he has served a long period of time for a $13.00 robbery and a three day escape, and therefore, recommends that his sentence be commuted.

BOARD OF PARDONS

In re application of John Joseph Pribics, D-4249, No. 7613, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Joseph Pribics, convicted of robbery, being armed with an offensive weapon, burglary in the Court of Oyer and Terminer and Quarter Sessions of Chester County on September 16, 1939 be commuted from 9 years to 6 years and 5 months, expiring on February 16, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty years of age and this is his first major conviction. At the present time he has served six years and four months of a minimum sentence of nine years. The applicant and five accomplices committed one armed robbery and three breaking and entering where a small amount of loot was taken.

The applicant has a good institutional record in the Eastern State Penitentiary and the authorities in Chester County have no objection to his release at the present time. All of the accomplices, with the exception of one, have been released on parole.

The Board of Pardons feels this applicant has served a substantial portion of his sentence and since he is virtually a first offender we feel that commutation at this time is warranted, and it is therefore recommended that commutation be granted.

In re application of Robert Hermogenes Rivera, D-4954, No. 6654, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Robert Hermogenes Rivera, convicted of voluntary manslaughter in the Court of Quarter Sessions of Chester County on May 31, 1940 to be computed from April 1, 1940 be commuted from 6 years to 5 years, 10 months and 9 days, expiring on February 10, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty-five years of age and he is serving a sentence in the Eastern State Penitentiary for not less than six nor more than twelve years for the charge of voluntary manslaughter. The sentence resulted after an argument betwen the applicant and fellow worker and the applicant hit him over the head with a 2x4 causing his death. Applicant claims that the victim had threatened him.

At the present time the applicant has served all but four months of his minimum sentence of six years in the Eastern State Penitentiary. The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that this applicant has an excellent institutional record. There is no objection to the granting of commutation by any of the sentencing authorities.

Since the applicant has no prior criminal record and he has served the major portion of his minimum sentence. the Board of Pardons feel that they should give him another opportunity to rehabilitate himself, and we therefore, recommend that his sentence be commuted.

BOARD OF PARDONS

In re application of Ruth Robinson, No. 6939, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undesigned members of the Board of Pardons recommend that the maximum sentence of Ruth Robinson, convicted of assault and battery, assault and battery with intent to kill in the Court of Quarter Sessions of Philadelphia County on December 5, 1941 to be computed from November 28, 1941 be commuted from 6 years to 4 years and 3 months, expiring on February 28, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age and this is the first offense for which she was sentenced to prison. The applicant had been severely attacked a short time before the happening of this occurrence, she thereafter armed herself with a gun and several days later shot the victim who had caused the attack on her. The applicant has served her minimum sentence at Muncy State Industrial Home for Women and now seeks a commutation of her maximum sentence in order that she may enter business which she says she is unable to carry on while under parole. It was stated to the Board of Pardons through her counsel that she was about to engage in business through the assistance of a friend in the sum of $2500.00 but this friend will not provide the money unless her parole is lifted.

To have this opportunity lost to her because of her continued parole supervision, which she does not seem to need, would be an additional penalty and one which was not contemplated by the sentencing judge. Therefore, under these circumstances we feel that we should recommend to your Excellency that her maximum sentence be commuted.

BOARD OF PARDONS

In re application of Michael Slavin, No. 7661, December Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Michael Slavin, convicted of assault and battery, aggravated assault and battery in the Court of Quarter Sessions of Philadelphia County, on July 2, 1941, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and while acting as a tipstaff in the court room of Honorable Harry S. McDevitt, he became involved in an argument with a witness in a case in which he had taken a particular interest. As a result a fight ensued outside the court room and the applicant was placed under arrest and was sentenced to a term of imprisonment in the Philadelphia County Prison for not less than three month nor more than one year and he was also discharged from his position. After serving his minimum sentence he was placed on paroe. The applicant has been in no further trouble since 1941.

Prior to him becoming a tipstaff in Judge McDevitt's court room he had a very efficient record with the Philadelphia Police force rising in rank from subpatrolman to the grade of lieutenant of the detective division within a period of twelve years. In that time he was officially commended for the acts of heroism and bravery in no less than seven times.

Honorable Harry S. McDevitt has written the Board of Pardons in which he has stated that he makes no effort to condone the crime for which he was convicted. " . . I think, however, that the alleged assault was greatly exaggerated with respect to the injuries. I do think that this unusual service as a police officer entitled him to favorable consideration and states that although he was compelled to dismiss him he feels sorry for him because he would have had a lifetime job with the judge if this matter had not intervened." The trial judge, Honorable James C. Crumlish, has also written the Board of Pardons and stated he was of the opinion that he has been ". . . sufficiently penitent" and the record against him has interfered with his efforts to earn a livelihood.

To have this record upon this applicant after the lapse of a period of four and one-half years when he has more than paid his debt to society through three months imprisonment and the loss of his job would seem to the members of the Board of Pardons to come under the heading of cruel and unusual punishment. We, therefore, feel that this applicant's slate should be wiped clean and therefore recommend that a full and complete pardon be granted.

BOARD OF PARDONS

In re application of Ralph Abbonizio, D-904, No. 5156, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Ralph Abbonizio convicted of robbery, being armed with an offensive weapon, in the Quarter Sessions Court of Philadelphia County on October 9, 1935, be commuted on Bill No. 784 September Sessions, 1935, from a minimum term of 5 years to a minimum term of 3 months, expiring on January 9, 1946. (Applicant has been granted parole on Bill No. 780).

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age and this is the first time he was ever incarcerated for any offense whatsoever. He was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than fifteen nor more than forty years for the crime of robbery. This conviction was a result of two youth who felt they could make an easier living by committing robbery than by honest toil.

The Board of Trustees of the Eastern State Penitentiary has stated that this applicant has an excellent institutional record both as to disciplinary and industry. The trial judge, Honorable Raymond MacNeille, stated he has no objection to the granting of commutation if the applicant has a good prison record which is heretofore certified. The district attorney of Philadelphia County has no objection to the granting of this commutation.

This applicant has served over ten years of his minimum sentence of fifteen years and we feel that he has been sufficiently punished and if given an opportunity to rehabilitate himself he will be worthy of the trust we place in him. We, therefore, recommend that commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of August John Cenevivo, B-7125, No. 5586, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on August John Cenevivo, convicted of robbery, in the Quarter Sessions Court of Westmoreland County, on March 4, 1940 to be computed from November 24, 1939; and of robbery in the Over and Terminer Court of Allegheny County, on April 24, 1941, be commuted on Bill No. 3 October Sessions, 1940, from a minimum term of 10 years (Bill No. 22 February Sessions, 1940—Westmoreland County concurrent) to a minimum term of 4 years, 8 months, and 21 days, expiring on January 15, 1946.

Our reasons for making this recommendation are as follows:

This applicant is thirty-six years of age and this is the first time the applicant has been incarcerated for any crime for which he was charged. He was sentenced to

a term of imprisonment in the Western State Penitentiary for not less than eight nor more than sixteen years for the crime of robbery.

This applicant since his incarceration over five years ago has consistently maintained his innocence that he was not connected with this charge of robbery. It is now revealed that this applicant may have been mistakenly identified. Whether or not this applicant did commit these two crimes for which he is charged with he has served over five and one-half years of his minimum sentence.

The Board of Trustees of the Western State Penitentiary have written that they would recommend him for parole because of his excellent institutional record and the length of time he has served.

The Board of Pardons feels that this applicant has been sufficiently punished and should be given commutation of his sentence at this time because we feel he will not again engage in criminal activities if given his freedom.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Stephen D'Zurko, No. 48764, No. 6564, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Stephen D'Zurko, convicted of robbery in the Court of Oyer and Terminer of Allegheny County on December 15, 1938 to be commuted from November 16, 1938 be commuted from 10 years to 7 years and 2 months, expiring on January 16, 1946.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age and this is the first time he has been convicted of any offense whatsoever. He has now served over seven years of his minimum sentence of ten years.

The Warden of the Allegheny County Workhouse has stated to the Board of Pardons that the applicant has a good institutional record. The district attorney of Allegheny County has no objection to the granting of commutation at the present time.

The Board of Pardons feels this applicant has served a long sentence for a first offender and has been sufficiently punished and if given an opportunity to rahibilitate himself he will be worthy of the trust we place in him. We, therefore, recommend that his sentence be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,

BOARD OF PARDONS

In re application of John Evans, B-8652, D-6737, No. 8180, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Evans, convicted of involuntary manslaughter in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on September 30, 1942 be commuted from 4 years to 3 years, 3 months, and 15 days, expiring on January 15, 1946.

Our reasons for making this recommendation are as follows:

This applicant is thirty-seven years of age and this is the first time he has been incarcerated for any offense whatsoever. He was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than four nor more than eight years for the crimes of involuntary manslaughter. At the present time he has served over three years of his minimum sentence of four years. This is one of these unfortunate episodes which often occur among members of the applicant's race where fights occur and lives are taken.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that this applicant has a very good adjustment at Rockview where he is confined. The deputy warden of that institution reports that his disciplinary record is excellent and they recomment favorable consideration. The trial judge, Honorable Eugene Alessandroni, has advised the Board of Pardons that he would leave the matter of commutation entirely up to the Board. The district attorney of Philadelphia County has also left the matter of commutation up to the Board of Pardons.

Under these circumstances the Board of Pardons feels that this applicant has been sufficiently punished and recommend that his petition should be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Oscar Ralph Goetz, B-5363, No. 4824, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Oscar Ralph Goetz, convicted of robbery in the Court of Oyer and Terminer of Erie County on January 11, 1937 be commuted from 12 years to 9 years, expiring on January 11, 1946.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and this is his first major conviction. He was sentenced to a term of imprisonment in the Western State Penitentiary for not less than six nor more than twelve years. On July 6, 1942 the Board of Pardons commuted his sentence and he was released on parole November 11, 1942. The applicant is asking for commutation of his maximum sentence.

The purpose for commutation of maximum sentence is

to permit him to go to Canada to manage the manufacture of patented couplers. He will receive a 10% royalty of all sales. This is an opportunity for this applicant to make a new start in life. The Board of Parole has advised the Board of Pardons that this applicant has a very good adjustment under their parole supervision and they have no objection to whatever action the Board of Pardons takes in this matter.

The Board of Pardons feels that he has now reached a point he should be further aided by commutation of his maximum sentence in order that he may make this step forward. Therefore, we recommend that his maximum sentenced be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of William J. Haugh, No. 8195, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that William J. Haugh, convicted of assault and battery in the Court of Quarter Sessions of Allegheny County, on May 15, 1940, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-five years of age and this is the first time he was ever convicted of any crime whatsoever. It seems this was the case of a peace maker intervening and then being charged with the offense in which he was endeavoring to settle.

The trial judge has stated he understands the applicant has a very good military record and if such is the case recommends that a pardon be granted. The district attorney is not opposed to the granting of a pardon.

The applicant served four years, eight months, and fifteen days in the armed forces of the United States and had a very good military record, thirty-five months of which was served overseas, during which time he was wounded and received the order of the Purple Heart. The applicant is now attempting to rehabilitate himself and has secured a position and is taking care of his obligations.

Under the circumstances we feel that this applicant has earned the right to have his slate wiped clean and we therefore recommend that a pardon be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of John Hogan, No. 7437, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Hogan, convicted of robbery and assault in the Court of Quarter Sessions of Delaware County on October 6, 1942 be commuted from 5 years to 3 years and 3 months expiring on January 6, 1946.

Our reasons for making this recommendation are as follows:

This applicant is thirty-three years of age and has no prior criminal record. He has now served over three years and two months of his minimum sentence of five years.

This applicant is not of a character or a person usually found committing crimes. He has an excellent record in the Delaware County Prison. This applicant's incarceration resulted from an excessive use of intoxicating liquor which the applicant feels he has overcome. Upon his release he will be restored to his clerical duties and will receive the proper supervision from the church.

The Board of Pardons feels that this applicant has served a sufficient length of time for the crime committed, and therefore, recommends that his sentence be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Charles C. Jones, D-1988, No. 6585, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles C. Jones, convicted of robbery, being armed with an offensive weapon in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County on March 1, 1937 be commuted from 10 years to 8 years 10 months and 19 days, expiring on January 20, 1946.

Our reasons for making this recommendation are as follows:

This applicant is thirty-one years of age and this is the first time he has been convicted of any offense whatsoever. He was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years for the charge of robbery. He and his accomplice held up a store with a gun and the loot taken was $20.00. Later they also robbed a person of $53.13. This occurred back in the early spring of 1937.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that this applicant has an excellent disciplinary record and his adjustment is good. The trial judge, Honorable Harry S. McDevitt, has stated that whether or not he should be released is entirely up to the Board of Pardons. The district attorney of Philadelphia County has stated he has no objection to the granting of commutation at the present time.

This applicant has now served nearly nine years of his minimum sentence of ten years and because of his outstanding record at the institution and the length of time served, we feel if he should be given an opportunity to rehabilitate himself he will be worthy of the trust we place in him. We, therefore, recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Louis Lalli, No. 8197, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Louis Lalli, convicted of sodomy and buggery in the Court of Quarter Sessions of Philadelphia County, on December 30, 1920, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is forty-one years of age and this is the first time he was ever convicted of any offense whatsoever. This offense occurred when the applicant was about sixteen years of age. Applicant's arrest arose by reason of his attempt to have arrested the actual participants in unnatural sexual relations.

President Judge of Common Pleas Court No. 1, has written the Board of Pardons he has no objection to the granting of a pardon in this case.

The applicant is at present engaged in the operation of an automatic music machine company in Philadelphia. He has established himself in business and been very successful; he has established himself in the community in which he lives and been successful; he has established himself successfully with his church. For the above reasons we feel that the applicant should have the black mark removed from his record in order that he may continue the successful life which he has lead in the past twenty-five years, and therefore recommend that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Stanley Martin, B-854, No. 180A, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Stanley Martin, convicted of rape; robbery, in the Oyer and Terminer Court of Allegheny County, on June 19, 1928, be commuted on Bill No. 46 June Sessions, 1928, from a minimum term of 10 years to a minimum term of 2 years and 6 months, expiring on December 19, 1945.

Our reasons for making this recommendation are as follows:

The applicant is one of many prisoners whose release on parole has been affected by the opinion of the Supreme Court in the case of Commonwealth of Pennsylvania ex rel. Thomas Lynch v. Stanley P. Ashe, Warden of the Western State Penitentiary, 320 Pa. 341. In this opinion it was held that unless a prisoner, who was serving sentences imposed to run consecutively, was recommended and approved for parole at the expiration of the first minimum sentence, he would be serving the maximum of that sentence, and if no recommendation for parole was made at the expiration of the second and subsequent minimum of sentences imposed to run consecutively, the prisoner would be serving the maximum of the second and subsequent sentences. In other words, a prisoner serving an indeterminate sentence is not automatically paroled at the expiration of the minimum term but is merely eligible for parole at that time, and if not favorably considered by the Prison Board at any time thereafter, the prisoner is required to seve the full sentence.

It was the custom for a long period of time for the officials of both the Eastern and Western State Penitentiaries to lump consecutive sentences and the Boards of Trustes would only make recommendations for release on parole at the expiration of the period of time equal to the total of the minimum sentences.

Since the Supreme Court held this procedure improper, the applicant and others, whose cases were not considered for parole at the expiration of their minimum sentences, through no fault of their own, will have to serve a much longer period of time than contemplated by the sentencing judge and the prison officials.

The failure of the Board of Trustees to make the necessary recommendations for parole at the expiration of the minimum sentences was an honest mistake, as most, if not all, sentencing judges shared the same view as the prison officials in deeming it to be unnecessary to make recommendations for parole at the expiration of the minimum of every consecutive sentence. Sentencing judges throughout the state have uniformly believed and taken into consideration in passing sentences the Prison Board practice that consecutive sentences would be lumped making a total minimum and a total maximum.

We believe that a great injustice would be done and that it would be most unfair to keep the applicant incarcerated for a longer period of time than recommended by the Board of Trustees of the institution in which the applicant is confined.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of John Morris, C-4776, No. 807, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members

of the Board of Pardons recommend that the sentence of imprisonment imposed on John Morris, convicted of entering with intent to steal, larceny, in the Oyer & Terminer and Quarter Sessions Court of Philadelphia County, on September 4, 1928, be commuted on Bill No. 1086 August Sessions, 1928, from a maximum term of 10 years to a maximum term of 7 years and 4 months, expiring on January 4, 1946.

Our reasons for making this recommendation are as follows:

This applicant is forty-one years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years. He and his accomplice were accused and convicted of entering with intent to steal and larceny. This applicant had his sentence commuted on April 18, 1934 and was released on parole on June 27, 1934. He has been on parole for over eleven and one-half years.

At the present time the applicant is employed as manager of the Cocktail Lounge at the Rodney Hotel in Wilmington, Delaware. This position is one of trust and responsibility, parolee having six other employees under his supervision, and he handles from $500 to $800 in cash every night. Applicant is earning a salary on an average of $100 per week plus tips. The applicant is a capable person and permission was granted him to commute between Philadelphia, Pennsylvania, and Wilmington, Delaware, for the purpose of accepting this employment.

The trial judge, Honorable Raymond MacNeille, has written the Board of Pardons stating that he would leave the matter of commutation entirely up to the Board of Pardons. The Board of Parole has advised us that his parole has been satisfactory.

The applicant desires this commutation of his maximum sentence in order that he may further himself with his employer and if called upon to furnish bond he would be able to do so. The Board of Pardons feels this applicant should be given a commutation of his maximum sentence which would indicate the faith and confidence which is being placed in him at the present time. We, therefore, recommend that the commutation of his maximum sentence be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

In re application of Salvatore Perillo, D-1803, No. 7910, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Salvatore Perillo, convicted of robbery, being armed with an offensive weapon in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County, on December 17, 1936, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and a veteran of World War II. He has no prior record up to the commission of this crime, which was robbery. After having served his minimum term he enlisted in the armed forces and served with the paratroops overseas. He has one of the most outstanding records of any applicant ever appearing before the Board of Pardons. He rose to the rank of staff sergeant, as medical corpsman with the paratroopers and in various engagements in which the armed forces fought in Europe. This applicant received the Good Conduct Medal, Silver Star, Bronze Star with two Oak Leaf Clusters, Purple Heart with three Oak Leaf Clusters and is recommended for the Distinguished Service Cross. His record is outstanding for gallantry in action and in service to his fellow troops.

The Board of Pardons feels that under these circumstances this man has more than paid his debt to society and should have this mark removed from his name and therefore recommend that a pardon be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

In re application of Jack Sheak, D-4144, No. 6070, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Jack Sheak, convicted of robbery in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County on July 11, 1939 to be computed from June 16, 1939 be commuted from 7 years to 6 years and 7 months, expiring on January 16, 1946.

Our reasons for making this recommendation are as follows:

This applicant is thirty years of age and has now served six and one-half years of a minimum sentence of seven years for the charge of robbery.

The district attorney of Philadelphia County has stated to the Board of Pardons he was not opposed to the granting of commutation at this time. The trial judge, Honorable Raymond MacNeille, has advised us that he has no objection to the granting of commutation. The Board of Trustees of the Eastern State Penitentiary has informed the Board of Pardons that this applicant's disciplinary record is excellent as is his prison attitude. He has established an excellent work record in the plumbing shop and in a novelty woodworking shop. He has invested $100.00 in War Bonds and made twelve blood donations to the American Red Cross serum bank.

Under these circumstances we feel that this applicant is entitled to some clemency, and therefore, we recommend that his sentence be commuted.

In re application of Michael Ralph Tancredi, D-3906, No. 5827, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Michael Ralph Tancredi, convicted of robbery being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County on March 31, 1939 to be computed from March 21, 1939 be commuted from 10 years to 6 years and 10 months, expiring on January 21, 1946.

Our reasons for making this recommendation are as follows:

This applicant is twenty-seven years of age and he has now served nearly seven years of his minimum sentence of ten years. This is his first time he has been convicted of any offense whatsoever. The crime for which he was incarcerated was robbery at gun point.

The Board of Trustees of the Eastern State Penitentiary have stated to the Board of Pardons that this applicant has maintained an excellent adjustment and attitude and the custodial officer states he is a model prisoner. He has contributed generously toward the support of his family. Twelve blood donations to the American Red Cross serum bank and three direct blood transfusions are reported to other inmates. The trial judge, Honorable Harry S. McDevitt, who has seen this inmate on various occasions for the past six and one-half years has stated that he would be inclined to give him another chance if the matter was within his sole jurisdiction. The district attorney of Philadelphia County has also stated to the Board that he had no objection to the granting of commutation at the present time. One of the applicant's accomplice have been commuted, and under these circumstances, since he had no worse record than the applicant we feel commutation should be granted to this applicant.

BOARD OF PARDONS

In re application of Hampton Thompson, D-1919, No. 7879, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Hampton Thompson, convicted of aggravated assault and battery in the Court of Quarter Sessions of Philadelphia County on November 20, 1944, be commuted from 1½ years to 1 year and 2 months, expiring on January 20, 1946.

Our reasons for making this recommendation are as follows:

This applicant is twenty-three years of age and never before been convicted of any offense whatsoever. He was sentenced to a term of not less than one and one-half nor more than three years in the Philadelphia County Prison for the crime of aggravated assault and battery. This conviction grew out of an argument in which the victims, of whom, there were three, attempted to cut the applicant and applicant made an effort to defend himself with a small pen knife.

The applicant has a good institutional record and the trial judge, Honorable Frank Smith, has stated to the Board of Pardons that he would leave the matter of commutation entirely up to the Board of Pardons.

Since the applicant has served over two-thirds of his minimum sentence and never having been in trouble we feel this applicant has served a sufficient length of time and because of his institutional record should be granted commutation at this time. We, therefore, recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,

In re application of Allen I. Wallen, D-1184, No. 7616, November Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Allen I. Wallen, convicted of robbery in the Court of Oyer & Terminer and Quarter Sessions of Berks County on March 12, 1936, be commuted from 10 years to 9 years and 10 months, expiring on January 12, 1946.

Our reasons for making this recommendation are as follows:

The applicant is forty years of age and he has a very long criminal record. Although at the present time he has served nine years and eight months of a minimum sentence of ten years.

This applicant is asking that he be given credit for the time he served in jail while awaiting trial, December 25, 1935 to March 12, 1936, in order that he may be released to answer a parole violation in the State of California.

The Board of Trustees of the Eastern State Penitentary state that he has made a good adjustment in the Graterford institution where he is confined. The trial judge has stated that he had no objection to giving credit to this applicant for his commitment time.

The Board of Pardons therefore recommends that this applicant be granted his jail time, the sentence expiring on January 12, 1946.

BOARD OF PARDONS

In re application of Hayward Andrew Beard, No. 8104, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Hayward Andrew Beard, convicted of voluntary manslaughter in the Court of Quarter Sessions of Delaware County on June 18, 1943 be commuted from 5 years to 2 years and 6th months, expiring on December 18, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and this is the first time he had ever been convicted. He was sentenced on a charge of voluntary manslaughter to a term of not less than five nor more than ten years in the Delaware County Prison.

There is a letter in the files from the trial judge, Honorable Harold L. Ervin, of Delaware County, who states the applicant has been an exemplary prisoner in jail and further states that from the circumstances surrounding the crime, the woman, who was acquitted by the jury, was guilty rather than the applicant. It is further stated he feels this period of time which has already been served has done the applicant as much good as any longer period of time could do him, therefore recommends favorable consideration. The district attorney in his appearance before the Board of Pardons stated he did not object.

The Board of Pardons, therefore, under the circumstances recommends that the application for commutation be granted.

Respectfully submitted,

Lieutenant-Governor.

BOARD OF PARDONS

In re application of Edward Betts, B-3865, No. 179A, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Edward Betts, convicted of breaking and entering, larceny, in the Quarter Sessions Court of Clinton County, on November 3, 1933; be commuted on Bill No. 29 September Sessions, 1933 from a maximum of 4 years to a maximum of 3 years 11 months and 27 days expiring on ctober 30, 1945; on Bill No. 30 from a minimum of 2 years to a minimum of 1 day, expiring on November 1, 1945; on Bill No. 31 from a minimum of 2 years to a minimum of 1 day, expiring on November 2, 1945; and on Bill No. 32 from a minimum of 2 years to a minimum of 1 day, expiring on November 3, 1945.

Our reasons for making this recommendation are as follows:

The applicant is one of many prisoners whose release on parole has been affected by the opinion of the Supreme Court in the case of Commonwealth of Pennsylvania ex rel. Thomas Lynch v. Stanley P. Ashe, Warden of the Western State Penitentiary, 320 Pa. 341. In this opinion it was held that unless a prisoner, who was serving sentences imposed to run consecutively, was recommended and approved for parole at the expiration of the first minimum sentence, he would be serving the maximum of that sentence, and if no recommendation for parole was made at the expiration of the second and subsequent minimum of sentences imposed to run consecutively, the prisoner would be serving the maximum of the second and subsequent sentences. In other words, a prisoner serving an indeterminate sentence is not automatically paroled at the expiration of the minimum term but is merely eligible for parole at that time, and if not favorably considered by the Prison Board at any time thereafter, the prisoner is required to serve the full sentence.

It was the custom for a long period of time for the officials of both the Eastern and Western State Penitentiaries to lump consecutive sentences and the Boards of Trustees would only make recommendations for release on parole at the expiration of the period of time equal to the total of the minimum sentences.

Since the Supreme Court held this procedure improper, the applicant and others, whose cases were not considered for parole at the expiration of their minimum sentences, through no fault of their own, will have to serve a much longer period of time than contemplated by the sentencing judge and the prison officials.

The failure of the Board of Trustees to make the necessary recommendations for parole at the expiration of the minimum sentences was an honest mistake, as most, if not all, sentencing judges shared the same view as the prison officials in deeming it to be unnecessary to make recommendations for parole at the expiration of the minimum of every consecutive sentence. Sentencing judges throughout the state have uniformly believed and taken into consideration in passing sentences the Prison Board practice that consecutive sentences would be lumped making a total minimum and a total maximum.

We believe that a great injustice would be done and that it would be most unfair to keep the applicant incarcerated for a longer period of time than recommended by the Board of Trustees of the institution in which the applicant is confined.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Louis Cabona, No. 4503, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Louis Cabona, convicted of enticing a minor for immoral purposes, statutory rape, in the Court of Quarter Sessions of Delaware County, on October 20, 1938, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant seeks a pardon on the charge of statutory rape and enticing a minor under the age of sixteen years for immoral purposes. This is a very peculiar case. Although this applicant has continuously maintained his innocence he was unfortunately convicted and sentenced to a term of not less than three nor more than six years in the Delaware County Prison, his maximum sentence expiring October 20, 1944.

At the time of the hearing in this case there was presented to the Board of Pardons documentary evidence that showed this applicant by trade is a seaman and that at the time it was alileged this offense was committed the Department of Commerce of the United States through the Seamen's Discharge Book shows that he was on the

high seas aboard the Sun Oil Tanker, S. S. Joseph N. Pew. Since it is impossible for him to have committed this act while on the high seas we feel that this applicant was improperly convicted and being improperly convicted and having spent three years in jail for a crime which would be out of the question for him to have committed, he certainly should be entitled to a pardon at this time.

The trial judge states he has no objection to the granting of a pardon.

The Board of Pardons certainly feel that this man should be granted a pardon because it is apparent from the records in this case he was not the guilty party.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Frank Detwiler, B-3590, No. 4407, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Frank Detwiler, convicted of robbery, etc., in the Oyer & Terminer Court of Westmoreland County, on February 20, 1933; and of burglary, etc., in the Quarter Sessions Court of Fayette County, on November 27, 1936; and of larceny, in the Quarter Sessions Court of Washington County, on August 26, 1938, be commuted on Bill No. 149 February Sessions, 1933 (Westmoreland County) from a minimum term of 10 years to a minimum term of 2 years, 10 months, expiring on December 20, 1945. (Applicant has been granted parole on Bill No. 150 February Sessions, 1933).

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and for a period of approximately six months, during the latter part of 1932 and the beginning of 1933, the applicant and four accomplices were a crime wave in the western part of Pennsylvania. The applicant and his accomplices robbed three homes, three stores and heldup a National Bank and obtained $4,000.00. Guns were used, two cars were stolen, in all there were sixteen charges placed against the applicant and his accomplices. They all received very substantial sentences of not less than twenty nor more than forty years and that was the sentence imposed upon this applicant in Westmoreland County. A similar concurrent sentence was imposed in Fayette County and another sentence of one and one-half to three years was imposed in Washington County.

This is the first time the applicant was ever convicted of any offense whatsoever and the Board of Trustees of the Western State Penitentiary have written the Board of Pardons that they would recommend the applicant because it is the first time he was ever convicted; because he has an excellent institutional record and because he is a very cooperative inmate, having served over twelve and one-half years and finally because all his accomplices have been released.

There is no objection from any of the sentencing authorities in the three counties which would nidicate that they object to the release of this individual. However, the district attorney of Westmoreland County has written the Board of Pardons and states he thought the sentence was fair. The Board of Pardons in recommending this commutation does so for the following reasons: first, this applicant has served nearly four-fifth of his minimum sentence of twenty years and he is the last of the group to remain in prison, all of his accomplices having been released and it is not shown this applicant was the leader of the group. He certainly did not have any worse criminal record than the rest of his accomplices.

For the above reasons we feel it would be unjust to punish this prisoner any more than the time he has already served, and therefore, we recommend that his sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of John Dobranski, B-5050, No. 4453, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on John Dobranski, convicted of robbery, receiving stolen goods and larceny, in the Oyer and Terminer Court of Allegheny County, on April 29, 1936, be commuted on Bill No. 1 February Sessions, 1936, from a minimum term of 5 years to a minimum term of 4 years, 7 months, and 20 days, expiring on December 19, 1945. (Applicant has been granted parole on Bills Nos. 18, 25 and 152).

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and was sentenced to a term of not less than ten nor more than twenty years on a charge of robbery, receiving stolen goods and larceny. He has now served nine and one-half years of his minimum sentence.

The Board of Trustees of the Western State Penitentiary have reported to the Board of Pardons that the applicant has a good institutional record and that if he was eligible to apply for parole they would recommend him because of his record in the penitentiary and the time that he has served of his minimum sentence. The trial judge and the district attorney have both stated to the Board that they leave the matter of commutation of the sentence of the applicant up to the Board of Pardons.

The Board of Pardons concludes that since this applicant has (1) an excellent institutional record, and (2) has served all but six months of the minimum sentence, and (3) there is no opposition to the granting of commutation that the applicant should be given an opportunity to show that he intends to maintain his good conduct on the outside of prison. He also should be given time for credit for the time that he served in prison before sentence. We, therefore, recommend that the sentence of the applicant be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Logan B. Dress, No. 8125, October Session 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Logan B. Dress, convicted of robbery, assault in the Court of Quarter Sessions of Delaware County, on March 24, 1939, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age and this is the only time he was ever convicted of any offense whatsoever. It is alleged that when the applicant was a youth of seventeen he snatched a woman's pocketbook and was sentneced to a term of not less than one and one-half nor more than three years for this crime.

After being released from the Delaware County Prison he was inducted into the armed forces of the United States and served with distinction in the Southwest Pacific with the 359th Ordnance Company. He rose to the rank of Sergeant, Technician 4th Grade. He would like now to enter the Philadelphia School of Industrial Arts in order to fit himself for civilian life. Applicant is of course unable to do this with the stigma of this youthful anti-social act upon his name.

We believe his record with the armed forces has indicated that he has gotten over this anti-social attitude and since he has served honorably and well in the armed forces of the United States we recommend that he be given a pardon.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

JAMES H. DUFF,

BOARD OF PARDONS

In re application of Peter Drost, Jr., No. 8120, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Peter Drost, Jr., convicted of aggravated assault and battery in the Court of Quarter Sessions of Allegheny County, on January 23, 1945, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age and has no prior criminal record. Applicant and girl friend got into an argument and in the course of this argument the girl friend hit the applicant and applicant in turn hit her and gave her a black eye. She then caused a prosecution to be brought and the applicant was placed on probation for six months.

This was a rather unfortunate affair in that the applicant comes from a good family and the investigator for the Board of Parole intimates that this action was brought in an effort to secure an exhorbitant bill for clothes and time lost at work on account of discoloration of the eye.

The trial judge, Honorable Walter P. Smart, felt that the victim was as much to blame as the applicant but stated he was required to impose sentence because the applicant plead guilty, and he is not opposed to the granting of a pordon. The district attorney's office has stated to the Board of Pardons that they do not oppose the granting of a pardon in this case.

The applicant is at present a Food Inspector for the Federal Government and he and his family are very highly thought of and respected citizens in the community in which they live.

The Board of Pardons is of the opinion that this criminal prosecution was brought solely for the purpose of attempting to collect a civil debt and that the applicant, although technically guilty of aggravated assault and battery, should not have this matter held against him. We, therefore, recommend that the pardon be granted as prayed for by the applicant.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of John Eglar, B-2341, No. 1456, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John Eglar, convicted of robbery in the Court of Oyer and Terminer of Allegheny County, on November 24, 1930 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is thirty-six years of age and was convicted of the crime of robbery and sentenced to a term of not less than ten nor more than twenty years in the Western State Penitentiary. The applicant has steadfastly maintained his innocence in this case and after serving a term of six years and one month, the Board of Pardons commuted his sentence. Following his release on parole the applicant was inducted into the United States Army on June 20, 1942, with the 800th Ordnance Company until his release from the Army on October 5, 1943. This applicant since his release from the Army with an Honorable Discharge has been employed by the American Red Cross, Pittsburgh, Pennsylvania, in charge of the Red Cross medical vehicles and at the present time is responsible for the care and maintenance of 10 automobiles, 2 station wagons and 1 ambulance. The reason for his discharge from the army was on the basis of disability.

Because of his protestation of innocence and the fact that there is attached to the application and made a part thereof, an affidavit of one John Skorski, wherein he states the applicant did not commit the crime for which he served his sentence and since this applicant has served his country in the armed forces, had an excellent record while on parole and the added fact that there may be some truth in his protestation of innocence we feel he is entitled to a pardon at this time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.

WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Lenzi Forino, B-3475, No. 8086, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Lenzi Forino, convicted of murder, in the second degree in the Court of Oyer and Terminer of Allegheny County on December 5, 1932, be commuted from 16 years to 13 years and 10 days, expiring on December 15, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age and this is the first time he was ever convicted. He was sentenced to a term of from eight to sixteen years in the Western State Penitentiary for the murder of his wife from whom he had been separated. Applicant has served his minimum sentence and been on parole for a period of nearly five years. This applicant has an excellent record since he has been released from the penitentiary and has been steadily employed.

The Board of Parole reported to the Board of Pardons that he has maintained a steady work record and has been cooperative in all instances. The district attorney of Allegheny County has written the Board of Pardons he has no objection to his receiving commutation of his maximum sentence at the present time. This application was filed in order to escape deportation which was contemplated in July of this year.

The Board of Pardons does not feel that they can grant a pardon for the crime which applicant committed, however, since he has an excellent record the Board recommends that his maximum sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Frank Getz, B-3371, No. 4039, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Frank Getz, convicted of arson in the Court of Oyer and Terminer of Allegheny County on September 23, 1932 be commuted from 20 years to 13 years and 3 months, expiring on December 23, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age and this is the first major offense of which he was convicted. He is alleged to have conspired with his wife to burn his home in order to collect the insurance money thereon. He was convicted of this crime and sentenced to a term of not less than ten nor more than twenty years. He served six years and approximately seven months when he had his sentence commuted and he was placed on parole for the balance of his twenty year term. He has now served over six and one-half years of parole and his record on parole has been excellent. The applicant now seeks commutation of his maximum sentence in order to free him from further reporting to the parole authorities.

The applicant is under the supervision of the Michigan Board of Parole and they show that he has worked steadily since his release and has purchased a home for himself and his wife and is maintaining a splendid parole record. It is stated that he has been most cooperative and is making a very satisfactory adjustment. No negative report is filed by any supervising agency. The district attorney of Allegheny County leaves the matter of recommendation of commutation of the maximum sentence up to the Board of Pardons.

This applicant has, in the estimation of the members of the Board of Pardons, made a most satisfactory adjustment while on parole and it is easy to see to most of the members how the necessity for continual reporting of his activities to the parole authorities may have a deleterious effect on his mental attitude. What he asks of this Board is that he be freed from further parole supervision. The Board is of the opinion that this application should be granted and therefore recommends that the maximum sentence of twenty years be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

In re application of Rose Getz, B-3419, No. 1564, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Rose Getz, convicted of arson in the Court of Oyer and Terminer of Allegheny County on September 23, 1932 be commuted from 20 years to 13 years and 3 months, expiring on December 23, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty years of age and this is the first time that she was convicted of any offense whatsoever. She was convicted of arson and sentenced to a term of not less than ten nor more than twenty years for conspiring with her husband to burn their home. She served six years and one month of her minimum sentence before she had her sentence commuted by the Board of Pardons. The applicant now seeks commutation of her maximum sentence in order to free her from further supervision by the Parole authorities. She has an excellent record on parole.

The applicant is under the supervision of the Michigan Board of Parole and they show that she has been a good wife and mother and has helped her husband considerably and that they own their own home and has been maintaining and excellent parole record. She has been most cooperative and is making a satisfactory adjustment. No negative report is filed by any supervising agency. The district attorney of Allegheny County leaves the matter of recommendation of the commutation of the maximum sentence up to the Board of Pardons.

The applicant has maintained an excellent record while on parole and the purpose of this application is to free her from further necessity of reporting to parole authorities. Since she has an excellent record and there is no active opposition to the granting of the petition it is recommended that the prayer of the petitioner be granted.

In re application of Louis P. Jacobson, No. 8118, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Louis P. Jacobson, convicted of receiving stolen goods in the Court of Quarter Sessions of Northumberland County, on May 23, 1916, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is fifty-three years of age and he was arrested and charged with larceny and receiving stolen goods. The facts of the crime are: applicant bought some junk, he being in the junk business, from people and it turned out later to have been stolen. He was sentenced to imprisonment for one year and to make restitution. Restitution was made and he served his sentence, being released from prison on May 23, 1917, twenty-eight years ago. Since his release from prison applicant moved to the City of Williamsport and now operates an auto parts business. He became a leader in the community in which he lives, having been the head of the Lodge of Elks, he has been active in fraternal and civic affairs and has always taken his full responsibility in public welfare enterprises.

The trial judge and the district attorney recommend that a pardon be granted in this matter.

The Board of Pardons feel that here is a case of an individual who succeeded in spite of a criminal record and because he has in the past twenty-eight years earned the right to have this one mark on his record removed, recommend to your Excellency that a full and complete pardon be granted.

BOARD OF PARDONS

In re application of Kenneth W. Keller, No. 7522, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardsons recommend that the minimum sentence of Kenneth W. Keller, convicted of burglary, larceny, fraudulent conversion in the Court of Oyer and Terminer and Quarter Sessions of Schuylkill County on August 20, 1942 be commuted from 4 years to 3 years and 4 months, expiring on December 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age and has never before been arrested for any offense whatsoever. He is now serving a term of from four to eight years in the Schuylkill County Prison for burglary of four gas stations and larceny of two automobiles.

The Board of Pardons have been advised that he has an excellent institutional record in the Schuylkill County Prison. The trial judge, Honorable Cyrus M. Palmer, has written the Board and stated the applicant has been sufficiently punished and recommends that he be placed on parole. The district attorney has no objection to his being released at the present time and recommends that his sentence be commuted in order that he may be given an opporeunity to take his place in society.

The applicant at this time has served all but six months of his minimum sentence and the Board of Pardons realizing this is the first offense believes some good can be accomplished by granting commutation at this time which will indicate to the applicant that there is a reward for being a peaceful and law-abiding citizen.

It is therefore recommended that commutation be granted.

In re application of Edward Kletcheck, D-1356, No. 3951, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: Tbe above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Edward Kletcheck, convicted of burglary, assault and battery, conspiracy in the Court of Quarter Sessions of Philadelphia County, on May 27, 1936, be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is twenty-six years of age and was sentenced to a term of not less than five nor more than twenty years in the Eastern State Penitentiary for the crime of burglary, assault and battery, conspiracy. He served his minimum sentence and was released on parole after which he was inducted into the armed forces of the United States in the fall of 1942. He served with the 514th Engineers in the Southwest Pacific and saw action in the battle of Munda at New Georgia. He was injured in action and suffered an injury to the spine which requires him to wear a steel brace. He was discharged from the army on May 18, 1944. He has recently secured a position as a truck driver's helper with the United Parcel Post Service. This position is one of trust and responsibility and he will be unable to further advance himself with the company as long as he has this record standing against him.

The Board of Pardons is of the opinion that due to this

applicant's excellent war record he merits consideration at this time, and we therefore recommend that a pardon be granted.

BOARD OF PARDONS

In re application of Ernest Kornfeld, No. 6834, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Ernest Kornfeld, convicted of assault and battery, aggravated assault and battery in the Court of Quarter Sessions of Delaware County, on April 10, 1942, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age and was convicted of the crime of assault and battery and aggravated assault and battery as a result of a fight which was caused by another person placing his brief case in the car of the applicant and thinking it was his car instead of the applicant's car. While the victim was attempting to secure his brief case from the applicant's locked car the applicant and four others appeared and after the victim asked to have door opened a fight ensued in which the victim suffered a fracture of his ribs, cuts and bruises. The applicant had his sentence suspended and was placed on probation for a period of two years on condition he pay the cost of the proceedings. Applicant paid the cost of the proceedings and reparation to the victim in the sum of $750.00.

It is the opinion of the trial judge that since this applicant has a good reputation, been in no further trouble, in fact has led an exemplary life both before and since this occurance that a pardon should be granted.

The district attorney of Delaware County opposed the granting of the application by stating that he did not believe merely negative conduct, meaning not becoming involved in further trouble, grounds for the granting of a pardon. However, the Board of Pardons feels that this was a situation in which the tempers of the parties involved could have been easily excited and caused this act, an act which could be committed by most any ordinary citizen and it is felt that for this reason we shouldn't judge this case in the same light that other and more serious cases should be judged. Since this applicant had a good record both before and since this occurance and has a good reputation in his community, that his record should not be marred by this conviction and therefore recommend that a pardon be granted.

In re application of Michael Kuchera, No. 7662, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minium sentence of Michael Kuchera, convicted of robbery in the Court of Oyer and Terminer of Philadelphia County on January 27, 1938 to be computed from December 22, 1937 be commuted from 20 years to 8 years expiring on December 22, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age and this is the first time he has ever been convicted. He was sentenced to a term of not less than twenty nor more than forty years for his part in a series of robberies in which he was the driver of the car. The applicant is confined at the present in the Philadelphia General Hospital and is suffering from chronic myelogenous leukemia. The Board of Pardons has received a letter from Dr. Irving E. Uram, Chief Resident Physician of the Philadelphia General Hospital in which he states ". . . In cases of chronic myelogenous leukenmia the average duration of life is approximately one year after the diagnosis is made." Under these circumstances it seems that the only thing that can be done for this man is to give him his freedom so he does not die in an institution.

The Board of Pardons feels that since he is afflicted with a fatal disease and he has served nearly eight years of a twenty year sentence he should be given the opportunity to die outside of prison walls, especially since this is his first offense and we therefore recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Louis Levin, C-5708, No. 7968, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Louis Levin, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County, on November 1, 1929, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age and this is the first time he has ever been convicted of any offense whatsoever. This applicant was convicted of the robbery of an insurance company in which a substantial loot was stolen and he was sentenced to a term of from two and one-half to twenty years in the Eastern State Penitentiary. Applicant served his minimum sentence and following his release on parole was inducted into the armed forces of the United States on June 25, 1943. He was discharged from the army September 20, 1945 after having served overseas a period of four months during which service he was wounded in action and for this reason was discharged. He is entitled to wear the Purple Heart,

Good Conduct Medal, European African Middle Eastern Service Medal with one Bronze Battle Star for participating with the 80th Infantry Division in the Rhineland campaign. This man has been on parole for a period of thirteen years and six months and during that time has had an excellent record.

The trial judge, Honorable Harry S. McDevitt, writes the Board of Pardons he thinks his services to his country earned him the right to a pardon. The district attorney of Philadelphia County has no objection and leaves the matter up to the Board of Pardons.

The Board of Pardons is of the opinion this man's service to his country and his wounds in line of duty entitles him to a pardon at this time and his thirteen and one-half years good record on parole is a further reason for the recommendation to your Excellency for the granting of this pardon.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of Clarence Collier McKibben, B-8882, No. 8111, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Clarence Collier McKibben, convicted of embezzlement in the Court of Quarter Sessions of Lawrence County on December 3, 1943, to be computed from October 6, 1943 be commuted from 4 years, 6 months to 3 years, 1 month, expiring on January 3, 1947.

Our reasons for making this recommendation are as follows:

The applicant is 48 years of age. This is the first time he was convicted of any offense whatsoever. He has now served over three years on a charge of embezzlement.

The Board of Trustees of the Western State Penitentiary state that if the applicant was eligible to apply for parole, they would recommend because he is a cooperative inmate and has an excellent institutional record.

The Trial Judge, Honorable W. Walter Braham says that he can see that some consideration might be granted the applicant provided he has gained the approbation of the prison authorities. This he has done.

The Board of Pardons, therefore, feels that since the applicant has served over three-fourth of his minimum sentence and he has an excellent record, the prayer of the applicant should be granted and commutation issued.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Lee Robert Montgomery, B-6365, No. 5234, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Lee Robert Montgomery, convicted of larceny of an automobile in the Court of Oyer and Terminer of Fayette County on October 4, 1938 to be computed from September 12, 1938, be commuted from 10 years to 7 years and 3 months, expiring on December 12, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-three years of age and he was convicted of the crime of larceny of an automobile. He was sentenced to a term of not less than five nor more than ten years in the Western State Penitentiary. He was paroled from the Western State Penitentiary at the expiration of his minimum sentence. He has since been on parole for a period of two years and two month to date. He now seeks commutation of his maximum sentence on the grounds that he is not guilty of this crime and although he has been convicted of other crimes in the past he firmly maintains his innocence in this matter and requests commutation of his maximum sentence to be free from parole.

The Board of Pardons feels that there is some merit in his contention but not sufficient to grant a pardon, and therefore, recommends that the maximum sentence be commuted at the present time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Harry Alvan Myers, B-4178, No. 4032, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Harry Alvan Myers, convicted of robbery, receiving stolen goods in the Court of Oyer and Terminer of Allegheny County on June 15, 1934 be commuted from 20 years to 11 years and 6 months, expiring on December 15, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age. During the depression he was convicted of the crime of robbery. It was an economic crime and arose because his wife was going to have a baby and he had no work and was destitute. Foolishly he held up and robbed a man. The victim was uninjured. For this crime he was sentenced to the Western State Penitentiary to a term of not less than ten nor more than twenty years. He served six years and five months when the Board of Pardons commuted his minimum sentence. He has now been on parole for a period of nearly five years. He now desires commutation of his maximum sentence.

Since his release the applicant has been employed by the Westinghouse Electric Manufacturing Company, and has risen rapidly in their employ until the present time

when he holds the position of Designing Engineer. This is a position of responsibility. At present he has been offered a position of sales representative with his employer at a substantial increase in salary. Parole will be a detriment to his employment as he will be required to travel extensively and under the regulations will not be able to leave the State before securing permission of his parole agent.

Both the trial judge the Honorable W. Heber Dithrich and Ralph Bell, Esquire, Assistant District Attorney, recommend that the application be granted because of the good record which the applicant has made while on parole and they do not wish to hinder his further advancement.

The Board of Pardons is pleased with the way the applicant has been steadily improving his position with his employer and has recognized his obligation to parole. It is the consensus of opinion that because of the efforts of the applicant he should be freed of further parole supervision and therefore recommend that the application be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.

BOARD OF PARDONS

In re application of Ernest Robert Neuhut, No. 8028, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Ernest Robert Neuhut, convicted of larceny in the Court of Oyer and Terminer of Montgomery County, on October 3, 1941, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-seven years of age and was involved in larceny of certain jewelry. As a result of this involvement applicant was sentenced to a term of not less than three months nor more than two years in the Montgomery County Jail. After his service he went to New York and placed himself under the care of a physician and it was there developed this man was suffering from kleptomania. Since 1942 he has been suffering from tuberculosis and is now in a sanatorium in Spivak, Colorado, attempting to regain his health. Unfortunately this man is an alien, he came to this country in 1939 to escape persecution in Austria where he had originally lived. As the result of this above conviction he is liable to immediate deportation.

The Board of Pardons feels in this case it would be a matter of sentencing this man to death if he were required to return to his native land suffering from tuberculosis. In the records of the Board of Pardons, there is an affidavit by one Dr. Alder who states this applicant is completely freed of kleptomania by reason of phychoanalysis and he will not again resort to crime.

The Board of Pardons is of the opinion that under the circumstances it behooves us not to return this man to Austria where he would certainly die this winter, (where so many well people will die), therefore, we recommend to Your Excellency that a pardon be granted so this man may obtain citizenship.

BOARD OF PARDONS

In re application of Anthony Olozas, D-4714, No. 8108, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Anthony Olozas, convicted of robbery, being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County on March 5, 1940 to be computed from February 16, 1940 be commuted from 10 years to 5 years and 10 months, expiring on December 16, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age and this is his first conviction. He was sentenced to a term of not less than ten nor more than twenty years for the robbery of four places, the loot received was $100.00. Of the three persons involved in these robberies, the applicant was perhaps least guilty of the group and he has now served nearly six years of his minimum sentence of ten years.

The Board of Trustees of the Eastern State Penitentiary has advised the Board of Pardons that the applicant has a good institution record and that he has acquired some skill as a tailor while in the institution. He has made four donations of blood to the Red Cross Blood Bank. The assistant district attorney of Philadelphia County, James W. Tracey, Jr., Esquire, stated at the hearing of this applicant that he had no objection to the granting of commutation at this time.

The Board of Pardons, placing great confidence in the Board of Trustees and the assistant district attorney of Philadelphia County, follow their recommendation and are of the opinion the prayer of the applicant should be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Edward J. Phillips, C-5189, No. 4128, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Edward J. Phillips, convicted of murder in the first degree in the Court of Quarter Sessions of Philadelphia

County on March 1, 1929, be commuted from life imprisonment to 16 years, 9 months and 19 days, expiring on December 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and this is the first major offense for which he was convicted. He was sentenced to life imprisonment on the charge of murder of an inmate of a bawdy house. The applicant has now served approximately eighteen years of his sentence. It is interesting to note in this case that the accomplice who was equally guilty and who under all circumstances should have served as much time as the applicant was, after having been adjudged insane, sent to the State Hospital for the criminally insane at Fairview and after a short time in that institution was released and never served any time whatsoever for the commission of this offense.

The Board of Trustees of the Eastern State Penitentiary state this applicant has one of the most outstanding records in the institution, that he was the operator of a private shop in the tent peg production for the Marine Corps and that during this time the applicant saved $7,550.00 which he has invested in United States Government War Bonds. He will be given an opportunity for employment with the Ford Motor Company, Chester, Pennsylvania, upon his release. Honorable Vincent A. Carroll, who was assistant district attorney and tried this case, has written the Board of Pardons and states that he again recommends that executive clemency be extended to the applicant. The assistant district attorney, James W. Tracey, Jr., Esquire, has stated to the Board of Pardons that he has no objection to the granting of commutation at this time.

The Board of Pardons feels this applicant has served a sufficient length of time to atone for his crime and there is no objection to his release. He is well rehabilitated and he has sufficient funds to make his way without resorting to a life of crime, and therefore we recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Dario Pollino, B-5269, No. 6756, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Dario Pollino, convicted of murder in the second degree in the Court of Oyer and Terminer of Allegheny County on October 2, 1936 be commuted from 10 years to 9 years, 2 months and 18 days, expiring on December 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is fifty-six years of age and this is the first time that he has been convicted of any offense whatsoever. He is now serving a term of not less than ten nor more than twenty years for murder in the second degree. He has served over nine years of the manimum sentence.

The Board of Trustees of the Western State Penitentiary have reported to the Board of Pardons that the applicant has an excellent institution record and that if he was eligible to apply for parole they would recommend him because of his record in the penitentiary and the time that he has served of his minimum sentence. The trial judge has written the Board and stated that he has no opposition to the granting of the commutation. The district attorney has stated that he has no opposition to the granting of the jail time.

It is the opinion of the Board of Pardons that the applicant should be granted a commutation of sentence for the time that he spent in jail awaiting sentence and base their opinion on his excellent institutional record and long service. We, therefore, recommend that the applicant be granted his jail time of eight months and twenty days.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Mihaly Pongratz, C-8605, No. 8122, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Mihaly Pongratz, convicted of robbery, assault with intent to rob, in the Oyer and Terminer Court of Dauphin County, on June 1, 1921; and of felonious entry, larceny, in the Quarter Sessions Court of Cumberland County, on January 24, 1933, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age and the sentences for which he seeks a pardon is the only offense which he ever committed. The applicant committed a robbery in Dauphin County in 1921 and as a result was sentenced to a term of four years, eleven months to five years in the Eastern State Penitentiary. He served five years of his sentence and was released. Approximately six and one-half years later, the applicant was guilty of breaking and entering in Cumberland County and was sentenced to a term of not less than two nor more than four years in the Eastern State Penitentiary. The applicant served his minimum sentence and was discharged and upon the expiration of his maximum sentence he was released from parole. Since January 1937 to the present time he has been in no further dufficulties.

This applicant's parent were born in that portion of Austria now known as Yugoslavia. He was brought to this country very young and till recently did not know his parents had never secured naturalization papers. When he learned this he made application for his citizenship and was then met with these two sentences and the naturalization authorities have threatened to deport him as an undesirable alien. The applicant now petitions for a pardon in order that he may remain in this country and not be forced to return to a country he knows nothing about.

The President Judge of Dauphin County, Honorable William M. Hargest, has stated he feels there is considerable merit in this petition and the applicant has filed with the Board of Pardons letters from his pastor and from his doctor stating that they feel he has the qualities to make an honorable and worthy citizen and also that he is honest and industrious.

Under the circumstances the Board of Pardons feel this applicant should not be given the added burden of deportation to a country he is not familiar with as to both language and customs and should be given the opportunity to become a citizen of this country, and therefore, we recommend to your Excellency that a pardon be granted.

In re application of Eli Pribich, No. 8109, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Eli Pribich, convicted of statutory rape in the Court of Oyer and Terminer of Allegheny County, on May 25, 1934, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is fifty-six years of age and this is the first itme he was convicted of any offense involving moral turpitude. After his conviction a motion for a new trial was made and no decision seems to have ever been made regarding this matter. Furthermore the applicant was never called for sentence and the whole matter was dropped. The applicant had made his first application for citizenship but when application for his second papers was made he was refused on the ground that this conviction was still open.

It seems that this case presents one of the unusual sets of circumstances where the applicant although convicted and motions made, no disposition of them was ever carried out and the defendant never called for sentence. This all happened twelve years ago.

In the application there is in the handwriting of the victim a pleas for the granting of a pardon to the applicant. Neither the trial judge nor the district attorney oppose the granting of the application.

The Board of Pardons is of the opinion that this applicant is not one given to a life of crime. And further the alleged victim joins in the application. We feel he has paid his debt and will continue to be a decent law-abiding citizen if granted this pardon. We therefore recommend it.

Respectfully submitted,

BOARD OF PARDONS

In re application of Ernest Reynolds, D-1183, No. 6311, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Ernest Reynolds, convicted of robbery in the Court of Oyer and Terminer and Quarter Sessions of Berks County on March 12, 1936 be commuted from 10 years to 9 years, 9 months, and 13 days, expiring on December 25, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age. He is now serving a term of not less than ten nor more than twenty years on a charge of robbery. At the present time he has served nine years and nine months of his minimum sentence.

The applicant spent two months and two weeks in prison awaiting trial. Inasmuch as he was sentenced prior to the effective date of the Act of 1937 he did not get credit for this time spent in prison before sentence. He now asks credit for this time. He has an excellent prison record and the district attorney of Berks County has stated he has no objection to the granting of this limited commutation as it were.

The Board of Pardons, therefore recommends that this applicant be granted his jail time, the sentence expiring on December 25, 1945.

BOARD OF PARDONS

In re application of Francis L. Rost, D-5237, No. 7221, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Francis L. Rost, convicted of burglary, larceny in the Court of Oyer and Terminer of Montgomery County on September 20, 1940 to be computed from January 6, 1944, be commuted from 4 years to 1 year, 11 months and 14 days, expiring on December 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age and he was convicted, while on parole, for larceny of 380 chickens which he eventually sold. He was convicted and sentenced to a term of imprisonment to run concurrently with his unexpired parole time. After the Supreme Court's decision in the Wheeler case this type of sentence was declared illegal and the applicant was required to serve back parole time of three and one-fourth years before he could begin the service of his four to eight years. As a result the applicant has been in prison for a period of four and one-half years but only one and one-fourth years apply to his sentence of four to eight years.

The Board of Trustees of the Eastern State Penitentiary advise that this applicant has an outstanding prison

record. While incarcerated he has made eighteen donations of blood to the Red Closs Blood Bank; he was one of the inmates who was employed in the tent peg shop making tent pegs for the United States Marine Corps. There is no objection from any of the sentencing authorities in Montgomery County to his release on parole at the present time. His accomplices have been freed. The effect of the Wheeler decision in this case was to practically double his sentence.

The Board of Pardons is of the opinion this applicant has served a period of time to cover at least his minimum sentence, and therefore, should be given an opportunity now to be free on parole, especially because of his outstanding prison record. We, therefore, recommend that the application for commutation be granted.

In re application of John W. Sparks, Jr., No. 8101, October Session 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John W. Sparks, Jr., convicted of attempt to operate motor vehicle without consent of owner in the Court of Quarter Sessions of Philadelphia County, on December 10, 1940 be pardoned.

Our reasons for making this recommendation are as follows:

Applicant is twenty-four years of age and when a youth of nineteen and under the influence of intoxicating liquor he attempted to drive away the car of another. He was placed on probation for a period of five years. Since 1942 the applicant has been in the armed forces of the United States. He has served overseas nineteen months with Headquarters Company 337 Infantry 85th Division. He was just recently discharged from the armed forces, honorably.

The trial judge has no objection to the granting of a pardon at this time nor does the district attorney oppose it.

By reason of his meritorious service for his country and in order not to hinder his readjustment in civilian life the Board of Pardons recommends to your Excellency that a pardon be granted.

In re application of Kenneth Frazer Trego, No. 8152, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Kennth Frazer Trego convicted of statutory rape in the Court of Oyer and Terminer and Quarter Sessions of Montgomery County on September 15, 1944 to be computed from September 8, 1944 be commuted from 2 years to 1 year, 3 months and 10 days, expiring on December 18 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty years of age and this is the first time he was ever arrested for any offense whatsoever. He is now serving a term of from not less than two nor more than five years on the charge of statutory rape on a girl thirteen years of age. At the present time the applicant has served fourteen months of his minimum sentence of twenty-four months.

The Warden of the Montgomery County Prison has written the Board of Pardons stating this applicant is considered absolutely trustworthy, his manners and conduct have been greatly above the average as has been his attitude toward all the prison rules and regulations. The trial judge, Honorable William F. Dannehower, feels he should be given some consideration for his heroic conduct in rescuing small children from the burning house prior to his incarceration. The district attorney recommends that commutation be granted.

In view of the unanimity of thought in this case the Board of Pardons feels the applicant has earned the right to commutation and therefore recommends that commutation be granted.

BOARD OF PARDONS

In re application of Edward Visco, C-5266 No. 6326, October Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Edward Visco, convicted of burglary, larceny of an automobile in the Quarter Sessions Court of Philadelphia County, on January 15, 1937, be commuted on Bill No. 613 January Sessions, 1937 from a minimum term of 5 years to a minimum term of 3 years and 11 months, expiring on December 15, 1945; and on Bill No. 618 from a minimum term of 5 years to a minimum term of 1 day, expiring on January 16, 1945. (Applicant has served his minimum sentence on Bill No. 612).

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and he is now serving a sentence of not less than fifteen nor more than thirty years on the charges of larceny of an automobile and burglary. The loot is most instances consisted of automobiles and auto accessories. The applicant is incarcerated in the Philadelphia County Prison

and has an excellent record there. It is reported that he has been especially good since he was returned from the Farview State Hospital for the criminally insane.

The Board of Pardons asked Dr. Philip Q. Roche, of the Eastern State Penitentiary to give us a clinical study and recommendation of this inmate. In writing to the Board of Pardons on August 21, 1945 he states: ". . . In my examination of Visco on August 16, 1945, I could detect no signs or symptoms of mental disorder, and I think that you can inform the Pardon Board that the question of mental illness may be presently disregarded in their appraisal of Visco's application for commutation."

The Board of Pardons feels this applicant has had a very severe sentence and at the present time has served a trem of nine years of his minimum sentence of fifteen years. In fact this applicant received the longest sentence of any of his accomplices and is the only one remaining in prison of the entire group.

Under the circumstances the Board of Pardons is of the opinion this applicant has been sufficiently punished and if given an opportunity to rehabilitate himself he will be worthy of the trust we place in him. We, therefore recommend that commutation be granted.

BOARD OF PARDONS

In re application of Herman Wagner, C-8067, No. 4350, October Session 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Herman Wagner, convicted of murder in the first degree in the Court of Oyer and Terminer and Quarter Sessions of Berks County on June 13, 1929 to be computed from June 13, 1932 be commuted from life imprisonment to 13 years, 6 months and 10 days, expiring on December 23, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-seven years of age and he is now serving a term of life imprisonment for his part in an attempted robbery which ended in the murder of the chief of police of the Borough of Hamburg.

This applicant has served over thirteen years of his term of life imprisonment and the Board of Pardons wrote Dr. Linn Bowman, Restoration Director of the Eastern State Penitentiary, for his opinion regarding this inmate and this was Director Bowman's reply to the Board. ". . . Wagner is forty-seven years of age and has been in prison for twenty-two years with an interim of liberty of two years. His conduct has been exemplary and his qualifications in mechanical dentistry, developed at the penitentiary under several assigned dentists have been exceptional. He is the only survivor in prison of a group of four involved in the same crime, one of whom died in prison and two have had their sentences commuted. I believe he should not be a victim of discrimination based upon participation in the crime and conduct performance." It is also pointed out this applicant has been making good use of his time by learning the trade of mechanical dentistry, which he has practiced with a great deal of success in the institution. It is further noted he will be sponsored by Dr. Bart Collins, who at one time was the Prison Dentist at the Eastern State Penitentiary. He will be given employment with the Rodin Dental Laboratory in Philadelphia.

The Board of Trustees of the Eastern State Penitentiary have written the Board of Pardons and stated this applicant is an outstanding prisoner, two of his accomplices, both of whom had a worse record than the applicant, have been released. The Board of Pardons therefore feels this applicant has served a sufficient length of time and because of his good institutional record should be granted a commutation at this time.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Richard Weigand, D-7415, No. 7959, October Session 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Richard Weigand, convicted of abortion in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on September 24, 1943 to be computed from June 5, 1943 be commuted from 4 years to 2 years, 6 month and 15 days, expiring on December 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and this is the first time he was ever arrested. He was alleged to have performed a criminal abortion and the victim subsequently died.

As the result of his criminal action he has been incarcerated since June 1943. He has served two years and approximately five months of his minimum sentence of four years.

The Board of Trustees of the Eastern State Penitentiary have written the Board of Pardons that this applicant has an excellent record and further Mr. Frank P. Tucker, Senior Parole Officer, stated to the Board he recommends commutation of this applicant at the present time because of his outstanding record in the institution.

The Board of Pardons feels that the applicant has had a very severe sentence and should be given commutation of his sentence at this time because we feel he will not again engage in criminal activities if given his freedom.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Pauline Alifinoff now Pauline Milewski No. 8036, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Pauline Alifinoff now Pauline Milewski, convicted of subornation of perjury, in the Quarter Sessions Court of Allegheny County, on February 6, 1933; arson and accessory after the fact of arson in the Quarter Sessions Court of Allegheny County, on February 20, 1934, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age and this is the first time that she had ever been arrested on any offense whatsoever. She has been in no further trouble for the past eleven years. The crime for which she was sentenced was for subornation of perjury, when it is alleged that she procured another to testify that another had threatened him to testify in a certain manner which was not so.

The applicant has not been on parole and although she has not been under supervision she has not been in further trouble. The district attorney of Allegheny County at his attendance upon the Board of Pardons informed them that he recommends that a pardon be granted in this case because of the reputation of the applicant and that she has since married and now desires to apply for citizenship in the United States of America. The trial judge Honorable Harry H. Rowand, has written the Board and stated that he believes the applicant to have been persuaded and induced by others to take part in these crimes, and that therefore she was not as culpable as the others.

In view of the request for favorable action by the sentencing authorities in Allegheny County and the attitude and actions of the applicant since the happening of these events we are constrained to view her application with favor and to recommend to the Governor the removal of this stigma of crime so that she may become a citizen.

Respectfully submitted,

BOARD OF PARDONS

In re application of Louis B. Bicoff, D-1800, No. 6280 September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Louis B. Bicoff, convicted of robbery, in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County, on December 17, 1936 be commuted on Bill No. 372 December Sessions, 1936 from a minimum term of 10 years to a minimum term of 8 years and 11 months, expiring on November 17, 1945; on Bill No. 373 from a minimum term of 10 years to a minimum term of 1 day, expirng on November 18, 1945; and on Bill No. 374 from a minimum term of 5 years to a minimum term of 1 day, expiring on November 19, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty years of age and was sentenced to a term of from twenty-five to fifty years for the robbery of several grocery stores over a period of two weeks. Both the applicant and his accomplice were armed and the applicant on several occasions threatened his victims. However, his accomplice who had a criminal record of four arrests, one conviction while the applicant was a first offender was paroled at the May 1945 Session of the Board of Pardons.

The trial judge, Honorable Harry S. McDevitt, has written the Board of Pardons and stated he feels that the applicant has made an excellent adjustment and has maintained an excellent record of discipline. The applicant is a qualified linotype operator and served in that capacity for approximately five years. He ends by making this recommendation that he would be inclined to give applicant favorable consideration.

The assistant district attorney of Philadelphia County, James W. Tracy, Jr., has stated to the Board of Pardons in their open session, that he was not opposed to a commutation at this time because he felt that nearly nine years service was sufficient for this type of crime and that the applicant had received a very severe and stiff sentence.

The Board of Trustees of the Eastern State Penitentiary has informed the Board of Pardons that the applicant has an excellent institutional record and for the foregoing reasons the Board of Pardons, therefore joins with the others in recommending that this applicant be granted commutation.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.

Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Jessie Brooks No. 7427, September Session 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the indeterminate sentence of Jessie Brooks, convicted of accepting bawd money and keeping a bawdy house in the Court of Quarter Sessions of Berks County on March 10, 1943 be commuted from inderminate term to 2 years and 8 months, expiring on November 10, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and was sentenced on March 10, 1943, to an indeterminate sentence in the Pennsylvania Industrial Home for Women, at Muncy, on the charge of accepting bawd money and keeping a bawdy house.

Since this case was last heard in 1944 the applicant has made a considerably better adjustment in the institution and has assured the Board that she will no longer turn to a life of sin when she is released from prison.

At this time the applicant has served two and one-half years and this seems to be considered by the Board of Pardons a rather long sentence for this type of crime.

In view of these facts the Board feels that this applicant has been most severely punished and her protestations of subsequent good behavior are to be readily believed and therefore we recommend that she be granted commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Edward Lee Bowen B-7143 No. 7442, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Edward Lee Bowen, convicted of attempted burglary, burglary in the Court of Quarter Sessions of Washington County on March 8, 1940 to be computed from February 24, 1940 be commuted from 6 years to 5 years, 8 month and 20 days, expiring on November 14 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and has served two previous sentences for larceny one of four months and one of six months. The applicant then made the mistake of committing this crime for which he was sentenced to not less than six nor more than twenty-seven years. At the present time he has served all but six months of his minimum sentence. All of his accomplices have been freed by the service of their minimum sentence.

The Board of Trustees of the Western State Penitentiary gives this applicant a satisfactory institution record with merit for better than average attendance in school in an attempt to rehabilitate himself.

There is no objection from the Washington County authorities to commutation of sentence in this case.

The Board of Pardons feels that this applicant received the largest sentence because he had a prior record but the Board also is of the opinion that since he served a much longer term than the other accomplices he should be given an opportunity to show he has been rehabilitated and we therefore, recommend that commutation be granted.

BOARD OF PARDONS

In re application of Patsy Cataldo, B-2672, B-5457, No. 1840, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Patsy Cataldo convicted of robbery, in the Over and Terminer Court of Allegheny County, on April 13, 1931; and April 8, 1937, be commuted on Bill No. 66 March Sessions, 1937 (Bill No. 67 concurrent) from a minimum term of 2 years to a minimum term of 7 months, expiring on November 15, 1945. (Applicant has been granted parole on all Bills imposed at April 1931 Session).

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age and has served over eight and one-half of a ten year minimum sentence. This applicant was convicted on the charge of robbery. While on parole he and three accomplices were convicted of having held up and robbed two persons. He was then returned for parole violation and at the present time has served the eight and one-half years above referred to. The applicant's contention is that if his sentence had been recomputed under the decision of the Supreme Court, Commonwealth vs. Kinsella, he would have been given credit for the sixteen months that the Kinsella case was in process of adjudication plus three months spent in the Allegheny County Jail waiting trial, therefore being eligible for parole in September 1945, the minimum sentence expiring at that time.

The district attorney of Allegheny County when being informed of these facts stated to the Board of Pardons that there was no objection to favorable consideration at this time.

The Board of Trustees of the Western State Penitentiary have advised the Board of Pardons, the applicant has an excellent institutional record and that if he were eligible for parole they would recommend him.

The Board of Pardons feel that this applicant has in effect served his ten years or at lease so great a portion thereof that he should be entitled to a commutation of his sentence at this time and we therefore recommend that commutation be granted as prayed for.

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Thomas F. Conley, No. 7136, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Thomas F. Conley, convicted of malfeasance in office, extortion in the Court of Quarter Sessions of Delaware County, on January 22, 1931, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is fifty-nine years of age and this is the first time that he has been convicted of any criminal offense whatsoever. In this case the applicant during the early part of 1931 was a constable and he was sentenced to pay a fine of $500.00 and to one year imprisonment for malfeasance in office and extortion, for attempting to extort money from the owner of a slot machine which had been confiscated in a raid.

The applicant is not on parole and the probation office of Delaware County has written the Board of Pardons that his office is not opposed to the granting of clemency to the applicant. The district attorney of Delaware County appeared before the Board and stated to the Board that their office was not opposed to the granting of clemency in this case

This applicant has been in no further trouble for a period of fourteen and one-half years and since that was

the first time that he had ever been convicted of any offense whatsoever and the officials of the county have no objection to the granting of the pardon as prayed for, the Board of Pardons is of the opinion that the applicant has been sufficiently punished and that the withholding of a pardon as prayed for will not affect the applicant as much as it will the membres of the applicant's family, who would be the innocent victims in such a case. The Board therefore recommends that the pardon be granted as prayed for.

Respectfully submitted,
JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Patrick P. Conway, C-6995, No. 2681, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Patrick P. Conway, convicted of fraudulently making a written instrument; publishing and uttering same in the Court of Quarter Sessions of Philadelphia County, on April 16, 1931 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant Patrick P. Conway is now aged seventy-one years. At the time of the happening of the occurrence for which a pardon is sought, he was approximately fifty-six years of age and had been a respected member of the Philadelphia Bar for upwards of thirty years. During the depression of 1929 and subsequent years the applicant and his brother became involved financially in their real estate holdings and as a result thereof it is charged that certain persons lost large sums of monies as a result of their manipulations of real estate, which included the entry of certain "straw" mortgages and the use of fictitious mortgagers. For this the applicant and his brother were sentenced to imprisonment for a term of not less than thirty nor more than sixty years. After the applicant had served eleven years of his minimium sentence, it was commuted. Since that time he has been on parole.

The Board of Parole reports to the Board of Pardons that the conduct of the applicant is satisfactory and that they have been thoroughly cooperative during the time that they have been on supervision.

Honorable Harry S. McDevitt, has written the Board that the applicant has never led a life of dissipation or waste and that now is the proper time to grant the applicant a pardon. The district attorney of Philadelphia County when before the Board in open hearing stated that he is satisfied with whatever action the Board sees fit to take in the matter.

Up until the time of this unfortunate occurrence the applicant had led an honored and respected life as a member of the Bar of Philadelphia County. He paid his debt to society through the service of over eleven years in the Eastern State Penitentiary, where he had an excellent record and by his continued good record with the Pennsylvania Board of Parole for nearly the past four years. One of the primary considerations of the petition for a pardon is so the applicant can secure a bond and engage in the real estate business their only means of livelihood at the present time. Therefore since he has been so severely punished through imprisonment, disbarment, and the subsequent disgrace, it is felt that the applicant has paid his debt to society and that a pardon should be granted so that he may earn a livelihood during the twilight of his years at the one business he knows, real estate. Therefore, the Board of Pardons recommends the applicant to your Excellency for executive clemency.

BOARD OF PARDONS

In re application of Peter P. Conway, C-6996, No. 2680, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Peter P. Conway, convicted of fraudulently making a written instrument, uttering and publishing same in the Court of Quarter Sessions of Philadelphia County, on April 16, 1931, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant Peter P. Conway is now aged sixty-nine years of age. At the time of the happening of this occurrence for which a pardon is sought the applicant was approximately fifty-four years of age. He and his brother, Patrick P. Conway, whose pardon is also recommended by this Board to your Excellency were respected members of the Philadelphia County Bar at the time of sentence and had been for upwards of thirty years. During the depression of 1929 and subsequent years the applicant and his brother became involved financially in their real estate holdings and as a result thereof it is charged that certain persons lost large sums of monies as a result of their manipulations of real estate, which included the entry of "straw" mortgages and the use of fictitious mortgagors. For this the applicant and his brother were sentenced to imprisonment for a term of not less than thirty nor more than sixty years. After the applicant had served eleven years of his minimum sentence, it was commuted. Since that time he has been on parole.

The Board of Parole reports to the Board of Pardons that the conduct of the applicant is satisfactory and that they have been thoroughly cooperative during the time that they have been under supervision.

Honorable Harry S. McDevitt, has written the Board of Pardons that the applicant has never led a life of dissipation or waste and that now is the proper time to grant the applicant a pardon. The district attorney of Philadelphia County when before the Board in open hearing stated that he is satisfied with whatever action the Board sees fit to take in the matter.

Up until the occurrence of this event the applicant led an honored and respected life as a member of the Bar. He paid his debt to society through the service of over eleven years in the Eastern State Penitentiary, prior to commutation, and since that time by his continued good record while under the supervision of the Board of Parole. One of the primary considerations of the petition for a pardon is so the applicant can secure a bond and engage in the real estate business, their only means of livelihood at the present time. Therefore since he has been so severely punished through imprisonment, disbarment, and the subsequent disgrace, it is felt that the applicant has paid his debt to society and that a pardon should be granted so that he is not deprived of a means of earning a livelihood,

during the last few years of his life at the one business he knows, real estate. Therefore, the Board fo Pardons recommends that the executive clemency as prayed for be granted.

BOARD OF PARDONS

In re application of Joseph A. Cunningham, No. 8081, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Joseph A. Cunningham, convicted of assault and battery in the Court of Quarter Sessions of Philadelphia County on May 4, 1943, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age and he was arrested on a charge of assault and battery due to an altercation which he got into during the delivery of a package. Sentence was suspended by the trial judge. This is his only offense whatsoever.

Since the happening of this offense the applicant served with the armed forces of the United States of America and has since been honorably discharged. He has now a desire to enter the employment of the Pennsylvania Railroad as a police officer, which employment is denied him by reason of this conviction.

It is the opinion of the Board that the applicant is receiving a greater degree of sentence than the Court intended to mete out to him when he is denied employment by reason of this conviction. The district attorney of Philadelphia County states that there is no objection to the granting of a pardon.

In order for the applicant to have the Courts order have no greater effect than was intended it is necessary for the Board of Pardons to act favorably, this we are inclined to in this case by reason of the triviality of the matter and the fact that the applicant has further expiated for his crime by reason of his service with the armed forces. Therefore, the Board recommends that the application be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Belaslof David, D-3966, No. 4740, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Belaslof David, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Montgomery County on April 28, 1933 to be computed from April 28, 1939 be commuted from 7 years to 6 years and 7 months, expiring on November 28, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty years of age and has a very bad criminal record including 6 arrests, 4 convictions, and 1 parole violation. This applicant at the present time has served 6 years and approximately 4 months of a 7 year sentence not including his back parole time. At the time of his arrest he was not immediately called for sentence and was held in the Montgomery County Jail for a period of approximately 6 months before being sentenced on April 28, 1933. You can see by that date the applicant has now served a period equivalent to 12 years, but only a little over 6 years applies on his present sentence.

Since this applicant has served such a long period of time the applicant desires credit for the 6 months and 13 days which he served prior to his sentence having been imposed on April 28, 1933.

Since the expiration of his minimum sentence is close at hand we feel that he should be given credit for 6 months, 13 days, which he spent in prison before sentence, and therefore, the Board of Pardons recommend that commutation of his sentence be granted.

BOARD OF PARDONS

In re application of Francis Gerstly, D-1609, No. 3772, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Francis Gerstly, convicted of voluntary manslaughter in the Court of Oyer and Terminer and Quarter Sessions of Lancaster County on September 25, 1936 be commuted from 10 years to 2 years, 11 months and 8 days, expiring on November 23, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age and was serving a sentence of not less than five nor more than ten years when after four years, eight months of his minimum sentence was served he was commuted and released on parole. While on parole the applicant, unfortunately, was drinking quite heavily and had been sentenced to a term of twenty days on charge of drunk and disorderly conduct. Upon the expiration of the sentence the parole authorities took applicant into custody and returned him to the Eastern State Penitentiary where he has since served two years, nine months for getting drunk which was a technical violation of his parole.

The Board of Trustees of the Eastern State Penitentiary have written the Board of Pardons stating applicant has an excellent institutional record and there is no reason why he should not be able to adjust when released.

The trial judge, Honorable Oliver S. Schaeffer, has written the Board he has no objection. Mr. Frank P. Tucker, Senior Parole Officer at the Eastern State Peniten-

tiary, when asked his opinion of the inmate stated he felt the applicant was a good risk.

The Board of Pardons recommends that the maximum sentence of this applicant be commuted for the additional time he has served and he be released from the Eastern State Penitentiary.

BOARD OF PARDONS

In re application of Joshua Jackson, B-2267, No. 178A, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Joshua Jackson, convicted of entering a railroad car, in the Quarter Sessions Court of Allegheny County, on October 30, 1930, be commuted on Bill No. 77 October Sessions 1930, from a minimum of 1 year to a minimum of 11 months and 23 days, expiring on October 8, 1945; on Bill No. 78 from a minimum of 1 year to a minimum of 1 day, expiring on October 9, 1945; on Bill No. 79 from a minimum of 1 year to a minimum of 1 day, expiring on October 10, 1945; on Bill No. 80 from a minimum of 1 year to a minimum of 1 day, expiring on October 11, 1945; on Bill No. 81 from a minimum of 1 year to a minimum of 1 day, expiring on October 12, 1945; on Bill No. 82 from a minimum of 1 year to a minimum of 1 day, expiring on October 13, 1945; on Bill No. 83 from a minimum of 1 year to a minimum of 1 day, expiring on October 14, 1945; and on Bill No. 84 from a minimum of 1 year to a minimum of 1 day, expiring on October 15, 1945.

Our reasons for making this recommendation are as follows:

The applicant is one of many prisoners whose release on parole has been affected by the opinion of the Supreme Court in the case of Commonwealth of Pennsylvania ex rel Thomas Lynch v. Stanley P. Ashe, Warden of the Western State Penitentiary, 320 Pa. 341. In this opinion it was held that unless a prisoner, who was serving sentences imposed to run consecutively, was recommended and approved for parole at the expiration of the first minimum sentence he would be serving the maximum of that sentence, and if no recommendation for parole was made at the expiration of the second and subsequent minimum of sentences imposed to run consecutively, the prisoner would be serving the maximum of the second and subsequent sentences. In other words, a prisoner serving an indeterminate sentence is not automatically paroled at the expiration of the minimum term but is merely eligible for parole at that time, and if not favorably considered by the Prison Board at any time thereafter, the prisoner is required to serve the full sentence.

It was the custom for a long period of time for the officials of both the Eastern and Western State Penitentiaries to lump consecutive sentences and the Boards of Trustees would only make recommendations for release on parole at the expiration of the period of time equal to the total of the minimum sentences.

Since the Supreme Court held this procedure improper, the applicant and others, whose cases were not considered for parole at the expiration of their minimum sentences, through no fault of their own, will have to serve a much longer period of time than contemplated by the sentencing judge and the prison officials.

The failure of the Board of Trustees to make the necessary recommendations for parole at the expiration of the minimum sentences was an honest mistake, as most, if not all, sentencing judges shared the same view as the prison officials in deeming it to be unnecessary to make recommendatiions for parole at the expiration of the minimum of every consecutive sentence. Sentencing judges throughout the state have uniformly believed and taken into consideration in passing sentences the Prison Board practice that consecutive sentences would be lumped making a total minimum and a total maximum.

We believe that a great injustice would be done and that it would be most unfair to keep the applicant incarcerated for a longer period of time than recommended by the Board of Trustees of the institution in which the applicant is confined.

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Mike Krevinko, B-6575, No. 5290, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Mike Krevinko, convicted of malicious mischief by explosives, blackmail in the Court of Quarter Sessions of Fayette County on February 7, 1939 to be computed from January 28, 1939 be commuted from 10 years to 6 years, 9 months and 10 days, expiring on November 8, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-six years of age and this is the first time he has ever been convicted. He became involved with the priest of his church and the differences lead to arguments between the two. The applicant set off some bombs, however, they did no injury to the priest or anyone else. As the result of this the applicant was sent to the Western State Penitentiary for a period of not less than ten nor more than twenty years.

The Board of Trustees of the Western State Penitentiary have written the Board of Pardons that the applicant has an excellent record and that he is a cooperative inmate and because this is his first conviction and the fact he has served over six and one-half years of his minimum sentence, they would be willing to recommend him for parole.

The trial judge, Honorable H. S. Dumbauld, has written the Board of Pardons stating that if the applicant has a good prison record he has no objection to clemency. The district attorney at the time of the trial has written the Board and stated he has no objection. The priest who was the object of the applicant's anger has forgiven him and is not demanding any further service of this sentence.

The Board of Pardons feels that this applicant has been sufficiently punished, since he is a first offender and therefore recommend he be granted commutation as prayed for.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of Peter Majka al. Peter Mika, No. 8035, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Peter Majka al. Peter Mika, convicted of felonious assault and battery in the Court of Oyer and Terminer and Quarter Sessions of Allegheny County, on March 13, 1936, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age and has not been any other trouble than the case for which he seeks a pardon. The crime for which the applicant was arrested and sentenced was that of felonious assault and battery and the facts briefly are these: that the applicant was a caretaker of a home and was set upon by victim and badly beaten and then informed that he would return and kill him and when he did return the applicant got a gun and shot to scare him but instead wounded him.

The district attorney of Allegheny County has informed the Board of Pardons that he has no objections to the granting of the clemency sought and it was further brought to the attention of the Board that the applicant has taken certain civil service examinations and made good marks therein but is prevented from accepting a position thereunder due to this one conviction. Also it was shown that the victim for his part in the affair was also sentenced.

The Board feels that this was not an unprovoked or unjustified assault by the applicant and that he was not the aggressor in this case, and that being deprived of an opportunity to better his position in life by being refused appointment to a civil service position is additional punishment for which he has already paid the penalty, and we therefore recommend that the pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of George Steven Puskar, B-8363, No. 6690, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of George Steven Puskar, convicted of forging a written instrument, prison breach in the Court of Quarter Sessions of Beaver County on October 10, 1942 to be computed from July 2, 1942 be commuted from 5 years to 3 years, 4 months and 10 days, expiring on November 12, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-four years of age and this is the first time he has ever been arrested for any offense whatsoever. He pleaded guilty to a scheme whereby he and two accomplics would be able to defraud a finance company of certain sums. He has always alleged that the manager of the finance company was in on the deal but he was acquitted.

While applicant was lodged in the Beaver County Prison he attempted to escape and for this additional crime was sentenced to a term of not less than one nor more than two years to run concurrently with the five to ten years sentence already imposed.

The applicant has an excellent institutional record at the Western State Penitentiary and is currently employed in the license tag plant and the Board of Trustees state that if he were eligible to apply for parole that they would recommend him. At the present time the authorities from Beaver County have gone so far as to state to the Board that they particularly recommend commutation be granted.

The applicant has served approximately three years and three months of his minimum sentence and the Board of Pardons feels that where there is such an unanimity of thought regarding the disposal of this prisoner we should agree with those persons who sentenced him and have since had him under control and therefore recommend that the commutation of his minimum sentence of five years be granted

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Martin L. Tittle, No. 8083, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Martin L. Tittle, convicted of robbery in the Court of Quarter Sessions of Philadelphia County, on October 21, 1940, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and this is the first time he was convicted of any offense whatsoever. The facts briefly are these: that the applicant committed two holdups and was not apprehended, later he decided that a career of crime was not the best thing and decided to go straight and sold his pistol. An officer investigating the sale of said pistol asked applicant if he ever used the gun unlawfully. Applicant confessed and was sentenced to a term of not less than three nor more than ten years in the Philadelphia County Prison where he served his minimum sentence. Upon his release he was shortly thereafter inducted in the armed forces and was connected with the 17th Airborne Division, 194th Glider Infantry and saw service in the German Campaign at Ardenes and the European air offensive. It was during this time that he was wounded and hospitalized, returned to the States and finally given a medical discharge at the Valley Forge Hospital.

The district atorney of Philadelphia County has advised the Board of Pardons that he leaves the matter of granting a pardon up to the Board.

This applicant wishes to make application for a civil service position and as long as he has this record he is unable to do so.

The Board feels by virtue of his service with the armed forces, from which he has been honorably discharged, and the fact that he has had a good record both prior and subsequent to the happening of this unfortunate occurrence, it is indicated he has no settled criminal tendencies. Therefore, it is the opinion of the Board of Pardons that we need not fear any further commission of crime by this applicant.

Therefore, because of his military service in behalf of our country and the fact he has behaved well on parole we feel that he has earned the right to a full and complete pardon and recommend the same.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of John Tonkovich, No. 8066, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John Tonkovich, convicted of breaking and entering, larceny in the Court of Oyer and Terminer of Beaver County on October 10, 1936, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and this is the only offense he has ever committed. The facts briefly are: that the applicant was seventeen years of age and he broke into an ice plant and gas station where he obtained certain sums of money. He spent this on a good time. After the applicant was released from the Pennsylvania Industrial School to which he had been given an indefinite sentence, the applicant was placed under the supervision of the Board of Parole on May 27, 1938. On June 1, 1939, after satisfactory conduct on parole he was granted a final discharge from parole on or about September 25, 1944.

Applicant enlisted in the Pennsylvania National Guard and when that unit was placed in federalized service he was made a member of the Army of the United States. He attained the rank of staff sergeant and spent considerable time in the European theatre of operation. He landed in France on July 21, 1944, and participated in four major campaigns as platoon sergeant in a mechanized reconnaissance unit. On December 20, 1944, he was captured by the Germans and made a prisoner of war, he was liberated by our forces on April 29, 1945. For his various services he received the second highest award which our government can bestow to wit, the Distinguished Service Cross. The applicant is married and has an opportunity to accept a very responsible position with the Tydol Oil Company.

No objection to the granting of a pardon is given by the authorities of Beaver County and the Board of Pardons feels that this applicant is fully rehabilitated and also his meritorious service to his country warrants him the opportunity to start life anew without the stigma of any past wrong doing and we therefore recommend that a full and complete gubernatorial pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Maurice Wanetick, B-4885, No. 8038, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Maurice Wanetick, convicted of robbery, receiving stolen goods in the Court of Oyer and Terminer of Allegheny County on January 20, 1936, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age and this is the first offense of which he has been convicted. The applicant is alleged to have, with four accomplices participated in a robbery. The applicant's share of the loot, ten ($10.00) dollars, was recovered. The applicant served his minimum sentence of five years.

Since the applicant's release from prison he has been a member of the armed forces of the United States and has served with distinction in the Southwest Pacific area. During his service in that theatre of war he contracted yellow fever and malaria, the latter having recurred twenty-two times. He is now about to be discharged from the service and is informed that he will be unable to qualify for civil service positions because of this conviction.

The trial judge and the district attorney both recommend that this application be regarded favorably because of his service to his country which they feel expiates for his crime, together with his service of his minimum sentence.

The Board of Pardons recommends that this pardon be granted for the following reasons: (1) he served his minimum sentence and (2) when the country was threatened he entered the service and in the service of his country on far flung battlefields contracted a disease which will probably never leave him or from which he can probably never be entirely cured, and for this reason we feel that he should no longer be harassed or retarded in his rehabilitation by the stigma of this crime.

BOARD OF PARDONS

In re application of John M. Zeigler, D-325, No. 5163, September Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of John M. Zeigler, convicted of murder in the first degree in the Court of Oyer and Terminer and Quarter Sessions of Dauphin County on January 23, 1935 be commuted from life imprisonment to 10 years and 10 months, expiring on November 23, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-six years of age and this is the first time that he was every convicted of any offense whatsoever. The applicant is serving a term of life for the murder of his sweetheart and at the present time has served ten years and nine months. He pleaded guilty to murder generally and the degree was fixed at murder in the first degree.

The district attorney of Dauphin County has written us and stated that he has always felt that if the applicant had not changed his plea to one of guilty the most the jury could have convicted him of was murder in the second degree. This matter was tried before William M. Hargest, President Judge of the Court of Quarter Sessions, Dauphin County and he has written that because of the unusual rehabilitation of this applicant he feels he would make a good citizen at the present time and therefore recommends his release.

This applicant ever since his incarceration has been employed in a position of trust and has attained the confidence equivalent to that accorded the highest civilian employee. He is at the present employed as confidential secretary to the Department of Restoration under the supervision of the Reverend Dr. Linn Bowman. Dr. Bowman has already made provision for his employment when he is released and will supervise his conduct as his sponsor.

This applicant has presented to the Board of Pardons a case of a fully rehabilitated prisoner and one who may be regarded as having committed his only crime against society and having now paid the penalty, we feel that his incarceration is sufficient to deter others from such a course of conduct.

In view of these facts the Board of Pardons feels that since he has presented a parole plan which is eminently satisfactory and has brought himself to the point where he should be given encouragement in the outside world. We feel, therefore, that we should recommend at this time his application for clemency.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Charles Anderson, No. 7986, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Charles Anderson, convicted of larceny in the Court of Quarter Sessions of Philadelphia County on June 1, 1933 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and never before been in any trouble. Approximately twelve years ago he was with another individual who had stolen a truck. The applicant had no part in the stealing of the truck nor did he know the truck had been stolen, but he innocently went for a ride with the individual who stole the truck and while on this errand the truck was stopped by the Philadelphia City Police and the applicant was arrested along with the guilty party. There was a technical commission of the crime of larceny by reason of his being in the stolen truck. However, the applicant had no active participation in the crime. The applicant is married and has four children and he has not been in any further difficulty and has maintained himself as an honorable and law-abiding citizen.

The President Judge of Common Pleas Court No. 1, Honorable Harry S. McDevitt, has written the Board of Pardons and stated he favored the granting of a pardon in this matter. The district attorney's office in Philadelphia have also stated that they have no objection to favorable consideration.

The Board of Pardons feels that this applicant has merited favorable consideration by the Board of Pardons because of his good record over the past twelve years and since he was only technically guilty of committing this offense it is recommended that he be granted a pardon.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of James Blackwell, A-14766, No. 945, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of James Blackwell, convicted of murder, in the first degree in the Court of Oyer and Terminer of Fayette County on September 17, 1926 be commuted from life imprisonment to 19 years, expiring on September 17, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-eight years of age and he is now serving a term of life imprisonment for the murder of his housekeeper. He has now served nineteen years of that sentence. He has an excellent institutional record and the Board of Trustees of the Western State Penitentiary have stated that if he were eligible to apply for parole they would recommend him because of this fact.

The trial judge, Honorable Thomas H. Hudson, has written the Board of Pardons that he has no objection to the granting of commutation and because of his long service the Board of Pardons feels that he is entitled to some consideration at this time.

The Board of Pardons, therefore, recommends that the application for commutation be granted because of the long sentence he has served and the excellent record he has maintained for nearly two decades.

In re application of Oscar Campbell, D-6612, No. 7414, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Oscar Campbell, convicted of rape in the Court of Oyer and Terminer and Quarter Sessions of Lackawanna County on July 30, 1942 be commuted from 4 years to 2 years and 10 months, expiring on May 30, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-three years of age and this is the first time he has been arrested for any offense whatsoever. At the present time he has served nearly three years of a four year minimum sentence on the charge of rape.

The applicant has a very good institutional record and at the March 1945 Sessions of the Board of Pardons, the Board of Pardons commuted the sentence of John Francis Montgomery, who was the accomplice of the applicant. At the time of the consideration of the Montgomery case the district attorney of Lackawanna County, James F. Brady, Esquire, wrote the Board of Pardons and stated that if favorable consideration was given to Montgomery, the Board should reconsider its action on the Campbell application.

The Board, therefore, acting on the recommendation of the district attorney of Lackawanna County reconsidered its action and unanimously voted to reconsider the case of Oscar Campbell and to make favorable recommendation to your Excellency for his immediate commutation of sentence and we so recommend.

Respectfully submitted,

BOARD OF PARDONS

In re application of James Darling, D-3239, No. 8021, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on James Darling, convicted of entering with intent to steal, larceny, in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County, on July 1, 1938 to be computed from May 24, 1938; and of felonious entry, larceny, receiving stolen goods, in the Oyer and Terminer and Quarter Sessions Court of Bucks County, on April 3, 1945, be commuted on Bills Nos. 222 and 223 June Sessions, 1938 (Philadelphia County) from a minimum term of 10 years to a minimum term of 7 years and 3 months, expiring on August 24, 1945: and on Bills Nos. 23 and 24 September Sessions, 1938 (Bucks County and to run concurrent with Philadelphia County sentence and to be computed from April 3, 1945) from a maximum term of 5 years to a maximum term of 4 months and 21 days, expiring on August 24, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age and he is now serving a sentence of not less than ten nor more than twenty years on the charge of entering with intent to steal and larceny. He has now served nearly seven and one-half years of a ten year minimum sentence.

The Board of Trustees of the Eastern State Penitentiary have advised the Board fo Pardons that the applicant has a very good disciplinary record and that he has a long work record in the craft shop making novelties and he has also patented several devices, including a watchmaker's jewel setting machine. Also he has given seventeen donations of blood to the American Red Cross serum bank. The applicant has saved $2700.00 which he has invested in United States War Saving Bonds. With this amount of money the applicant will most certainly be able to rehabilitate himself when he is released from the institution.

The District Attorney of Philadelphia County, Honorable James W Tracey, Jr., has stated to the Board that he is not opposed to commutation at this time because of the excellent record this applicant has made while an inmate in the Eastern State Penitentiary and because of his great effort to rehabilitate himself.

The Board of Pardons feels that the applicant should be given the opportunity to display to the world in general that he has turned over a new leaf and we therefore recommend that commutation of sentence be granted at this time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of William Diamond, D-7907, No. 7918, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of William Diamond, convicted of assault, robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on November 18, 1942 to be computed from October 3, 1944 be commuted from 2½ years to 9 months, expiring on July 3, 1945.

Our reasons for making this recommendation are as follows:

This applicant is twenty-nine years of age and is serving a sentence of not less than two and one-half nor more than ten years for prison breach and armed robbery. The prison breach occurred when the applicant through some feat was able to walk away from the Montgomery County Prison after which he stole an automobile and was later apprehended in Virginia, from which institution he was also able to escape and for which the Virginia authorities are also holding a detainer.

The applicant has been in the Philadelphia Institution for a period of two years and seven months. Although only seven months apply on the current sentence of two and one-half year minimum. During that time the applicant has had an excellent institutional record and has adjusted well and there is a record of him having made twenty contributions of blood to the American Red Cross Serum Bank.

In view of the detainers which have been lodged against

this applicant he will not gain his freedom for some time to come, but because of the excellent record he has established, the Board of Pardons feels he should be given an opportunity to begin these other sentences immediately, and we, the majority of the Board therefore recommend that commutation be granted.

In re application of William Goebel, Jr., D-6226, No. 7359, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of William Goebel, Jr., convicted of larceny of an automobile in the Court of Oyer and Terminer and Quarter Sessions of Franklin County on January 3, 1942 to be computed from December 30, 1941, be commuted from 4 years to 3 years and 8 months, expiring on August 30, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-one years of age and has now served approximately three and one-half years of a four year sentence.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that he has an excellent disciplinary record and that he has the reputation of being an outstanding inmate. It seems that this applicant's only vice is liquor and when under its influence he committed these depredations.

Both the trial judge and the district attorney have stated that because of the applicant's commendable record in the institution there is no objection to the granting of clemency.

The Board of Pardons, therefore, recommends that the applicant be granted commutation because of his outstanding institutional record.

BOARD OF PARDONS

In re application of Claude Haas, C-6980, No. 3018, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Claude Haas, convicted of robbery and burglary, in the Oyer and Terminer and Quarter Sessions Court of Berks County, on April 8, 1931, be commuted on Bill No. 24 June Sessions, 1931, from a maximum term of 10 years to a maximum term of 7 years and 2 months, expiring on August 9, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-eight years of age and he is asking for a commutation of his maximum sentence in order that he may be released from parole. The applicant is serving parole on the sentence of 15 to 30 years, having served over 7 years in the Eastern State Penitentiary and at the present time he has been on parole for 7 years.

Since he has been on parole the Board of Parole has informed the Board of Pardons he has a good record except during March of this year they had a little trouble regarding his place of residence. This was later straightened out to the satisfaction of the Board of Parole.

There is no opposition to the granting of this commutation by the district attorney of Berks County.

The Board of Pardons, therefore, feels that since the applicant has served over 7 years in prison and a like time on parole without any breach of trust which was placed in him that he is entitled to relief from the excess maximum sentence which would continue him on parole for a period of at least 13 more years.

We, therefore, recommend to your Excellency that commutation be granted.

In re application of Carlton Hess, D-6717, No. 6963, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Carlton Hess, convicted of burglary in the Court of Oyer and Terminer and Quarter Session of Columbia County on September 22, 1942 to be computed from September 20, 1942, be commuted from 3 years to 2 years and 11 months, expiring on August 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and is now serving a minimum sentence of not less than three nor more than six years for breaking into slot machines while confined in the Columbia County Jail. He has at the present time served all but three months of this sentence.

There is no opposition from any of the sentencing authorities and it is reported by the Board of Trustees of the Eastern State Penitentiary that he has an excellent institutional record.

The Board of Pardons, therefore, recommends that the applicant be granted a commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Paul Heyduke, D-5785, No. 7405, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Paul Heyduke, convicted of burglary in the Court of Oyer and Terminer and Quarter Sessions of Bucks County on May 20, 1941 to be computed from May 13, 1941, be commuted from 6 years to 4 years and 4 months, expiring on September 13, 1945.

Our reasons for making this recommendation are as follows:

The applicant si twenty-seven years of age and this is the first time he has been incarcerated in any penal institution. He and his accomplice committed a series of burglaries, eight in number.

Since his incarceration at the Eastern State Penitentiary, the Board of Trustees have stated he has an excellent institutional record and has donated blood to the Red Cross on seven different occasions. It is also stated that he has shown unusual interest in vocational self-improvement.

The trial judge, Honorable Calvin S. Boyer and the district attorney, both have written the Board of Pardons, stating they have no objection if the applicant has a good institutional record. It might also be stated the accomplice of this applicant who was equally guilty was sentenced to a minimum term of not less than four years. The applicant has now served this sentence and because we feel the accomplice was equally guilty there should be no difference in the two sentences and further since this applicant must also face two detainers from Mercer County, New Jersey, we recommend that this application be given consideration and commutation granted.

Respectfully submitted,
JOHN C. BELL, Jr., (Dissenting)

BOARD OF PARDONS

In re application of James Jack, B-5850, No. 7290, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of James Jack, convicted of entering a building in the Court of Quarter Session of Allegheny County on December 2, 1937 to be computed from October 27, 1937 be commuted from 10 years to 7 years and 10 months, expiring on August 27, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age and this is the first offense for which he has ever received a prison sentence. He has now served over seven years of a ten year minimum sentence for entering a building. The total loot involved in the various entries which he and his accomplices obtained does not exceed $100.00. The applicant profited to the extent of approximately $30.00.

The Board of Trustees of the Western State Penitentiary have advised the Board of Pardons that no objection to favorable consideration of the application at this time All the accomplices have been paroled and they were all equally guilty in this matter.

The Board of Pardons feels this applicant should be given athe same consideration as his accomplices and therefore recommends to his Excellency that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.

BOARD OF PARDONS

In re application of Robert Henry Johnson, No. 7961, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Robert Henry Johnson, convicted of unlawful possession and use of narcotic drugs in the Court of Oyer and Terminer of Philadelphia County, on September 22, 1922 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is fifty-one years of age and the only time that he was ever arrested was for the violation of the law against using drugs. The last time the applicant was arrested was in 1922 at which time he was given the "cure." He has not been addicted to the use of drugs since 1922 or a period of twenty-three years. He has lived an exemplary life and at the present time holds a responsible position with the City of Philadelphia as clerk with the Board of Magistrates. He is also exalted ruler of the O. V. Catto Lodge No. 20 in Philadelphia of the Improved Benevolent Protective Order of Elks.

The applicant wishes to have these misdeeds stricken from the records because he wishes to enter business and will be unable to secure credit if these convictions remain against him.

The trial judge, Honorable Harry S. McDevitt, has informed the Board of Pardons that he feels the applicant should receive favorable consideration. The district attorney has informed the Board of Pardons that he has no objection to favorable consideration.

The Board of Pardons feels that this applicant has shown a rehabilitation of character which is unusual as well as enviable. He has risen to a position of honor for a member of his race. Under these circumstances the Board of Pardons feels that he should be given a clean slate at this time and recommend to your Excellency that he be given a full and complete gubernatorial pardon.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Paul Jones, C-2219, No. 3176, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Paul Jones, convicted of murder in the first degree in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on September 27, 1923 be commuted from life imprisonment to 21 years, 11 months, expiring on August 27, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-seven years of age and this is the first time he has ever committed any offense whatsoever. At the present time he is serving a life sentence for murder in the first degree.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that he has an outstanding prison record and he has been continuously employed in the tailor shop for a period of nearly twenty-two years. He has made an excellent adjustment. There is no opposition from the sentencing judge and it is useful to point out at this time that the accomplice who did the actual shooting and who was the actual killer was acquitted by the jury.

The Board of Pardons feels this applicant through nearly twenty-three years of continuous incarceration has paid his debt to society and that further incarceration can have no punitive value.

We therefore, recommend that the applicant's sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Harry Kovler, No. 8015, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Harry Kovler, convicted of larceny by bailee, fraudulent conversion in the Municipal Court of Philadelphia County, on April 26, 1940, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age and has never before been arrested for any offense whatsoever. He was convicted of the crime of having commited fraudulent conversion and larceny by bailee. The facts briefly are these, the applicant was in the trucking business and prosecutor sold gasoline from his station to the defendant for his trucks. The drivers for the applicant were signing so, he believed, receipts for more gasoline than they were receiving and consequently the applicant refused to pay for the gasoline which was supposed to be delivered to his driver. Thereupon this action was brought.

The applicant has now been on parole since the expiration of his probationary period of six months, which was 1940.

The Board is of the opinion that this matter should have been brought before the civil courts for the collection of this debt and should not have been brought in the criminal courts and cause a criminal record to be placed against the reputation of this applicant. There is no doubt the applicant is an outstanding citizen and at the time of this offense was engaged as a public carrier of furniture, holding both Pennsylvania Interstate Commerce Commission and Public Utility Commission certificates. This action has caused him untold embarrassment and since it was not truly of a criminal nature the Board is of the opinion that the prayer of the petitioner should be granted and a full and gubernatorial pardon be granted and we so recommend to your Excellency.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Benny Lattanzio, D-3904, No. 5028, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Benny Lattanzio, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on March 31, 1939 to be computed from March 21, 1939 be commuted from 10 years to 6 years and 5 months, expiring on August 21, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age and this is the first time he was convicted of any offense whatsoever. The applicant has now served nearly six and one-half years of his minimum sentence. The facts briefly are these: The applicant and three accomplices attempted to holdup a drug store. The applicant himself was unarmed but in the scuffle one of the accomplices was wounded. He received the sum of $4.50 for his portion in this robbery.

The Board of Trustees of the Eastern State Penitentiary state that he is considered a capable machinist and that he has a very good institutional record.

The trial judge, Honorale Harry S. McDevitt, informs the Board that this applicant was not armed in participation of this robbery and that while he has been an inmate of the Eastern State Penitentiary he has progressed very satisfactorily as a brick-layer and machinist and he is not lazy, also that he was eighteen years old at the time of the commission of this offense and he thinks it is a question for the Board to determine whether the applicant has been sufficiently punished.

The Board of Pardons feels that this applicant has been sufficiently punished and therefore since there is no active opposition from the sentencing authorities it is recommended that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Francis J. Lavery, D-2643, No. 7958, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Francis J. Lavery, convicted of robbery in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on December 2, 1937 to be computed from November 26, 1937 be commuted from 10 years to 7 years and 9 months, expiring on August 26, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age and was sentenced to a term of not less than ten nor more than twenty years for the crime of robbery. This was the applicant's first major conviction and imprisonment and at the present time he has served over seven and one-half years of a ten year minimum sentence.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons he has a good institutional record. The trial judge, Honorable L. Stauffer Oliver, has written the Board and states that if the applicant has a good prison record he is entitled to favorable consideration. The district attorney of Philadelphia County has stated that they have no objection and leaves the decision to the Board of Pardons.

The Board of Pardons feels this applicant has served a substantial portion of his minimum sentence and since his accomplice has been released from prison over six years ago, that he is entitled to another chance and should be given a commutation at this time.

BOARD OF PARDONS

In re application of John Lucian, B-1508, No. 515, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on John Lucian, convicted of breaking and entering with intent to commit a felony, robbery, felonious attempt to kill, in the Oyer and Terminer Court of Somerset County, on the 1st day of July, 1929, be commuted on Bill No. 9 September Sessions, 1929 (2nd count) from a minimum term of 10 years to a minimum term of 5 years, 11 months and 29 days, expiring on June 30, 1945; and from a minimum term of 1 year (3rd count) to a minimum term of 1 day, expiring on July 1, 1945.

Our reasons for making this recommendation are as follows:

The applicant is one of many persons whose release on parole has been affected by the opinion of the Supreme Court in the case of Commonwealth of Pennsylvania ex rel. Thomas Lynch v. Stanley P. Ashe, Warden of the Western State Penitentiary, 320 Pa. 341. In this opinion it was held that unless a prisoner, who was serving sentences imposed to run consecutively, was recommended and approved for parole at the expiration of the first minimum sentence, he would be serving the maximum of that sentence, and if no recommendation for parole was made at the expiration of the second and subsequent minimum of sentences imposed to run consecutively, the prisoner would be serving the maximum of the second and subsequent sentences. In other words, a prisoner serving in indeterminate sentence is not automatically paroled at the expiration of the minimum term but is merely eligible for parole at that time, and if not favorably considered by the Prison Board at any time thereafter, the prisoner is required to serve the full sentence.

It was the custom for a long period of time for the official of both the Eastern and Western State Penitentiaries to lump consecutive sentences and the Board of Trustees would only make recommendations for release on parole at the expiration of the period of time equal to the total of the minimum sentences.

Since the Supreme Court held this procedure improper, the applicant and others, whose cases were not considered for parole at the expiration of their minimum sentences, through no fault of their own, will have to serve a much longer period of time than contemplated by the sentencing judge and the prison officials.

The failure of the Board of Trustees to make the necessary recommendations for parole at the expiration of the minimum sentences was an honest mistake, as most, if not all, sentencing judges shared the same view as the prison officials in deeming it to be unnecessary to make recommendations for parole at the expiration of the minimum of every consecutive sentence. Sentencing judges throughout the state have uniformly believed and taken into consideration in passing sentences the Prison Board practice that consecutive sentences would be lumped making a total minimum and a total maximum.

We believe that a great injustice would be done and that it would be most unfair to keep the aspirant incarcerated for a longer period of time than recommended by the Board of Trustees of the institution in which the applicant is confined.

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of John Mars, B-8338, No. 7352, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on John Mars, convicted of larceny of an automobile, in the Quarter Sessions Court of Butler County, on March 1, 1940 to be computed from February 29, 1940; and of breaking and escaping penitentiary and larceny of an automobile in the Quarter Sessions Court of Centre, County, on August 25, 1941 to be computed from September 29, 1942, be commuted from a mainimum term of 3½ years (Centre County) to a minimum term of 2 years and 11 months, expiring on August 29, 1945. (Applicant has been granted parole on Butler County sentence).

Our reasons for making this recommendation are as follows:

The applicant is twenty-five years of age and this is his first conviction. While stationed at the Rockview Penitentiary the applicant stole an automobile and escaped from that institution. Upon his apprehension he was sentenced to two consecutive sentences of 1½ to 3 years for the escape and 2 to 4 years for the larceny of the automobile. This was in addition to the 1½ to 3 years which applicant received for prior larceny of motor vehicle in Butler County. At the present time the applicant has served over 5 years and 3 months but still has 8 months to serve before the expiration of his minimum sentence due to his escape.

The Board of Trustees of the Western State Penitentiary have written the Board of Pardons and stated the applicant has a good prison record and if he were eligible to apply for parole that they would recommend him because this is his first conviction.

The Board of Pardons feels that this applicant has matured considerably while in prison and is at the present time classified 1-A by the Local Panel of Selective Service Board attached to the Western State Penitentiary. We feel that this applicant could be of more service to his country at this time if he was given his freedom. We are also of the opinion that his attempt to rahibilitate himself should be rewarded as it will give him an incentive to become a law-abiding citizen. Therefore, we recommend that commutation be granted.

In re application of John Anthony McGill, No. 5933, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John Anthony McGill, convicted of setting up lottery in the Court of Quarter Sessions of Philadelphia County, on June 2, 1940 and January 5, 1942, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is twenty-nine years of age and except for the offense which he seeks a pardon, has not been in any other trouble. The applicant was arrested on two different occasions, for setting up and maintaining a lottery. The petitioner plead not guilty but unfortunately was convicted.

Since the occasion of these offenses the applicant was inducted into the army of the United States and served for a period of four months before he was finally discharged from the army because of a physical disability. While he was a member of the armed forces he received an excellent conduct recommendation as to character.

There is no objection from the sentencing authorities nor from the district attorney of Philadelphia County and the Board of Pardons therefore recommends that a perdon as prayed for be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Ralph McMullin, D-1809, No. 7379, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Ralph McMullin, convicted of entering with intent to steal, larceny, in the Oyer and Terminer and Quarter Sessions Court, of Philadelphia County, on December 18, 1936, be commuted on Bill No. 473 December Sessions, 1936, from a minimum term of 5 years to a minimum term of 1 year and 3 months, expiring on September 18, 1945. (Applicant has been granted parole on Bills Nos. 471 and 472).

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age and has now served eight and one-half years of a minimum sentence of ten years. This is the first time applicant was convicted of any offense whatsoever. He and four accomplices broke into several coin boxes and took money therefrom.

Since 1937 this applicant has enjoyed an excellent institutional record. However, prior to that time he attempted to escape from the Eastern State Penitentiary and was sentenced to an additional year in the Montgomery County Prison for which an active detainer is still lodged. Therefore, a release from prison at this time does not mean that he will be a free man.

The district attorney of Philadelphia County, Honorable James W. Tracey, Jr., advised the Board of Pardons that he has no active opposition to a commutation of this sentence at the present time since this was his first conviction for any offense.

The Board of Pardons feels he should be given an opportunity to begin serving the additional year for which the detainer is lodged, and therefore, recommends that commutation be granted.

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Philip Meehan, No. 7658, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Philip Meehan, convicted of conspiracy to violate election laws, making false returns of votes, unlawfully certifying votes at primary, in the Court of Quarter Sessions of Philadelphia County, on July 19, 1943, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age and never before been arrested for any offense whatsoever. He and three accomplices were all members of the election Board for the 46th Division of the 35th Ward in the City of Philadelphia. It was during a primary election in the fall of 1941 that there were voters certificates signed which were not in the handwriting of the proper parties. It was later discovered that the applicant and certain others had forged the name and voted approximately forty-one persons. The applicant and his accomplices were all sentenced to a like term of $500.00 fine and to be disfranchised.

The district attorney of Philadelphia County has no objection to the granting of this pardon as prayed for and there is in the file a letter from John P. McHugh, rector of Saint Martin's church who speaks very highly of the character of the applicant. Also it is stated that the applicant has made every effort to teach not only his own children but others in the neighborhood to be good citizens of the Commonwealth. He is engaged actively in community activities. It is not believed by the Board of Pardons that this applicant has any criminal tendencies but that this was rather a careless act than an intentional one, and we therefore recommend to your Excellency that a full and complete gubernatorial pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Joseph Miorelli, C-4342, No. 4127, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Joseph Miorelli, convicted of murder in the first degree in the Court of Oyer and Terminer and Quarter Sessions of Luzerne County on January 13, 1928 be commuted from life imprisonment to 17 years and 7 months, expiring on August 13, 1945.

Our reasons for making this recommendation are as follows:

The applicant is fifty-four years of age and is serving a life sentence on the charge of murder in the first degree. He has served nearly seventeen and one-half years of this sentence. The applicant never had any criminal record except that which resulted from the continued ill-treatment by the victim of the applicant. The victim for some unknown reason had beaten the applicant and then had applicant arrested for assault and battery on two prior occasions. Also made fun of applicant and threatened his life, in fact acted only as a bully could. Applicant was an immigrant from Austria and could not understand this form of treatment by his victim. When the victim continued his abuse and at a time when applicant was slightly under the influence of liquor the applicant shot and killed the victim.

When the applicant was committed to the Eastern State Penitentiary he was unable to read and write. He has now, through his own efforts, learned to read and write English. He has been employed by a cobbler in the Eastern State Penitentiary for a period of over fourteen years. Further incarceration can have no punitive value on this applicant because of his excellent institutional record and his quite obvious attempt to rehabilitate himself we recommend that the prayer of the applicant be granted and commutation issued.

BOARD OF PARDONS

In re application of Edward C. Mullen, B-5634, No. 2552, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Edward C. Mullen, convicted of larceny, breaking and entering in the Court of Quarter Sessions of Beaver County on July 14, 1937 to be computed from July 9, 1937 be commuted from 7½ years to 5 years and 8 months, expiring on September 9, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and his past record has nothing to recommend him for it consists of seven arrests, two convictions and two parole violations. At the present time he has served eight years of what was originally a sentence of seven and one-half to fifteen years to run concurrently with his unexpired parole. However, in the case of Commonwealth ex. rel. Lerner vs. Smith and later in the case of Commonwealth ex. rel. Wheeler vs. Smith, the Superior and Supreme Courts both held that sentences to run concurrently with unexpired parole to be illegal and set forth the purpose of law that the inmate must first serve his back parole time before he can begin the service of the new sentence. Thus the effect in this case was to give the applicant a ten year sentence including two and one-half years of his back parole time.

The trial judge, Honorable Frank R. Reader, has informed the Board of Pardons that he intended the sentence to be served concurrently with the back parole time and he feels that the serving of this period would lengthen the seven and one-half years and violate the intention of his sentence.

The Board of Trustees of the Western State Penitentiary have written the Board of Pardons and advised them the applicant has an excellent institutional record and if he were eligible to apply for a parole that they would so recommend.

The Board of Pardons, therefore, taking into account the recommendation of the trial judge, district attorney, and the Board of Trustees of the Western State Penitentiary, feels that the applicant's sentence should be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

In re application of Franklin Oergel, No. 7660, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Franklin Oergel, convicted of conspiracy to violate election laws, making false returns of vote, unlawfully certifying votes at a primary, unlawfully inserting names on Voter's Certificates in the Court of Quarter Sessions of Philadelphia County, on July 19, 1943, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is forty-three years of age and never before been arrested for any offense whatsoever. He and three accomplices were members of the election board for the 46th Division of the 35th Ward in the City of Philadelphia. It was during a primary election in the fall of 1941 that there were voter's certificates signed which were not in the handwriting of the proper parties. It was later discovered that the applicant and certain others had forged the name and voted approximately forty-one persons. The applicant and his accomplices were all sentenced to a like term of $500.00 fine and to be disfranchised.

The applicant is a typographer with the John C. Meyer & Son, Philadelphia, and has been engaged in the printing trade for a number of years. There is nothing to show that this applicant together with his accomplices has been of a criminal nature and that this violation of the election laws was merely an error of the mind and not of the heart.

Therefore, we recommend to your Excellency that a full and complete gubernatorial parden be granted.

BOARD OF PARDONS

In re application of John W. Parks, No. 7980, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John W. Parks, convicted of embezzlement in the Court of Quarter Sessions of Philadelphia County, on December 18, 1924 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is seventy-one years of age and in 1924 when a member of the bar he embezzled the sum of $265.00 of clents money and on these two charges he was sentenced to prison for a period of nine months. He was later disbarred and now seeks to have these embezzlement charges removed by a pardon. He has been in no further trouble for a period of over twenty years and has conducted himself well. He desires now to have these charges erased because of his age and wish to live out his remaining years without the threat of a criminal charge hanging over him.

The Board of Pardons feels that this applicant should be given an opportunity to have his name cleared at this time and therefore we recommend to your Excellency that a full and complete gubernatorial pardon be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Charles Peal, A-13214, No. 620, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Charles Peal, convicted of robbery, in the Quarter Sessions Court, of Lawrence County, on January 19, 1924, be commuted on Bill No. 74 December Sessions, 1923, from a minimum term of 5 years to a minimum term of 3 years and 8 months, expiring on September 17, 1945.

Our reasons for making this recommendation are as follows:

The applicant is sixty-eight years of age and is now asking for commutation, having served ten years. Due to the fact the prison authorities failed to grant him parole upon the expiration of his minimum sentence upon the first bill of Indictment he was released under the Morgan and Cox decision's illegally and was illegally at liberty when he was returned for parole violation. He has now served over three and one-half years for parole violation and we feel that he will be able to adjust himself if given another opportunity, and therefore, recommend that his sentence be commuted and that he be returned to parole.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Domenico Pugliese, B-9186, No. 7976, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Domenico Pugliese, convicted of murder in the second degree, in the Oyer and Terminer Court of Schuylkill County, on June 30, 1916; and of breaking and escaping penitentiary, in the Quarter Sessions Court of Centre County, on October 25, 1944 to be computed from February 1, 1945 be commuted from a minimum term of 10 years (Centre County) to a minimum term of 6 months, expiring on August 1, 1945. (Ap-

plicant has been granted parole on Schuylkill County sentence).

Our reasons for making this recommendation are as follows:

The applicant is fifty-two years of age and in 1916 he was sentenced by the Oyer and Terminer Court of Schuylkill County for not less than ten nor more than twenty years. After having served nearly eleven years of his minimum sentence of ten years in the Rockview State Prison Farm the applicant escaped therefrom and for the next eighteen years lived in New York City.

After having been at large for approximately these eighteen years the applicant willingly gave himself up to the police authorities in New York in order that he might have his record clear and become an American citizen. As a result the applicant was returned to Pennsylvania and sentenced to a term of not less than ten nor more than twenty years for the escape and at the present time he has served nearly five months of this sentence.

The Board of Pardons recognizes that this applicant rehabilitated himself during his nearly decade of freedom in New York State during which time he never once became involved in any offense whatsoever. We feel this is a matter which must be taken into consideration in this application and therefore it is our opinion that further incarceration could have no punitive value and that this applicant needs no further corrective treatment. We therefore recommend that his sentence be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Joseph Henry Scavone, C-5449, No. 3881, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Joseph Henry Scavone, convicted of murder in the first degree in the Court of Oyer and Terminer and Quarter Sessions of Luzerne County on June 10, 1929 be commuted from life imprisonment to 16 years and 3 months, expiring on September 10, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty years of age and he in company with three accomplices committed a murder in the commission of robbery. Applicant has served over sixteen years of a life sentence. The applicant has an excellent institutional record at the Eastern State Penitentiary. He has given nine donations of blood to the Red Cross Blood Serum Bank.

The trial judge has written the Board of Pardons and stated that if the accomplices have been paroled this applicant should receive similar treatment. The district attorney of Luzerne County appeared before the Board of Pardens and said there is no objection to the granting of commutation. It might also be reviewed at this time that the accomplices including the one who fired the fatal shot have been on parole for a period of six years or less. This man is the last one in prison and he has a very excellent prison record. He has written poetry, has had songs published and is now the head of the cigar shop at the Eastern State Penitentiary.

Under these circumstances, the Board of Pardons feels the applicant has definitely rehabilitated himself and is worthy of being returned to society at this time, and we therefore, recommend that commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Reuel E. Shawl, No. 59154, No. 8020, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Reuel E. Shawl, convicted of burglary, larceny and receiving stolen goods in the Court of Quarter Sessions of Crawford County on August 7, 1944 to be computed from July 6, 1944 be commuted from 1½ years to 1 year and 2 months, expiring on September 6, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and this is the first time he has been convicted of any offense whatsoever. This is the case of a very weak person, especially mentally. This applicant while owing money to another, was approached by the person who loaned him the money and the lender suggested he steal certain property from his employer to repay the money which he had borrowed. The applicant did so and as a result he was sentenced to a term of not less than one and one-half nor more than three years. At the present time he has served ten months of this sentence. The accomplice who caused him all this trouble by suggesting the commission of this crime was released after having served a period of approximately four months of a nine month sentence.

The trial judge, Honorable O. Clare Kent, advised the Board of Pardons he has no objection but on the contrary recommends commutation at this time.

Under all of these circumstances, the Board of Pardons feels this applicant should be granted another chance, and for that reason, recommends that commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Anthony G. Skraskis, No. 7659, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Anthony G. Skraskis, convicted of conspiracy to violate election laws, making false returns of votes, and unlawfully certifying votes at a primary in the Court of Quarter Sessions of Philadelphia County, on July 19, 1943, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and never before been arrested for any offense whatsoever. He and three accomplices were members of the election board for the 46th Division of the 35th Ward in the City of Philadelphia. It was during a primary election in the fall of 1941 that there were voter's certificates signed which were not in the handwriting of the proper parties. It was later discovered that the applicant and certain others had forged the name and voted approximately forty-one persons. The applicant and his accomplices were all sentenced to a like term of $500.00 fine and to be disfranchised.

The district attorney has no objection to granting executive clemency in this matter and has stated to the Board of Pardons that he leaves the final decision in this case up to the Board. Since this accomplices in this matter are being recommended to your Excellency for executive clemency and it has been shown to the Board of Pardons that this applicant has been in no further legal difficulties we feel that a full and complete gubernatorial pardon should be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,

BOARD OF PARDONS

In re application of John Slavinski, No. 7657, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John Slavinski, convicted of conspiracy to violate election laws, making false returns of votes, unlawfully certifying votes at a primary, in the Court of Quarter Sessions of Philadelphia County, on July 19, 1943, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is fifty-six years of age and never before been arrested for any offense whatsoever. He and three accomplices were members of the election board for the 46th Division of the 35th Ward in the City of Philadelphia. It was during a primary election in the fall of 1941 that there were voter's certificates signed which were not in the handwriting of the proper parties. It was later discovered that the applicant and certain others had forged the name and voted approximately forty-one persons. The applicant and his accomplices were all sentenced to a like term of $500.00 fine and to be disfranchised.

The district attorney of Philadelphia County has no objection to the granting of this pardon as prayed for and there is in the file a letter from John P. McHuth, rector of Saint Martin's church who speaks very highly of the applicant and that he is held in high esteem by his neighbors, whom he has at all times helped in whatever manner he could. He has engaged in civic and patriotic movements for the benefit of his fellow citizens. His reputation has always been of the highest and he has enjoyed the confidence of his neighbors.

The Board of Pardons feels that because of the way the applicant has conducted his life and the fact that he has only mis-stepped from the straight and narrow path this one time and he has shown it is not an intentional mis-step we recommend to your Excellency that a full and complete gubernatorial pardon be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Calvin Trusty, D-4575, No. 6540, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Calvin Trusty, convicted of robbery in the Court of Quarter Sessions of Philadelphia County on January 9, 1940 to be computed from January 4, 1940 be commuted from 10 years to 5 years and 7 months, expiring on August 4, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-one years of age and this is the first time he has ever been imprisoned for such a great length of time. To date he has served over five and one-half years of his minimum sentence. All accomplices of this applicant have been commuted with one exception.

The Board of Trustes of the Eastern State Penitentiary have advised the Board of Pardons he has an excellent disciplinary record and that he has attempted to rehabiilitate himself through academic studies. He has also given seven donations of blood to the American Red Cross serum bank.

The trial judge, Honorable Joseph L. Kun, has written the Board that if the applicant's accomplices have been commuted he sees no reason why the applicant should not be accorded the same consideration. The district attorney, Honorable James W. Tracey, Jr., of Philadelphia County has advised the Board of Pardons he is not opposed to the granting of commutation.

The Board of Pardons. therefore, recommends to his Excellency that the sentence of the applicant be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.

Secretary of the Commonwealth.
JAMES H. DUFF,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Charles Ralph Vore, B-9123, No. 7391, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles Ralph Vore, convicted of arson in the Court of Quarter Sessions and Oyer and Terminer of Allegheny County on January 21, 1944 to be computed from September 20, 1943, be commuted from 2 years to 1 year and 11 months, expiring on August 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty years of age and has never before been arrested for any offense whatsoever. He has now served one year and ten months of a minimum sentence of two years for arson.

The Board of Trustees of the Western State Penitentiary have advised the Board of Pardons that he has an excellent institutional record and if he was eligible to apply for parole they would recommend him.

The trial judge has no objection to his release at the present time, and since he is a first offender, the Board of Pardons feels that if he is given an opportunity at the present time it may react favorably on his mental make-up, and we therefore, recommend that a commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of George Whiting, No. 7318, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that George Whiting, convicted of larceny, receiving stolen goods, operating automobile without consent of owner in the Court of Quarter Sessions of Philadelphia County, on December 31, 1937, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age and has never before been arrested for ony offense except the crime for which he now requests a pardon. The applicant has been in no further trouble for a period of seven and one-half years. The facts briefly surrounding the crime for which he seeks a pardon are these: The applicant went for a ride with some friends in an automobile, during the ride the car was stopped and stolen goods were found in it. The applicant did not know that the goods were in the car. It might also be stated that at the time this offense occurred the applicant was only sixteen years of age.

The trial judge, Honorable Harry S. McDevitt, states he believed the story which is related above and for that reason did not sentence the applicant as he did his companions and further states he has no objection to granting a pardon.

The district attorney, James W. Tracey, Jr., Esquire, has advised the Board he has no objection to favorable consideration.

Since this applicant was released on probation he has served honorably with the army of the United States and received an honorable discharge therefrom November 18, 1943. Since that time the applicant has been employed by the Mack Transportation Company as a truck driver. He now has an opportunity to receive advancement with this company but the Surety Company refused to bond him because of this blot on his character. Therefore his advancement with the company is held up. The applicant has since married, is a father of a seven months old son. This mar on his reputation has had a greater effect upon him than it was desired at the time of sentence and we feel that because he has made an honest effort to become a worthy citizen favorable consideration should be given him and we recommend to your Excellency that a full gubernatorial pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Elijah Williams, D-5931, No. 7239, June Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Elijah Williams, convicted of assault together with other persons with intent to rob, robbery in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on August 12, 1941 to be computed from July 11, 1941 be commuted from 5 years to 4 years and 1 month expiring on August 11, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age and this is the first offense for which he has ever been convicted. He has now served approximately four years of a five year minimum sentence. The total amount involved in this alleged robbery was five (.05c) cents and it was the opinion of the district attorney when the case was heard that this was a very severe sentence under all circumstances and therefore he did not oppose the granting of commutation.

The Board of Trustees of the Eastern State Penitentiary states this applicant has maintained a very good disciplinary record and that he has made wise use of his earnings and has saved a considerable amount of money.

The Board of Pardons, therefore feels that this applicant is entitled to receive commutation of sentence because of the fact that it was a very severe sentence under all circumstances.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Herbert Wilson Bowser, B-5960, No. 7936, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Herbert Wilson Bowser, convicted of robbery, receiving stolen goods, violation of the Firearms Act in the Court of Quarter Sessions of Allegheny County on January 27, 1938 to be computed from December 23, 1937 be commuted from 10 years to 7 years, 6 months and 8 days, expiring on July 1, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age and was sentenced to a term of imprisonment in the Western State Penitentiary for not less than ten nor more than twenty years on the charge of robbery and violation of the Firearms Act. At the present time he has served seven years and five months of his minimum sentence of ten years.

The Board of Trustees of the Western State Penitentiary have written to the Board of Pardons and advised them that the applicant has an excellent record and they would therefore recommend him for commutation of sentence.

The Board of Pardons feels the applicant has served a very great portion of his sentence and under the circumstances, if it is as has been stated to us, he has been rehabilitated, then no further incarceration could have no punitive value, and under these circumstances we recommend that the applicant's sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Glenn Carter, D-1201, No. 5839, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons, recommend that the sentence of imprisonment imposed on Glenn Carter, convicted of burglary, larceny, and felonious entry, in the Oyer and Terminer and Quarter Sessions Court of Cumberland County, on March 17, 1936; and the Oyer and Terminer and Quarter Sessions Court of Lancaster County, on June 20, 1941, be commuted on Bill No. 23, May Sessions, 1936 (Cumberland County) from a minimum term of 2½ years to a minimum term of 1 year and 10 months, expiring on July 17, 1945; and on Bills Nos. 179 and 180 March Sessions, 1936 (Lancaster County—to run concurrent with original sentence and to be computed from June 20, 1941) from a maximum term of 5 years to 4 year and 27 days, expiring on July 17, 1945. (Applicant has been granted parole on Bills Nos. 6, 21, and 22 May Sessions, 1936).

Our reasons for making this recommendation are as follows:

This applicant is thirty-five years of age and has not been convicted of any other offense whatsoever. He has now served nine years of a minimum sentence of ten years.

He and his accomplice, Maynard McFarland, whose sentence was commuted at the April 1945 Session of the Board, engaged in a spree of breaking and entering into school buildings in Cumberland, Lancaster, Dauphin, Adams, and Lebanon Counties. There were no weapons used in these entries and no person was put in fear by their actions. The loot usually consisted of taking sporting goods and athletic equipment from the schools.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that the applicant has an excellent institutional record and he has been employed as a novelty woodworker and has shared his earnings with his family, and in addition, he has purchased $600.00 worth of War Bonds.

The Board of Pardons feels that since the accomplice who received a more severe sentence than the applicant, who has had his sentence commuted, we should do likewise for the applicant for his record was not nearly as bad as his accomplice. We, therefore recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re aplication of Roy E. Dixon, No. 6519, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Roy E. Dixon, convicted of robbery, burglary, and consipracy in the Court of Quarter Sessions of Philadelphia County, on December 31, 1930 to be computed from October 29, 1930, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age and is asking a pardon from the crime of receiving stolen goods and of conspiracy to rob. The applicant did not commit the crime but was with the persons who did commit the crime and when they arrived at the home of the applicant they gave him part of the loot and told him that they had held up a storekeeper. Applicant failed to report this and when arrested plead guilty. He is not on parole and has been in no further trouble for a period of fifteen years.

Neither the trial judge nor the district attorney have any objection to the granting of a pardon. The applicant is at present a member of the armed forces and served with distinction in the European Theatre of Operations. During his service overseas he was wounded and has been evacuated to the United States for further treatment and is presently stationed at the Convalescent Hospital located at Camp Pickett, Virginia.

The Board of Pardons is of the opinion that the applicant's offense was a youthful indiscretion rather than any deep seated inclination to crime, and that by his performance as a soldier in the Army of the United States during which he received his present disability and deserves to have from the hands of a grateful state the prayer of his petition granted. To that end the majority of the Board recommends to your Excellency that a full and complete gubernatorial pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Robert Evans, D-1843, No. 6721, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommended that the minimum sentence of Robert Evans, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on December 31, 1936 be commuted from 10 years to 8 years and 7 months, expiring on July 1, 1945.

Our reasons for making this recommendation are as follows:

This applicant is twenty-six years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years on the charge of robbery, being armed with an offensive weapon. However, the gun he used was broken and was used more for the effect, which the sight would produce, than for the purpose of being used.

This boy was a member of a gang who in their career of crimes entered thirteen places. At the time of the commission of these crimes he was only eighteen years of age and at the present time he has served eight years of his minimum sentence of ten years. There is an active detainer lodged by the Pennsylvania Industrial School for violation of parole from a sentence of that institution.

The Board of Trustees of the Eastern State Penitentiary have written the Board of Pardons and stated that he has made an excellent adjustment, and too, that he has also made seventeen donation of blood to the American Red Cross Serum Bank.

The Board of Pardons feels that this indicates that he has achieved a certain amount of social responsibility, and therefore, the Board of Pardons is recommending to your Excellency that the sentence be commuted in order that he may be released to answer the parole violation detainer which has been lodged against him.

JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of James Fordica, D-5047, No. 5450, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of James Fordica, convicted of larceny, breaking and entering in the Court of Quarter Sessions of Washington County on July 2, 1937 to be computed from June 23, 1937 be commuted from 11 years to 8 years and 8 days, expiring on July 1, 1945.

Our reasons for making this recommendation are as follows:

This applicant is thirty years of age and this is his first major conviction. The applicant and four accomplices committed nine larcenies of livestock and poultry, and would in their depredations drive the livestock and poultry to a butcher in West Virginia who received the stolen articles from them. The total amount of loot amounted to slightly over $1000.00.

The district attorney of Washington County has written the Board of Pardons in which he states that from his recollection of the case, the applicant was not the leader of the group involved in these thefts. In fact, he believes the applicant was the youngest of the group and that his sentence was the most severe of those involved in the thefts. He further states that in view of the length of time this applicant has served, to-wit, over eight years of a minimum sentence of eleven years, that he would recommend favorable consideration on this application for commutation. The Board of Pardons, therefore, recommends that this applicant be given the commutation he prays for.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Edward S. Harvey, D-5507, No. 7911, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Edward S. Harvey, convicted of robbery in the Court of Oyer and Terminer and Quarter Sessions of Lycoming County on February 10, 1936 to be computed from January 19, 1941 be commuted from 5 years to 4 years and 6 months, expiring on July 19, 1945.

Our reasons for making this recommendation are as follows:

This applicant is fifty years of age and while on parole from the Eastern State Penitentiary commited the present crime which was the holdup of a store at gun point. The loot secured amounted to $14.00. There was also a second holdup which the loot amounted to $5.00. The applicant served the balance of his original sentence of five years before beginning the sentence of not less than five nor more than ten years on this second charge. At the present time the applicant has served nine years and four months but only four years and three months apply to the minimum sentence of five years.

The Board of Trustees of the Eastern State Penitentiary state that he has an excellent institutional record and that he has purchased $100.00 worth of War Bonds. The sentencing authorities of Lycoming County have not made any comment as to their feelings in this matter.

The Board of Pardons feels that this applicant has served an exceedingly long time for these crimes and that by reason of his excellent prison record he should be given an oportunity to show whether or not he has rehabilitated himself. We therefore are reposing a certain amount of trust in this applicant by recommending to your Excellency that this sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Stephen Kenish, D-1454, No. 5960, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons, recommend that the sentence of imprisonment imposed on Stephen Kenish, convicted of robbery, burglary, and larceny, in the Oyer and Terminer Court of Bradford County, on July 6, 1936, be commuted on Bill No. 14, May Sessions, 1936, from a minimum term of 10 years to a minimum term of 9 years, expiring on July 6, 1945; and on Bill No. 13 from a minimum term of 2½ years to a minimum term of 1 day, expiring on July 7, 1945.

Our reasons for making this recommendation are as follows:

This applicant is thirty-two years of age and this is his first major conviction. He has now served nearly nine years of a minimum sentence of twelve and one-half years. The charge for which the applicant is serving is for the robbery of a store and for the breaking and entering of another store from which $700.00 worth of musical instruments were taken. There were two accomplices in this matter. The one accomplice being sent to the Pennsylvania Industrial School, who has long since been released, and the other accomplice was sentenced to a term of seven years in the Eastern State Penitentiary and was released on parole nearly two years ago.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons the applicant has an excellent prison record and they give him credit for the constructive use of his prison time.

The Board of Pardons feels this applicant has been fully rehabilitated as shown by the record of the Eastern State Penitentiary and that further confinement could not possibly aid further rehabilitation as that has been accomplished. We, therefore recommend that the sentence of the applicant be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Richard Lucas, D-6406, B-8597, No. 7210, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Richard Lucas, convicted of burglary, receiving stolen goods in the Court of Oyer & Terminer and Quarter Sessions of Philadelphia County on March 31, 1942 to be computed from March 17, 1942 be commuted from 5 years to 3 years and 4 months, expiring on July 17, 1945.

Our reasons for making this recommendation are as follows:

This applicant is twenty-seven years of age and this is the first time he has been convicted of any offense whatsoever. The applicant pled guilty to the charge of the burglary of a business establishment in which the total loot amounted to $32.00 in cash and two revolvers. He and his accomplice were apprehended the following day.

The Board of Trustees of the Eastern State Penitentiary states that he has an excellent institutional record in the Eastern State Penitentiary and that he has attempted to improve himself in his spare time through an enrollment in a welding course. The trial judge and the district attorney have stated that they have no objection to the commutation at this time if he has a good prison record. The Board of Pardons, therefore, recommend that his application for commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.

BOARD OF PARDONS

In re application of Joseph Marmo, B-6799, No. 4846, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Joseph Marmo, convicted of robbery and receiving stolen goods in the Court of Oyer and Terminer of Allegheny County on May 31, 1939 to be computed from January 9, 1939, be commuted from 20 years to 6 years and 6 months, expiring on July 9, 1945.

Our reasons for making this recommendation are as follows:

This applicant is forty years of age and was convicted of the crime of robbery and receiving stolen goods. He was sentenced to a term of imprisonment in the Western State Penitentiary for not less than four nor more than twenty years and served his minimum sentence following which he was released on parole.

The applicant now is asking for a pardon, but at the hearing before the Board of Pardons, it was suggested that probably the applicant would be satisfied with a commutation of his maximum sentence. It was stated that the accomplice of the applicant perjured himself and it was on the testimony of this accomplice that the applicant was convicted. If it was true the accomplice perjured himself, the applicant was not guilty of any crime whatsoever. We are unable to ascertain whether or not this accomplice did perjure himself. However, the applicant has served his minimum sentence and for the past two years and three months he has been on parole with no breaches of his parole.

The Board of Pardons feels the applicant did receive a very long sentence, and we are therefore recommending to your Excellency that the applicant's maximum sentence be commuted at this time.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of William Mayer, D-1801, No. 6442, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons, recommend that the sentence of imprisonment imposed on William Mayer, convicted of robbery, being armed with an offensive weapon, in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County, on December 17, 1936, be commuted on Bill No. 372 December Sessions, 1936, from a minimum term of 10 years to a minimum term of 8 years and 7 months, expiring on July 17, 1945; on Bill No. 373 from a minimum term of 10 years to a minimum term of 1 day, expiring on July 18, 1945; and on Bill No. 374 from a minimum term of 5 years to a minimum term of 1 day, expiring on July 19, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and on December 17, 1936, he was sentenced to a term of not less than twenty-five nor more than fifty years for a series of armed robberies. At the present time he has served eight years and five months of his minimum sentence.

The Board of Trustees of the Eastern State Penitentiary have written the Board of Pardons and have stated that he has an excellent institutional record. The trial judge, Honorable Harry S. McDevitt, has written the Board and has stated that he believes that the sentence that was given the applicant has cured his criminal tendencies. The district attorney's office have advised the Board that they have no objection to clemency being granted.

The Board of Pardons is of the opinion that the applicant has received a very severe sentence and that he has now served more than one-third of that sentence. Further that the applicant can not be any more rehabilitated than he is now at the present and that continued incarceration can do no good. In view of the fact that the sentencing authorities have no objection to clemency being granted, the Board hereby recommends that the sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of William Nelson, D-3124, No. 6008, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of William Nelson, convicted of murder in the second degree in the Court of Oyer and Terminer of Philadelphia County on June 2, 1938 to be computed from March 30, 1938 be commuted from 10 years to 7 years and 3 months, expiring on June 30, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of afe and has now served over seven years of a minimum sentence of ten years for murder in the second degree. The fact surrounding the killing are very peculiar and would bear being succintly stated. The applicant was carrying a knife and a potato peeler wrapped in a package, having just bought them, and was on his way home when he became involved in an argument with the deceased. He used this package containing the knife to strike the deceased and the knife came through the paper and cut the deceased in the neck causing his death.

The Board of Trustees of the Eastern State Penitentiary state that the applicant has difficulty in accepting his situation, which the Board feels is probably due to the fact that he was found guilty by the Court en banc of second degree murder on a plea of guilty rather than of manslaughter. Judge McDevitt has written the Board of Pardons and states that he has made a study of this case, although not the trial judge, and that he feels under all of the evidence adduced the most the applicant should have been given was a manslaughter sentence.

The Board of Pardons at the hearing of this case drew from counsel for the petitioner all of the facts surrounding the case and a full discussion was had of all pertinent facts. It was the conclusion of the Board that the applicant had served long enough for a killing under the peculiar circumstances of the case. Therefore, since the applicant has served more than a manslaughter sentence it is the opinion of the Board that a commutation should be granted and it is therefore recommended.

JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Joseph Phillips, C-7039, No. 7941, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons, recommend that the sentence of imprisonment imposed on Joseph Phillips, convicted of burglary, in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County, on April 29, 1931, be commuted on Bill No. 979 April Sessions, 1931, from a minimum term of 5 years to a minimum term of 4 years and 2 months, expiring on June 29, 1945; and on Bill No. 980 from a minimum term of 5 years to a minimum term of 1 day, expiring on June 30, 1945. (Applicant has been granted parole on Bills Nos. 976 and 977).

Our reasons for making this recommendation are as follows:

The applicant is fifty-four years of age and he has now served fourteen years of a minimum sentence of twenty years for burglary.

The Board of Trustees of the Eastern State Penitentiary have written the Board of Pardons and stated that the applicant has adjusted easily in prison and has maintained an excellent disciplinary record and reputation ever since confinement. He has also invested a part of his money in $600.00 worth of War Bonds. The trial judge, Honorable Harry S. McDevitt, has stated that he enjoys

a good reputation in prison, but perhaps like so many others realizes that he will get along better if he obeys the rules. He is now fifty-four years old and perhaps his advancing years may have a sobering effect on his youthful intentions. The district attorney of Philadelphia has stated that he has no objections to the granting of clemency.

The Board of Pardons feels that the applicant has served a very great part of his sentence, without prior application for clemency, and in addition thereto he has an excellent institutional record and there is no objection by the sentencing authorities to commutation. We, therefore recommend that clemency be granted.

BOARD OF PARDONS

In re application of William Quartucci, D-2372, No. 3681, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of William Quartucci, convicted of robbery, receiving stolen goods in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on August 19, 1937 to be computed from August 7, 1937, be commuted from 10 years to 3 years and 7 months, expiring on June 26, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and while on parole from the Eastern State Penitentiary was returned for parole violation, the violation being that a friend of the applicant's sister left some furniture at his home and he becoming suspicious reported the matter to the police. He was tried and convicted of receiving stolen goods and the Court suspended sentence but he was returned to the Eastern State Penitentiary for violation of parole.

The Board of Trustees of the Eastern State Penitentiary state that the applicant has a good institutional record and the trial judge, Honorable John A. Mawhinney who states: ". . . I recall the trial of this case and believe that the offense he committed for which he was tried by me was not so serious to require his detention for a period longer than he has already served, which is now approximately a year. I realize that he violated his parole but would recommend to you serious consideration of his application for commutation of his sentence." It might also be pointed out that the applicant is in Class 1-A and will be recommended for induction into the army by the Special Panel Board of the Selective Service System. The district attorney, however, remains opposed to commutation.

The Board of Pardons was impressed with the letter of the trial judge in this matter and is inclined to agree with him and to recommend to your Excellency that a further parole be granted and that commutation of his maximum sentence be recommended and the applicant be released.

BOARD OF PARDONS

In re application of Anthony Trignani, D-7612, No. 7343, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Anthony Trignani, convicted of statutory rape and pandering in the Municipal Court of Philadelphia County on February 12, 1944 be commuted from 3 years to 1 year and 5 months, expiring on July 12, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty years of age and was sentenced to a term of not less than three nor more than six years on a charge of statutory rape and pandering. The facts briefly are that the applicant and approximately fifteen other boys had relations with two girls of ill repute and beause the trial judge felt that the applicant and his brother were the ones responsible for securing the girls that they were the guiltiest of the parties involved. The Board in its study of the case is of the opinion that there was absolutely no evidence to sustain the charge of pandering.

The Board of Trustees of the Eastern State Penitentiary have advised the Board that the applicant has a good prison record. Neither the trial judge nor the district attorney oppose the granting of the commutation.

The Board of Pardons is of the opinion that the applicant was severely punished by this sentence and that in view of the reputation of the girls involved, it was indeed too severe. We, therefore recommend commutation.

In re application of Israel Trignani, D-7613, No. 7342, May Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Israel Trignani, convicted of statutory rape in the Municipal Court of Philadelphia County on February 12, 1944 be commuted from 1½ years to 1 year and 5 months, expiring on July 12, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age and this is the first time that he was convicted of any offense whatsoever. He, with his brother, were convicted of statutory

rape on two girls of ill repute. There were fifteen other boys involved and, with the exception of the applicant's brother, were all let off with fines.

The Board of Trustees of the Eastern State Penitentiary have written the Board of Pardons and have advised the Board that the applicant has a good record. Neither the trial judge nor the district attorney oppose the granting of the commutation.

The Board of Pardons is of the opinion that the applicant was severely punished in view of the reputation of the girls and the sentences meted out to the others involved, with the exception of the applicant's brother, and that it was indeed too severe. We, therefore recommend commutation.

BOARD OF PARDONS

In re application of Arthur Adams, B-1118, No. 177A, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Arthur Adams, convicted of rape in the Oyer and Terminer Court of Allegheny County, on November 23, 1928 and December 4, 1928, be commuted on Bill No. 69 November Sessions, 1928 from a minimum term of 7½ years to a minimum term of 1 year, 5 months, and 29 days, expiring on May 22, 1945; and on Bill No. 76 December Sessions, 1928 from a minimum term of 1½ years to a minimum term of 1 day, expiring on May 23, 1945.

Our reasons for making this recommendation are as follows:

The applicant is one of many prisoners whose release on parole has been affected by the opinion of the Supreme Court in the case of Commonwealth of Pennsylvania ex rel. Thomas Lynch v. Stanley P. Ashe, Warden of the Western State Penitentiary, 320 Pa. 341. In this opinion it was held that unless a prisoner, who was serving sentences imposed to run consecutively, was recommended and approved for parole at the expiration of the first minimum sentence, he would be serving the maximum of that sentence, and if no recommendation for parole was made at the expiration of the second and subsequent minimum of sentences imposed to run consecutively, the prisoner would be serving the maximum of the second and subsequent sentences. In other words, a prisoner serving an indeterminate sentence is not automatically paroled at the expiration of the minimum term but is merely eligible for parole at that time, and if not favorably considered by the Prison Board at any time thereafter, the prisoner is required to serve the full sentence.

It was the custom for a long period of time for the officials of both the Eastern and Western State Penitentiaries to lump consecutive sentences and the Boards of Trustees would only make recommendations for release on parole at the expiration of the period of time equal to the total of the minimum sentences.

Since the Supreme Court held this procedure improper, the applicant and others, whose cases were not considered for parole at the expiration of their minimum sentences, through no fault of their own, will have to serve a much longer period of time than contemplated by the sentencing judge and the prison officials.

The failure of the Board of Trustees to make the necessary recommendations for parole at the expiration of the minimum sentences was an honest mistake, as most, if not all, sentencing judges shared the same view as the prison officials in deeming it to be unnecessary to make recommendations for parole at the expiration of the minimum of every consecutive sentence. Sentencing judges throughout the state have uniformly believed and taken into consideration in passing sentences the Prison Board practice that consecutive sentences would be lumped making a total minimum and a total maximum.

We believe that a great injustice would be done and that it would be most unfair to keep the applicant incarcerated for a longer period of time than recommended by the Board of Trustees of the institution in which the applicant is confined.

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Gilbert Foster Barlow, D-3212, No 6377, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Gilbert Foster Barlow, convicted of voluntary manslaughter, larceny, and receiving stolen goods in the Court of Oyer and Terminer and Quarter Sessions of Lehigh County on June 24, 1938 to be computed from April 4, 1938 be commuted from 7½ years to 7 years and 2 months, expiring on June 4, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and has at the present time served seven years of a minimum of seven and one-half years for the crime of voluntary manslaughter, larceny, and receiving stolen goods. The charges arose out of an argument between he and his brother in which the brother was stabbed by the applicant. In the ensuing tussle a roll of money fell from the victim's pocket and the applicant picked it up.

Since his incarceration the Board of Pardons has been advised that he has made over eleven donations of blood to the American Red Cross serum bank. The Board of Trustees of the Eastern State Penitentiary states that he has an excellent institutional record and is considered to be trustworthy. The trial judge, Honorable Richard W. Iobst, has informed the Board that he has no objection to the communtation if the Board deemed it advisable.

We, therefore, feel that the applicant has served a great length of time, and therefore recommend to your Excellency that the commutation be granted.

BOARD OF PARDONS

In re application of Brady A. Beck, B-8303, No. 7216, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Brady A. Beck, convicted of sodomy in the Court of Oyer and Terminer and Quarter Sessions of Clinton County on August 19, 1942 be commuted from 3 years to 2 years, 9 months and 10 days, expiring on May 29, 1945.

Our reasons for making this recommendation are as follows:

This applicant is forty-two years of age and never before been convicted of any offense whatsoever. He has now served two years and nine months of a minimum sentence of three years and a maximum sentence of ten years for the crime of sodomy.

The Board of Trustees of the Western State Penitentiary have stated that the applicant has an excellent institutional record and that if he were eligible for parole, they would recommend because this is his first conviction and because of his excellent record and the fact that he has been cooperative.

We are also in receipt of a phychiatric report from Dr. C. C. Wholey, Phychiatrist at the Western State Penitentiary, who states that after an examination there is no evidence of phychosis. He has profited by his incarceration and regards his being released with favor. I am of the opinion that he has more than a normal chance of making good. The trial judge, Honorable Henry Hipple, and the district attorney of Clinton County both recommend that leniency be shown the applicant and that the sentence be commuted.

The Board, therefore, recommends that the prayer of the petitioner be granted and that the applicant be commuted.

BOARD OF PARDONS

In re application of Jacob Cohen, No. 6245, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of Jacob Cohen, convicted of conspiracy, receiving stolen goods in the Court of Quarter Sessions of Philadelphia County on February 13, 1942, be commuted from 10 years to 3 years, 3 months and 5 days, expiring on May 18, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and was convicted of the crime of conspiracy and receiving stolen goods. The goods alleged to have been stolen were furs which were sent to the applicant by his accomplice who was an employee of the victim. He received a sentence of four weeks to ten years in the Philadelphia County Prison. He served his minimum sentence and has been on parole a period of three years and three months.

This is the only time that the applicant had ever been in any trouble whatsoever. He has continued in the fur business and there are no further reports of the applicant engaging in any shady business deals. The applicant is married and has a family of one son, aged fourteen. He states in his petition that his family and business life are such as to guarantee that he will never again give occasion to the authorities to arrest him for any wrongdoing.

The Board of Pardons is satisfied that the applicant has been severely punished for one who is actively engaged in business and also because of the shame and disgrace it has brought on his family. It seems to have taught the applicant a lesson he will not soon forget. However, his past character has been such, and his present conduct has been such that we feel he has learned his lesson and will never again offend against society. We, therefore, recommend that commutation of his maximum sentence be granted.

BOARD OF PARDONS

In re application of William J. Crager, D-1927-1041, No. 7869, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of William J. Crager, convicted of rape in the Court of Quarter Sessions of Philadelphia County on November 28, 1944 be commuted from 5 years to 6 months, expiring on May 28, 1945.

Our reasons for making this recommendation are as follows:

The applicant is nineteen years of age and he has presently served four months of a five year sentence on the charge of rape.

This applicant, of course, claims that the victim consented to the relationship, and at the time of the hearing the victim wrote the Board of Pardons and stated that she was sorry that this case ever went to court. The relationship was with her consent and she states that unless the applicant and his accomplice were released she will suffer a nervous break down as she feels responsible for their position and she has caused untold suffering to this applicant and his family, and that she wishes to rectify the mistake she has made. In concluding her letter she states: ". . . Well sir there is nothing more I can do except say I am sorry for all the trouble I have caused and I hope you will give the boys a pardon."

In view of the character and contents of this letter, the Board feels that the applicant could not be guilty of the crime, and therefore, recommend that this sentence be commuted.

In re application of Gino Cresci, No. 7873, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Gino Cresci, convicted of fornication in the Court of Quarter Sessions of Philadelphia County, on February 16, 1939, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age. Six years ago he plead guilty to the crime of fornication and was sentenced to pay the costs of prosecution and to pay a fine of twenty-five ($25.00) dollars.

Since this occurrence the applicant has married and has become the father of a young daughter. He is also supporting his aged mother. This youthful indiscretion as the applicant terms it has stopped him from making application for a better job. He is at present employed by the Yellow Cab Company.

The trial judge and the district attorney of Philadelphia County both leave the matter of a pardon up to the Board of Pardons. The applicant has been in no further trouble.

The Board of Pardons feels that this is not so serious a crime as should forever blight the future of the applicant. It also feels that he has been punished severely by having this over his head for the past six years. We, therefore, recommend that the application for a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth
JAMES H. DUFF.

BOARD OF PARDONS

In re application of Willard DuMond, No. 7872, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that William DuMond, convicted of larceny, receiving stolen goods, conspiracy in the Court of Quarter Sessions of Philadelphia County, on June 28, 1940, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age. He was never before arrested for any crime. On June 28, 1940, he was convicted of the crime of larceny, receiving stolen goods, and conspiracy and was placed on probation for a period of one year.

The trial judge, Honorable Joseph G. Tumolillo, states that he believes that justice will be served by granting his petition. The district attorney of Philadelphia County offers no objection to the granting of the pardon.

Since his conviction he has been steadily employed and this conviction stands in the way of further advancement. He is married and the father of four children. This conviction is a blot not only on his record but on the whole family. His children are now reaching the age where they possibly feel his conviction more than he does but it nevertheless worries him.

The Board of Pardons feels that the applicant has made an honest effort at rehabilitation and that he has achieved it, not only for his sake but for the sake of his family. We feel that he has learned his lesson and that he will not be a menace to society. We, therefore, recommend that the prayer of the petition be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Otis Garnett, No. 7777, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Otis Garnett, convicted of murder in the second degree in the Court of Oyer and Terminer of Delaware County on January 7, 1944 to be computed from October 8, 1943 be commuted from 2½ years to 1 year and 8 months, expiring on June 8, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age and is now serving a sentence of not less than two and one-half nor more than five years on the charge of murder in the second degree. At the present time he has served one year and seven months of this sentence.

The notes of testimony that were submitted in behalf of the applicant and shown on page No. 33 of those notes, that although the applicant struck at the head of the deceased the fatal wound was in the neck and it is also further stated that the co-defendant, James Saunders, admitted making the stab wound, which is not denied. The applicant, accomplice, and the victim were in a crap game and that the fight or argument grew out of this game. It is also stated in the notes of testimony that the place was well crowded and the door into the establishment was locked and that the deceased backed into the applicant, at which time, the applicant struck the deceased. All of the testimony indicates that the applicant only struck one blow and that the fatal blow was struck by James Saunders with whom the deceased was fighting.

Under these circumstances, the most that the applicant could have been guilty of was assault and battery, and we feel that one and one-half years is a substantial sentence for assault and battery, and therefore, the majority of the Board recommends that a commutation of sentence be granted.

Respectfully submitted,
JOHN C. BELL, Jr., (Dissenting)
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Matthew Martin Gearhart, B-3026. No. 6183, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Matthew Martin Gearhart, convicted of murder of the first degree in the Court of Oyer and Terminer of Huntingdon County on December 28, 1931 be commuted from life imprisonment to 13 years and 5 months, expiring on May 28, 1945.

Our reasons for making this recommendation are as follows:

This applicant is forty-eight years of age and although he was arrested on one prior occasion it was for the crime of trespassing, so to all intent and purposes, this applicant can be considered in the light as a first offender.

This killing arose out of a jealousy between the victim and the applicant over the affection of a girl who lived with the victim and who the applicant was keeping company. The applicant further states that the victim had threatened to kill him and that he was in fear of her. However, he stated that the occasion of this tragedy was brought about when he shot with the intention of frightening and not of shooting to kill her.

There is no doubt that the applicant is weak mentally, but the Board of Trustees of the Western State Penitentiary feels by reason of his excellent institutional record, the length of service, and the fact that it is his first conviction, they would recommend him for parole if he were eligible to apply. The trial judge, Honorable Thomas F. Bailey, has written the Board and states he feels the application should be granted. The district attorney has written the Board and states he does not oppose the commutation. There is also submitted a petition signed by residents of the Borough of Mt. Union which represents they are acquainted with the applicant and if clemency is granted he will secure work and that it will be to the best interest of the community, if favorable consideration is given. He has been assured employment in his home town.

The majority of the Board feels that in the force of such recommendation and since there is no opposition from the sentencing authorities, we should after thirteen years and four months of imprisonment, grant a commutation to this applicant.

Respectfully submitted,
JOHN C. BELL, Jr., (Dissenting)
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Paul Harris, B-5771, No. 679, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Paul Harris, convicted of burglary, in the Oyer and Terminer Court of Allegheny County, on September 29, 1937, to be computed from July 6, 1937, be commuted on Bill No. 28 September Sessions, 1921 (Bill No. 112 June Sessions, 1937, concurrent) from a minimum term of 4½ years to a minimum term of 3 years, 4 months, and 23 days, expiring on May 29, 1945. (Applicant has been granted parole on Bill No. 27 September Sessions, 1921).

Our reasons for making this recommendation are as follows:

The applicant is forty-six years of age and has now served seven and one-half years of a minimum sentence of five years. This includes a portion of nearly three years which the applicant was serving on a parole violation. The original sentence was to run concurrently with the parole violation, but in accordance with the Supreme and Superior Court decisions it was impossible to be effective.

The applicant has an excellent institutional record. The Board of Trustees of the Western State Penitentiary have advised the Board of Pardons that if he were eligible to apply for parole, they would recommend. The district attorney of Allegheny County further informs the Board of Pardons that he would leave the matter of commutation entirely with the Board.

The Board feels the applicant has served a very lengthy sentence for the type of crime which he committed to-wit, the larceny of one dollar and feels that he has learned his lesson at this time. If he is released on parole he will still be under the supervision of the Board of Paroles for a period of approximately five years. We therefore, recommend that under these circumstances the applicant be granted commutation of sentence.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Maynard McFarland, D-1203, No. 7908, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Maynard McFarland, convicted of burglary, larceny, felonious entry, in the Oyer and Terminer Court of Cumberland County, on March 17, 1936; and of burglary in the Oyer and Terminer Court of Lancaster County, on December 1, 1944, be commuted on Bill No. 23 May Sessions, 1936 (Cumberland County) from a minimum term of 4 years to a minimum term of 1 year, 2 months, and 12 days, expiring on May 29, 1945; and on Bills Nos. 179 and 180 March Sessions, 1936 (Lancaster County) from a minimum term of 2½ years to a minimum term of 1 day, expiring on May 30, 1945. (Applicant has been granted parole on Bills Nos. 6 and 22 May Sessions 1936).

Our reasons for making this recommendation are as follows:

This applicant is thirty-five years of age and was sentenced from the counties of Cumberland, Lancaster and Dauphin for the burglary of certain high schools and

stores. He has now served over nine years of a fourteen and one-half to twenty-nine year sentence.

The Board of Trustees of the Eastern State Penitentiary has advised us that the applicant has an excellent institutional record and a very good adjustment and disciplinary record. He has been employed continuously for the past eight years. The trial judge, Honorable Joseph B. Wissler, of Lancaster County, has written the Board that the matter of commutation was entirely in the hands of the Board.

The Board of Pardons feels that this applicant has already served a great length of time and if given an opportunity now he will be able to rehabilitate himself in his community. We, therefore, recommend that the sentence of this applicant be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Osborne Phillips, D-6755, No. 7882, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Osborne Phillips, convicted of assault with intent to rob in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on October 6, 1942 to be computed from September 12, 1942 be commuted from 5 years to 2 years and 9 months, expiring on June 12, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age and has never before been convicted of any offense whatsoever. He was arrested and convicted of assault and robbery on an intoxicated person, which in parlance of the street is termed "rolling." The loot which the applicant and accomplice received was four dollars. They were identified by a passerby and when taken to the police station cards belonging to the victim were found in the applicant's pocket.

The trial judge, however, seems to feel that the question of commutation should be up to the Board. The district attorney of Philadelphia County has left the matter up to the discretion of the Board.

The Board of Pardons feels because of the fact that this was the applicant's first conviction and that he has a good institutional record that we can take a chance on his release and decide so at the present time, and therefore, we recommend that commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of John J. Quinn, D-1047, No. 7870, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John J. Quinn, convicted of aiding and abetting rape in the Court of Quarter Sessions of Philadelphia County on November 28, 1944 be commuted from 1 year to 6 months, expiring on May 28, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age and was sentenced for a term of not less than one nor more than five years in the Philadelphia County Prison on the charge of aiding and abetting rape. He has now served over five months of this sentence. The applicant was the accomplice of William J. Crager, whose case was commuted by the Board of Pardons by reason of a letter which the victim wrote to the Board.

The alleged victim is the financee of the applicant and in her letter to the Board she states that the applicant was not guilty of the crime for which he was convicted and that she hopes that a commutation of sentence be granted as she feels their imprisonment is due to her failure to tell the entire story at the time of the trial.

In view of the character of the letter that was sent to the Board, we recommend that commutation be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Zigmond Radomski, No. 7714, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Zigmond Radomski, convicted of larceny in the Court of Oyer and Terminer of Allegheny County, on October 11, 1928, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is thirty-two years of age. Over sixteen years ago he was placed on probation on a charge of larceny of an automobile. A collision occurred and the larceny was discovered and the applicant apprehended. He was placed on probation for a period of two years and directed to pay the costs of the proceeding. At the expiration of the probationary period, it being discovered that the applicant had not paid the costs, the probationary period was continued for a further period of one year. He has since paid all of the costs in the case.

The Board of Parole in their report to the Board of Pardons states that this is the only time that the applicant has ever been in trouble and that there is no further record of any wrong doing. The disrict attorney of Allegheny County states that he was not opposed to the granting of this pardon.

The applicant has since married and now has a son four years old. He is employed and is doing his best to live down this youthful indiscretion. He states in his

petition that he feels his future will be more secure and that both himself and his family will benefit if he is pardoned.

His attitude has been such that he has indicated he is not of the criminal type and that he learned his lesson by this one brush with the law. The Board feels that he has earned a pardon by his demonstration of rehabilitation. Therefore, for the benefit of the applicant and his family we recommend that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Annabelle Stanley, No. 3962, No. 7196, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Annabelle Stanley, convicted of murder in the second degree in the Court of Quarter Sessions of Philadelphia County on February 27, 1942 to be computed from June 26, 1941 be commuted from 5 years to 3 years, 11 months and 3 days, expiring on May 29, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty years of age and has never before been in any trouble whatsoever. She has now served nearly four years of a sentence of not less than five nor more than ten years for the crime of second degree murder.

The applicant has an excellent institutional record and the matron of the Philadelphia County Prison states that she has been a good example to the other prisoners in the institution. The trial judge, Honorable Harry S. McDevitt, and the district attorney's office states that they have no objection to the granting of commutation in this case.

The Board of Pardons, therefore, recommends that commutation be granted.

In re application of James Swartz, Jr., D-4014, No. 5978, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of James Swartz, Jr., convicted of robbery in the Court of Quarter Sessions of Philadelphia County on May 11, 1939 to be computed from May 6, 1939 be commuted from 20 years to 6 years and 1 month, expiring on June 6, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-two years of age and was sentenced to a term of imprisonment for not less than twenty nor more than forty years for a series of armed robberies. At the present time he has served nearly six years of this sentence.

Most of the accomplices have had their sentences commuted. In fact, of the six accomplices, three of them including the one carrying the gun had his sentence commuted.

The present judge, Honorable Harry S. McDevitt, in writing of this applicant to the Board states he would be inclined to give him another chance because of his attitude and he has been cooperative and constructive. He does not feel that the applicant was a member of an organized gang, but was more or less an aggragation of school boys seeking adventure.

Under these circumstances, we feel the trial judge has reached the proper conclusion, and we therefore, recommend that the sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Joseph Trohanovsky, D-2383, No. 6776, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Joseph Trohanovsky, convicted of murder in the second degree in the Court of Oyer and Terminer and Quarter Sessions of Susquehanna County on August 19, 1937 to be computed from December 25, 1936 be commuted from 9 years to 8 years, 5 months and 4 days, expiring on May 29, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and at the time of his arrest he had never been in any trouble whatsoever. The applicant has now served over eight years of a minimum sentence of nine years for the murder of his maternal uncle with whom he had been living. The applicant's parents were dead and he was living with the victim who did not treat him in a very kindly manner, and especially, he abused the applicant when he was in an intoxicated condition. This type of treatment preyed on the mind of the applicant and on an occasion when the uncle was in an intoxicated condition he began to molest him and he killed him.

The trial judge and the district attorney both have written the Board of Pardons and stated that they have no objection to the commutation in this case. We, therefore, recommend that the prayer of the petitioner be granted and that the sentence be commuted.

BOARD OF PARDONS

In re application of Eugene Wood, B-8250, No. 6015, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Eugene Wood, convicted of robbery with aggravated circumstances in the Court of Oyer and Terminer of Northumberland County on April 8, 1940 to be computed from February 8, 1940 be commuted from 9½ years to 5 years, 3 months and 21 days, expiring on May 29, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age and this is the first time he has been convicted of any crime whatsoever. At the present time he has served over five years of a nine and one-half year minimum sentence.

The Board of Trustees of the Western State Penitentiary have advised the Board of Pardons that the applicant has a satisfactory institutional record; this is his first conviction, and if he were eligible to apply for parole, they would recommend. There is submitted by the attorney of the applicant a parole plan which is acceptable by the Board of Paroles. He is assured employment and can return to his own home in Williamsport. A good home will be provided for him.

Under all of these circumstances, we feel the applicant has a good chance to rehabilitate himself and become a useful citizen, and therefore, we recommend that commutation of his sentence be granted.

In re application of Henry John Zwislewski, C-8768, No. 7900, April Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Henry John Zwislewski, convicted of burglary in the Court of Oyer and Terminer of Philadelphia County on May 31, 1940 to be computed from April 26, 1940 be commuted from 10 years to 5 years, 1 month and 3 days, expiring on May 29, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-five years of age and this is the first time he was ever convicted of any offense whatsoever. He has now served five years of a minimum term of ten years.

The applicant has a good prison record and has learned a practice of dentistry and has rehabilitated himself as much as possible in prison.

The district attorney's office of Philadelphia County states that they have no objection to the commutation of sentence at this time.

The Board feels that the only thing we can do now is give him a chance to rehabilitate himself, and therefore, we recommend that his prayer be granted and his sentence be commuted.

In re application of Edwin Y. Bothel, No. 7821, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Edwin Y. Bothel, convicted of unlawful possession and manufacturing intoxicating liquor in the Court of Quarter Sessions of Philadelphia County, on September 30, 1931, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is now thirty-seven years of age and on September 30, 1931, he was sentenced to a term of six months for the possession and manufacturing intoxicating liquor. He had no prior criminal record and since his arrest he has been in no other trouble. However, it is affecting his life at the present time in making application for positions of trust. This conviction has militated against him in securing these positions. He is active in fraternal organizations and by reason of this conviction he is in constant fear that the record of this arrest would be discovered and will cause he and his family embarrassment after these many years.

There is no objection to the granting of this pardon by the present judge, Honorable Harry S. McDevitt nor the district attorney's office of Philadelphia County.

Under these circumstances, we feel that the applicant should be granted the benefit of his good record since this one misstep and that his application for pardon should be granted.

BOARD OF PARDONS

In re application of Fred Caiaccia, Jr., B-6613, No. 5487, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons, recommend that the sentence of imprisonment imposed on Fred Caicaccia, Jr., convicted of robbery, receiving stolen goods, in the Oyer and Terminer Court of Allegheny on February 21, 1939 to be computed from January 25, 1939, be commuted on Bill No. 73 February Sessions, 1939, from a minimum term of 10 years (Bills Nos. 74 and 75 concurrent) to a minimum term of 6 years, 3 months and 10 days, expiring on May 5, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-five years of age and at the present time has served over six years of a ten year minimum sentence. All of the accomplices of the applicant have been freed.

The Board of Trustees of the Western State Penitentiary have informed the Board of Pardons that the applicant has an excellent record and that he has made efforts toward self-improvement, and further that if he were eligible to apply for parole they would recommend him for release on parole. At the time of the hearing the Attorney General stated that he felt that this was the case in which the Board of Pardons might exercise clemency. The district attorney of Allegheny County stated to the Board that this might be the case where the Board might exercise its own discretion.

Since all of the accomplices, some of whom had some pretty bad criminal records, have been freed, the Board is of the opinion that this applicant is entitled to some consideration. Also this applicant, when his sentence is commuted, will be required to face a parole violation charge at the Pennsylvania Industrial School. Therefore it is doubtful if this means that he will be released. However, if they do not press the detainer he has been assured of a good parole plan which is acceptable to the Board of Parole. The Board of Pardons therefore, recommends that the minimum sentence of the applicant be commuted.

BOARD OF PARDONS

In re application of John H. Carroll, D-5035, No. 7850, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on John H. Carroll, convicted of robbery, being armed with an offensive weapon in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County on June 27, 1940 to be computed from June 21, 1940, be commuted on Bill No. 662 September Sessions, 1939 from a minimum term of 10 years (Bill No. 663 concurrent is also commuted) to a minimum term of 4 years, 10 months and 10 days, expiring on May 1, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age and he has now served nearly five years of a ten year minimum sentence.

The Board of Trustees of the Eastern State Penitentiary states that the applicant has an outstanding record in the institution. They also state: " . . . He has been cooperative in every respect and has attempted to make constructive use of his prison time. He responded to the guidance of the Assistant Director of Education and completed correspondence courses in shorthand and algebra in 23 months. He was first employed as a teacher in the prison school and because of the excellent record he established was assigned to a position of trust as a clerk in the parole office in December, 1941. He has established an outstanding record in that department. He has made numerous blood donations to the American Red Cross serum bank and has used his earnings wisely."

The trial judge, Honorable Harry S. McDevitt, has no recommendation to make but states that if you think that five years imprisonment is sufficient, I will abide by your decision. The district attorney remains opposed.

It should be noted that the applicant's prior record really consisted of one prior conviction which was a robbery committed in Washington, D. C., and although the applicant has spent a great many years in federal prisons it was due to transfers under provisions of expediency. As the applicant states in his petition he was transferred to at least three federal penitentiaries before being finally transferred to the Northeastern Penitentiary at Lewisburg from which he was discharged to the custody of the Philadelphia Police for the service of this crime. He has presented a plan of employment and will be sponsored by Col. F. Dickinson Shaw, who has been active in the rehabilitation of inmates of the Eastern State Penitentiary.

In view of these circumstances, the majority of the Board of Pardons is of the opinion that this applicant has served a long period of time and that he is entitled to some consideration at this date for an outstanding prison record, and for that reason, the majority of the Board of Pardons recommend that the sentence be commuted.

BOARD OF PARDONS

In re application of Peter M. Duca, C-8489, No. 7830, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Peter M. Duca, convicted of murder in the first degree in the Court of Oyer and Terminer of Luzerne County on December 13, 1932 be commuted from life imprisonment to 12 years and five months, expiring on May 13, 1945.

Our reasons for making this recommendation are as follows:

The applicant is fifty years of age and this is the first time that he has been convicted of any offense whatsoever. He is serving a life sentence for murder. His accomplice had his sentence commuted at the December 1944 Session of the Board of Pardons.

It is reported to the Board of Pardons that the applicant has an excellent institutional record at the Eastern

State Penitentiary. The district attorney of Luzerne County stated to the Board of Pardons that they do not oppose the release of the applicant. However, the present judge, Honorable William Valentine, states that from what he knows of the case he is opposed to commutation. The trial judge is deceased.

It might be stated for the purpose of the record that there was no direct testimony identifying the applicant as one of the murderers, and further that there was a good bit of conflicting testimony on the question of identification. Nevertheless the jury convicted.

The Board of Pardons is of the opinion that since the accomplice who was convicted on similar testimony has been freed, that this applicant who has a good prison record and whose prior record was no worse than that of the accomplice should be given like consideration. We, therefore, recommend to your Excellency that the sentence of the applicant be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of James O. Haymen, Jr., No. 7494, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that James O. Haymen, Jr., convicted of entering with intent to steal, larceny in the Court of Quarter Sessions of Philadelphia County, on August 28, 1937, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-three years of age and has no prior criminal record.

In July, 1937 the applicant together with a group of other boys stole some athletic equipment to the value of eight cents from the Wissahickon Boys' Club, and for this the applicant was placed on probation. In the following month he went for a ride with another boy in an automobile for which the applicant did not know was stolen and for this the trial judge, Honorable L. Stauffer Oliver, revoked the probation which was heretofore granted and sentenced the applicant for a period of one year in the Pennsylvania Industrial School for Boys at Huntingdon. The applicant now asks a pardon from this sentence.

The trial judge, Honorable L. Stauffer Oliver, has stated to the Board of Pardons that he is heartily in favor of this application and hope that it will be granted. The assistant district attorney of Philadelphia County, James W. Tracey, Jr., agrees that the application for pardon should be granted.

This boy has been in no further trouble for a period of over seven years. It is the feeling of the Board that this was merely a boyish prank to which the applicant gave no thought and which resulted in his sentence to Huntingdon. He seems to have rehabilitated himself and taken his place in society and since the authorities have no objection to the granting of this pardon, the Board of Pardons recommends that it should be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Edward J. McGrath, D-2071, No. 5879, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Edward J. McGrath, convicted of robbery in the Oyer and Terminer and Quarter Sessions of Philadelphia County on March 25, 1937 to be computed from March 12, 1937, and of robbery in the Oyer and Terminer and Quarter Sessions Court of Bucks County on April 7, 1942, be commuted on Bill No. 919 March Sessions 1937 (Philadelphia County), from a minimum term of 5 years to a minimum term of 3 years and 2 months, expiring on May 12, 1945; and on Bill No. 64 May Sessions 1940 (Bucks County), from a maximum term of 12 years to a maximum term of 8 years and 2 months, expiring on May 12, 1945. (Applicant has been granted parole on Bill No. 918 March Sessions, 1937).

Our reasons for making this recommendation are as follows:

The applicant is twenty-five years of age and at the present time he has served eight years of a minimum term of ten years. All but one of the accomplices of the applicants have been released, one by commutation.

The Board of Trustees of the Eastern State Penitentiary have reported to the Board of Pardons that the applicant has a good institutional record. The Honorable Harry S. McDevitt has informed the Board of Pardons that he would favor a commutation if the psychiatrist was so inclined. The psychiatrist has advised the Board of Pardons that there is no bar to his release at the present time. The district attorney of Philadelphia County stated to the Board of Pardons that he leaves the matter of release up to the Board of Pardons.

This is the first conviction of the applicant and he has a very good record in the penitentiary. It is felt by the Board that the fact that he has served such a large portion of the sentence with a continued good record that he would be a good risk for parole at this time, and therefore, we accordingly recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of Abe M. Miller, B-3373, No. 2035, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Abe M. Miller convicted of robbery in the Court of Oyer and Terminer

of Beaver County, on September 24, 1932, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-eight years of age and was convicted of the crime of robbery. He was sentenced to a term of imprisonment in the Western State Penitentiary for not less than five nor more than ten years and after having served three years and eight months of this sentence the Board of Pardons commuted his sentence.

The Board of Paroles have advised the Board of Pardons that during the period of his parole supervision the applicant was very cooperative and reliable. Since April 14, 1942, the applicant has been a member of the army of the United States and has risen to the grade of Technical Sergeant in the Army Air Corps. He finds at the present time his future progress in the army is held up because of this criminal record.

The district attorney of Beaver County has written to the Board of Pardons and states he does not oppose the granting of a pardon in this case.

Because the applicant is a member of the army of the United States and has conducted himself well in the past nine years, the Board of Pardons feels that he has been sufficiently punished for the conviction of this crime and should be given an opportunity to further advance his position in the army, and we therefore, recommend that a full and complete pardon be granted to the applicant.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of John Francis Montgomery, D-6613, No. 7700, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Francis Montgomery, convicted of rape in the Court of Oyer and Terminer and Quarter Sessions of Lackawanna County on July 30, 1942 be commuted from 5 years to 2 years and 9 months, expiring on April 30, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age and this is the first time that he was convicted of any crime whatsoever. He is now serving a sentence of not less than five nor more than ten years on a conviction of rape. His accomplice who was equally guilty was sentenced to serve not less than four years nor more than eight years.

The Board of Trustees of the Eastern State Penitentiary have rendered a report to the Board of Pardons in which they state that the applicant has an excellent record. The trial judge, Honorable Edward P. Little, states that he has no recommendation to make as he has no knowledge of his present attitude and reformation. The district attorney of Lackawanna County stated that he does not oppose the granting of commutation by the Board of Pardons.

The Board of Pardons was impressed by the plea of the mother of the applicant who was quite sincere in her remarks and showed a willingness to aid the applicant when he is released. The Board feels that the applicant has learned his lesson and that with the guidance which his family is willing to give him he will become a worthy member of society. The Board therefore recommends that the sentence be commuted.

Lieutenant-Governor.

BOARD OF PARDONS

In re application of Joseph Ramsey, B-730, No. 2291, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Joseph Ramsey, convicted of robbery, receiving stolen goods, larceny of auto, etc., in the Oyer and Terminer and Quarter Sessions Court of Allegheny County on April 13, 1928, be commuted on Bill No. 20 April Sessions, 1928, from a minimum term of 7½ years to a minimum term of 1 year, 11 months and 29 days, expiring on April 12, 1945; and in Bill No. 96 from a minimum term of 2 years to a minimum term of 1 day, expiring on April 13, 1945.

Our reasons for making this recommendation are as follows:

The applicant is one of many prisoners whose release on parole has been affected by the opinion of the Supreme Court in the case of Commonwealth of Pennsylvania ex rel. Thomas Lynch v. Stanley P. Ashe, Warden of the Western State Penitentiary, 320 Pa. 341. In this opinion it was held that unless a prisoner, who was serving sentences imposed to run consecutively, was recommended and approved for parole at the expiration of the first minimum sentence, he would be serving the maximum of that sentence, and if no recommendation for parole was made at the expiration of the second and subsequent minimum sentences imposed to run consecutively, the prisoner would be serving the maximum of the second and subsequent sentences. In other words, a prisoner serving an indeterminate sentence is not automatically paroled at the expiration of the minimum term but is merely eligible for parole at that time, and if not favorably considered by the Prison Board at any time thereafter, the prisoner is required to serve the full sentence.

It was the custom for a long period of time for the officials of both the Eastern and Western State Penitentiary to lump consecutive sentences and the Board of Trustees would only make recommendations for release on parole at the expiration of the period of time equal to the total of the minimum sentences.

Since the Supreme Court held this procedure improper, the applicant and others, whose cases were not considered for parole at the expiration of their minimum sentences, through no fault of their own, will have to serve a much longer period of time than contemplated by the sentencing judge and the prison officials.

The falure of the Board of Trustees to make the necessary recommendations for parole at the expiration of the minimum sentences was an honest mistake, as most, if not all, sentencing judges shared the same view as the prison officials in deeming it to be unnecessary to make recommendations for parole at the expiration of the minimum of every consecutive sentence. Sentencing judges throughout the state have uniformly believed and taken into consideration in passing sentences the Prison Board practice that consecutive sentences would be

lumped making a total minimum and a total maximum.

We believe that a great injustice would be done and that it would be most unfair to keep the applicant incarcerated for a longer period of time than recommended by the Board of Trustees of the institution in which the applicant is confined.

BOARD OF PARDONS

In re application of William Reiss, No. 7817, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of William Reiss, convicted of involuntary manslaughter in the Court of Oyer and Terminer and Quarter Sessions of Luzerne County on February 11, 1944 be commuted from 2½ years to 1 year and 3 months, expiring on May 11, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age and has now served one year and two months of a term of two and one-half years. The crime for which he was imprisoned is that of involuntary manslaughter in the careless operation of a motor vehicle.

The Warden of the Luzerne County Prison where the applicant is incarcerated has made no report to the Board of his conduct while an inmate. The trial judge has written the Board and has stated that he believes the applicant to be sufficient punished. The district attorney of Luzerne County is not opposed to commutation of the sentence.

In view of the attitude of the Luzerne County authorities and the further fact that was stated to the Board at the time of the hearing that damages have been paid to the family of the deceased victim, the Board is inclined to agree with the authorities of Luzerne County and recommend to your Excellency that the commuation be granted.

In re application of William J. Seymour, No. 7731, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that William J. Seymour, convicted of inciting to riot in the Court of Quarter Sessions of Philadelphia County, on December 2, 1942, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is fifty-two years of age and prior to the commission of this offense had never before been arrested. There are also stated facts which would indicate that this applicant's claims of alibi may have been true and that the jury did not give sufficient weight to it. The applicant claims to have been visiting a church when the alleged acts took place. The applicant has always denied that he threw the paint and kerosene at the home of the victim.

Since this applicant has maintained an excellent record and was a respected and law abiding citizen in the community in which he lived for many years, this applicant has been greatly hampered through this one conviction because he is engaged in the real estate and insurance business.

The Board feels that the applicant has conducted himself in an exemplary fashion for over a period of years and that he has shown a willingness to be cooperative in these matters by moving from the neighborhood where the alleged occurrance took place, and we feel that this applicant will never again violate the law in any particular, and we therefore, recommend that the application for pardon be granted.

BOARD OF PARDONS

In re application of Henry Carl Simon, D-6415, B-8631, No. 6928, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Henry Carl Simon, convicted of furnishing weapon to inmate of Mental Hospital, in the Court of Quarter Sessions of Wayne County on April 3, 1942 to be computed from April 2, 1942, be commuted from 5 years to 3 years and 1 month, expiring on May 2, 1945.

Our reasons for making this recommendation are as follows:

This applicant is twenty-nine years of age and has now served nearly three years of a five year minimum sentence. He has no prior criminal record. The crime for which he is serving is for that of furnishing a weapon to an inmate of a Mental Hospital.

The Board of Pardons feels this was a crime which grew out of a debt incurred by this applicant and the inmate of the institution and was the result of his acting without proper reflection.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that he has excellent institutional record and is now confined at the Rockview Farm Prison. The trial judge, Honorable Clarence E. Bodie, has written the Board of Pardons and has stated if the applicant's conduct is good, there is no objection to his release at this time. The district attorney of Wayne County states he has little personal knowledge of the facts since he was not district attorney at the time the

prisoner was sentenced, and therefore, would leave the matter to the Board of Pardons.

The Board of Pardons, therefore, recommends that in view of the foregoing facts that the applicant's sentence be commuted.

In re application of Thomas Spencer Smith, Jr., No. 7820, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Thomas Spencer Smith, Jr., convicted of breaking and entering in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County, on August 29, 1930, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is now thirty-one years of age and was arrested for the crime of breaking and entering and was placed on probation for a period of ten years over fourteen years ago.

At the time he committed these crimes he was only sixteen years of age. He did not violate the trust that was placed in him for a period of over fourteen years. He has lived a meritorious life, he is married and has three children, and he is a bus operator for the Greyhound Bus Company and states that the existence of this record greatly hampers him for advancement with the company. This is the only black mark on his record.

The Board of Pardons feels that this is a case of a young boy who was really attempting to "show off" rather than any criminal tendencies on his part and that since he has maintained a good record for over fourteen years, we should grant his petition and remove at this time the blot from his record, and therefore, recommend that the pardon be granted.

In re application of Frank Vonella, B-1533, No. 5231, March Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Frank Vonella, convicted of murder in the first degree in the Court of Oyer and Terminer and Quarter Sessions of Luzerne County on August 5, 1926 be commuted from life imprisonment to 18 years and 9 months, expiring on May 5, 1945.

Our reasons for making this recommendation are as follows:

The applicant is fifty years of age and had never been arrested for any offense whatsoever. He is now serving a sentence of life for the murder of his wife. He has now served eighteen years and nine months.

The Board of Trustees of the Western State Penitentiary have advised the Board of Pardons that the applicant has an excellent institutional record and that if he were eligible to apply for parole that they would recommend him. There is also made part of the record the fast that the applicant is suffering from an acute stomach condition which will require surgery at some future date. The district attorney of Luzerne County has no opposition to commutation.

The Board of Pardons is of the opinion that this applicant has served a long time and that further incarceration can have no punitive value. Also because of his physical condition there can be no good in continued imprisonment. The Board feels that the applicant will not offend against society again and that at the present time he is as rehabilitated as he will ever be, so for these reasons, we recommend that commutation be granted.

BOARD OF PARDONS

In re application of George Lester Brown, C-7231, No. 2885, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on George Lester Brown, convicted of burglary in the Oyer and Terminer and Quarter Sessions Court of Berks County, on January 10, 1930, to be computed from July 10, 1931; and robbery in the Quarter Sessions Court of Berks County, on January 8, 1942; be commuted on Bill No. 61 March Sessions, 1930, from a maximum term of 10 years to a maximum term of 7 years, expiring on March 26, 1945; and on Bill No. 100 June Sessions, 1940, from a minimum term of 10 years to a minimum term of 1 day, expiring on March 27, 1945. (Applicant has been granted technical parole on Bill No. 56).

Our reasons for making this recommendation are as follows:

This applicant is thirty-six years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years on a charge of robbery. He has now served over five years although only three years applies to this sentence. During these past years the applicant has consistently maintained his innocence in this matter. He and his accomplice McCrea submitted to a lie detector test and the results of that test showed that they are innocent. The majority of the Board was more impressed by a letter received from the Honorable Paul N. Schaeffer, of Berks County, who recalled the story of the trial of this applicant. He told how this applicant and his accomplice had been tried on two occasions. On two of the occasions they were found guilty and the trial judge

granted new trials because he always had doubt as to their guilt and stated they would not have convicted this applicant if the case had been tried without a jury.

The Board of Pardons felt that since these men have maintained excellent records while in prison and because of the fact surrounding the trials there was real doubt in the court's mind as to their guilt, that to further incarcerate them would be to impose on them a very harsh punishment. There are many letters attached in the files of persons in and about Berks County who have kept in contact with the applicant and who wish to go on record as believing in their protestations of innocence. As pointed out by Judge Schaeffer, the police acted extraordinary in this matter. After they apprehended them they left them go at large on their recognizance with the admonition that this applicant and his accomplice should discover the guilty parties, otherwise they would have to pay the penalty. It does not seem that this is the way the police department would act towards a person who was believed guilty of the charge of armed robbery. We therefore, feel that since this applicant has served one-half of the sentence, because of the fact that the Wheeler decision caused his sentence to be recomputed and he is only given credit on this sentence for three years, together with the strong letter in his behalf from Judge Schaeffer, and the fact that he has maintained an excellent record in the institution, we believe he has been sufficiently punished and that the only place he can come for aid and assistance in removing the weight of this sentence is this Board, and we should under all circumstances recommend that the sentence of this applicant be granted.

BOARD OF PARDONS

In re application of Frank Burke, B-5666, No. 176A, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Frank Burke, convicted of robbery, being armed with weapons, striking and ill using, in the Quarter Sessions Court of Erie County, on August 18, 1936; and of breaking and escaping prison, larceny of automobile, robbery, in the Quarter Sessions of Centre County on July 7 and August 7, 1937, be commuted on Bill No. 98 September Sessions, 1937 from a maximum term of 4 years, 8 months to a maximum term of 3 years and 10 months and 29 days, expiring on March 19, 1945; and on Bill No. 122 Bill No. 123 concurrent from a minimum term of 3 years, 11 months to a minimum term of 1 day, expiring on March 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is one of many prisoners whose release on parole has been affected by the opinion of the Supreme Court in the case of Commonwealth of Pennsylvania ex rel. Thomas Lynch v. Stanley P. Ashe, Warden of the Western State Penitentiary, 320 Pa. 341. In this opinion it was held that unless a prisoner, who was serving sentences imposed to run consecutively, was recommended and approved for parole at the expiration of the first minimum sentence, he would be serving the maximum of that sentence, and if no recommendation for parole was made at the expiration of the second and subsequent minimum of sentences imposed to run consecutively, the prisoner would be serving the maximum of the second and subsequent sentences. In other words, a prisoner serving an indeterminate sentence is not automatically paroled at the expiration of the minimum term but is merely eligible for parole at that time, and if not favorably considered by the Prison Board at any time thereafter, the prisoner is required to serve the full sentence.

It was the custom for a long period of time for the officials of both the Eastern and Western State Penitentiaries to lump consecutive sentences and the Boards of Trustees would only maka recommendations for release on parole at the expiration of the period of time equal to the total of the minimum sentences.

Since the Supreme Court held this procedure improper, the applicant and others, whose cases were not considered for parole at the expiration of their minimum sentences, through no fault of their own, will have to serve a much longer period of time than contemplated by the sentencing judge and the prison officials. (Opinion of Superior Court of Pennsylvania ex rel. Anthony Narcise, appellant vs. The Board of Trustees of Eastern State Penitentiary).

The failure of the Board of Trustees to make the necessary recommendations for parole at the expiration of the minimum sentences was an honest mistake, as most, if not all, sentencing judges shared the same view as the prison officials in deeming it to be unnecessary to make recommendations for parole at the expiration of the minimum of every consecutive sentence. In re application of Thomas Clark, No. 7802, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Thomas Clark, convicted of receiving stolen goods, in the Court of Quarter Sessions of Delaware County, on June 21, 1944, be commuted from 1 year to 9 months and 5 days, expiring on March 26, 1945.

Our reasons for making this recommendation are as follows:

This applicant is thirty-four years of age and he was sentenced to a term of imprisonment in the Delaware County Prison for not less than one nor more than two years for the charge of receiving stolen goods. To date he has served more than eight months of this sentence.

This applicant when arrested aided the State Police in the solution of this crime and was very cooperative throughout. The district attorney stated to the Board of

Pardons he had no objection to the commutation of this applicant.

It might further be stated that two of the accomplices who were actually involved in the burglary were acquitted. We feel that the applicant has been sufficiently punished and that if given his freedom he will attempt to lead a lawful life in the future, and for this reason, we recommend that the sentence be commuted.

BOARD OF PARDONS

In re application of Thomas E. Davis, B-3520, No. 6476, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Thomas E. Davis, convicted of larceny, entering with intent to steal, breaking and entering, burglary, robbery, being armed with an offensive weapon, in the Oyer and Terminer Court of Blair County, on December 23, 1932, be commuted on Bill No. 98 January Sessions, 1933, from a minimum term of 2½ years to a minimum term of 2 years, 3 months, and 3 days, expiring on March 26, 1945; and on Bill No. 99 from a minimum term of 6 years to a minimum term of 1 day, expiring on March 27, 1945.

Our reasons for making this recommendation are as follows:

This applicant is thirty-eight years of age and plead guilty to six indictments charging larceny, breaking and entering with intent to steal, burglary, and robbery, being armed with an offensive weapon. He was sentenced to a term of imprisonment in the Western State Penitentiary for not less than thirteen and one-half nor more than twenty-seven years. He has now served over twelve years of this sentence.

The Board of Trustees of the Western State Penitentiary have advised the Board of Pardons that this applicant has an excellent institutional record and if he were eligible to apply for parole, they would recommend him because of his length of service and because his two accomplices both have been released.

There is no objection to a commutation from the authorities of Blair County. Therefore, we recommend to your Excellency that this applicant's sentence be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of John Dilitka, D-2910, No. 5926, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Dilitka, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County, on February 21, 1938, to be computed from February 3, 1938, be commuted from 9 years to 7 years, 1 month, and 24 days, expiring on March 27, 1945.

Our reasons for making this recommendation are as follows:

This applicant is thirty years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than nine nor more than twenty years for a charge of robbery. This applicant at the present time has served over seven years of this sentence.

At the February 1944 hearing of the Board of Pardons, this applicant made application to this Board for clemency, and at that time, because of his good record, the fact there was no objection by the authorities of Philadelphia County, and the length of time he had served a conditional commutation was granted on condition that the applicant be inducted into the armed forces of the United States. Following that, the applicant was presented to the induction station and following a complete physical check up he was classified as 4F and rejected for either limited or military service because he was found to be suffering from osteomyelitis. Following his rejection he was returned to the penitentiary. He has now served an additional year and he has maintained a good institutional record.

The Board of Pardons feels that this good conduct following his rejection and the continued feeling by all parties interested, he has served a substantial portion of his sentence for what amounts to a first offender, and that he should be granted commutation. Therefore, this is the recommendation of the Board.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of John Donaldson, B-8454, No. 7790, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Donaldson, convicted of arson in the Court of Oyer and Terminer of Elk County, on January 16, 1943, to be computed from December 9, 1942, be commuted from 3 years to 2 years, 3 months, and 17 days, expiring on March 26, 1945.

Our reasons for making this recommendation are as follows:

This applicant is twenty-three years of age and was sentenced to a term of imprisonment in the Western State Penitentiary for not less than three nor more than seven years for the charge of arson. He has now served over two years and three months of this sentence.

It is stated that this applicant was not arrested for more than one year after the commission of this crime, and when first accused he denied any complicity. In fact the person's cabin which was burned was a good friend of the applicant and he had no motive to commit the crime.

The Board of Trustees of the Western State Penitentiary states that this is the applicant's first major imprisonment and that if he were eligible to apply for parole, they would recommend him. The trial judge, Honorable Henry Hipple, is not opposed to the application for commutation nor does the district attorney of Elk County.

Since one year elapsed from the commission of this crime and the arrest of this applicant and his persistent denial of this crime, we feel perhaps there might be some truth in his story that he was innocent of this crime. In any event and in view of the attitude of the authorities in Elk County, we feel he has served sufficient time and we therefore recommend that his sentence be commuted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Daniel Donohue, C-5440, No. 7116, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Daniel Donohue, convicted of murder, in the first degree, in the Court of Oyer and Terminer and Quarter Sessions of Berks County, on June 13, 1929, be commuted from life imprisonment to 15 years, 9 months, and 13 days, expiring on March 26, 1945.

Our reasons for making this recommendation are as follows:

This applicant is forty-two years of age and has served nearly sixteen years of a life sentence for his connection with the death of the Chief of Police of the town of Hamburg, Pennsylvania, in the perpetration of a robbery of an establishment in that town. The applicant is not the one who fired the fatal shot.

We are advised by the Board of Trustees of the Eastern State Penitentiary that this inmate is perhaps the most outstanding prisoner now incarcerated in that institution. The Honorable Harry S. McDevit, has written to the Board of Pardons that he feels this is an outstanding case of rehabilitation and further states he has been a good example for other prisoners and kept them out of trouble and he has been a barrier betwen trouble-makers and prison management. To quote further from the judge's letter: ". . . While I am reluctant to write concerning another judge's case, this is one man whose conduct has attracted everyone's attention. I believe I told you on a prior occasion of the many times he had contributed skin to a child who narrowly escaped death from burning, but the publicity that he received was due to no fault of his. The then president of the institution sought the publicity and not Donohue." Judge McDevitt has further stated that he will act as sponsor for the applicant.

This is one of the very few cases in which a person other than the representative appeared before this Board and stated to the Board that she is the mother of the child who was badly burned and if it had not been for this applicant she would have died from burns which she received. This applicant has certainly atoned for his crime if ever a person is able to atone for murder and there are cases on record in the institution of many lives saved by his willingness to undergo operations of grafting live skin from his body to persons who have been burned. He has saved lives on many occasions, not only of inmates but of others in various hospitals in Philadelphia by gifts of blood and he made many contributions to the American Red Cross serum bank. Warden Smith also recommends that he be given an opportunity to go forth as a free agent. Therefore, the Board of Pardons feels that this outstanding record of rehabilitation and prison conduct should merit a commutation after sixteen years of this lengthy service and we so recommend.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Willard R. Gillman, No. 7805, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Willard R. Gillman, convicted of assault and battery, aggravated assault and battery in the Municipal Court of Philadelphia County, on November 16, 1934, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and on November 16, 1934, he was placed on probation for a period of one year for the charge of assault and battery and aggravated assault and battery, which grew out of an automobile accident and occurred at an intersection of 52nd and Chestnut Streets in the City of Philadelphia.

This is truly one of the cases in which the criminal law was used in an attempt to collect a civil debt. The prosecutor being the other person involved in the accident. At the hearing held on February 21, 1945 by the Board of Pardons, the Attorney General, Honorable James H. Duff, stated that he felt that this was a proper case for the exercise of the Board's authority. The Board of Pardons, therefore, feels that it was highly improper to give a law-abiding citizen a criminal record for a matter which was entirely civil in nature and, we therefore, recommend that this pardon be granted.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Charles Hickman, C-1648, No. 3457, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Charles Hickman, convicted of murder in the first degree, in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County, on January 12, 1922, and to be computed from July 11, 1922, be commuted from life imprisonment to 22 years, 8 months, and 15 days, expiring on March 26, 1945.

Our reasons for making this recommendation are as follows:

This applicant is seventy years of age and has been incarcerated for over twenty-two years of a life sentence. He was originally sentenced to death, but at the June Session of the Board of Pardons in 1922, his sentence was commuted to life imprisonment. In all of these twenty-two years he has only made three applications to the Board of Pardons for commutation. There is no doubt that this applicant was guilty as charged but when viewed against his background and the long period that he has spent in the penitentiary, one can not but feel that this applicant has paid his debt to society.

The Board of Trustees of the Eastern State Penitentiary state that he has an excellent record. The Honorable Harry S. McDevitt, in reviewing this case for the bench has advised us that this is a case of a thoroughly punished and rehabilitated individual. James W. Tracey, Jr., Esquire, representing the district attorney's office of Philadelphia County, states that he is not opposed to the commutation.

As was stated at the time of the hearing by Mr. Livengood, Secretary of Internal Affairs, this applicant has one good point in his favor. He told the truth and the whole truth about the details of the crime and that should act in his favor. Therefore, it is the unanimous recommendation of the Board of Pardons that this sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Levi Hinson, B-9759, No. 7793. February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Levi Hinson, convicted of assault with intent to rob, being armed with an offensive weapon in the Quarter Sessions Court of Philadelphia County, on July 6, 1932 to be computed from September 11, 1931, be commuted on Bill No. 524 September Sessions, 1931, from a maximum term of 15 years to a maximum term of 13 years, 6 months, and 14 days, expiring on March 25, 1945; and on Bill No. 533 from a minimum term of 7 years to a minimum term of 6 years, 6 months, and 15 days, expiring on March 26, 1945.

Our reasons for making this recommendation are as follows:

This applicant is thirty-two years of age and sentenced for a term of imprisonment in the Philadelphia County Prison for not less than fourteen nor more than thirty years for assault with intent to rob, being armed with an offensive weapon. To date he has served thirteen years and five months of this sentence. All of his accomplices have been released, and although this applicant had no prior record, he received the most severe sentence of all and there is no reason why he should be compelled to serve a longer period than his accomplices.

The warden of the Philadelphia County Prison has informed us that this applicant has a satisfactory prison record. James W. Tracey, Jr., Esquire, assistant district attorney of Philadelphia County, frankly stated to the Board that he felt this applicant had been "punished enough." It might also be stated that this boy was only eighteen years of age when he began this lengthy prison sentence.

We therefore, believe this applicant has matured in prison, that he has been thoroughly rehilitated, that he has served a lengthy sentence for a first offender, and that if released he will merit our confidence, and we therefore, recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of John Masztaler, No. 2976, No. 7804, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Masztaler, convicted of robbery in the Court of Quarter Sessions of Luzerne County, on July 11, 1944 to be computed from July 6, 1944, be commuted from 1 year to 8 months and 20 days, expiring on March 26, 1945.

Our reasons for making this recommendation are as follows:

This applicant is thirty-two years of age and has now served over seven months of one year. The only criminal record which the applicant has grew out of a series of robberies which he committed back in March, 1938. He has now served over seven years in prison for this criminal outburst, but only seven months applies on this Luzerne County sentence. All of his accomplices have been released and this boy will go to live in Newark, New Jersey, if given his release.

We feel that he certainly has learned his lesson for this long imprisonment, and we therefore, recommend that his sentence be commuted from one year to 8 months and 20 days, expiring on March 26, 1945.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Emil Makowski, D-4776, No. 5883, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Emil Matkowski, convicted of burglary and receiving stolen goods, in the Oyer and Terminer Court of Philadelphia County on March 18, 1940, to be computed from March 7, 1940, be commuted on Bill No. 694 December Sessions, 1939, from a minimum term of 5 years to a minimum term of 2 years, 6 months, and 20 days, expiring on March 27, 1945; Bill No. 692 concurrent with Bill No. 694 is also commuted. (Applicant has been granted parole on Bill No. 308).

Our reasons for making this recommendation are as follows:

This applicant is twenty-six years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than seven and one-half nor more than twenty years on charges of burglary, receiving stolen goods. To date he has served over five years of this sentence.

The Board of Trustees of the Eastern State Penitentiary indicate that he has a good record in the institution and that he has made thirteen contributions of blood to the American Red Cross serum bank. He also has signed voluntary waivers of induction into military service. The president judge of Common Pleas Court, No. 1, Philadelphia County, Honorable Harry S. McDevitt, has been in close contact with this applicant for some time and he states he shows definite improvement in both attitude and industry. He concludes by saying that: ". . . I would be inclined to give him a chance." The assistant district attorney of Philadelphia County, James W. Tracey, Jr., Esquire, who was opposed when the case was last heard has advised the Board of Pardons that he would have no objection to the commutation if his record in prison has been good. The report to the Board of Pardons indicates that it has been good.

Since there is no objection from the authorities of Philadelphia County and the applicant has a good record and this is his first conviction for any crime whatsoever, the Board feels he has been sufficiently punished, that the ends of justice have been met and we can now recommend him for commutation.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Carl Harvey McCrea, No. 324-40, No. 7743, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Carl Harvey McCrea, convicted of robbery, being armed with an offensive weapon, in the Court of Oyer and Terminer and Quarter Sessions of Berks County, on January 8, 1942, to be computed from March 26, 1940, be commuted from 10 years to 5 years, expiring on March 26, 1945.

Our reasons for making this recommendation are as follows:

This applicant is thirty-five years of age and has served four years and nearly eleven months of a ten year sentence. What has been said in the case of George Lester Brown is equally applicable here. This applicant was sentenced as an accomplice of George Lester Brown, whose case the majority of the Board has recommended to your Excellency for commutation and in this case the majority of the Board likewise feels that it is the same or similar all fours, this applicant being the alleged accomplice of George Lester Brown.

The Warden of the Berks County Prison has indicated that as far as his institutional adjustment is concerned there is nothing but good word that can be stated in his behalf. He does what he is told, he does his duty well, he has ability, apititude and is willing. The warden further states that from his institutional conduct he warrants some consideration. As to the attitude of the court in this matter, Judge Schaeffer adequately expressed it in the letter which he wrote in these cases and which we cited at length in the reasons set forth in the recommendation for commutation for George Lester Brown. There is no need to reiterate those statements as they are already a part of the record.

The majority of the Board of Pardons, therefore, feels that because of the doubt in the mind of the court, the length of time served, and the excellent record which this applicant has maintained that we should recommend that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr., (Dissenting)

In re application of Harry C. Robbins, No. 7812, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in ope nsession, the undersigned members of the Board of Pardons recommend that Harry C. Robbins, convicted of larceny of automobile, operating automobile without consent of owner in the Court of Quarter Sessions of Philadelphia County, on December 1, 1932, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is now thirty-one years of age and approximately twelve years ago he and two accomplices went for a ride in a car which did not belong to them. The car was wrecked and the other accomplices was injured.

This is the applicant's only brush with the law. Since that time he has been in no further trouble. That is a period of approximately twelve years. He did not violate the probationary period of two years and there is no objection to a pardon in this matter. He desires to have his name cleared at this time in order he may better his position in life. He has earned the respect of his friends and neighbors and is present employed with the Philadelphia Transit Company. He is married and has a son two and one-half years of age. In order to live the life of an upright American citizen, he desires to have his name cleared.

The Board of Pardons feels he merits this clemency because all that will be accomplished by the refusal to

grant this clemency would be added disgrace to his family who had nothing to do with this youthful escapade. We therefore, recommend that the pardon be granted as prayed for.

Respectfully submitted,

JOHN C. BELL, Jr.,

BOARD OF PARDONS

In re application of Paul E. Sellers, D-973, No. 6937, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Paul E. Sellers, convicted of burglary, robbery, being armed with an offensive weapon, larceny, etc., in the Oyer and Terminer and Quarter Sessions Court of York County, on May 1, 1935, be commuted on Bill No. 12 October Sessions, 1935, from a minimum term of 5 years to a minimum term of 3 years, 10 months, and 25 days, expiring on March 26, 1945. (Applicant has been granted parole on Bills Nos. 7, 8, 9, and 10).

Our reasons for making this recommendation are as follows:

This applicant is thirty-six years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten and one-half nor more than twenty-one years for burglary, robbery, being armed with an offensive weapon, larceny.

The Board of Trustees of the Eastern State Penitentiary states that this applicant has an excellent institutional record and there is no objection from either the court nor district attorney's office of York County to commutation.

This applicant's accomplice's sentence was commuted in November, 1943 and he was equally guilty with this applicant. Since this applicant was no more guilty than his accomplice, he has still served a period of one year and four months more than his accomplice and has maintained a good institutional record throughout.

We therefore, feel that if the accomplice was given credit for a good record that this applicant should likewise be given credit for a good record, and we therefore, recommend that his sentence be commuted.

BOARD OF PARDONS

In re application of Thomas L. Sowell, B-5945, No. 7787, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Thomas L. Sowell, convicted of robbery, larceny, violation of firearms act, felonious assault and battery, in the Oyer and Terminer and Quarter Sessions Court of Allegheny County, on February 11, 1938 to be computed from December 16, 1937, be commuted on Bill No. 28 January Sessions, 1938 (Bills Nos. 297, 298, 30, 32, 301, and 296 concurrent) from a minimum term of 10 years to a minimum term of 7 years, 3 months, and 10 days, expiring on March 26, 1945.

Our reasons for making this recommendation are as follows:

This applicant is twenty-three years of age and was sentenced to a term of imprisonment in the Western State Penitentiary for not less than ten nor more than twenty years on the charge of robbery on February 11, 1938, and this sentence to begin and computed from December 16, 1937. To date he has served more than seven years of this sentence. He was also charged with robbery and felonious assault and battery, but the facts disclosed at the hearing indicated that his contention that he was in jail at the time of this robbery and felonious assault when it took place, was correct and that he could not possibly have committed these crimes.

The Board of Trustees of the Western State Penitentiary state that this inmate has a satisfactory institutional adjusment and that he has made efforts toward self-improvement, and that if he were eligible for parole they would recommend him. The assistant district attorney of Allegheny County, Ralph T. Bell, Esquire, stated to the Board of Pardons that he felt this applicant has served sufficient time.

Another fact which we feel should be brought to your Excellency's attention is the fact that when he was sentenced he was only fifteen years of age. The trial judge, Honorable C. W. Waychoff, has informed the Board that he feels that this applicant has been sufficiently punished. Therefore, the Board of Pardons agrees with the unanimity of opinion regarding this applicant that we should recommend to your Excellency that his sentence be commuted.

In re application of Leo Vergine, No. 7792, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Leo Vergine, convicted of receiving stolen goods in the Court of Quarter Sessions of Allegheny County, on March 6, 1920, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is forty-six years of age and had no prior criminal record. He was sentenced on March 6, 1920, to be on probation for a period of six months on a charge of receiving stolen goods. There is included in the file letters from many prominent citizens of the town of Pearl River, New York, where he now lives and which

indicates he is an honest and respectable citizen of that town.

There is some question that if this defendant had plead not guilty instead of nolo contendere that he would never have been convicted of receiving stolen goods. There is nothing to show in the record that this applicant knew the ring he had in his possession had been stolen nor any facts which should have lead him to believe that this ring had been stolen. Under these circumstances, we feel that there would be no further chance of this applicant becoming involved with the law and there is stated in a letter addressed to His Excellency, the Governor, from Honorable John A. McKenna, County Judge and Surrogate, of Rockland County, New York, where Pearl River is located and where the applicant has been residing for a period of more than ten years There is quoted in the letter: ". . . To right a wrong is the noblest deed man can perform." We feel that this is the proper case for the applicant and, we therefore, recommend that a full and complete gubernatorial pardon be granted.

BOARD OF PARDONS

In re application of Charles Wilson, D-6028, 1568, No. 6861, February Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles Wilson, convicted of burglary in the Court of Oyer and Terminer of Berks County, on September 19, 1941, to be computed from August 11, 1941, be commuted from 10 years to 3 years, 7 months, and 15 days, expiring on March 26, 1945.

Our reasons for making this recommendation are as follows:

This applicant is twenty years of age and has now served over three and one-half years of a sentence of not less than ten nor more than twenty years in the Eastern State Penitentiary for burglary. The loot consisted of some money, food, and cigarettes. The applicant has had a good prison record since December, 1943 and we are informed by the district attorney of Berks County that there is no objection to his commutation of sentence.

This boy is a first offender and we feel that he has learned his lesson well in prison and that further incarceration for the balance of his sentence could add nothing to the punitive effect which has already been gained. We therefore, recommend that the sentence of this applicant be commuted.

BOARD OF PARDONS

In re application of Fay Basler, B-8687, No. 7016, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Fay Basler, convicted of receiving stolen goods, burglary, in the Court of Oyer and Terminer of Huntingdon County, on May 12, 1943, be commuted from 2 years to 1 year and 9 months, expiring on February 12, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and was sentenced to a term of imprisonment in the Western State Penitentiary for not less than two nor more than four years for stealing turkeys. It is alleged that one of the turkeys stolen was found on his farm.

The Board of Trustees of the Western State Penitentiary have advised us that if this applicant were eligible to apply for parole, they would probably recommend because it is his first conviction. He has now served all but about three months of his minimum sentence.

His wife appeared as his representative and stated that she needed his help very much at this time. That as a result of this conviction, they lost their farm and she is now trying to keep their livestock and implements so that he can be fully rehabilitated when he is released.

The Board of Pardons feels that this man has been very severely punished because he has been not only incarcerated in prison, but in addition, the mortgage on his farm was foreclosed. Therefore, we feel that this applicant has paid his debt to society not only by his penal servitude but by the loss of his property. We therefore, feel he should be granted commutation and so recommend.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,

BOARD OF PARDONS

In re application of Walter Bell, B-6052, No. 6890, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Walter Bell, convicted of breaking and entering, larceny, and burglary, in the Court of Quarter Sessions of Westmoreland County on April 26, 1938, to be computed from April 23, 1938, be commuted from 10 years to 6 years, 9 months, and 20 days, expiring on February 13, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-three years of age and was sentenced to a term of imprisonment in the Western State Penitentiary for not less than ten nor more than twenty years for breaking and entering, larceny, and burglary. The total amount of the loot taken was $45.00 and certain items of jewelry. At the present time the applicant has served nearly seven years of his minimum sentence.

The Board of Trustees of the Western State Penitentiary

has written to the Board of Pardons that if this applicant were eligible to apply for parole, they would probably recommend because he has an excellent institutional record and the length of time he has served. Neither the trial judge nor the district attorney have any objection to favorable action by the Board of Pardons.

Therefore, we feel that under the circumstances in this case, the length of time he has served, the excellent record he has maintained, the effort to rehabilitate himself, all should be taken into consideration and that when all of the factors have been weighed the conclusion will be reached that this applicant should be granted commutation, and we therefore so recommend.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Warren John Betz, D-4066, 1589-38, No. 6900, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Warren John Betz, convicted of felonious entry and larceny in the Court of Oyer and Terminer and Quarter Sessions of Berks County on May 25, 1939 to be computed from April 18, 1939, be commuted from 7½ years to 5 years and 10 months, expiring on February 18, 1945. (Applicant to be inducted into the armed forces of the United States directly from the institution).

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than seven and one-half nor more than fifteen years on a charge of felonious entry and larceny. The applicant has now served over five and one-half years of his seven and one-half year minimum sentence. He is at present incarcerated in the Berks County Prison and a report from Warden Gernert shows he has an excellent record and good attitude and he carefully selects his associates and has an excellent work record. It is further reported that the prisoner has performed valuable and confidential service for the warden which he is entitled to some consideration.

When this case was first before the Board of Pardons, the Board did not feel these facts were sufficient to cause us to consider a commutation of sentence. Later the Warden of the Berks County Prison wrote the Board and asked us to reconsider the decision on condition that he be permitted to enter the armed forces of the United States.

Since Warden Gernert felt so strongly about this applicant's attitude and cooperation and his entry into the armed forces, and since he has served such a long portion of his sentence, the Board reconsidered its action in refusing clemency and recommend that the applicant be granted a commutation of sentence on condition that he be inducted into the armed forces of the United States directly from the institution, and this we so recommend to your Excellency.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Charles Bowers, B-1067, No. 7773, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Charles Bowers, convicted of murder, in the second degree, robbery, receiving stolen goods, in the Oyer and Terminer Court of Allegheny County, on October 19, 1928, be commuted on Bill No. 20 June Sessions, 1928, from a minimum term of 5 years to a minimum term of 1 year and 4 months, expiring on February 19, 1945. (Applicant has been granted parole on Bills Nos. 5 and 19).

Our reasons for making this recommendation are as follows:

The applicant is thirty-nine years of age and has now served over sixteen and one-fourth years of a minimum sentence of twenty years for the crime of murder, in the second degree, robbery, and receiving stolen goods.

The Board of Trustees of the Western State Penitentiary has advised the Board of Pardons if this inmate were eligible for parole, they would probably recommend because of his excellent institutional record and the length of time he has served. His accomplice, who had been given a life sentence for the same murder, had his sentence commuted in June 1942.

This man has served a period equal to almost one-half of his entire life in the Western State Penitentiary for this crime. They feel that he has been rehabilitated and they have known him better and longer than any other person or group of persons, and we feel that this length of time has been sufficient to expiate for his criminal actions. We therefore, recommend that the sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Samuel Brooks, D-1583, No. 7729, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Samuel Brooks, convicted of assault and battery by automobile in the Court of Quarter Sessions of Philadelphia County on March 6, 1944, be commuted from 1½ years to 1 year, expiring on March 6, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-nine years of age and was sentenced to a term of imprisonment in the Philadelphia County Prison for not less than eighteen months nor more than three years for assault and battery by automobile. At the present time he has served over ten months of this sentence.

This applicant was sentenced when he and a police car collided at an intersection. The applicant at the time of the collision had the green light but did not hear the siren of the police car. As a result of the accident, four other persons were injured. It was felt that this offense grew out of gross recklessness rather than any actual criminal intent. This was a very severe sentence under all of the circumstances. In fact, the trial judge at the present time has informed us this case merits commutation.

The Board of Pardons feels that this applicant should receive some consideration, but he also should serve a substantial portion of his sentence by reason of his gross recklessness, and therefore, under all of the circumstances in this case, we feel that one year should be sufficient time and we therefore so recommend to your Excellency that his sentence be commuted as of March 6, 1945.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Fred Daniels, D-3891, No. 6867, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Fred Daniels, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on March 30, 1939, to be computed from March 23, 1939, be commuted from 20 years to 5 years and 11 months, expiring on February 23, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than twenty nor more than forty years for robbery, being armed with an offensive weapon.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that this applicant was only eighteen years of age when he was received in the penitentiary. That he has made a good adjustment and that he has a good disciplinary record. He has also made eight donations of blood to the Red Cross serum bank.

The trial judge, Honorable Harry S. McDevitt, informs the Board he has a splendid record at the institution, and the district attorney of Philadelphia County has stated that he leaves the matter of clemency to the Board of Pardons.

Under these circumstances, we feel that this applicant has served over one-third of a very long sentence and that he has learned the value of keeping to the straight and narrow path and if given an opportunity to show his rehabilitation he will keep his parole. We therefore, recommend to your Excellency that commutation be granted.

BOARD OF PARDONS

In re application of Everett Dietz, D-6501, No. 7486, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Everett Dietz, convicted of aggravated assault and battery, rape, in the Court of Oyer and Terminer and Quarter Sessions of Cumberland County on May 19, 1942 to be computed from May 14, 1942, be commuted from 5 years to 2 years and 9 months, expiring on February 14, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age and was sentenced by the Honorable Fred S. Reese to a term of imprisonment in the Eastern State Penitentiary for not less than five nor more than ten years on a charge of aggravated assault and battery and rape. At the present time the applicant has served nearly three years of this sentence.

The applicant has had an excellent institutional record while committed at the Eastern State Penitentiary and has made every effort to improve his condition. The trial judge has advised the Board of Pardons that he understands that the victim has recanted, and if so, he feels there was offered evidence at the time of the hearing an affidavit of the mother of Laird Weaver, the accomplice in this case, at which time the victim related to her that she never wanted them be put in prison in the first place. She also stated that she would like to give a letter but her father, i. e. the victim's father, forbade her to sign any paper or help the applicant. He threatened to put her in the State Hospital if she aided in any way. The Parole Board indicated that this victim did not bear a good reputation. The last one of the boys had been having relations with her on prior occasions.

The Board of Pardons is of the opinion that this is not a true case of rape. There may have been elements in this case which if they had been brought out would have reduced this matter considerably, and therefore feel that this is the applicant's first conviction and that he has learned his lesson through this incarceration and he should be given an opportunity at this time to make a worth while citizen of himself. We therefore, recommend that clemency be granted.

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Thomas E. Dougherty, No. 7479, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Thomas E. Dougherty, convicted of establishing gambling place in the Court of Quarter Sessions of Delaware County, on January 17, 1941, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and on January 17, 1941, he was sentenced to a term of imprisonment for not less than two months nor more than one year in the Delaware County Jail for establishing a gambling place. It was shown that this applicant was the greens' keeper of a golf club where slot machines had been installed. There was nothing to show that this applicant had anything to do with the installation or the maintenance of these gambling machines. The applicant had never before been in trouble whatsoever.

The applicant is not on parole at the present time and the Board of Parole investigation shows that he is employed and that he has conducted himself well. He is respected by the citizens in his community and enjoys a wide circle of friends.

The Board of Pardons is of the opinion that this applicant was not responsible for the commission of this crime but was merely an innocent party thereto. Because of this fact, we feel the applicant has been sufficiently punished and do not believe he will again become involved with the law. Therefore, we recommend that under all the circumstances of this case that a full and complete gubernatorial pardon should be granted and so recommend.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

The above recommendation is approved:

BOARD OF PARDONS

In re application of Emerson Driesbach, D-5662, No. 6745, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Emerson Driesbach, convicted of voluntary manslaughter in the Court of Oyer and Terminer and Quarter Sessions of Northumberland County on March 18, 1941, to be computed from October 26, 1940, be commuted from 5 years to 4 years and 4 months, expiring on February 26, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-five years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than five nor more than ten years on a charge of voluntary manslaughter. He had never before been convicted of any offense whatsoever. At the present time the applicant has served four years and three months of his minimum sentence.

The Board of Trustees of the Eastern State Penitentiary has stated that he has made an excellent adjustment and that an analysis of his prison employment record shows several promotions to positions of trust. He has the reputation of being a conformed and cooperative prisoner. The district attorney of Northumberland County has written the Board of Pardons in which he states that he believes this is a case which merits the favorable consideration of the Board. He not only has no objections to the application but recommends the commutation sought by the applicant.

The Board of Pardons, therefore, feels this applicant has been severely punished for his misdeeds and that if he is granted commutation he will be a peaceful and law-abiding citizen. We therefore, recommend that the application prayed for be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Louis Enke, C-5450, No. 5200, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Louis Enke, convicted of murder in the first degree, in the Court of Oyer and Terminer and Quarter Sessions of Luzerne County on June 10, 1929, be commuted from life imprisonment to fifteen years and eight months, expiring on February 10, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-two years of age and was convicted of murder in the first degree for a murder committed in the perpetration of a robbery. At the present time the applicant has served fifteen and one-half years of a life sentence. The applicant was in a car outside the establishment where the robbery took place.

The Board of Trustees of the Eastern State Penitentiary states that this prisoner has an excellent disciplinary record and has adjusted easily and has a good employment history. The Honorable John S. Fine, wrote a letter to the Board of Pardons in which he stated that he neither recommended nor opposed a commutation in this case because he knows nothing about Enke since his imprisonment nor do I have any knowledge of his present mental attitude. The district attorney of Luzerne County in writing to the Board of Pardons states that their office makes no recommendation but leaves the matter entirely to the discretion of the Board.

Of the three accomplices in this matter one, Sweeney, received a sentence of twenty to forty years and his sentence was commuted in October 1942. The other accomplice, Kistler, was sentenced to a life sentence and his sentence was commuted in March 1939. The only other accomplice that remains in the penitentiary is Scavone. The letter from Judge Fine indicates that Sweeney was apparently the leading culprit and fired the fatal shots.

Since this applicant was in the position as the lookout man and not on the inside he has been sufficiently punished for one who did not actually commit the murder, and particularly so, since the one who actually perpetrated the murder has been released over two years ago. Therefore, since the applicant has an excellent institutional record and is not any worse than the one

who actually perpetrated the murder, the Board of Pardons feels that after serving nearly sixteen years of a life sentence that he should be recommended to your Excellency for commutation of his sentence.

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Charles Henry, D-977, No. 7724, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Charles Henry, convicted of manslaughter in the Quarter Session Court of Philadelphia County, on February 25, 1943, to be computed from December 26, 1942, be commuted from 3 years to 2 years and 2 months, expiring on February 26, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age and has no prior criminal record. He was sentenced on a charge of manslaughter and to a term of imprisonment in the Philadelphia County Prison for not less than three nor more than six years.

The facts briefly are: That this applicant got into a fight with the victim who knocked this applicant to the street and then proceeded to assault him with a knife. One of the bystanders seeing the victim was armed with a knife, gave the applicant a knife with which to defend himself. In the melee the applicant stabbed the victim and he later died.

The Warden of the Philadelphia County Prison has informed us that the applicant has a good record and after all of the circumstances were reviewed, the district attorney's office advised the Board of Pardons that they had no objection and would leave the matter to the Board of Pardons.

It is felt that we should consider the mitigating circumstances in this case which are, the applicant was first attacked by the victim, also he has served two-thirds of his sentence, and he has never before been arrested for any offense whatsoever. We therefore, feel that taking all of the above factors into consideration that we must come to the conclusion that this applicant has been sufficiently punished and should be granted commutation, which is so recommended.

Respectfully submitted,

BOARD OF PARDONS

In re application of Harry Karamicky, B-8406, No. 7632, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Harry Karamicky, convicted of rape in the Court of Oyer and Terminer of Allegheny County on November 30, 1942, be commuted from 3 years to 2 years, 2 months, and 12 days, expiring on February 12, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-six years of age and has never before been convicted of any crime whatsoever. He is now serving a sentence for from three to six years in the Western State Penitentiary for the crime of rape.

The Board of Trustees of the Western State Penitentiary have written to the Board of Pardons and stated that if the applicant were eligible to apply for parole, they would probably recommend him because this is his first conviction and he has an excellent institutional record. There is no objection on the part of the trial judge and the district attorney of Allegheny County leaves the question of commutation entirely up to the Board of Pardons.

The applicant has now served over two years of his three year minimum sentence and one of his accomplices has been commuted. Because of the fact that he has an excellent institutional record and that this is his first conviction, we feel the applicant will have a better feeling towards society if given time off for his good behavior and excellent prison attitude, and therefore, recommend that commutation be granted.

BOARD OF PARDONS

In re application of Joseph Kubiski, D-6321, No. 6113, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Joseph Kubiski, convicted of robbery in the Court of Oyer and Terminer and Quarter Sessions of Montgomery County on November 5, 1937 to be computed from February 20, 1942, be commuted from 8 years to 3 years, expiring on February 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-two years of age and was sentenced to serve a term of imprisonment in the Eastern State Penitentiary for not less than eight nor more than twenty years on a charge of robbery. At the time of his conviction he was on parole from the Eastern State Penitentiary for the crime of burglary, breaking and entering, and larceny. On November 5, 1937, he was sentenced by the Honorable William F. Dannehower to the term above referred to which sentence was to begin at the expiration of the sentence imposed for his parole violation. He was paroled on the parole violation on

February 20, 1942, after having served four years and three months of this back parole time. He has presently served approximately seven years in prison although only two years and eleven months apply to the sentence of eight years.

The Board of Trustees of the Eastern State Penitentiary have reported that the applicant has established an excellent record since his return and that he is employed as central control radio operator at the present time. The trial judge, Honorable William F. Dannehower, stated: ". . . If his behavior in prison has been exemplary and the Board of Pardons feels they can grant this application with safety to the public, I have no objection to its being granted. Mr. Frank P. Tucker, Senior Parole Officer, evidently believed there is considerable merit to this application. I feel likewise, and have no objection to the commutation of the sentence." Frederick B. Smillie, District Attorney of Montgomery County, has written the Board of Pardons in which he states that his office did not oppose the petition of clemency.

It might also be stated in behalf of this applicant that although he was identified by the victim, the victim also stated that he was accompanied by two accomplices who were never apprehended or identified. This applicant has served a period of time nearly equal to his minimum sentence imposed by the Court, although complete credit is not given by reason of the parole violation. Therefore, we feel that this applicant has matured considerably while in prison and will be under supervision of the Board of Paroles for a number of years to come, and therefore, the majority of the Board of Pardons is of the opinion that nothing further can be gained by continued incarceration. That if the applicant is ever rehabilitated and to be given a chance to show that he is rehabilitated the time is now, and we, the majority of the Board of Pardons therefore recommend to your Excellency that his sentence be commuted.

BOARD OF PARDONS

In re application of William Howard Lauver, B-8065, No. 7757, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of William Howard Lauver, convicted of burglary, larceny, and receiving stolen goods in the Court of Oyer and Terminer of Blair County on February 17, 1942, to be computed from January 24, 1942, be commuted from 3½ years to 3 years and 1 month, expiring on February 24, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty years of age and was sentenced to a term of imprisonment in the Western State Penitentiary for not less than three and one-half nor more than seven years for the larceny of five automobile tires, two batteries, one jack and one stove. His accomplices in this matter were given sentences not to exceed one year.

The Board of Trustees of the Western State Penitentiary have advised us that if this applicant were eligible to apply for parole, they would probably recommend because this is his first major conviction, he has an excellent institutional record, and has served three years of his minimum sentence. The Blair County authorities have no objection to favorable action by the Board of Pardons.

The Board of Pardons, therefore, feels that this applicant has been sufficiently punished for this crime and has received a greater degree of punishment than those who were equally guilty, and therefore, recommend commutation of sentence.

BOARD OF PARDONS

In re application of Rubie Leibovitz, No. 57541, No. 7054, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Rubie Leibovitz, convicted of entering a building in the Quarter Sessions Court of Allegheny County on October 12, 1931 to be computed from October 22, 1943, be commuted on Bill No. 322 October Sessions, 1931, from a minimum term of 2½ years to a minimum term of 1 year and 4 months, expiring on February 22, 1945. (Applicant has been granted parole on Bill No. 321).

Our reasons for making this recommendation are as follows:

This applicant is forty-one years of age and has been in the Allegheny County Workhouse one year and three months for violation of parole. It seems while this applicant was on parole he found a check for $22.00 which he tried to cash and was sentenced for uttering and publishing a check. He was sentenced in the Michigan Courts for eight years and one month and then returned to Pennsylvania for this parole violation. To date he has been continuously confined for nearly ten years for the parole violation which was the attempted cashing of this check.

The Superintendent of the Allegheny County Workhouse makes no comments as to his institutional record and industry, so therefore, it must be presumed good. The district attorney of Allegheny County stated he has no objection to a reparole.

The Board of Pardons is of the opinion that eight years and one month for the attempted cashing of a bad check is indeed a long sentence and to add to that one year and four months for violation of parole you have the best part of a decade of service in an institution.

Under the above circumstances, we feel that this applicant has been sufficiently punished and further incarceration can have no beneficial effect on society, and therefore, we recommend that he be reparoled and to that end recommend commutation.

BOARD OF PARDONS

In re application of Harry Lesanitz, D-3511, No. 7722, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Harry Lesanitz, convicted of entering with intent to steal, possession of burglary tools, felonious entry with intent to commit a felony, in the Court of Quarter Sessions of Philadelphia County on October 20, 1938, to be computed from September 17, 1938, be commuted from 7½ years to 6 years and 5 months, expiring on February 17, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age and has been sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than seven and one-half nor more than twenty-five years for crimes of entering with intent to steal, possession of burglary tools, and felonious entry with intent to commit a felony.

This applicant together with two accomplices cracked a safe and secured a loot of approximately $250.00. This applicant at the present time has served six years and four months of his minimum sentence. His two accomplices were not sentenced on this case at all. One of them was sentenced as a parole violator and later had his sentence commuted by the Board of Pardons and the other on an entirely different charge.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that he has a very good record and is considered a good prisoner. There are ten donations of blood to the American Red Cross serum bank. The trial judge, Honorable Harry S. McDevitt, has written the Board of Pardons and stated that it is merely a question of whether or not he has served enough time. After hearing the oral argument before the Board in behalf of the applicant, the district attorney was constrained to change his recommendation from opposition to one of, leaving it to the Board.

The Board of Pardons is of the opinion that this applicant was the most severely punished of any of the perpetrators of this crime and not because he was any more culpable than the others, but in the language of the prison, he just got "a bum rap." Therefore, under all of the circumstances we recommend that this applicant's sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Clyde Miles, D-4574, No. 7728, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Clyde Miles, convicted of robbery in the Court of Quarter Sessions of Philadelphia County on January 9, 1940, to be computed from January 4, 1940 be commuted from 10 years to 5 years, 1 month, and 10 days, expiring on February 14, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-five years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years for the crime of robbery. He has now served a little more than one-half of his minimum sentence.

The Board of Trustees of the Eastern State Penitentiary has advised the Board of Pardons he has a good record and is considered to be a good inmate. There is one blood donation to the American Red Cross serum bank. The trial judge, Honorable Joseph L. Kun, has written to the Board of Pardons and stated that the sentence of two of the accomplices were commuted and for that reason he knows of no reason why the applicant should not be given like consideration. After a careful review of all the evidence, the district attorney of Philadelphia County informed us he had no opposition to favorable action by the Board of Pardons.

Therefore, in line with the action suggested by the trial judge, the Board of Pardons recommends to your Excellency that commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Carl Muehleisen, No. 49009, No. 7024, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Carl Muehleisen, convicted of robbery in the Court of Oyer and Terminer and General Jail Delivery of Allegheny County on June 21, 1939, to be computed from January 18, 1939, be commuted from 15 years to 6 years and 1 month, expiring on February 18, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-five years of age and was sentenced to a term of imprisonment in the Allegheny County Workhouse for not less than fifteen nor more than thirty years on a charge of robbery. At the present time he has now served over six years of this sentence.

We are in receipt of a letter from the Honorable W. Heber Dithrich, which he states that he recommends that executive clemency be extended to the applicant. He further states it was my intention, at the time of imposing sentence, to parole him at the expiration of one-third of his sentence, provided his institutional record was satisfactory. He has attempted to cooperate with the authorities during the recent years he has been confined in the Allegheny County Workhouse. His accomplices in this crime were all paroled by the court after serving approximately two years.

The district attorney of Allegheny County has advised the Board of Pardons he has no objection to favorable action by the Board of Pardons, and therefore, the Board recommended that, for the above reasons, the application of commutation be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Rosetta Saunders, No. 1850, No. 7763, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the indetermine sentence of Rosetta Saunders, convicted of prostitution in the Court of Quarter Sessions of Delaware County on January 1, 1943, be commuted from an indeterminate term to 2 years, 1 month, and 14 days, expiring on February 15, 1945.

Our reasons for making this recommendation are as follows:

The applicant is nineteen years of age and has now been an inmate of the State Industrial Home for Women, at Muncy, for a period of two years. She is alleged to have solicited persons for prostitution.

The Board of Pardons has been informed that the applicant has a good institutional record. The Probation Officer of Delaware County and district attorney have stated to us that they have no objection to the termination of this sentence.

The Board of Pardons, feels that two years is a very severe sentence for prostitution and that this applicant has shown that she has attempted to rehabilitate herself and become a useful member to society, and therefore, recommend that her sentence be terminated.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Albert Schnieper, B-3597, No. 175A, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been head, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Albert Schnieper, convicted of felonious breaking and entering, larceny, receiving stolen goods, robbery, with an offensive weapon, in the Quarter Sessions Court of Washington County on February 13, 1933, be commuted on Bill No. 35 February Sessions, 1933, from a minimum term of 8 years to a minimum term of 4 years, expiring on February 13, 1945.

Our reasons for making this recommendation are as follows:

The applicant is one of many prisoners whose release on parole has been affected by the opinion of the Supreme Court in the case of Commonwealth of Pennsylvania ex rel. Thomas Lynch v. Stanley P. Ashe, Warden of the Western State Penitentiary, 320 Pa. 341. In this opinion it was held that unless a prisoner, who was serving sentences imposed to run consecutively, was recommended and approved for parole at the expiration of the first minimum sentence, he would be serving the maximum of that sentence, and if no recommendation for parole was made at the expiration of the second and subsequent minimum of sentences imposed to run consecutively, the prisoner would be serving the maximum of the second and subsequent sentences. In other words a prisoner serving an indeterminate sentence is not automatically paroled at the expiration of the minimum term but is merely eligible for parole at that time, and if not favorably considered by the Prison Board at any time thereafter, the prisoner is required to serve the full sentence.

It was the custom for a long period of time for the officials of both the Eastern and Western State Penitentiaries to lump consecutive sentences and the Boards of Trustees would only make recommendations for release on parole at the expiration of the period of time equal to the total of the minimum sentences.

Since the Supreme Court held this procedure improper, the applicant and others, whose cases were not considered for parole at the expiration of their minimum sentences, through no fault of their own, will have to serve a much longer period of time than contemplated by the sentencing judge and the prison officials.

The failure of the Board of Trustees to make the necessary recommendations for parole at the expiration of the minimum sentences was an honest mistake, as most, if not all, sentencing judges shared the same view as the prison officials in deeming it to be unnecessary to make recommendations for parole at the expiration of the minimum of every consecutive sentence. Sentencing judges throughout the state have uniformly believed and taken into consideration in passing sentences the Prison Board practice that consecutive sentences would be lumped making a total minimum and a total maximum.

We believe that great injustice would be done and that it would be most unfair to keep the applicant incarcerated for a longer period of time than recommended by the Board of Trustees of the institution in which the applicant is confined.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Martin E. Shandor, D5880, No. 6038, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Martin E. Shandor, convicted of burglary in the Oyer and Terminer and Quarter Sessions Court of Berks County on September 17, 1940 to be computed from May 29, 1940; and of burglary on July 24, 1942 in the Oyer and Terminer and Quarter Sessions Court of Lancaster County, be commuted on Bill No. 229 September Sessions, 1940 (Berks County) from a mini-

mum term of 5 years to a minimum term of 4 years, 8 months, and 11 days, expiring on February 10, 1945; and on Bill No. 39 June Sessions, 1942 (Lancaster County—to run concurrent with Berks County Sentence) from a minimum term of 3 years to a minimum term of 2 years, 6 months, and 16 days, expiring on February 10, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-seven years of age and on September 17, 1940 he was sentenced to a term of imprisonment from Berks County to the Eastern State Penitentiary for not less than five nor more than ten years. This sentence to begin and be computed from May 29, 1940. He also received a concurrent sentence in Lancaster County for from three to six years.

The applicant has a good prison record and has attempted to improve himself while an inmate in the insttitution. There is no objection from the authorities of Berks County and the district attorney of that county favors commutation of sentence. His minimum sentence would expire in May of this year.

This is his first major imprisonment having only been arrested on two prior occasions, once for trespassing and once for investigation. The Board of Pardons feels that this applicant has learned his lesson by this imprisonment and if given an opportunity he will merit the confidence of the Board and not again violate the law. The Board, therefore, recommends that the sentence be commuted from five years to four years, eight months, and eleven days, expiring on February 10, 1945.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

The above recommendation is approved:

BOARD OF PARDONS

In re application of Wardell Smith, C-4559, No. 5359, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Wardell Smith, convicted of murder in the First Degree in the Oyer and Terminer and Quarter Sessions Court of Philadelphia County on May 4, 1928, be commuted from life imprisonment to 16 years, 9 months, and 10 days, expiring on February 14, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age and was sentenced on May 4, 1928, to a term of life imprisonment in the Eastern State Penitentiary for the crime of murder in the first degree. The applicant has now served over sixteen and one-half years of this life sentence.

The Board of Trustees of the Eastern State Penitentiary have reported to us that his prison performance and attitude has been excellent. That he is a janitor in the institution and has attempted to better his position in life through an educational program.

A strange thing about this killing is the fact that at the conclusion of the trial, the trial judge was asked to charge the jury concerning the motive, which the counsel for the defendant claims had not been made out. The trial judge then stated to the jury that it is not necessary in order to convict a defendant of murder, that a motive be shown to have existed, that animated the defendant to commit the crime. Motive is something that exists in the mind. At the time of the hearing before the Board of Pardons the question as to whether or not any motive had been established was likewise asked by the Lieutenant Governor in addressing Mr. Tracey, Assistant District Attorney of Philadelphia County. Mr. Tracey, advised the Board of Pardons that he would review the notes of testimony and advise the Board whether or not there was any motive disclosed. He wrote the Board on November 3, 1944, in which he stated that he was unable to discover any motive in this killing.

The applicant has saved during his imprisonment approximately $525.00. He presented to the Board of Pardons a parole plan which is accepted and which is recommended by the parole agents.

The Board of Pardons feels that this applicant has served a very long time, it now being nearly seventeen years since the date of his sentence. He has shown by his conduct at the institution that he was attempting to rehabilitate himself and to become a worthy member of society if the Board felt he was entitled to a commutation. The Board of Pardons feels that further incarceration can have no punitive value, and therefore, feel that the sentence of life should be commuted to the time now served and we therefore so recommend.

In re application of Francis Steffler, No. 7740, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Francis Steffler, convicted of unlawful possession and transporting intoxicating liquor in the Court of Quarter Sessions of Philadelphia County, on January 31, 1930, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is forty years of age and in 1930 he was placed on probation for a period of one year for the unlawful possession and transporting intoxicating liquor. What he had was two and one-half kegs of beer. His arrest occurred during the prohibition era. He has not been in any further trouble in a period of fifteen years. This seems to be a case where a law-abiding citizen was made a criminal by the passage of sumptuary legislation.

This applicant certainly is not the criminal type and since he has been a good citizen for all of these years, we feel he has merited the confidence that the court placed in him and we should at this time wipe his slate clean by giving him a full and complete pardon.

In re application of Jack Taylor, B-3595, No. 174A, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Jack Taylor, convicted of felonious breaking and entering, larceny, receiving stolen goods, robbery, with an offensive weapon, in the Quarter Sessions Court of Washington County on February 13, 1933, be commuted on Bill No. 35 February Sessions, 1933, from a minimum term of 8 years to a minimum term of 4 years, expiring on February 13, 1945.

BOARD OF PARDONS

In re application of John Thomas, C-5324, No. 1865, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John Thomas, convicted of attempted robbery in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on April 18, 1929, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is fifty-five years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years on the charge of robbery. His sentence on the robbery charge was commuted after he had served approximately seven years. He has now been on parole a period of nine years. This is the only offense that he has ever had with the law and this might be noted that this occurred while he was intoxicated.

The Board of Paroles has informed the Board of Pardons that they do not oppose the granting of a pardon and leave the matter entirely to the Board. They enclosed a copy of his parole supervision report which indicates that he has been very conscientious in the matter of making reports to his parole officers and that he has made a very serious attempt to adjust. He operates a boot black shop and does other odd jobs around the community in which he lives. The Probation and Parole Officer, District 19, of Virginia, state in a letter to the Secretary of the Virginia Parole Board that regarding the applicant they think his adjustment has been such that he is entitled to any consideration that the Board may see fit to give him.

Under these circumstances, we feel that this applicant has made a serious and honest effort of rehabilitation and that he merits the respect not only of the members of his own race but also the Board of Paroles in Newport News, Virginia.

Since this was his only fall from grace, it is indicated that he is not of the criminal type, and therefore, we should recommend to your Excellency that he be granted a pardon.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Laird Weaver, D-6502, No. 7484, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Laird Weaver, convicted of aggravated assault and battery and rape in the Court of Oyer and Terminer and Quarter Sessions of Cumberland County on May 19, 1942, to be computed from May 15, 1942, be commuted from 5 years to 2 years and 9 months, expiring on February 15, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and was sentenced by the Honorable Fred S. Reese on the charge of

aggravated assault and battery and rape to a term of imprisonment in the Eastern State Penitentiary for not less than five nor more than ten years. He has now served two years and eight months of this sentence. He is an accomplice of Everett Dietz, whose sentence was also recommended for commutation of sentence by the Board of Pardons.

The applicant has a good record in the Eastern State Penitentiary and it is indicated that he is trustworthy and obedient to orders and shows interest in bettering himself. It may be stated that the applicant was the boy friend of the alleged victim and there is an investigation by the Board of Paroles which reveals that the applicant had relations with the victim on prior occasions. The Board of Pardons is also informed that the trial judge and the district attorney do not actively oppose this commutation.

Therefore, under all the circumstances of the case, we recommend that commutation be granted.

BOARD OF PARDONS

In re application of Carlton Williams, D-7036, No. 7036, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Carlton Williams, convicted of voluntary manslaughter in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on March 19, 1943 to be computed from January 25, 1943, be commuted from 3 years to 2 years and 1 month, expiring on February 25, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-four years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than three nor more than six years on the charge of voluntary manslaughter. This is his first conviction and at the present time he has served two years of the minimum sentence.

The occasion arose out of a fight and the deceased was knocked down, hit his head and died. This is his first offense and the first time he has ever been in prison.

The Board of Trustees of the Eastern State Penitentiary show that he has made considerable improvement and has a good work record. The trial judge, Honorable Byron A. Milner, states that he is not opposed to the granting of this petition. The district attorney states he is not opposed and would leave the matter to the Board of Pardons.

The Board of Pardons feels this was an accident and not a deliberate attempt to commit any particular crime, and we therefore, feel that this applicant has been sufficiently punished and under all of the circumstances, we recommend that commutation be granted as prayed for.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Edward Wisniewski, D-6225, No. 6287, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Edward Wisniewski, convicted of entering with intent to steal, in the Court of Quarter Sessions of Philadelphia County on February 20, 1934 to be computed from January 13, 1942, be commuted from 5 years to 3 years and 1 month, expiring on February 13, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age and he was sentenced on the charge of entering with intent to steal to a term of imprisonment in the Eastern State Penitentiary for not less than five nor more than ten years. This sentence to begin at the expiration of his original sentence which he had been released on parole. After his return to prison on February 20, 1934, he served approximately eight years for his parole violation and began his sentence of five to ten years on January 13, 1942. He has, therefore, served three years of his new sentence but has been in prison for almost eleven years.

The prison authorities state that he has an excellent record and is industrious and thrifty. The district attorney had no objection to the favorable action in view of the length of time this applicant has served and leaves the matter up to the Board of Pardons.

Under these circumstances, we feel this applicant has had a most severe sentence and he has served a great portion thereof. Under these circumstances, we recommend that his sentence be commuted.

JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,

BOARD OF PARDONS

In re application of Lee Yanero, D-3488, No. 5067, January Session, 1945.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Lee Yanero, convicted of murder, in the second degree in the Court of Oyer and Terminer of Carbon County on October 17, 1938, to be computed from September 5, 1938, be commuted from 10 years to 6 years, 5 months, and 10 days, expiring on February 15, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age and he is serving a sentence in the Eastern State Penitentiary for a term of not less than ten nor more than twenty years for murder in the second degree. This killing occurred

during a period of intoxication and the evidence therein was sufficient to cause the jury to believe that he did not have the ability to form the intent to commit the crime of murder in the first degree.

The Board of Trustees of the Eastern State Penitentiary have advised us that the applicant has an excellent attitude and he has established a good prison record. He also has made seven donations of blood to the American Red Cross serum bank. He has now served six and one-third years of the minimum sentence.

The Board was gratified to note that at the hearing in this case the applicant was represented by the Postmaster of his home town Lehighton, and that the Postmaster was accompanied by two other citizens who came in behalf of this individual. We feel that this interest certainly has shown there was some spark of decency in this applicant to merit such loyalty. Therefore, because of the interest which he has maintained in him by his friends and neighbors, and by his wife and family, we recommend that commutation be granted as we feel the ends of justice have been met.

BOARD OF PARDONS

In re application of David H. Bleefeld, C-6205, No. 7720, December Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the maximum sentence of David H. Bleefeld, convicted of setting fire to a building with intent to burn in the Court of Quarter Sessions of Philadelphia County on November 30, 1937, be commuted from 30 years to 7 years, 2 months, and 20 days, expiring on February 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is fifty years of age and was convicted of setting fire to a building with intent to burn. This grew out of a business dealing in which the victim was cutting prices in attempt to drive others in the same business into bankruptcy. The applicant was sentenced to a term of imprisonment of not less than two nor more than thirty years in the Philadelphia County Prison and served his sentence in the Philadelphia County Prison after which he went to New York City and established himself in a profitable and legitimate business. Since that time the applicant married a very fine lady and is now happy and prosperous.

His wife, however, is unaware of her husband's former sentence. The applicant desires his maximum sentence commuted in order that he will no longer have to report to the parole authorities.

Because this applicant has been in no further trouble for the past seven years and has kept his parole, the Board of Pardons feels that it would be a hardship on this applicant and to his future improvement in his business position to keep him on this lengthy parole, and we therefore, recommend to your Excellency that his maximum sentence be commuted to the time now served on parole.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:

BOARD OF PARDONS

In re application of John C. Cooney, No. 6992, December Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that John C. Cooney, convicted of assault and battery with intent to rob in the Court of Oyer and Terminer of Philadelphia County, on May 1, 1931, be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and in 1931 he was placed on probation for a period of five years for assault and battery with intent to rob. He did not violate this probation. In fact, he has not been in any further trouble since the date of sentence.

The applicant is married and has a daughter and he wishes to clear his record in order that he may secure a civil service position with the additional security that it provides.

Therefore, since there is no objection to favorable action by either the trial judge or district attorney, the Board of Pardons is inclined to grant the petition and recommend that a pardon be granted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,
Secretary of Internal Affairs.

The above recommendation is approved:
EDWARD MARTIN,
Governor.

BOARD OF PARDONS

In re application of Herbert Fennell, D-1699, No. 7698, December Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Herbert Fennell, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on November 6, 1936, be commuted from 10 years to 8 years, 3 months, and 10 days, expiring on February 16, 1945.

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and had no prior record. He was convicted on the charge of armed robbery and was given a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years. The total loot secured in this armed robbery was seventy cents. This is the applicant's first application to the Board of Pardons after having served over eight years of his minimum sentence.

The Board of Trustees of the Eastern State Penitentiary have stated to the Board of Pardons that his record has been good both as to work and disciplinary and his adjustment has been satisfactory. The trial judge, Honorable Harry S. McDevitt, writes the Board of Pardons and recommends that he be given another opportunity because his accomplices have been released. The assistant district attorney, James W. Tracey, Jr., Esquire, has advised the Board that he leaves this matter entirely up to the Board.

Because this applicant has had a good institutional record and the civil authorities of Philadelphia County have no active objection to his release, the Board feels eight years is a substantial length of time for a seventy cent armed robbery, and therefore, he should be released.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

BOARD OF PARDONS

In re application of Harry C. Foltz, B-2095, No. 2996, December Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Harry C. Foltz, convicted of Murder in the First Degree in the Court of Oyer and Terminer of Beaver County on June 16, 1930, be commuted from life imprisonment to 14 years and 8 months, expiring on February 16, 1945.

Our reasons for making this recommendation are as follows:

The applicant is forty-eight years of age and never before has been convicted of any criminal offense whatsoever. He was convicted of the charge of murder in the first degree and was sentenced by the Honorable Frank E. Reader on June 16, 1930 to life imprisonment in the Western State Penitentiary.

The Board of Trustees of the Western State Penitentiary have advised us this applicant has an excellent institutional record, he is a very cooperative inmate, this is his first conviction, and if he were eligible to apply for parole they would probably recommend him. The trial judge, Honorable Frank E. Reader, has written the Board of Pardons and stated he has no objection to his commutation. The Honorable Henry H. Wilson, who was also a member of the Court has written the Board of Pardons that this applicant is worthy and deserving of favorable consideration. Honorable Robert E. McCreary, who was the former district attorney of Beaver County and now a member of the Court of Beaver County, stated that he will not oppose the commutation of this applicant. The present district attorney of Beaver County, William Coghlan, Esquire, has written the Board and stated he will not register no objections to the granting of clemency at this time and will leave the decision to the discretion of the Board of Pardons.

The Board of Pardons has taken into count the many letters that have been filed with it concerning this applicant by the people in his community who are willing to sponsor him and give him a fresh start in life. In view ing the unanimity of thought regarding this applicant, it is indicated that he should receive consideration at this time since this thought is expressed by the court, the district attorney, the Board of Trustees of the Western State Penitentiary, and many persons in his home locality. The Board of Pardons recommends to your Excellency that the application be granted and the sentence be commuted accordingly.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

BOARD OF PARDONS

In re application of James Jose Gapasin, D-5092, No 6471, December Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that James Jose Gapasin, convicted of statutory rape, etc. in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County, on August 1 1940, to be computed from July 25, 1940, be pardoned.

Our reasons for making this recommendation are as follows:

This applicant is thirty years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than eleven nor more than twenty-two years on the charge of assault. The girls on whom he is alleged to have made the attack were twelve and nine years of age respectively. He denied any impropr advances and the Voluntary Defender and Prison Society took an interest in his plight. After considerable investigation it was learned that the girls who made the charges against the applicant were prevaricating and that it was done for the purpose of getting even with the applicant because he refused to give them pennies for candy and cigarettes. The investigator finally secured from one of the victim's and from the mother of one of the victim's that the charges were false and these were made a part of the record.

The district attorney stated he is not opposed after having corroborated the evidence which was submitted by the representative of the applicant because this applicant was improperly convicted and is not guilty of the crime for which he was convicted and sentenced.

The Board of Pardons feels that we should right the wrong which was done this applicant and grant him a full and complete pardon which is the least that can be done since we can not restore the liberty which he has lost in the past four and one-half years.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.

BOARD OF PARDONS

In re application of Walter Mutz, B-6335, No. 6641, December Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Walter Mutz, convicted of larceny, receiving stolen goods, and entering a building in the Court of Quarter Sessions of Allegheny County on September 23, 1938, to be computed from June 10, 1938, be commuted from 7 years to 6 years and 8 months, expiring on February 10, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-four years of age and is serving a sentence of not less than seven nor more than sixteen years in the Western State Penitentiary on the charges of larceny, receiving stolen goods, and entering a building. This is his first conviction and at the present time he has served over six and one-half years of his minimum sentence of seven years.

The Board of Trustees of the Western State Penitentiary advised us that he has an excellent record and if he were eligible to apply for parole, their board would probably recommend him.

The trial judge in this case has left this matter of clemency to the Board and the district attorney of Allegheny County has stated that they did not oppose favorable action by the Board of Pardons.

This applicant is the sole remaining person in prison for these crimes. All of the others have either served their minimum sentence or been given a parole.

In view of these facts and in fact that the applicant has served such a large portion of his sentence, we recommend that his minimum sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

Secretary of the Commonwealth.
JAMES H. DUFF,

BOARD OF PARDONS

In re application of Albert Pierce, C-3327, No. 2190, December Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the life sentence of Albert Pierce, convicted of Murder in the First Degree in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on March 24, 1926, be commuted from life imprisonment to 18 years and 11 months, expiring on February 24, 1945.

Our reasons for making this recommendation are as follows:

This applicant is forty-four years of age and this is his first major imprisonment having pleaded guilty to the crime of the murder of persons. The two persons being his common law wife and her paramour who he found in bed with his wife. The applicant at the present time has served nearly nineteen years of a life sentence.

The Board of Trustees of the Eastern State Penitentiary have advised the Board of Pardons that the applicant has adjusted very well and has maintained a very good disciplinary record. An excellent habit of industry has been demonstrated and he has shown a habit of thrift by sending approximately $700.00 to relatives and has invested in $300.00 worth of War Bonds. In further indication to ward rehabilitating himself he has enrolled in the International Correspondence School course in English for eleven months, with good progress.

The president judge, Honorable Raymond MacNeille, has written the Board of Pardons that this applicant was sentenced by Judge McCullen and the present judge of this court has no recommendation to make in this matter.

Under these circumstances, the Board of Pardons feels this applicant has served a very long time in the Eastern State Penitentiary and that if he is ever to be rehabilitated and return to society that now is the time, and therefore, recommend in view of his good institutional record and length of time he has served that commutation be granted.

BOARD OF PARDONS

In re application of John Leo Robinson, D-2036, No. 7696, December Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of John Leo Robinson, convicted of robbery, being armed with an offensive weapon in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on March 12, 1937, to be computed from March 6, 1937, be commuted from 10 years to 7 years, 11 months, and 9 days, expiring on February 15, 1945.

Our reasons for making this recommendation are as follows:

This applicant is twenty-eight years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years for the crime of robbery, being armed with an offensive weapon. The accomplice received a sentence of not less than five nor more than ten years, which he served.

Th Board of Trustees of the Eastern State Penitentiary in their report to the Board of Pardons states that he has an outstanding educational record and that he is a teacher in automobile mechanics at the Graterford institution and is considered very capable by the institutional officers. His disciplinary record and his attitude is considered to be coperative. The trial judge, Honorable Harry S. McDevitt, has written the Board of Pardons that he would be inclined to give him a chance. The assistant district attorney, James W. Tracey, Jr., Esquire, informed the Board he has no active opposition and leaves the matter entirely up to the board.

The Board of Pardons feels this applicant has made an honest effort toward rehabilitation and that some consideration should be given for this attitude while in the Eastern State Penitentiary. Also he has served nearly three years longer than his accomplice who was undoubtedly equally guilty. We therefore, recommend that his sentence be commuted.

Respectfully submitted,
JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Nick Ruggiero, D-2753, No. 6327, December Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Nick Ruggiero, convicted of entering with intent to steal and larceny in the Court of Quarter Sessions of Philadelphia County on January 6, 1938, to be computed from December 30, 1937, be commuted from 10 years to 7 years, 1 month, and 20 days, expiring on February 20, 1945.

Our reasons for making this recommendation are as follows:

The applicant is thirty-one years of age and was sentenced to a term of imprisonment in the Eastern State Penitentiary for not less than ten nor more than twenty years on the charge of entering with intent to steal and larceny. The applicant has now served over seven years of this sentence and his accomplice in this affair received the same sentence and is still in the Eastern State Penitentiary. The applicant when arraigned pleaded guilty to this offense.

The Board of Trustees of the Eastern State Penitentiary has stated to the Board of Pardons that he has maintained a good record and there has been considerable improvement in his attitude and he has made nine donations of blood to the American Red Cross serum bank. The president judge, Honorable Raymond MacNeille, has advised the Board of Pardons that this applicant was sentenced by Judge Davis, since deceased, and that he would leave this matter entirely up to the Board. The assistant district attorney, James W. Tracey, Jr., Esquire, stated that he believes this applicant was sufficiently punished and the matter of commutation was up to the Board.

The Board of Pardons, therefore, feels that because of his excellent institutional record and the fact that he has served over seven years of a ten year minimum sentence and that the district attorney of Philadelphia County believes he has been sufficiently punished, the application should be granted as prayed for.

Respectfully submitted,

JOHN C. BELL, Jr.,
Lieutenant-Governor.

BOARD OF PARDONS

In re application of Ralph Simpson, B-3324, No. 5944, December Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Ralph Simpson, convicted of assault and battery; aggravated assault and battery with intent to kill, murder, robbery, larceny, receiving stolen goods, etc., in the Court of Oyer and Terminer of Fayette County on August 26, 1932 and of robbery in the Court of Quarter Sessions of Westmoreland County on September 8, 1932, be commuted on Bill No. 21/134-1/5 September Sessions, 1932, from a minimum term of 2½ years to a minimum term of 2 years, 5 months, and 14 days, expiring on February 10, 1945; on Bill No. 21/134-2/5 from a minimum term of 2½ years to a minimum term of 1 day, expiring on February 11, 1945; on Bill No. 21/134-3/5 from a minimum term of 3 years to a minimum term of 1 day, expiring on February 12, 1945; and on Bill No. 21/134-4/5 from a minimum term of 2 years to a minimum term of 1 day, expiring on February 13, 1945. (Applicant has been granted parole on Bill No. 2/134 also concurrent Bill No. 374).

Our reasons for making this recommendation are as follows:

This applicant is thirty years of age and was sentenced by the Courts of Fayette and Westmoreland Counties to respective terms of imprisonment in the Western State Penitentiary for from twenty to forty years and five to twenty years to run concurrently. The crimes for which the applicant was sentenced included the robbing of the victim of $1.60 in cash, one gun, and two watches and other articles valued at $60.00. It was in this robbery that one of the applicant's accomplices tied the victim to a chair and beat him with a horse whip. The applicant did not participate in this horse whipping although he was present at the time. The assailant who horse whipped the victim had his sentence commuted seven years ago after having served five and one-half years of a twenty year minimum sentence.

In addition to the crime hereinbefore set forth, the applicant was also indicted for robbery of an automobile and for assault on police officers when they attempted to apprehend the applicant and three accomplices. Later the applicant and one of the accomplices stole another automobile from another person which they crashed in fleeing from the police officers. All of the other three accomplices of the applicant have been paroled. Meredith, the one who did the horse whipping has been paroled nearly seven years ago, and had one prior arrest for assault and battery. The second accomplice, Calvin Russell, who had been sentenced to a term of 15 to 30 years was commuted by your Excellency on July 12, 1944. Russell's previous record consisted of one arrest for breaking and entering, which charges were dropped after restitution had been made. The other accomplice, Raymond Patrick, was sentenced to a term of 18 to 36 years and his previous record consisted of 6 arrests and 2 convictions, and had his sentence commuted by your Excellency on December 16, 1944, so that this applicant is the only one of these offenders who still remains in the Western State Penitentiary, and in comparison to the previous record of Patrick in which this Board unanimously joined in recommending his commutation, this applicant does not have a bad record.

The Board of Trustees of the Western State Penitentiary in writing to the Board of Pardons have advised that they would probably recommend him for parole because of his excellent institutional record and the fact that he has served over twelve years of his minimum sentence of twenty years. A letter in September 1943 from the trial judge, Honorable Thomas H. Hudson, stated that if the applicant's conduct was good in the penitentiary he should be paroled. The applicant has an excellent institutional record. The district attorneys of Fayette and Westmoreland Counties did not advise the Board of Pardons of their feelings in the matter. The investigation from the Parole Board states the parole plan offered is good and it is recommended that the plan be accepted.

The majority of the members of the Board of Pardons feel that since this applicant had no worse criminal record than some of the other accomplices and the fact that he has behaved himself well and has served nearly twelve and one-fourth years of the minimum sentence of twenty years, of what amounted to his first major imprisonment, that he should be given the same opportunity as the accomplices in this matter and that he should be granted commutation of sentence, and this the majority of the Board recommends to your Excellency.

BOARD OF PARDONS

In re application of Donald Banellis, D-2086, No. 6459, November Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentences of imprisonment imposed on Donald Banellis, convicted of robbery, being armed with an offensive weapon, larceny, in the Oyer and Terminer and Quarter Sessions Court of Luzerne County, on March 29, 1937; robbery and larceny in the Oyer and Terminer and Quarter Sessions Court of Wyoming County, on October 4, 1943; and of robbery and larceny in the Oyer and Terminer and Quarter Sessions Court of Monroe County, on June 5, 1944, be commuted on Bill No. 338-A April Session 1937 (Luzerne Co.) from a minimum term of 5 years to a minimum term of 1 year, 9 months, expiring on December 29, 1944; on Bill No. 339 from a minimum term of 5 years to a minimum term of 1 day, expiring on December 30, 1944; on Bill No. 340 from a minimum term of 5 years to a minimum term of 1 day, expiring on December 31, 1944; on Bill No. 329 from a minimum term of 1 year to a minimum term of 1 day, expiring on January 1, 1945; on Bill No. 17 April Session 1937 (Wyoming Co.) from a maximum term of 10 years to a maximum term of 7 years, 9 months, expiring on December 29, 1944; on Bill No. 18 from a maximum term of 10 years to a maximum term of 1 day, expiring on December 30, 1944; on Bill No. 19 from a maximum term of 10 years to a maximum term of 1 day, expiring on December 31, 1944; on Bill No. 20 from a maximum term of 4 years to a maximum term of 1 day, expiring on January 1, 1945; on Bill No. 32 May Session 1937 (Monroe Co.) from a maximum term of 10 years to a maximum term of 6 months and 25 days, expiring on December 30, 1944. (Applicant has been granted parole on Bills Nos. 327 and 338.)

Our reasons for making this recommendation are as follows:

The applicant is twenty-eight years of age and is serving a sentence of not less than twenty-two nor more than forty-six years for larceny, robbery, being armed with an offensive weapon. He has now served over seven and one-half years of this sentence.

The Board of Trustees of the Eastern State Penitentiary has stated to the Board of Pardon that during the past fifteen months and since previous applications for commutation, the adjustment of this applicant has shown considerable improvement. He has maintained a good disciplinary record and his custodial officer reports cooperation. He was enrolled in a correspondence course in bookkeeping and English and made good progress for fifteen months. Prison employment consisted of shoe shop work and woodworking, and since December 1942 he has been working continuously in the tent peg shop. He has purchased $650 worth of War Bonds and made one contribution of blood to the American Red Cross serum bank.

There were four accomplices in these series of crimes which the applicant and accomplices committed. All of the accomplices, whose minimum sentences ranged from ten to twenty-two years, have had their sentences commuted. One as long as three years ago and the applicant is the only one left in prison.

The trial judge, Honorable W. Alfred Valentine, inforced the Board that he has possession of no facts which would warrant him in recommending clemency, or which would be of assistance to the Board. However, he has no objection to the exercise of clemency if the members of the Board deem such action proper. The district attorney, Leon Schwartz, Esquire, of Luzerne County, stated that he feels the prior incarceration of this applicant has had no influence upon him in the direction of rehabilitation and further states that he does not favor commutation. However, he stated that any leniency extended to him would have to be based upon matters urged by the institution, as there is nothing in his record nor in any subsequent development here to warrant a recommendation.

The Board of Pardons wishes to call to your Excellency's attention the excellent prison record heretofore referred to. The majority of the Board feels that this applicant has served a substantial part of a very long and hard sentence, and since his accomplices have all had their sentences commuted and in all fairness to him, he should be given an opportunity to demonstrate whether or not his rehabilitation which has been urged is complete. It is also pointed out that this applicant will be under supervision of the Board of Paroles for nearly thirty years after his release and with the guidance which they will give him, we feel that he has a good chance to adjust himself in society, and for the foregoing reasons, the majority of the Board of Pardons recommends to your Excellency that commutation be granted.

BOARD OF PARDONS

In re application of Michael John Kucinsky, C-4374, No. 1776, October Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the sentence of imprisonment imposed on Michael John Kucinsky, convicted of robbery, being armed with an offensive weapon in the Oyer and Terminer Court of Lackawanna County on February 11, 1928 to be computed from June 8, 1944, be commuted on Bill No. 35-2 January Sessions, 1928, from a minimum term of 7½ years to a minimum term of 7 months, expiring on January 8, 1945. (Applicant has been granted parole on Bill No. 35-1).

Our reasons for making this recommendation are as follows:

The applicant is thirty-seven years of age and is serving the balance of his maximum sentence for violation of parole. He has now been in prison one year and five months since his return to the institution.

The applicant stoutly maintains his innocence in this case and avers that the proprietor of the store in Baltimore which he was alleged to have robbed could not identify him. The clerk identification merely amounted to stating that he resembled the robber. Nevertheless, he was convicted and for this crime he served in the Maryland State Penitentiary a term of eight and one-half years, after which he was paroled by Maryland and returned to Pennsylvania for the violation of parole above referred to.

Thus the applicant has been continuously in prison for approximately ten years.

The Board of Trustees of the Eastern State Penitentiary reports that he is a member of the prison orchestra, and that at Graterford he enrolled in a correspondence course in carpentry which has been continued since transfer and has practically completed the course with excellent progress. He was employed as an assistant teacher in carpentry and is currently employed in the tent peg shop working on government war orders. He has also made two donations of blood to the American Red Cross serum bank.

James F. Brady, district attorney of Lackawanna County, has written the Board stating that because of his previous commutation and violation of parole he would like to leave this matter up to the discretion of the Board.

The applicant has been offered employment on his brother's ranch in Oklahoma, and he has also inserted a letter in his application from another party offering to sponsor him and to see that he gets suitable employment.

The majority of the Board feels that this applicant has demonstrated while in prison that he has learned the value of making good use of his time and we can state that he has served a very substantial sentence, if this Maryland sentence is taken into consideration. The former criminal conduct only amounted to juvenile deliquencies. Only one of which resulted in a sentence, so that the original sentence in Pennsylvaia to the Eastern State Penitentiary amounted to really his first major imprisonment. Thus with the exception of but five months, that is to say. from the date of his parole in Pennsylvania to the date of his sentence in Maryland, this applicant has been practically continuously imprisoned for a term of almost seventeen years, and in that time he has become more mature and is at the age where the Board feels that he should be given another chance to rehabilitate himself in society and that further incarceration can be of no punitive effect. Therefore, the majority of the Board recommends that the sentence of this applicant be commuted.

BOARD OF PARDONS

In re application of Henry A. Descano, C-5876, No. 1444, November Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that Henry A. Descano, convicted of robbery being armed with an offensive weapon in the Court of Quarter Sessions of Philadelphia County, on January 21, 1930 be pardoned.

Our reasons for making this recommendation are as follows:

The applicant is thirty-five years of age and asks that he be granted a pardon. The applicant has been arrested on prior occasions, but this was the first time he received a sentence. The other arrests does not amount to criminal record, being juvenile arrests for suspicious character, larceny of auto, disorderly conduct, and reckless driving. In each of these cases he was discharged by the magistrate or the prosecution was withdrawn.

This applicant after serving eight and one-half years of a minimum sentence of ten years for nine holdups, robbery, being armed with an offensive weapon, he was granted a commutation of sentence. He has since married and is about to become a father. On December 10, 1943, the applicant was inducted into the United States Army. He is now serving with the Engineers Corps, Camp Gordon, Augusta, Georgia. Since his induction he has gained the rating of corporal and wishes to qualify for entry into the officers' candidate school.

The Board of Parole when consulted by the Board of Pardons concerning the applicant's record after his release from prison, indicates that he adjusted well and that he was a very satisfactory parolee. He has been on parole more than six and one-half years as shown by the above. He has adjusted well to society, has set up his own home and family, he is now serving his country, and as we have been informed he has done it exceedingly well. This is the only blot on his record. He has learned the stigma that is attached to one's life by engaging in criminal activities. He has learned how it deters one in later years and he seeks now to have this one error removed so that he may advance himself in his present occupation as a soldier in the Army of the United States and to prepare for his eventual return to civilian life.

The majority of the Board, therefore, feels that he has made a very honest effort to rehabilitate himself and that to withhold a pardon in this case would be to add further punishment to him which was not contemplated. Therefore, we recommend to your Excellency that a full and complete gubernatorial pardon be granted to this applicant.

BOARD OF PARDONS

In re application of Harold Gilbert Palmer. D-6327, No. 6724, November Session, 1944.

To His Excellency, the Governor of the Commonwealth of Pennsylvania:

Sir: The above application having been heard, upon due public notice, in open session, the undersigned members of the Board of Pardons recommend that the minimum sentence of Harold Gilbert Palmer, convicted of fraudulent conversion in the Court of Oyer and Terminer and Quarter Sessions of Philadelphia County on February 24, 1942 to be computed from February 21, 1942, be commuted from a term of 7 years to 2 years, 10 months, and 10 days, expiring on December 31, 1944.

Our reasons for making this recommendation are as follows:

The applicant is forty-four years of age and is serving a sentence of not less than seven nor more than fourteen years for the crime of fraudulent conversion. He has now served nearly three years of this sentence.

The Board of Trustees of the Eastern State Penitentiary states that he had made an excellent adjustment in the penitentiary, he is cooperative, and his present custodial officer reports that he gets along well with other prisoners and is courteous and obedient. It was also called to our attention that he has taken a course in religion and his attempts to apply his convictions to his prison behaviour and selects his associates with greater care than was true before previous applications. He has been continuously employed in the inmate accounting office since

May 18, 1942, just three months after his commitment. Ten blood donations to the American Red Cross serum bank are recorded.

This applicant has as his sponsor Dr. Merill T. MacPherson, Pastor of the Church of the Open Door, Philadelphia. Dr. MacPherson advises the Board of Pardons that this applicant has become converted to christianity and he feels that this conversion has in effect changed his character and he will never again engage in any criminal conduct. Dr. MacPherson is so convinced of his conversion of christianity that he will sponsor and guide him in the christian way of life. He is married and has five children ranging in age from seventeen to six years. It is true that this inmate does not have a very savory criminal record, but the majority of the Board was impressed by the presentation of his case by Dr. MacPherson and the facts that he related about his conversion. We also wish to state that nowhere in his application has the applicant himself put forth his conversion as a reason for his commutation.

It is the feeling of the majority of the Board viewing this case in christian like manner that we should give him the opportunity to demonstrate that his conversion is as stated to the Board. For this reason, the majority of the Board of Pardons feels that we should extend to this man another chance in which he can adjust himself to society and to the support of his family, and therefore, we recommend to His Excellency, that the sentence of Harold Gilbert Palmer, be commuted.

Respectfully submitted,

JOHN C. BELL, Jr., (Dissenting)
Lieutenant-Governor.
CHARLES M. MORRISON,
Secretary of the Commonwealth.
JAMES H. DUFF,
Attorney General.
WILLIAM S. LIVENGOOD, Jr.,

The above recommendation is approved:

LETTER OF TRANSMITTAL

To the Members of the General Assembly of the Commonwealth of Pennsylvania:

Pursuant to the provisions of Act 278, Section 2, Session of 1943, as amended, we submit, herewith, Report IV, which deals with the "Codification of the School Laws," of this Commonwealth.

Throughout their deliberations, the members of the School Commission have been acutely conscious of the urgent need for an up-to-date, internally consistent and conveniently arranged codification of our school laws. Although conscious of the need, the Commission took no action upon the matter at hand during the biennium 1943-45, because it was felt that its limited resources should be devoted to the development of a new school subsidy system.

Upon acceptance of the Commission's subsidy plan by the General Assembly of 1945, members of the Commission and representatives of the Legislative Reference Bureau discussed the school law codification project. It was agreed that Legislative Reference Bureau would prepare a redraft of existing statutes for review by the Commission. At the meeting of the full Commission, on Friday, June 21, 1946, the undersigned appointed a Codification Committee, consisting of Senator Clarence D. Becker, Chairman; Representative Herman M. Modell, Representative Fred P. Hare, Jr., Senator Paul L. Wagner, and George Young. This committee reviewed the proposed Code with the Legislative Reference Bureau, the Department of Justice, the Department of Public Instruction, and numerous private individuals and organizations interested in the administration of our public schools. It is the unanimous judgment of the Codification Committee, whose detailed report is attached, that the proposed Code in no way changes the substance of the existing school law. The Commission is in full agreement with this conclusion of its Codification Committee.

GEORGE YOUNG, Chairman

Harrisburg, Pennsylvania
January, 1947.

REPORT OF THE CODIFICATION COMMITTEE

LETTER OF TRANSMITTAL

Mr. George Young, Chairman
The School Commission
Commonwealth of Pennsylvania
Capitol Building
Harrisburg, Pennsylvania

My dear Mr. Young:

Pursuant to the Resolution of the full Commission, under date of June 21, 1946, the Codification Committee submits the attached report. The members of the Committee, upon extensive review of the proposed Code, are unanimously agreed that the document is a faithful reproduction of existing school law.

The attached report briefly indicates the objectives of the proposed codification as seen by the members of your Committee, lists the sections of the proposed Code which are in need of legislative clarification, and contains a reference table showing the sections of the School Law of 1943, as compiled by the Department of Public Instruction and reproduced in the Department's Bulletin No. 65, titled "School Laws of Pennsylvania—1043," and the equivalent sections of the proposed Code.

The members of the Committee wish to thank Mr. S. Edward Hannestad, Assistant Director of the Legislative Reference Bureau, and Mr. Harrington Adams, Deputy Attorney General, for their splendid cooperation. Mr. Hannestad prepared the proposed codification, and Mr. Adams assisted the Committee with its review.

Section I: The Need for the Codification of the School Laws

The basic School Law is the Act of May 18, 1911 (P. L. 309), commonly referred to as the School Code.

The need for codification of our school laws was felt by the members of the General Assembly of 1931. At that time, the General Assembly appropriated the sum of $5,000 to the Department of Justice for the preparation for presentation to the Generaly Assembly at the 1933 session of a revision of the school laws. This revision was prepared and published in printed form, with source notes and explanations, in a bulletin consisting of 297 pages The bill was introduced in both the House and the Senate at the 1933 session of the General Assembly. The bills in both Houses were referred to the respective committees on

education on February 6th. From these committees neither bill emerged. The revision included a large number of drastic changes in the school laws.

In the letter of transmittal of the draft referred to, to the General Assembly, Attorney General William A. Schnader made the following statement:

"The School Code was enacted in 1911. Hundreds of amendments have been made since then, but there has been no general revision.

"A complete revision of the law as it now stands, together with such changes as present economic conditions dictate, will be most helpful in the administration of the public school system."

This was fifteen years ago. Since that time even a greater number of amendments have been made to the original code of 1911. Many of the amendments have been added to the code without much regard for proper arrangement or division into sections and subsections. The practice has been very prevalent, instead of adding a new section, to add a proviso at the end of an existing section, which has little or no bearing on the new matter to be added. The result, in a great number of cases, has been that we have several sections in the School Code, each several pages long, that are not even divided into ordinary grammatical paragraphs.

There also remains in the code of 1911 considerable language making provisions that have become quite obsolete or that have been long since transposed into the Administrative Code.

A number of Supreme Court decisions have construed language in the School Code so as to give certain provisions meanings not altogether obvious from the present language. In other cases there appear inconsistencies and ambiguities in language, that have not been passed on by the court, and which are much in need of clarification.

These are the principal reasons leading to the necessity of a revision of the school laws at this time. In preparing the proposed code of 1947, we have been careful to make no change of language that might result in a change of meaning or in the application of any provision of the school laws. Most of the language remains unchanged. Wherever a provision has been restated, an effort has been made to clarify it through the use of simple language and short sentences.

All lengthy and involved sections have been broken up into several separately numbered sections. There has also been some rearrangement of provisions in order to bring about a more logical arrangement of the material. Each section has been given a section heading which gives, in brief language, some indication as to what is treated of in the section. All the section headings are included in a Table of Contents at the beginning of the bill. It is hoped that the proposed Code, if favorably acted upon by the General Assembly, will be much easier to work with, not only for those already familiar with the School Laws, but for such persons as have infrequent occasion to refer to them.

Section II: Provisions of the School Law which Require Legislative Clarification

It is the judgment of the members of the Codification Committee that the following sections of the proposed School Code require legislative attention and clarification:

Section 321 of the proposed Code, which is the equivalent of Section 223 of the existing Code—

This section is titled "Election (of School Directors) Set Aside on Contest."

The members of the Codification Committee, Mr. Hannestad and Mr. Adams concurring, are of the opinion that an election cannot be set aside under the provisions of the School Code, because school directors are always elected at municipal elections, together with other local officers. The members of the committee suggest that the entire section be deleted because the subject is covered by the Election Cod.

Section 703 and 704 of the proposed Code, which are the equivalent of Section 602 of the existing Code—

These sections are titled "Acquisition of Sites for School Buildings and Playgrounds, and Disposing Thereof," and "Acquisition and Disposition of Property in Other Districts, Freedom from Taxation," respectively.

The sections regulate the acquisition, disposition and freedom from taxation of real estate used for "school buildings and playgrounds." In view of expanding school activities, it is suggested that the General Assembly consider formal broadening of the powers of school boards by substituting the phrase "proper school purposes" for the more restrictive phrase "school buildings and playgrounds." Such a change would give clear-cut, legal sanction to acquisition and tax exemption of school supply warehouses and dwellings for janitors and guards.

Section 707 (5) of the proposed Code, which is the equivalent of Section 601.1 of the existing Code—

This section is titled "Sale of Unused and Unnecessary Lands and Buildings."

This section specifies in part that the purchaser of real estate who has acquired such real estate from a school board must pay the board in question "not less than five (5) per centum" on the balance due the board. Some of the members of the Codification Committee feel that under present conditions, the requirement of "not less than 5%" may impose undue restriction upon boards.

In this connection, it must be pointed out that the legislative mandate regarding the minimum interest rate can be easily circumvented by purchase price adjustments. It may be well to remove the necessity for circumvention of the law.

Section 731 of the proposed Code, which is the equivalent of Sections 615 of the existing Code—

This section is titled "Submission of Plans, Etc., of Buildings to State Council of Education; Exceptions."

The section provides in part: "No public school buildings shall be contracted for, constructed, or reconstructed, in any school district of the second, third or fourth class, until their plans and specifications have been submitted to the State Council of Education, and all recommendations concerning the same by the State Council of Education have been laid before the board of school directors:" Again, the section provides in part: "Where any structural change is involved, such as moving or adding doors, windows, partiitons, making additions or any excavations, approval of the State Council of Educattion shall be

required regardless of the cost of such structural change."

The members of the committee are of the opinion that the above quoted sections of the law create an incongruous situation. Apparently no approval of the State Council is required to construct a building, but approval is required to add a door or a window. The members of the Committee suggest that the General Assembly remove the incongruity in question.

Section 1007 of the proposed Code, which is the equivalent of Section 1145 of the existing Code—

This section is titled "Not to Engage in Teaching; Exceptions."

The section prohibits county, district and assistant county or assistant district superintendents from accepting compensation for the performance of teaching services, except services performed in conjunction with a summer school, maintained by a teachers' college, college or university.

The members of the Committee wish to point out that no other professional employes are subject to restrictions comparable to those referred to above. In view of the current shortage of personnel, it may be well to lift the restrictions now imposed upon superintendents and their assistants.

Section 1112 of the proposed Code, which is the equivalent of Section (4801) of the School Laws of 1943—

This section is titled "Religious Garb, Insignia, etc., Prohibited; Penalty."

The section provides in part: "That no teacher in any public school shall wear in said school or while engaged in the performance of his or her duty as such teacher, any dress, mark, emblem, or insignia indicating the fact that such teacher is a member or adherent of any religious order, sect or denomination." It further states: "Any teacher employed in any of the public schools of this Commonwealth who violates the provisions of this section shall be suspended from employment in such school for the term of one year, and in case of a second offense by the same teacher, he shall be permanently disqualified from teaching in said school."

Section 1122 of the proposed Code, which is the equivalent of Section 1205 (a) of the existing Code—

This section is titled "Causes for Termination of Contract."

The section provides in part: "The only valid causes for termination of a contract heretofore or hereafter entered into with a professional employe shall be—immorality, incompetency, intemperance, cruelty, persistent negligence, mental derangement, advocation of or participating in un-American or subversive doctrines, persistent and wilful violation of the school laws of this Commonwealth on the part of the professional employe."

The members of the committee are of the opinion there exists a conflict between the provisions of Section 1112 and 1122, unless the wearing of any dress, mark, emblem or insignia "indicating the fact that such teacher is a member or adherent of any religious order, sect or denomination" can be construed as "persistent and wilful violation of the school laws."

Section 1121 of the proposed Code, which is the equivalent of Section 1205 of the existing Code—

This section is entitled "Contracts; Execution; Form."

The section tentatively substitutes the term "professional employes" for "teacher."

In this connection, the members of the committee wish to point out that originally the contract provisions contained in Section 1121 of the proposed Code were applicable to teachers only. However, when the Code was amended by the Teachers Tenure Act in 1937 the Legislature used the term "professional employe," which covers other certificated personnel, such as nurses and dental hygienists. It is the judgment of the members of the committee that it might be well for the Legislature to clarify the status of certificated persons other than teachers under Sections 1121 and 1153 of the proposed Code.

Section 1125, of the proposed Code, which is the equivalent of Section 1205 (d) of the existing Code—

This section is titled "Suspensions and Reinstatements, How Made."

The section provides in part: "In cases in which suspensions are to be made, professional employes shall be retained on the basis of seniority rights where no differences in rating are found." This provision is not as clear as it might be, because it does not specify whether the rights in question must be acquired in the district of current employment or are acquired on the basis of years of service in the state.

The members of the Codification Committee suggest that the General Assembly make its intent clear.

Section 1145 of the proposed Code, which is the equivalent of Section 1210-(12) of the existing Code—

This section is titled "Emergency Certificates."

The section provides in part: "In all school districts the minimum salary of all teachers holding certificates issued by county or district superintendents to meet emergencies or shortage of teachers, as provided for by the State Council of Education, and who do not possess the qualifications required for a State certificate, shall be seventy-five dollars ($75) per month." The committee wishes to point out that the provisions of Sections 1141, 1142, 1143, and 1144, which constitute amendments to the School Code made by the General Assembly of 1945 and which define "teacher" and specify minimum salaries, may be in conflict with Section 1145.

Section 1345 of the proposed Code, which is the equivalent of Section 1435 of the existing Code—

This section is titled "Penalty for Interfering with Inspections."

The section provides in part: "Any officer, director, superintendent, manager, employe, or other person, at any place where any child between fourteen (14) and sixteen (16) years of age is engaged, who refuses to permit or in any way interferes with the entrance of the attendance officer, any member of the Board of

School Directors, the secretary thereof, the district superintendent or supervising principal of any school district as provided for in this Act, shall, on summary conviction thereof, be sentenced to pay a fine of not less than five dollars ($5.00) or more than twenty-five ($25.00), and in default thereof may be sentenced to imprisonment not exceeding thirty (30) days."

It is the purpose of the above section to facilitate compliance with the compulsory school attendance laws. Inasmuch as the compulsory school age may be subject to change, the members of the Committee recommend that the General Assembly consider the deletion in the above section of the words "between fourteen (14) and sixteen (16) years of age," and substitute "of compulsory school age."

Section 1372 of the proposed Code, which is the equivalent of Section 1413 of the existing Code—

This section is title "Special Classes or Schools or Other Provision for Education."

The section provides in part: "If it is not feasible to form a special class with a minimum attendance of ten children in any district . . . the Board of School Directors of the district shall . . . secure such proper education and training outside the public schools of the district, or in special institutions."

It is the judgment of the members of the committee that it might be well for the General Assembly to amplify this section by specifying that transportation for pupils placed in "special institutions" shall be compulsory. If the amplification suggested is made, the legal status of state reimbursement on account of such transportation will be automatically clarified.

Section 1437 of the proposed Code, which is the equivalent of Section 1515 of the existing Code—

This section is titled "Advisory Councils; Reports."

The section states in part: "In school districts of the first, second and third class, having a district superintendent, and schools under the supervision of the county superintendent of schools, shall set up an advisory health council to study the health needs and assist in organizing a follow-up program."

It may be noted that the section does not specify who shall set up the health advisory councils. The members of the committee suggest that the General Assembly rewrite the entire section.

Section 1608 of the proposed Code, which is the equivalent of Section 1707 of the existing Code—

This section is titled "Requirements for Attendance in Other Districts."

The section provides in part: "Pupils desirous of having their tuition paid in a high school in another district, on account of having completed such program of studies in their own district, or its equivalent in some other school or schools, shall present to the board of their own district, and the board of the district in which they wish to attend, a certificate from the county superintendent who has jurisdiction over the district in which they live, that they have satisfactorily completed the equivalent of said program of studies."

The committee wishes to report that its members are at a total loss to comprehend what the Legislature meant when it enacted the provision referred to above. They respectfully suggest that the intent be made clear.

Section 1907 of the proposed Code, which is the equivalent of Section (4108) of the School Laws of 1943—

This section is title "Appointment of Instructors of Unnaturalized Foreign Born Residents of Counties."

This section was declared unconstitutional because of defective title and because, in the judgment of the court, it constituted special or class legislation. In view of this judicial mandate, the committee suggests, Mr. Hannestad and Mr. Adams concurring, that the section be deleted.

Section 2541 of the proposed Code, which is the equivalent of Section 1243 of the existing Code—

This section is titled "Payments on Account of Pupil Transportation."

The section provides in part: "To all school districts, for pupils transported to and from approved consolidated elementary schools or approved consolidated junior high schools or approved joint consolidated schools."

It is the judgment of the committee, Mr. Adams and Mr. Hannestad concurring, that vocational districts represent technically consolidated schools, and the law might well be clarified by specifying explicitly that the transportation of pupils attending such schools is reimbursible.

Section III: Reference Table Showing Sections of the School Law of 1943, as Compiled by the Department of Public Instruction and Reproduced in the Department's Bulletin No. 65 and Equivalent Sections of the Proposed School Code.

For the convenience of the members of the General Assembly who may wish to compare sections of the existing Code with the equivalent sections of the proposed Code, the reference table reproduced below has been prepared.

Columns 1 and 3, unless otherwise indicated, list the sections of the existing Code as reproduced in Bulletin No. 65 of the Department of Public Instruction. Columns 2 and 4 list the equivalent sections of the proposed Code.

The reference table should be read as follows: Section 101 of the existing Code is contained in Section 201, 202, and 2401 of the proposed Code.

Whenever a section of the existing Code is obsolete, by virtue of judicial decisions or subsequent legislative enactment, the fact is indicated in Columns 2 and 4. For example, Column 1, Row 22, makes reference to Section 121 of the existing Code. The corresponding row in Column 2 indicates that the section in question is obsolete.

Harrisburg, March 11, 1947.

To the Honorable, the General Assembly of the Commonwealth of Pennsylvania:

In compliance with Article VI of the Act of April 9, 1929, P. L. 177, I have the honor to lay before the General Assembly a State Budget for the fiscal biennium from June 1, 1947 to May 31, 1949.

This is the first budget of the postwar period. As such it runs squarely into the difficult problems coming in the wake of the war. During the war many facilities needed to carry out the functions of the State Government could not be provided and they are now on hand as a vast accumulation. The budget will have to provide for a large share of these. The price level has advanced rapidly since the war's end. Consequently the accumulated needed facilities must be provided at a considerably higher cost. Salaries and prices of commodities are now on a basis far above those of former years. The budget necessarily and unavoidably will reflect these new levels.

When the budget was prepared for the last biennium certain assumptions were made, chief of which was that there was the probability that the war would not end before 1947. The budget was built upon that assumption. With the war ending earlier than expected price increases came earlier than anticipated and many postwar problems arose sooner than planned. Some of these problems are being presented to the present Session of the Legislature in the form of requests for deficiency appropriations.

In making this budget, which is a projection ahead two years from June 1, certain assumptions necessarily had to be made. This budget assumes that there will be a level of national income somewhere in the neighborhood of the present high level. It assumes that salary levels will not decrease during this period but rather the probability is there may be some further increases where salary levels lag behind the price level. It assumes that the price level after the beginning of this period will not be higher but rather will show some downward trend as production increases. Moreover, it is expected that consumption of commodities will increase.

These assumptions, of course, are impartant in their bearing on both revenues and expenditures and they are stated here to help in interpreting the recommendations in this budget.

Before taking up the budget for the 1947-1949 biennium, some explanation needs to be made of the execution of the 1945-1947 budget.

At the end of the 1943-1945 biennium, there was a general fund surplus of $109,497,978.81. This whole amount was appropriated for post war projects and for redemption of State Authority bonds by the 1945 Session of the Legislature. Due primarily to an increase in the public assistance case load, increase in prices, and in salaries made necessary by the price increases, appropriations made for the 1945-1947 biennium for current operations have proven to be insufficient in some of the departments. A deficiency appropriation of $23,400,000 for Public Assistance has already been made. I am recommending other deficiency appropriations amounting to $9,825,820, making a total of $33,225,820 for all deficiencies the detail of which is shown in a schedule in this budget. The funds to cover this amount of deficiencies are derived from profits of the liquor stores system above the amount estimated for the biennium and from additional lapses in appropriations. Consequently, in spite of these deficiencies, if the estimate of revenue is realized, there will still be a balanced budget at the end of the 1945-47 biennium. Due to the adoption of a different method of calculating the mark-up on liquor in early January of this year there will be liquor profits and liquor tax receipts beyond the amount originally anticipated which with additional lapses will accumulate as a small surplus estimated at $16,679,000 at the end of the biennium if the estimate of revenue is realized.

The problem then in this budget is for the 1947-1949 biennium.

Appropriations recommended for current operations for the 1947-1949 biennium amount to $547,484,704.

This amount includes an increase of subsidies over the last biennium to the various school districts of the Commonwealth for teacher's salaries of $21,000,000. It also includes increases over the last biennium for the Teachers' Retirement Funds of $5,074,400. This last increase was necessitated by reason of the obligation of the Commonwealth to make these funds yield 4%, which they will not do under current investment yields, and for the further reason that the rates set up for the fund have proven insufficient on an actuarial basis. The total of the funds, therefore, included in the above budget for the benefit of the teachers of the Commonwealth in this biennium over the last biennium and provided for by new taxes in this budget shows an increase of $26,074,400.

It is for you, the members of the General Assembly, to determine what further sum should be added to the above increases in order to provide just and adequate compensation at this time for the teachers in the various public schools of the Commonwealth from the funds recommended in the tax schedule.

There is still unallocated in this budget, from the funds recommended in the tax schedule, the sum of $27,000,000 available for this and such other purposes as you may determine. In making these determinations, it is for your consideration whether or not all increases for teachers' salaries that may be necessary in the Commonwealth in this biennium should be paid by the Commonwealth or whether or not some portion of them should be raised by the local authorities because this responsibility is not entirely a matter for the Commonwealth.

The estimate of receipts submitted by the Department of Revenue, after increasing the estimate for increased liquor revenue and deducting $24,000,000 for manufacturers' exemption from capital stock tax, is $425,018,000. Surplus funds for the present biennium arising from additional liquor profits and liquor tax receipts and from additional lapses are estimated at $16,679,000. This amount added to the estimated receipts, produces estimated available funds of $441,697,000 for the 1947-1949 biennium. There is, therefore, a shortage of receipts below recommended appropriations amounting to $105,787,558.

I recommend the following program to make up this shortage and to leave a substantial amount unobligated until the question of additional increase of teachers salaries is decided:

	Additional Biennial Revenue
1. Enact necessary legislation to exclude the carry-back, carry-forward of losses in levying the corporate net income tax	$ 20,000,000
2. Increase cigarette tax from 2c to 3c	19,000,000
3. Increase tax on malt beverage—double the present rates	22,000,000
4. Tax on soft drinks	38,000,000
5. Tax on cigars and tobacco	10,000,000
6. Postpone manufacturers' exemption from capital stock tax	24,000,000
Total Additional Revenue	$133,000,000

The amount of new revenue, $133,000,000, added to the estimated available funds, $441,697,000, will produce an estimated amount of $574,697,000. With revenues in this amount there would be an excess of $27,213,000 of receipts over recommended appropriations.

As I have explained, I am leaving this $27,213,000 free of recommendations until the question of salary increase for teachers has been solved.

This is the program I suggest to you to meet our problem.

Some explanation needs to be made here of the reasons which have concurred to bring about this shortage between receipts and requirements for the next biennium.

In the first place, as has already been shown, the large General Fund surplus of $109,497,978.81 which was on hand at the end of the 1943-1945 biennium, was all appropriated by the 1945 Session. $48,870,240 of the amount was appropriated to retire General State Authority Bonds, and $60,627,760 was appropriated for postwar projects, which with $15,607,240 appropriated from current funds established a $76,235,000 program of postwar projects. It should be explained here that the total surplus, which was $170,596,000, included, besides the $109,498,000 General Fund surplus, $57,250,000 Motor Fund surplus and the balance in other special operating funds. The $57,250,000 surplus in the Motor Fund is restricted by Constitutional Amendment for highways and safety purposes and the amounts in the other special operating funds are restricted by law to the functions served by those funds.

Secondly, during the previous Administration taxes were reduced or eliminated which, with the manufacturers' exemption which went into effect January 1, 1947, would have produced $94,487,300 in a biennial period.

Third, appropriations were increased for the normal functions of government from 1943 to 1947 from $362,900,000 to $427,400,000, an increase of $64,500,000. This increase can be explained chiefly by the increases for educational purposes.

In order that it may be made clear the degree to which continuously increased state wants for education have largely added to the mounting state budgets the following schedule of grants to the school districts of the Commonwealth for increased teachers salaries is appended:

1939-1941 Biennium	$64,000,000
1941-1943 Biennium	70,000,000
1943-1945 Biennium	104,000,000
1945-1947 Biennium	125,000,000

In the past biennium there has been a large decrease in receipts expected from some of the sources of revenue as compared with previous bienniums, notably the corporate net income tax. The yield of this tax has been as follows:

1943-1945	$128,417,595
1945-1947 (est.)	83,287,393
1947-1949 (est.)	90,000,000

Still another important part of the explanation for the shortage is that due primarily to the higher price level which now exists and which is anticipated to continue for the next two years, State expenditures will be on a plane far above previous levels.

The chief increases recommended are shown in the following table:

Table

Showing principal increases in General Fund appropriations for three bienniums

(without construction and land and redemption of State Authority Bonds)

	Actual 1943-1945	Actual 1945-1947	Recommended 1947-1949

* Does not include $26,000,000 of construction and other public works.

Construction Program

The foregoing discussion has dealt only with recommendations for current operations. However, a large construction program in the Welfare Department is urgently needed and is contemplated herein.

Appropriations amounting to $76,235,000 were made for postwar projects at the 1945 Session of the Legislature. Due to delays caused primarily by war conditions, these appropriations for the most part remain unexpended and are available for capital improvements in the ensuing biennium. It is expected that at the beginning of the next biennium there will be $65,000,000 unexpended and available for construction and improvement work. Moreover, a $50,000,000 bond issue which was finally adopted by the voters at the last election will become available for capital improvements upon passage of necessary enabling legislation by the General Assembly. Also in the budget I am recommending appropriations of $16,000,000 of estimated funds available for construction at mental institutions and $10,000,000 additional appropriated for the Department of Forest and Waters for flood control, conservation of water resources, recreational areas, and elimination of pollution. There will be, therefore, if my recommendations are adopted, $141,000,000 available in the General Fund and in funds from the bond issue for capital expenditure.

While the appropriations for the postwar program of projects remains largely unexpended most of these projects are vital and they should be continued during the coming biennium without delay. The fact that we have these appropriations standing for these necessary projects

relieves me of the necessity of recommending new appropriations therefor. There are some projects, however, which cannot be considered vital and should be deferred until building materials are more plentiful and prices more suitable. I recommend, therefore, that appropriations for the following projects and in the following amounts be repealed and the funds thus made available be reappropriated for construction at the mental hospitals:

Act No.	Project	Amount of Appropriation	Amount to be Repealed
80A	Capital Park Extension	$6,000,000.00	$5,762,125.61
444	Construction of Office Buildings—Philadelphia and Pittsburgh	1,500,000.00	1,500,000.00
78A	Postwar construction — Military Affairs	2,450,000.00	2,000,000.00
455	Preserving - War Records Military Affairs	150,000.00	150,000.00
	Total Amount to be Repealed		$9,412,125.61

Your action in repealing these appropriations will make $9,412,125.61 available for appropriation, and I recommend that you appropriate this amount, $45,000,000 of the funds from the bond issue, and $16,000,000 from estimated funds available, or a total of $70,700,000 for construction at the Welfare Institutions.

At the last Session one of the postwar appropriations was for construction at the Welfare Institutions in the amount of $16,485,000. The appropriation provided that not more than $8,000,000 of the appropriation should be spent for construction at the penal institutions. Plans were made for a program of construction at the penal institutions but I have restudied that situation and am convinced that improvement of mental institutions is more in the public interest except in the particulars hereinafter stated. The first major project in the prison program will be a new maximum security prison to make possible the removal of the Eastern State Penitentiary in Philadelphia from that location. Funds will be made available for that project in the Welfare Department appropriations as well as the project for a Classification Center at White Hill.

There will be then the following program of construction for Welfare Institutions during the 1947-1949 biennium:

Amount unexpended from appropriation of $9,357,000 by Act 75A—1943 Session	$ 5,000,000
Amount unexpended from appropriation of $16,485,000 by Act 73A—1945 Session	14,000,000
New appropriation recommended	70,700,000
Total available for construction Welfare Institutions	$89,700,000

It is proposed that at least $80,000,000 of this amount will be used at the institutions for mental and feebleminded patients.

With existing building difficulties, it cannot be known whether or not this program can be completed in the next two-year period. But the important consideration is that the improvement of our mental institutions be pushed ahead as rapidly as possible. Since a large share of the funds for these projects will come from the bond issue already authorized the bonds will be sold only as the funds are needed.

As mentioned earlier in this report one of the principal reasons for our level of expenditures exceeding the yield from our present tax structure is that there was a large tax reduction program in the preceding Administration making reductions or eliminations of taxes which produced $94,487,300 in a biennium. These were as follows:

	Amount of Biennial Reduction
Emergency State Personal Property Tax	$22,300,000
Emergency Bank and Trust Company Shares	6,000,000
Emergency Corporate Loans	5,500,000
Retail and Wholesale Merchantile Abolished	6,967,300
Gross Receipts—Reduced 6 mills	3,120,000
Emergency one-cent Liquid Fuels Tax—transferred to Motor License Fund	22,500,000
Repeal of Municipal Loans Tax	3,500,000
One mill reduction in tax on shares of Trust Companies	600,000
Manufacturers' exemption from Capital Stock tax (effective January 1, 1947)	24,000,000
Total Reductions	$94,487,300

Had these reductions not been made surplus funds in the General Fund instead of being $109,497,978.81 would have been at least double that amount. But these reductions were made amounting to $94,487,300 in a biennium and at same time increases in appropriations of a permanent nature—primarily for subsidies for teachers salaries—were made amounting to $65,000,000 in a biennial period.

New Revenue Program

One of the chief weaknesses in our tax structure is in the corporate net income tax As already shown it is expected that receipts from that tax for the 1945-1947 biennium will fall $45,000,000 below the 1943-1945 biennium and the estimate for 1947-1949 is $38,000,000 below 1943-1945. One of the principal reasons for this is that this State allows the carry-back, carry-forward of losses as provided in the Federal Corporate Income Tax. Under this provision losses incurred in the current year may be carried back two years to be established as credits against taxes paid in these years or may be carried forward two years similarly. Credits thus established may be used to offset any taxes payable by the corporation. This provision is certain to result in a large loss of revenue and creates uncertainty making an estimate of the yield of that tax almost impossible.

This carry-back, carry-forward provision was made a part of the Federal Tax Act in order to help to spread the burden of the high Federal taxes. Pennsylvania in using the Federal base did not exclude the operation of this provision as has been done in some other states. Of all the states having a corporate net income tax, this State alone permits the operation of this provision.

Because of the loss in yield and uncertainty caused by this carry-back, carry-forward provision, I recommend that it be excluded in imposing our corporate net income tax.

If this action is taken we can anticipate at least $20,000,000 additional from the corporate net income tax and other taxes against which credits would be established.

My recommendation with respect to the increase of the cigarette tax is that the present rate of one cent per ten cigarettes, or fraction thereof, be increased to one and one-half cents.

The recommended increase in the malt beverage tax will make that tax one cent a pint instead of one-half cent a pint.

The tax on soft drinks recommended includes in addition to a tax on all soft drinks on gallonage tax on syrups used in mixing soft drinks. A bill to carry out this recommendation will be submitted for your consideration and also a bill to carry out the recommendation for a tax on cigars and tobacco.

I also recommend that the exemption of manufacturing corporations from the capital stock tax which became effective January 1, 1947 be postponed until January 1, 1949. This exemption was established by an act passed in 1943 making the exemption effective January 1 of the year following the cessation of hostilities. Upon the President's proclamation of cessation of hostilities December 30, 1946, the act became effective January 1, 1947.

At the time this exemption was established we did not foresee the extent of the financial problems which confront the Commonwealth in this postwar period arising from inflated prices and the accumulated demands for funds.

It is appreciated that in this postwar period an intensified effort is being made by industry-poor states to attract industry from the industrial States in the northeastern seaboard. We are interested in checking any loss of industry and are eager not only to retain but to attract new industry and to expand all our industrial establishments for the benefit and welfare of all the people of the Commonwealth. Laudable as this object is, it would be unfair to give tax exemption to any group when it is necessary generally to expand the tax base during this abnormal period to provide the absolutely essential funds to operate the Commonwealth.

Under our Constitution not more than a million dollars may be borrowed to supply deficiencies in revenue. At the last Session an amendment was passed to change this amount from $1,000,000 to $50,000,000 and I recommend its passage in this Session. The $1,000,000 limit was established when our budget was but a fraction of what it now is. It is impossible to predict two year ahead with accuracy within $1,000,000.

Appropriations Recommended

Soldiers' Bonus

An important subject to be considered in this Session is that of a bonus for veterans of World War II. I recommend that a resolution for a bond issue be passed at this Session in sufficient amount to pay a fair and liberal bonus to all veterans. I recommend no amount because this subject needs extended consideration by the Legislature. Since a bond issue resolution will require passage by the Session of the Legislature two years hence there is no financial provision to be made in this budget.

Appropriations for Salaries and Expenses—All Departments

The amount I recommend for each department under this classification is just enough to operate that department on its present basis plus justifiable salary increases on a merit and cost of living basis.

Stream Clearance, Water Conservation and Flood Control

I have included a $10,000,000 item in the recommendations to carry on vitally needed and long neglected work of flood control, and conservation of water resources.

At the last Session of the Legislature an appropriation of $5,000,000 was made as part of the State's obligation in the work of removing silt in the Schuylkill River. Under the Act passed in the last Session is is necessary to make another appropriation of $5,000,000 and I recommend that such an appropriation be made from the proceeds of the $50,000,000 bond issue. This important work will be pushed ahead rapidly in the next two years, and fully meet the obligations of the State in this important program.

Health Sanatoria and Crippled Children's Hospital

$7,500,000 will be needed during 1947-1949 to pay the cost of care and treatment of tuberculous patients, including all now on the waiting list, and to fill the Crippled Children's Hospital to capacity. The sum of $5,000,000 plus a $200,000 deficiency paid the cost during the current biennium.

School Health Examinations

$7,800,000 will be needed during 1947-1949 to carry on this work. $4,000,000 was appropriated during 1945-1947.

During this two-year period under this School Health Examination program we have been engaged for the most part in discovering remediable defects among school children. Unless the defects that are found are corrected the money expended for finding them is largely wasted. This is an additional and greatly important job in the next two years. Follow-up visits to the homes to obtain necessary corrections are necessary and the Department of Health plans to have a large staff of nurses for this work.

Occupational Disease Compensation

I am recommending an appropriation of $750,000 instead of the usual appropriation of $1,250,000. $477,500 was spent during 1943-1945 and $259,400 during the current biennium to date. The $750,000 appropriation I am recommending will be adequate.

National Guard

I am recommending an appropriation of $3,750,000 to support the National Guard and maintain the armories and reservation which is requires. This is $1,802,000 more than was appropriated during the current biennium and the increase is due to the expenses involved in the re-establishment and training of the National Guard necessary to our national defense.

Veterans' Assistance

I am recommending an increase of $610,000 in the appropriation for veterans' assistance. The appropriation recommended is $1,500,000. This is a specific obligation which we must not ignore.

Public Assistance

The expenditures of State funds for Public Assistance have been running at the rate of $125,000,000 a biennium in recent months. I am recommending an appropriation

of $135,000,000. This is a very slight margin of safety and will be quickly absorbed if a rising cost of living forces another change upwards in the schedules or an upsurge of unemployment forces any great number of people to seek assistance.

School Employes Retirement Board

An appropriation of $300,000 is recommended to pay the operating expenses of the School Employes Retirement Board. For several bienniums it has been possible to pay these expenses from the earnings of the State Employes Retirement Fund in excess of four percent but the earnings no longer exceed four percent so it is necessary to make a specific appropriation.

The appropriations to pay the State's share of the cost of teachers retirement are recommended in the total amount of $13,486,400. This compares with appropriations of $8,412,000 during the current biennium. The reasons for this increase are several:

1. Greatly increased salaries of teachers since 1941.
2. Inability of the Fund to earn the four percent guaranteed by law, thus making it necessary for the State to make up the deficiency, because the adequate operation of the Fund has been guaranteed to the teachers by the State.
3. Retired teachers are living longer than was orginally calculated by the actuary from the general mortality experience.
4. Decision by the Attorney General that the Board may not change the contribution rates for members of the system or the contributing school districts in order to meet rising costs whereby, despite rising costs, the teachers get the benefits at the old rates.

Pennsylvania Area College Centers

The sum of $2,000,000 is recommended to enable the State to provide higher educational opportunities for veterans and others who otherwise would be unable to be admitted to college. Practically the entire amount will be offset by fees, so that the net cost to the State, if any, will be small.

School Lunch

$90,000 is recommended for this new function. This represents the administrative cost of the program which the State must pay. The remaining costs of the program will be paid by the Federal Government and the local districts—at least for the next two years.

Accreditment of Veterans' Training Facilities

$70,000 is recommended to pay the cost of inspecting and certifying training facilities for veterans. While a new function, this will disappear after a few years.

Acquisition of Federal Surplus Property for Schools

$150,000 is recommended to pay the administrative cost of acquiring war surplus property donated to the schools by the Federal Government and distributing such property to them. This is also a temporary new function.

Public School Subsidies

The only items needing comment are the $13,000,000 recommended for "transportation" compared with $9,900,000 plus a $160,580 deficiency for 1945-1947. Also the $146,000,000 granted for "teachers salaries" compared with $125,000,000 during these two years.

The increase in the "transportation" item is caused by three factors:

1. Change in method of reimbursement by Act 403 of the 1945 Session.
2. Rise in transportation costs.
3. Increase in amount of transportation furnished by local districts.

The $146,000,000 I am recommending for support of the public schools is needed to pay the cost under the legislation of the 1945 Session changing the method of reimbursement. This is an increase of $21,000,000 over the amount appropriated for the present biennium.

In any consideration of the appropriation for teachers salaries there should be a full analysis of the results of the legislation adopted at the last Session. Under this legislation increases in mandated salary schedules were adopted. The following table shows the percentage increases in mandated minimum schedules plus mandated increments established by that legislation and the estimated number of classroom teachers affected:

Class of District and type of Position	Percentage Increase in Mandated Salaries Plus Increments Provided for by Act 403 *	Estimated Number of Classroom Teachers (Full-time)
First Class		
Elementary	20.83	
Jr. High	14.28	8,500
High	12.50	
Second Class		
Elementary	38.89	
High	23.73	7,000
Third Class		
Elementary	64.28	
High	43.75	17,400
Fourth Class		
Elementary	109.09	
High	76.92	20,800

* Includes increments for Master's Degree.

Universities and Colleges and Other Institutions

Generally, the amounts which I am recommending constitute a twenty-five percent increase over the appropriations granted for the 1945-1847 biennium. The figure of twenty-five percent represents about the rise in general living costs which has taken place in the past two years. The recommended appropriation to Pennsylvania State College is somewhat larger, however, because of the great increase in students through the establishment of branches which Pennsylvania State College has had and also because the Federal Veterans Bureau pays only a limited amount for the education of veterans at this institution under the G. I. bill, whereas, as at other institutions, full tuition fees are paid.

All of the institutions asked for much more than has been recommended. Several have asked the State to provide additional buildings. I recommend no amounts for buildings and the amounts I recommend for grants are the largest that I can find available.

State-Aided Schools for Deaf and Blind

I recommend $2,500,000 to be appropriated for these

schools compared with $1,450,000 during 1945-1947. For some years the State has been paying these institutions far less per capita per student than it was paying for operating the State-owned School at Scranton. The appropriation I recommend will correct this condition.

State Employes Retirement Fund

The State Employes Retirement Board asked for $6,229,000 as calculated by the actuary. The General Fund's share of this is $3,736,000 which is $645,000 greater than the appropriation for 1945-1947. Increased salaries of employes and inability of the Fund to earn the guaranteed four percent are responsible for the increase.

Pennsylvania State Police

During 1945-1947 the State Police were supported by a $3,000,000 appropriation from the General Fund and an $8,000,000 allocation from the Motor License Fund. For the 1947-1949 biennium I am recommending a $5,000.000 General Fund appropriation with the balance of $10,000.000 to be taken from the Motor License Fund. The Police Force is being built up to a total of 1600 officers and men.

Department of Welfare

An appropriation for salaries and expenses of $900,000 has been recommended, $280,000 greater than the $620,000 appropriated for 1945-1947. This larger proportionate increase than that recommended to any other department will provide a strengthened reorganization of the administration of mental health and certain other improvements in the institutional management which is the department's principal function.

Mental Hospitals

In the forthcoming biennium a great advance must be made at the mental hospitals. Funds are being provided for as much improvement in the physical plants as can be done in a two-year period. Aside from improvement to the physical plant there must be a great improvement in the care and treatment of mental patients. Facilities must be established whereby there can be adequate early treatment of such patients.

I recommend $42,121,500 to be appropriated during 1947-1949, compared with $33,365,300 appropriated for 1945-1947. These hospitals are now costing $1.30 per patient per day to operate. The amount I recommend will provide $1.50 per patient per day. Also, this amount is sufficient to give substantial aid to general hospitals in establishing wards for mental patients, a program which I feel has great possibilities in our mental health program.

Other State-Owned Institutions

The $12,000,000 which I recommend for the Penal Institutions, $8,300,000 for the Institutions for Mental Defectives, and $6,500,000 for the Medical and Surgical Hospitals, all reflect the rise in costs which has been the familiar lot of all.

State-Aided Hospitals

The State-aided Welfare Institutions have all been struggling under the same cost increases which State-owned Institutions have experienced and increases are recommended to all of them.

State-Aided Hospitals

The total appropriations to these institutions have remained about the same since 1939-1941. For 1947-1949, a forty percent increase is recommended. The amount is $12,250,000. This increase I feel is necessary due to the rapid increase in the price level.

Legislative and Judicial

Some small increases are set forth which largely explain themselves.

The principal items have been covered in these comments.

General Fund Deficiencies

This Session of the General Assembly will be asked to appropriate $33,225,820 in additional and deficiency appropriations for 1945-1947. A schedule appears in the budget. Two of the items, $23,400,000 for the Department of Public Assistance and $39,000 for the Legislature have already been appropriated. Bills will be introduced covering all other items without delay and since some of the amounts will be needed by the first of April, your immediate attention is urged.

All of the deficiencies are required to meet the unexpectedly swift advance in prices during the past two years. It was necessary to raise employes salaries, for the third time since 1941, in August 1946. The price of every supply and equipment item the State uses has advanced. While it was thought, when the budget was made two years ago, that some increase in prices would occur, the increase which did occur was much greater than the allowance which was made.

The Motor License Fund

It is estimated that there will be a total of $368,970,000 available in the Motor License Fund during 1947-1949. This is $110,000,000 greater than the estimated total available funds for 1945-1947. Three reasons are responsible for this increase:

1. An increase of $64,000,000 in the estimated Federal Aid.

2. An increase in the yield from the gasoline tax and the licensing law. The emergency one-cent tax transferred from the General Fund by the 1945 Session is partly responsible.

3. Recovery of the revenue sources from depressing effects of the war faster than the road building opportunities.

Highways

The Department of Highways estimates that it can spend $250,000,000 during 1947-1949 compared with $118,000,000 which it expects to spend during 1945-1947. This will permit an increase of $100,000,000 in the amounts to be spent for construction while providing the increased amounts for maintenance and overhead required by the increased price level. The following table will show the comparisons:

	Estimated 1945-1947	Estimated 1947-1949
Construction	$ 40,900,000	$141,400,000
Resurfacing	8,300,000	20,000,000
Overhead engineering equipment, etc.	23,000,000	36,600,000
Maintenance	45,800,000	52,000,000
Total	$118,000,000	$250,000,000

Other Appropriations from the Motor License Fund

Provisions is made in the budget for appropriation to the cities, boroughs and townships in the same amounts as before.

The allocation to the State Police is estimated at $10,000,000 which is a $2,000,000 increase over the allocation for 1945-1947. This will permit the State Police Force to be built up to nearly full strength.

The allocation of $10,000,000 recommended to the Department of Revenue exceeds the present allocation by $3,000,000. This increase is largely made necessary in order to administer the "Owners and Operators Financial Responsibility Act" (1945, P. L. 1340) which becomes effective July 1, 1947.

Motor License Fund Balance, May 31, 1949

The budget estimates that there will be a cash balance, May 31, 1949, of $67,500,000. This will accrue because of the expected inability of the Department of Highways to procure the men and materials to spend more than the $250,000,000 estimated during the 1947-1949 biennium. The existence of this balance does not mean that the money will not be needed on the State Highway System. On the contrary, the growth of traffic and the war-compelled cessation of construction has accelerated the obsolescence of much of our whole highway system.

It is the opinion of the Department of Highways that while there will be sufficient funds available for all work which can be undertaken in the 1947-1949 biennium there will not be sufficient funds in the following years to complete the program which is already committed, agreed to, or planned to be started during the 1947-1949 biennium.

The question arises whether in view of the inflated costs and the size of the deferred program which confronts the Department of Highways there needs to be an additional cent of tax on liquid fuels adopted at this Session. The necessity for this will depend in large measure on the rapidity with which the Department can put necessary work under contract and have the work completed. A better answer to this question can and will be given before the end of this Session, during which time a number of contract bids will be received which should reflect the action necessary to be taken.

Conclusion

In considering this whole budget you are reminded to consider it in the light of the greatly increased price level and the deferred obligations from the war period which are at hand. Many new and difficult problems confront the State Government in this postwar period. I pledge you my cooperation and that of all the departments and state agencies in arriving at the solution of these problems in the best interests of all of the people of the Commonwealth.

Respectfully submitted,

JAMES H. DUFF, Governor.
